Item 1.01 Entry into a Material Definitive Agreement

On February 24, 2016, Questar Corporation (the "Company"), as borrower, JPMorgan Chase Bank, N. A. acting as Administrative Agent, and the lenders party thereto (the "Lenders") entered into a floating-rate one-year \$250 million Term Loan Agreement (the "Agreement"). Upon closing of the Agreement on February 24, 2016, the Company borrowed the full \$250 million pursuant to the terms of the Agreement. These borrowings were used to repay outstanding commercial paper that was issued to repay the Company's 2.75% senior notes, which matured on February 1, 2016.

Interest on borrowings under the Agreement accrues at a LIBOR rate or a base rate, as selected by the Company, plus an applicable margin. The applicable margin is based on the Company's issuer rating as determined by rating agencies.

In addition to the initial borrowings of \$250 million, the Company may request incremental loans up to an additional \$250 million pursuant to the Agreement. Any incremental loans are subject to each Lender's sole and absolute discretion.

All borrowings under the Agreement will be due and payable on February 24, 2017. However, if the previously announced combination transaction between the Company and Dominion Resources, Inc. is completed prior to the maturity date, it is expected that Dominion will repay the term loan within 30 days after completion of the combination transaction.

The Agreement contains customary representations, warranties, covenants and events of default, including a covenant limiting the amount of aggregate funded debt based on a ratio of total consolidated funded debt to book capitalization. During the continuance of an event of default, the Lenders may accelerate all outstanding debt and terminate all lending and letter of credit commitments.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is filed as Exhibit 10.1 to this report and incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation

The description of the Agreement in Item 1.01 above is incorporated herein by reference, which description is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 to this report and incorporated by reference herein.
