Item 2.02 Results of Operations and Financial Condition.

On March 7, 2016, Actuant Corporation (the “Company”) announced that it expects to report a non-cash asset impairment charge of approximately \$170 million in its second quarter financial results due to the further weakening of near-term capital spending in the global oil & gas market, as well as ongoing weakness in off-highway equipment markets. In addition, the Company announced lower than expected revenue for the second fiscal quarter due to greater than expected declines across a number of industrial end markets.

A copy of the press release announcing the non-cash impairment charge and expected second quarter revenue is attached as Exhibit 99.1 to this Form 8-K.

Item 2.06 Material Impairments.

The information disclosed above under Item 2.02 with respect to the non-cash impairment charge is incorporated herein by reference.
