information available at the time the statements were made. As such, they are based upon, and will be influenced by, a number of external variables -- more particularly described and identified in our most recent annual report and quarterly report to the Securities and Exchange Commission on Form 10-K and Form 10-Q -- over which the Corporation may have no, or incomplete, control: for example, (1) changes in the economic or credit environment in the United States and abroad; (2) competitive conditions and pricing levels; (3) legislative and regulatory developments; (4) changes in tax laws; and (5) other risks and uncertainties not now identified. Accordingly, actual outcomes and results already or eventually may differ materially from those indicated in such forward-looking statements.
