VOTING SECURITIES

Only shareholders of record at the close of business on February 11, 2005 will be entitled to notice of and to vote at the annual meeting. 18,590,456 shares of common stock were outstanding and entitled to vote as of February 11, 2005.

Each share of the Corporation's common stock is entitled to one vote. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. Shareholders do not have a right to cumulate their votes for directors. The affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy is required for approval of all items submitted to the shareholders for their consideration other than the election of directors. The Secretary will count the votes and announce the results of the voting at the meeting. Abstentions will be counted for the purpose of determining whether a quorum is present but for no other purpose. Broker non-votes will not be counted.

Merchants Trust Company, National Association ("MTC"), a wholly owned subsidiary of the Corporation, held 1,619,713 shares of the Corporation's common stock as of February 11, 2005 in various fiduciary capacities, in regular, nominee or street name accounts, consisting of 8.71% of the Corporation's outstanding shares. Beneficial ownership of shares so held is disclaimed by the Corporation. It is MTC's practice, when holding shares as sole trustee or sole executor, to vote the shares; but, when it holds shares as co-trustee or co-executor, MTC obtains approval from the co-fiduciary prior to voting.

In 2004, the directors of the Corporation who are not employees were paid an annual retainer of \$7,600, except that Stefan S. Anderson, who is retiring as a director as of the 2005 annual shareholders' meeting, was paid an annual retainer of \$15,000 for his services as Chairman of the

4

Board of Directors of the Corporation. The directors who are not employees also received \$600 for each Board meeting and \$400 for each committee meeting they attended, except that the Board and committee chairmen received \$800 and \$600, respectively, for each meeting they attended. In addition, under the provisions of the Corporation's 1999 Long-term Equity Incentive Plan, options were granted to each of the non-employee directors on July 1, 2004 to purchase shares of the Corporation's common stock. Each option was for 1,157 shares at an option price of \$25.595 per share, the market price on the date of the grants.

Effective January 1, 2005, the compensation structure was modified to increase the annual retainer for directors who are not employees to \$15,000, plus \$3,000 for each Board Committee on which the director serves. Committee Chairmen receive an additional \$2,000 annually, except that the Audit Committee Chairman receives \$5,000. The Chairman of the Board receives an annual retainer of \$50,000 but no retainer for Committee service. All meeting fees were eliminated.

Some non-employee directors received additional compensation in 2004 for their services as a director of a subsidiary of the Corporation. Mr. Anderson received an annual retainer of \$10,000 for his services as Chairman of the FMB Board, and director Robert M. Smitson received an annual retainer of \$5,000 for his services as an FMB director. Mr. Anderson, as FMB Board Chairman, received \$800 for each FMB Board meeting and \$300 for each FMB committee meeting he attended. Mr. Smitson received \$500 for each FMB Board meeting and \$300 for each FMB committee meeting he attended, except that, as its Chairman, Mr. Smitson received \$400 per meeting of the FMB Executive Committee. For his services as a director and Chairman of the Board of Directors of MCB, director James F. Ault was paid \$375 for each Board meeting and \$50 for each committee meeting he attended in 2004. Directors Richard A. Boehning and Robert T. Jeffares serve as directors of Lafayette Bank and Trust Company, National Association ("LBT"), a wholly owned subsidiary of the Corporation, for which they received a retainer of \$19,800 in 2004. LBT also provided them life insurance coverage in the amount of \$6,000 for these services. For his services as a director and Chairman of the Board of Directors of Union County National Bank ("UCNB"), a wholly owned subsidiary of the Corporation, Norman M. Johnson, who is retiring as a director as of the 2005 annual shareholders' meeting, was paid an annual retainer of \$3,600 and an additional \$300 for each Board meeting and \$250 for each committee meeting he attended during 2004. UCNB also paid Mr. Johnson a bonus of \$1,930 and provided him life insurance coverage in the amount of \$25,000 for these services.

BOARD INDEPENDENCE

The Board has determined that each of the director-nominees and continuing directors is an "independent director," as defined in Marketplace Rule 4200(a)(15) of the Nasdaq Stock Market, Inc. ("NASDAQ"), except for Michael L. Cox, the President and Chief Executive Officer of the Corporation, Roger M. Arwood, the Executive Vice President and Chief Operating Officer of the Corporation, Barry J. Hudson, the Chairman of the Board of FNB, and Thomas D. McAuliffe, the President and Chief Executive Officer of CNB. All of the members of the Nominating and Governance Committee, the Compensation and Human Resources Committee, and the Audit Committee are "independent directors," as defined in

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

NASDAQ Marketplace Rule 4200(a)(15).

COMMITTEES OF THE BOARD

Nominating and Governance Committee

The Corporation has a Nominating and Governance Committee whose purpose is to seek to ensure continuation of the effectiveness and independence of the Board of Directors. The Committee is responsible for reviewing the credentials of persons suggested as prospective directors, nominating persons to serve as directors and as officers of the Board of Directors, including the slate of directors to be elected each year at the annual meeting of shareholders, making recommendations concerning

5

the size and composition of the Board of Directors, as well as criteria for Board membership, making recommendations concerning the Board's committee structure and makeup, providing for continuing education of the directors and self-assessment of the Board's effectiveness, and overseeing the Corporate-wide Code of Business Conduct and the Code of Ethics for senior financial officers of the Corporation. As of the date of this proxy statement, the Nominating and Governance Committee is composed of directors Thomas B. Clark (Chairman), James F. Ault, Richard A. Boehning and Robert M. Smitson. Stefan S. Anderson, who is retiring as a director of the Corporation as of the 2005 annual meeting, served ex officio on the Committee as Chairman of the Board of the Corporation. The Nominating and Governance Committee met 5 times during 2004.

The Board has adopted a written charter for the Nominating and Governance Committee. A copy of the charter is included among the documents under the "Corporate Governance Disclosures" link on the Corporation's website, www.firstmerchants.com.

Identifying and Evaluating Nominees for Directors

In nominating persons to serve as directors, the Nominating and Governance Committee considers the person's ethical character, reputation, relevant expertise and experience, accomplishments, leadership skills, demonstrated business judgment, contribution to Board diversity, "independence" (as defined in NASDAQ Marketplace Rule 4200(a)(15)) if a non-employee director, residency in the Corporation's market area, ability and willingness to devote sufficient time to director responsibilities, and willingness to maintain a meaningful ownership interest in the Corporation and assist the Corporation in developing new business.

In addition to considering the criteria described in the preceding paragraph, the Committee's process for identifying and evaluating nominees involves, for incumbent directors whose terms are expiring, reviewing the quality of their prior service to the Corporation, including the nature and extent of their participation in the Corporation's governance and their contributions of management and financial expertise and experience to the Board and the Corporation. For new director candidates, the Committee also considers whether their skills are complementary to those of existing Board members and whether they will fulfill the Board's needs for management, financial, technological or other expertise. The Nominating and Governance Committee considers candidates coming to its attention through current Board members, search firms, shareholders and other persons.

In 2004, the Board amended Article IV, Section 9, of the Corporation's Bylaws, which describes the process by which a shareholder may suggest a candidate for

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

consideration by the Committee as a director nominee. Under this amended process, a suggestion by a shareholder of a director nominee must include: (a) the name, address and number of the Corporation's shares owned by the shareholder; (b) the name, address, age and principal occupation of the suggested nominee; and (c) such other information concerning the suggested nominee as the shareholder may wish to submit or the Committee may reasonably request. A suggestion for a director nominee submitted by a shareholder must be in writing and delivered or mailed to the Secretary, First Merchants Corporation, 200 East Jackson Street, Muncie, Indiana 47305. Suggestions for nominees from shareholders are evaluated in the same manner as other nominees.

There are no nominees for election to the Corporation's Board of Directors at the 2005 annual shareholders' meeting other than directors standing for re-election.

Compensation and Human Resources Committee

The Corporation has a Compensation and Human Resources Committee whose functions are: (a) to review and approve the compensation and benefits to be paid to the executive officers and senior management employees of the Corporation and the chief executive officers of its subsidiaries, and (b)

6

to review and approve the compensation and benefits to be paid to the executive officers and senior management employees and the compensation ranges and benefits for other officers and employees of the Corporation's subsidiaries. The authority to periodically adjust the compensation and benefits of employees, other than executive officers and senior management of the Corporation and the chief executive officers of its subsidiaries, has been delegated by the Committee to the chief executive officers of the subsidiaries. The Compensation and Human Resources Committee is responsible for the administration of the Corporation's incentive compensation and stock plans. As of the date of this proxy statement, the Compensation and Human Resources Committee is composed of directors Robert M. Smitson (Chairman), Stefan S. Anderson, Frank A. Bracken, Thomas B. Clark and Norman M. Johnson. Mr. Anderson, Mr. Bracken and Mr. Johnson are retiring as directors of the Corporation as of the 2005 annual meeting. The Committee met 4 times during 2004.

Compensation and Human Resources Committee Interlocks and Insider Participation

No member of the Compensation and Human Resources Committee was an officer or employee of the Corporation or any of its subsidiaries during 2004. Mr. Anderson was the CEO of the Corporation and FMB until his retirement on April 16, 1999. No other member of the Compensation and Human Resources Committee or executive officer of the Corporation had a relationship during 2004 requiring disclosure in this proxy statement under Securities and Exchange Commission ("SEC") regulations.

Compensation and Human Resources Committee Report on Executive Compensation

The Compensation and Human Resources Committee establishes the salaries and administers the executive compensation program applicable to the Corporation's executive officers, including the executive officers named in the Summary Compensation Table on page 11.

General Compensation Policy.

The Committee's compensation policies are designed to provide incentives to executive officers to achieve short-term and long-term corporate strategic

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

management goals, with the ultimate objective of obtaining a superior return on the shareholders' investment. The Committee believes that a competitive compensation program, combining salary, employee benefits, incentive compensation, and equity-based compensation, is necessary to attract and retain qualified executives. The incentive compensation program for the Corporation's executive officers is tied to the Corporation's financial performance and the executive's individual contributions to that performance and thereby enhances the Corporation's ability to achieve its business objectives. The equity-based compensation programs encourage ownership and retention of the Corporation's stock by key employees, assuring that they have a meaningful stake in the Corporation's continued success and thereby aligning their interests more closely with the interests of shareholders.

Cash Compensation.

The annual salaries paid to the Corporation's executive officers for 2004 were determined by the Compensation and Human Resources Committee. The salaries for 2004 paid to the executive officers named in the Summary Compensation Table on page 11 are shown in the "Salary" column of that Table. These salaries were subjectively determined after consideration of the executive officer's individual responsibilities, performance, experience, the chief executive officer's evaluation of the other executive officers, a review of several measurements of the Corporation's short-term and long-term financial results compared with industry peers, various industry salary surveys, and other factors such as budgetary considerations and inflation rates.

7

Incentive Compensation

The incentive compensation paid to the Corporation's executive officers for 2004 was determined under the Senior Management Incentive Compensation Program. This Program incorporates modern incentive plan techniques and executive retention features for the purpose of closely aligning the interests of executives with those of shareholders. Under the Program, at or near the beginning of each calendar year, the Committee assigns each of the Program participants a target bonus for the year that is a percentage of salary. The participant's incentive compensation for the year is based on accomplishment of specific performance levels set forth in the Program. The chief executive officer's and chief operating officer's bonuses for 2004 depended on meeting targets with respect to the Corporation's operating return on equity and improvements in the Corporation's operating earnings per share and diluted GAAP earnings per share compared to the previous year. The other executive officers' bonuses depended on meeting targets with respect to improvement in the Corporation's operating earnings per share compared to the previous year and accomplishing personal objectives as determined at or near the beginning of the year by the chief executive officer. In order to avoid wide swings in payouts and to better focus the Program participants on long-term results, the Program provides that 60% of any bonus paid to the participants will be based on current year performance and 40% will be based on the previous year's payout. To further the purpose of executive retention, 2/3 of each participant's bonus is payable to the participant in cash following the end of the calendar year, and the other 1/3 is payable in Deferred Stock Units ("DSUs") two years after the bonus is earned (unless the portion payable in DSUs is less than \$1,000, in which case the entire bonus is payable in cash). When payable, the DSUs are valued at an amount equal to the fair market value of the Corporation's common stock on the December 31 preceding the payment date plus accumulated dividends. Payment is made to the participant in cash. The DSUs are forfeited if the participant's employment is terminated for cause or is voluntarily terminated by the participant (except on account of retirement, death or disability) prior to the date of payment. The

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

participant may elect to defer payment of all or part of the cash portion of the bonus by filing an election to do so in the manner described in the Program. Deferred amounts will be credited with interest quarterly based on the current 5-year U.S. Treasury Bond rate.

The cash portion of the bonuses for 2004 for the executive officers named in the Summary Compensation Table on page 11 is set forth in the "Bonus" column of that Table, and the DSU portion of these bonuses is set forth in the Long-Term Incentive Plan Awards Table on page 13. Cash amounts paid to these executive officers for DSUs earned in 2002 are set forth in the "LTIP Payouts" column of the Summary Compensation Table on page 11. For 2004, Mr. Cox's target bonus was 45% of salary, and his actual bonus, based 60% on 2004 performance and 40% on 2003 payout, was 15.30% of salary. Mr. Arwood's target bonus was 40% of salary, and his actual bonus, based 60% on 2004 performance and 40% on 2003 payout, was 13.37% of salary. The target bonuses for Mr. Connors, Mr. Hardwick and Mr. Helms were each 30% of salary, and their actual bonuses, based 60% on 2004 performance and 40% on 2003 payout, were 16.09%, 17.21% and 18.04% of salary, respectively.

Equity-based Compensation.

The equity-based compensation paid to the Corporation's executive officers for 2004, in addition to the DSUs under the Senior Management Incentive Compensation Program described above, included compensation under the Corporation's Long-term Equity Incentive Plan and the 1999 Employee Stock Purchase Plan.

The Long-term Equity Incentive Plan is briefly described in the paragraph on page 12 immediately preceding the Option Grants in Last Fiscal Year Table. The number of shares for which the Compensation and Human Resources Committee awarded options under the Plan to the executive officers named in the Summary Compensation Table during 2004 is set forth in the "Number of

8

Securities Underlying Options Granted" column of the Option Grants in Last Fiscal Year Table on page 12.

The 1999 Employee Stock Purchase Plan, which expired with the offering period ending June 30, 2004, generally provided that full-time employees of the Corporation or a participating subsidiary with more than 6 months of service may elect, prior to the offering period (July 1 to June 30), to purchase common shares of the Corporation at a price equal to 85% of the lesser of the market price of the stock at the beginning of the period and the market price at the end of the period. For the offering period ending June 30, 2004, Mr. Cox, Mr. Hardwick and Mr. Helms purchased 787, 498 and 131 shares, respectively, under the 1999 Employee Stock Purchase Plan. Mr. Arwood and Mr. Connors did not participate in the Plan during this offering period. Although the 1999 Employee Stock Purchase Plan expired on June 30, 2004, the shareholders approved the 2004 Employee Stock Purchase Plan at the 2004 annual meeting of shareholders, for a maximum of 5 offering periods, expiring on June 30, 2009. The terms of the 2004 Employee Stock Purchase Plan are essentially the same as those that were contained in the 1999 Plan.

Other Compensation.

The Corporation's executive officers are also covered by medical and retirement plans that are generally applicable to full-time employees of the Corporation and its subsidiaries. The retirement plans covering each of the executive officers are the First Merchants Corporation Retirement Pension Plan, a qualified defined benefit pension plan (described on page 13 in the section entitled "Compensation of Executive Officers -- Pension Plans"), and the First

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

Merchants Corporation Retirement Savings Plan, a qualified Internal Revenue Code ss.401(k) defined contribution pension plan (referred to in note (2) to the Summary Compensation Table on page 11). Mr. Cox and Mr. Arwood are also covered by the First Merchants Corporation Supplemental Executive Retirement Plan, a nonqualified SERP plan (described on page 13 in the section entitled "Compensation of Executive Officers -- Pension Plans").

Compensation of CEO

The compensation of the Corporation's chief executive officer, Mr. Cox, was determined in the same manner as that of the other executive officers of the Corporation. The Summary Compensation Table on page 11 provides an overview of the principal components of his compensation for 2004.

Mr. Cox's base annual salary for 2004 was \$320,000, the same as his 2003 salary. Prior to the beginning of 2004, he and the chief operating officer, Roger M. Arwood, informed the Compensation and Human Resources Committee that they were recommending no salary increases for themselves due to the decline in the Corporation's earnings per share in 2003, and the Committee approved this recommendation. The Corporation's earnings per share increased in 2004, and Mr. Cox and Mr. Arwood will receive salary increases for 2005.

Mr. Cox is eligible to participate in all of the Corporation's incentive and equity-based compensation programs. The cash component of his bonus for 2004 under the Senior Management Incentive Compensation Program was \$32,640, as shown in the "Bonus" column of the Summary Compensation Table, and the DSU component of his bonus was \$16,320, or 577 DSUs, as shown in the Long-Term Incentive Plan Awards Table on page 13. The number of DSUs was determined by dividing the dollar amount by \$28.30, the year end market value of the Corporation's common stock. Mr. Cox was awarded options for 15,000 shares of the Corporation's common stock in 2004 under the Long-term Equity Incentive Plan, as shown in the "Number of Securities Underlying Options Granted" column of the Option Grants in Last Fiscal Year Table on page 12. Mr. Cox participated in the 1999 Employee Stock Purchase Plan during 2004, acquiring 787 shares of the Corporation's common stock under the

9

Plan. He also received the benefits described in the "Other Compensation" section of this report, including coverage under the First Merchants Corporation Supplemental Executive Retirement Plan.

Long-term Incentive Plan Awards Table

Under the restructured Senior Management Incentive Compensation Program, which became effective in 2000, the annual bonuses earned by participating employees are payable 2/3 in cash following the end of the fiscal year and 1/3 in Deferred Stock Units ("DSUs") two years after the bonus is earned. When payable, the DSUs are valued at an amount equal to the fair market value of the Corporation's common stock as of the last day of the calendar year preceding the date of payment, plus accumulated dividends. Payments for the DSUs are made in cash, not stock. If the participant's employment is terminated for cause or is voluntarily terminated by the participant (except on account of retirement, death or disability) prior to the date of payment, the DSUs are forfeited. The following table contains information concerning DSU awards for 2004 under the Senior Management Incentive Compensation Program to each of the executive officers named in the Summary Compensation Table above. The section of this proxy statement entitled "Compensation and Human Resources Committee Report on Executive Compensation -- Incentive Compensation," on page 8, contains additional information about the Senior Management Incentive Compensation Program.

Pension Plans

The Corporation's qualified defined benefit pension plan, the First Merchants Corporation Retirement Pension Plan, covers the full-time employees of the Corporation and most of its subsidiaries. Its nonqualified "excess benefit" plan, the First Merchants Corporation Supplemental Executive Retirement Plan, provides benefits to designated executives that would otherwise be payable under the qualified plan if incentive compensation were included in compensation and Internal Revenue Code Section 401(a)(17) did not limit the amount of compensation that can be considered for purposes of calculating pension benefits accruing under the qualified plan. For plan years beginning on or after January 1, 2002, \$200,000 is the maximum amount of compensation that can be considered for

13

purposes of calculating pension benefits accruing under the qualified plan. This amount will increase to \$210,000 for plan years beginning on or after January 1, 2005.

The following table shows the estimated annual benefits payable upon retirement at age 65 to persons born in 1951 (the average of the birth years of the executive officers named in the Summary Compensation Table above) in specified compensation and years of service classifications under the plans. The benefit amounts shown in the table include amounts payable under both the qualified and the nonqualified plans, for those executives who participate in both.

Participants in the qualified plan who had at least 15 credited years of service and whose combined age and years of service totaled at least 65 as of January 1, 1991 are entitled to a pension benefit calculated under the formula that was in effect prior to 1990 if that will produce a greater benefit. Mr. Helms is the only executive officer named in the Summary Compensation Table who qualifies for a benefit under the pre-1990 formula. The following table shows the estimated annual benefits payable upon retirement at age 65 under the formula that was in effect prior to 1990 in specified compensation and years of service classifications under the plans. The benefit amounts shown in the table include amounts payable under both the qualified and the nonqualified plans, for those executives who participate in both.

Benefits under the plans are determined primarily by average final compensation and years of service (to a maximum of 25 years) and are computed on the basis of straight-life annuity amounts. They are not subject to any deduction for Social Security or other offset amounts.

Compensation for purposes of the qualified plan consists of the base salary and service award components of the salary amounts reported in the Summary Compensation Table on page 11. Compensation for purposes of the nonqualified plan also includes the bonus amounts reported in the Summary Compensation Table. All of the executive officers named in the Summary Compensation Table are participants in the qualified plan. Mr. Cox and Mr. Arwood are also participants in the nonqualified plan. The 2004 compensation used for purposes of calculating pension benefits under

the plans, and the credited years of service as of January 1, 2005, of the executive officers named in the Summary Compensation Table are: Mr. Cox, \$360,010 (9.5 years), Mr. Arwood, \$260,746 (3.5 years), Mr. Connors, \$166,200 (1 year), Mr. Hardwick, \$155,035 (5 years), and Mr. Helms, \$135,085 (32 years).

Termination of Employment and Change of Control Arrangements

The Corporation has change of control agreements with each of the executive officers named in the Summary Compensation Table. These are "double trigger" change of control agreements, in that they provide for the payment of severance benefits to the executives only in the event of both a change of control of the Corporation and a termination or constructive termination of the employment of the executive within 24 months after the change of control (but no payment will be made if the termination was for cause, because of the executive's death or disability, or by the executive other than on account of constructive termination). In general, a "change of control" means an acquisition by any person of 25% or more of the Corporation's voting shares, a change in the makeup of a majority of the Corporation's Board of Directors over a 24-month period, a merger of the Corporation in which the shareholders before the merger own 50% or less of the Corporation's voting shares after the merger, or approval by the Corporation's shareholders of a plan of complete liquidation of the Corporation or an agreement to sell or dispose of substantially all of the Corporation's assets. A "constructive termination" means, generally, a significant reduction in duties, compensation or benefits or a relocation of the executive's office outside of area described in the agreement, unless agreed to by the executive. The severance benefits payable under each of the change of control agreements, in addition to base salary and incentive compensation accrued through the date of termination, would be a lump sum amount, determined by multiplying the sum of (1) the executive's annual base salary and (2) the executive's largest bonus under the Corporation's Senior Management Incentive Compensation Program during the 2 years preceding termination, by the following percentages: in the cases of Mr. Cox and Mr. Arwood, 299%; and, in the cases of Mr. Connors, Mr. Hardwick and Mr. Helms, 200%. The Corporation would also pay any excise tax imposed on the executive under Section 4999 of the Internal Revenue Code on an "excess parachute payment;" and it would provide to the executive 2 years' life, disability, accident and health insurance coverage, the bargain element value of outstanding stock options, outplacement services, and reasonable legal fees and expenses incurred as a result of the termination. The change of control agreements were not entered into in response to any effort to acquire control of the Corporation, and the Board of Directors is not aware of any such effort.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Corporation's directors and executive officers to file reports of ownership and changes in ownership of the Corporation's stock with the Securities and Exchange Commission. Based on its records and the written representations of its directors and executive officers, the Corporation believes that during 2004 these persons complied with all Section 16(a) filing requirements.

INDEPENDENT PUBLIC ACCOUNTANTS

Selection of Independent Public Accountants

The Board, subject to ratification by the shareholders, has appointed BKD, LLP as the Corporation's independent public accountants for 2005. If the shareholders do not ratify the appointment of BKD, the Audit Committee and the Board will reconsider this appointment. Representatives of the firm are

19

expected to be present at the annual shareholders' meeting. They will have an opportunity to make a statement, if they desire to do so, and are expected to be available to respond to appropriate questions.

The Board of Directors unanimously recommends a vote "FOR" ratification of the appointment of the firm of BKD, LLP as independent public accountants for 2005.

Fees for Professional Services Rendered by BKD, LLP

The following table shows the aggregate fees billed by BKD, LLP for audit and other services rendered to the Corporation for 2003 and 2004.

	2003	2004
	----	----
Audit Fees	\$250,626	\$308,000
Audit-Related Fees	39,826	46,000
Tax Fees	44,454	78,000
All Other Fees	0	0
	-----	-----
Total Fees	\$334,906	\$432,000
	=====	=====

The audit fees were for professional services rendered for the audits of the Corporation's consolidated financial statements and internal control over financial reporting, reviews of condensed consolidated financial statements included in the Corporation's Forms 10-Q, and assistance with regulatory filings.

The audit-related fees were for professional services rendered for audits of the Corporation's benefit plans.

The tax fees were for professional services rendered for preparation of tax returns and consultation on various tax matters.

All of these audit-related fees and tax fees were pre-approved by the Audit Committee in accordance with the Committee's pre-approval policy described below.

The Audit Committee has considered whether the provision by BKD, LLP of the services covered by the fees other than the audit fees is compatible with

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

maintaining BKD, LLP's independence and believes that it is compatible.

Pre-approval Policies and Procedures

The Audit Committee has established a pre-approval policy, under which the Committee is required to pre-approve all audit and non-audit services performed by the Corporation's independent auditors, in order to assure that the provision of such services does not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Under this policy, pre-approval is provided for 12 months from the date of pre-approval unless the Committee specifically provides for a different period. The policy is detailed as to the particular services or category of services and fee levels that are pre-approved. Unless a service or type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee. The Committee must also approve any proposed services exceeding the pre-approved fee levels. The independent auditors are required to provide detailed back-up documentation with respect to each proposed pre-approved service at the time of approval. The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority has been delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditors to management.
