Items 2. and 3. Management’s Discussion and Analysis of Financial Condition and Results of Operations and Quantitative and Qualitative Disclosures about Market Risk

THIRD QUARTER CONSOLIDATED RESULTS OF OPERATIONS

General

Northern Trust Corporation (the Corporation) is a financial holding company that is a leading provider of wealth management, asset servicing, asset management and banking solutions to corporations, institutions, families and individuals. The Corporation focuses on managing and servicing client assets through its two client-focused reporting segments: Corporate & Institutional Services (C&IS) and Wealth Management. Asset management and related services are provided to C&IS and Wealth Management clients primarily by the Asset Management business. Except where the context requires otherwise, the terms “Northern Trust,” “we,” “us,” “our” or similar terms mean the Corporation and its subsidiaries on a consolidated basis.

The following should be read in conjunction with the consolidated financial statements and related footnotes included in this report. Investors also should read the section entitled “Forward-Looking Statements.”

Overview

Net income per diluted common share was \$1.58 in the current quarter, up from \$1.20 in the third quarter of 2017. Net income was \$374.5 million in the current quarter as compared to \$298.4 million in the prior-year quarter. Annualized return on average common equity was 15.1% in the current quarter and 12.2% in the prior-year quarter. The annualized return on average assets was 1.22% in the current quarter as compared to 0.98% in the prior-year quarter.

Revenue of \$1.47 billion in the current quarter was up \$129.1 million, or 10%, from \$1.35 billion in the prior-year quarter.

Noninterest income increased \$75.1 million, or 8%, to \$1.07 billion from \$991.0 million in the prior-year quarter, reflecting higher trust, investment and other servicing fees and foreign exchange trading income, partially offset by lower other operating income.

Net interest income increased \$54.0 million, or 15%, to \$408.2 million in the current quarter as compared to \$354.2 million in the prior-year quarter, primarily resulting from a higher net interest margin.

The provision for credit losses was a credit of \$9.0 million in the current quarter, as compared to a provision credit of \$7.0 million in the prior-year quarter.

Noninterest expense totaled \$1.00 billion in the current quarter, up \$66.7 million, or 7%, from \$935.6 million in the prior-year quarter, primarily attributable to higher compensation, outside services, equipment and software expense, and employee benefits.

The provision for income taxes in the current quarter totaled \$106.5 million, representing an effective tax rate of 22.1%. The provision for income taxes in the prior-year quarter totaled \$118.2 million, representing an effective tax rate of 28.4%.

Trust, investment and other servicing fees are based primarily on the market value of assets held in custody, managed or serviced; the volume of transactions; securities lending volume and spreads; and fees for other services rendered. Certain market value calculations on which fees are based are performed on a monthly or quarterly basis in arrears. For a further discussion of trust, investment and other servicing fees and how they are derived, refer to the "Reporting Segments" section.

When considering the impact of markets on the Corporation's results, the following tables present selected market indices and the percentage changes year over year.

Assets under custody/administration (AUC/A) and assets under management form the primary drivers of our trust, investment and other servicing fees. For the purposes of disclosing AUC/A, to the extent that both custody and administration services are provided, the value of the assets is included only once. The following table presents AUC/A by reporting segment.
