Item 5.07 Submission of Matters to a Vote of Security Holders.

On April 13, 2017, KB Home held its Annual Meeting. The final results for each item submitted to a vote of security holders at the Annual Meeting are provided below. The rounded percentages displayed below for the election of directors are based on the total “For” and “Against” votes cast for each respective director nominee. The rounded percentages displayed below for the named executive officer compensation advisory vote and for the ratification of independent registered public accounting firm are based on the total number of shares of KB Home common stock that were present or represented, and entitled to vote on each respective item, at the Annual Meeting. The rounded percentages displayed below for the advisory vote on frequency of the named executive officer compensation advisory vote are based on the total votes cast on the three options.
