October 8, 2018 Fellow MB&T Employees: We are excited to announce that Monroe Bank & Trust is planning to join First Merchants Bank. The boards of First Merchants Corporation and MBT Financial Corporation have approved an agreement to merge our two companies. Pending finalization, MB&T will join the First Merchants team. We're sure that you have many questions about your employment, your customers and your community. Our intention to join together in a planned process that takes into consideration all of your valid concerns. The partnership process includes three primary milestones: Public Announcement (occurring today), Legal Close (when MB&T legally becomes part of First Merchants) and System Integration (when we migrate your customers into First Merchants products and systems and rebrand Monroe Bank & Trust to First Merchants Bank). The enclosed materials are intended to provide you with some initial information. We also believe in honesty and want to assure you that you will receive regular, on-going communication throughout the entire process. Let us begin by sharing who First Merchants is. Founded in 1893 and headquartered in Muncie, Indiana, First Merchants is a \$9.7B asset organization. The bank operates as First Merchants Bank and First Merchants Private Wealth Advisors, and supports customer needs through three primary lines of business: Commercial Banking, Personal Banking and Private Wealth Advisory. As the largest financial services holding company headquartered in Central Indiana, the "whole bank" delivery model creates a competitive advantage. This includes delivering high levels of responsiveness and knowledge through all lines of business while leveraging high-quality administration and expertise. We're confident our planned partnership will be mutually beneficial to our customers, communities and shareholders, as well as you, our team members. Looking forward, the combined strength of our companies will allow us to offer a wider array of services, more access and a better overall banking experience. As one company, we will also be better positioned to provide opportunities for talented team members like you. First Merchants respects and values people as a competitive advantage, offering a comprehensive benefits package, family-friendly work environment, and a variety of learning and development opportunities. Like MB&T, FMB believes in helping and encourages volunteer efforts with paid time off for community days. We're sure you have questions about First Merchants and what this news means to you and your customers. As we prepare to combine our organizations, rest assured that we will remain true to the principles that both of our companies were founded on and what has made our stories great: local decisions, customer focus, community involvement and engaged teammates. The entire First Merchants team is excited for our partnership and to continue delivering on our promise to clients and communities alike when we say, we believe in the story of you. Monroe Bank & Trust/First Merchants Bank Partnership KEY MESSAGES Subject to approval by Monroe Bank & Trust shareholders and banking regulators, we plan to merge Monroe Bank & Trust with First Merchants Bank. With this combination, the company will be approximately \$11 billion in combined assets, providing financial strength and the ability to continue our mission of being a high performing, customer-centric company. The planned combination of Monroe Bank & Trust and First Merchants Bank represents an alliance between two well respected and like-minded companies. The combination of Monroe Bank & Trust and First Merchants Bank provides clients, teammates and communities with:

- o Innovation of our products and services
- o The power and convenience of a single source partner for all of your financial needs
- o Opportunities for employment and career growth
- o Greater impact through community commitment
- o Even more responsive and knowledgeable banking (centers of influence)
- o More bankers delivering our knowledge edge
- o Increased convenience through more locations and digital banking options

• We share a vision of providing relationship focused community banking, while striving to become the highest performing bank in every market we serve. The core values of both companies share a commitment to local decision making, personal service, long-term relationships and community involvement.

• Monroe Bank & Trust will become one of seven regions within First Merchants Bank, providing robust growth opportunities in southeast Michigan and northwest Ohio.

• First Merchants Corporation is currently a \$9.7 billion financial services holding company, the largest headquartered in Central Indiana.

Looking forward, our company would have approximately \$11 billion in combined assets, giving us the ability to leverage costs and expenses (economies of scale), for items such as health insurance, IT, internal processing, regulatory and compliance management, etc.

• First Merchants has a solid balance sheet, with a history of strong earnings, and most importantly, has been serving and providing trusted advice to local communities, like those in Monroe and Wayne Counties, for over 125 years.

• For customers, this combination would support broader access to diverse product and service offerings, including enhanced commercial lending limits, P2P payments, online mortgage applications and more.

## Edgar Filing: MBT FINANCIAL CORP - Form 425

We intend to finalize the combination of Monroe Bank & Trust and First Merchants Bank in the first quarter of 2019 pending the necessary approvals. • The boards of both companies have already signed an agreement to merge. • Next, we plan to get approval from regulators and the shareholders of Monroe Bank & Trust. • We look forward to finalizing the combination once final approvals are obtained. Who is First Merchants? • First Merchants is the largest financial services company headquartered in Central Indiana, with over 100 locations in 31 Indiana, two Ohio, and two Illinois counties. • Our community banking history dates back to 1893, giving us over 125 years of experience. • We provide customers with financial services delivered locally by bankers who are known and trusted in their communities. We take pride in building deep, lifelong relationships where customers can bank with their neighbors and friends. • The First Merchants family includes First Merchants Bank and First Merchants Private Wealth Advisors. Will you be keeping all Monroe Bank and Trust banking centers? • Yes, all current MB&T banking centers will remain open. • Looking forward, MB&T customers would be able to conduct business in 4 states. Our combined bank will provide service through over 100 locations throughout 31 counties in Indiana, as well as two counties in both Illinois and Ohio. Will my account number/debit card/service charge change? • Most account numbers won't change unless they are duplicates. As we prepare to finalize our partnership, we'll be evaluating accounts and planning to integrate our systems. We pledge to communicate any necessary changes to you in a clear and timely manner. • For now, it's business as usual, and you may do your banking as you've always done, using your existing account numbers, logins, etc. 4

## Edgar Filing: MBT FINANCIAL CORP - Form 425

Will the name of my bank change? • As part of our planned partnership, Monroe Bank and Trust will proudly be taking the First Merchants Bank name, but the people who serve our great customers will not change. • We believe that banking is personal, and pledge to continue to provide the same personal service and advice you're accustomed to, coming from the same great people you know and trust. The community banking principles MB&T stands for are alive and well. • By taking on a new name, we will be better able to deliver the strength our larger company offers, while keeping our promise to support your ability to deliver personal service, every day. Why is this happening/Why First Merchants? • Over the next few days, you may read headlines that say "First Merchants Acquires Monroe Bank and Trust" or "Monroe Bank and Trust Sells to First Merchants." While those headlines are technically correct, they don't properly convey the real spirit of the transaction. Monroe Bank and Trust and First Merchants believe this to be the best time to join together because there is a great opportunity to combine our strengths. "First Merchants is the right strategic partner whose vision and passion for serving its communities is closely aligned with what Monroe Bank and Trust has been delivering since 1858," Doug Chaffin stated. • First Merchants' strong capital position allows for larger commercial and small business credits, spurring additional economic and community development opportunities, all while preserving a customer-centric approach. Additionally, Monroe Bank and Trust clients will benefit from enhanced product and service offerings, the convenience of a larger banking center and ATM network and significantly enhanced commercial banking lending limits. 5
