Item 5. Other Events

This 8-K is being filed in connection with Seitel, Inc. reaching an agreement effective as of October 15, 2002 with its Senior Noteholders to extend the terms of Seitel's previously announced standstill agreement. Under the terms of the extension, the Senior Noteholders agreed to forebear from exercising any rights and remedies they have against Seitel related to previously reported events of default under the Senior Note Agreements.

The standstill agreement will terminate prior to December 2, 2002, among other things, in the event of a default by Seitel under the standstill agreement or any subsequent default under the existing Senior Note Agreements, or a default in the payment of any non-excluded debt of \$5,000,000 or more. The standstill agreement will also terminate in the event of the termination or expiration of Seitel's existing term or revolving credit lines with the Royal Bank of Canada, or after five business days written notice from Noteholders owning a majority in interest of the outstanding principal amount of the Notes. Negotiations towards a long-term modification of Seitel's Senior Note Agreements are continuing.

The foregoing description of the Second Standstill and Amendment Agreement does not purport to be complete and is qualified in its entirety by reference to the Second Standstill and Amendment Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

A copy of the press release announcing the execution of the Second Standstill and Amendment Agreement is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
