If there is a way for us to make that plant work, we would be here, we would do it, but, you know, we got left at the altar.

Mary Sale

We are where we are. We're at this point and we need to figure out a path forward.

Jason Galloway

You know you're talking about thousands of jobs, thousands of families, thousands of taxpayers that are gonna be affected by whether this deal goes through or not.

Geoff Steele

I believe that it is, it provides the best solution to the most people.

Mary Sale

Try to look at the positives of bringing Dominion in versus having SCE&G, SCANA go through a struggling issue of having to reduce cost in other ways.

Amanda Smith

We're gonna have closure to this whole thing and we'll be looking towards a much better future.

Mary Sale

Let's move forward. What can we do now? So that's why this Dominion deal is something that is so positive that to take that away would just be detrimental to the company.

Bill Eisele

From everything that I've seen, Dominion is a good company and I think, I think Dominion will be a great match for SCE&G.

Jillian Long

I thought it was a great resolution that we could come to as a company.

Annette Burnette

Given the situation it's ah, it's the right thing to do, to be able to move forward.

Harry Brown

I think it's a great idea.

Linda Caldwell

It's a relief honestly because I really hate to see our company um, be in detriment.

Robert Hawkins

I feel like Dominion's here to help.

Suneetha Guntupalli

This is the best solution we have right now based on our situation right now.

Bill Eisele

I'm hoping the legislators recognize the fact this is a good offer and can proceed
