Item 8.01. Other Events.

On May 15, 2014, the Company issued a press release announcing that Michael Merriman was elected to the Company’s Board of Directors at the Annual Meeting. The press release is included as Exhibit 99.1 to this Current Report on Form 8-K.

On May 15, 2014, the Company’s Board of Directors revised its Board committee structure by establishing a new committee and by combining two of its committees. Following the restructuring, the Company’s four standing Board committees include the Audit Committee, the Compensation and Management Development Committee, the Nominating and Governance Committee and the new Regulatory and Compliance Committee.

The Regulatory and Compliance Committee will assist the Board in its oversight of the Company’s legal and regulatory compliance matters, except for financial compliance matters overseen by the Audit Committee, and in monitoring the Company’s governmental relations activities. In particular, the Regulatory and Compliance Committee will assume responsibility for oversight of the Company’s compliance with all

U.S. Food and Drug Administration and other federal, state or foreign regulatory compliance requirements related to medical devices, which had previously been the responsibility of the Audit Committee. The Regulatory and Compliance Committee also will review and evaluate the Company's corporate compliance functions regarding legal and ethical conduct and compliance with governmental laws and regulations in such areas as health care, medical reimbursement, trade regulation, anti-corruption, environmental, transportation and commerce. The members of the Regulatory and Compliance Committee are Ellen O. Tauscher (Chair), Dale C. LaPorte and Baiju R. Shah.

The role of the Nominating and Governance Committee encompasses the collective responsibilities of the Company's previously separate Nominating Committee and Governance Committee. These include indentifying individuals qualified to become board members and recommending nominees for election at the annual meeting of shareholders, as well as assisting the Board in all matters relating to corporate governance. The members of the Nominating and Governance Committee include C. Martin Harris M.D. and Charles S. Robb as co-chairs, and Michael F. Delaney, Dale C. LaPorte and James L. Jones.

The responsibilities of the Audit Committee and the Compensation and Management Development Committee remain largely unchanged, other than the Board's delegation of oversight of the Company's medical device regulatory compliance to the Regulatory and Compliance Committee as described above. The members of the Audit Committee include Baiju R. Shah (chair), Michael J. Merriman, Dan T. Moore, III and Ellen O. Tauscher. The Compensation and Management Development Committee is comprised of Dan T. Moore, III (chair), James L. Jones, Michael J. Merriman and Baiju R. Shah.
