THE ENCLOSED PROXY IS SOLICITED BY OUR BOARD OF DIRECTORS. All costs of the solicitation will be borne by the Company. The approximate date of mailing this Proxy Statement and the enclosed form of proxy is March 23, 2011.

PROXIES AND VOTING

Only stockholders of record at the close of business on March 8, 2011 ("Stockholders") are entitled to vote, either in person or by valid proxy, at the Annual Meeting. On the record date of March 8, 2011, the Company had 90,688,621 shares of \$0.01 par value common stock issued and outstanding. Each share is entitled to one vote. The Company has no other class of stock outstanding. Stockholders are not entitled to cumulative voting in the election of directors.

All proxies that are properly executed and received by the Company prior to the Annual Meeting will be voted in accordance with the choices indicated unless timely revoked. Any Stockholder may be represented and may vote at the Annual Meeting by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two (2) or more persons to act as proxies, a majority of such persons present at the meeting shall have and may exercise, or, if only one shall be present, then that one shall have and may exercise, all of the powers conferred by such written instrument upon all of the persons so designated unless the instrument shall otherwise provide. No such proxy shall be valid after the expiration of six (6) months from the date of its execution, unless coupled with an interest or unless the person executing it specifies therein the length of time for which it is to continue in force, which in no case shall exceed seven (7) years from the date of its execution. Any Stockholder giving a proxy may revoke it at any time prior to its use at the Annual Meeting by filing with the Secretary of the Company a revocation of the proxy, by delivering to the Company a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

The election of directors (Proposal 1) requires a plurality of the votes cast. The ratification of KPMG LLP as our independent registered public accounting firm for 2011 (Proposal 2) will require the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, only those cast "For" or "Against" are included. If no direction is specified by the Stockholder, the proxy will be voted "For" proposals specified in this Proxy Statement, and at the discretion of the proxy holders, upon such other matters as may properly come before the meeting or any adjournment thereof. Proxies marked "Abstain" and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting. Stockholders may vote "For" or "Against" the advisory resolution on the Company's named executive officer compensation (Proposal 3). With respect to the vote of the non-binding, advisory vote on the frequency of future advisory votes on named executive officer compensation (Proposal 4), Stockholders may vote in favor of holding the vote on named executive officer compensation every year, every two years or every three years, and they may also choose to abstain. The advisory votes in Proposal 3 and Proposal 4 are non-binding on the Board. Although non-binding, the Board will review and consider the voting results when evaluating our executive compensation program and determining whether to hold the

advisory vote on executive compensation every year, every two years or every three years. Abstentions will have no effect on the outcome of Proposal 3 or Proposal 4.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE NOMINEES FOR DIRECTOR PRESENTED IN PROPOSAL 1.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Meetings and Director Compensation

The Board of Directors of the Company meets on a regularly scheduled basis. The Board of Directors held a total of four meetings during the last fiscal year, all of which were regularly scheduled meetings. Each of the directors attended 75% or more of the meetings of the Board of Directors and the meetings held by all of the committees of the Board on which he served with the exception of Mr. Russell Gerdin who attended 50% of the meetings. The Company has no formal policy regarding attendance by its directors at annual stockholders meetings. All directors have historically attended those meetings, and all directors were present at the 2010 annual meeting of stockholders.

Independent Directors

Of the six members currently serving on the Board of Directors, the Board has determined that Lawrence D. Crouse, Richard O. Jacobson, Dr. Benjamin J. Allen, and James G. Pratt are “independent directors” as defined in the rules of the National Association of Securities Dealers, Inc. (“NASD”) and also meet the additional independence standards and other requirements for audit committee membership set forth by NASD and Securities and Exchange Commission (“SEC”) rules.

Board Leadership Structure

Mr. Russell Gerdin serves as the Company’s Chief Executive Officer and Chairman of the Board. Currently, all the duties of Chief Executive Officer and Chairman of the Board are being fulfilled by Mr. Michael Gerdin due to Mr. Russell Gerdin's absence for health reasons. The Board believes that given the size of the Company, the combination of the Chief Executive Officer and Chairman of the Board positions is the most appropriate and suitable structure for proper and efficient Board functioning and communication. Until his medical leave, Mr. Russell Gerdin was the direct link between senior management and the Board and provided critical insight and perception to the Board, as well as feedback to senior management, based on his substantial experience in the industry. Mr. Russell Gerdin was involved in the day-to-day operations of the Company and provided consistent leadership of the Company’s key strategic objectives. During Mr. Russell Gerdin's absence, the duties as described above are being fulfilled by Mr. Michael Gerdin in his roll as President of the Company. Given Mr. Michael Gerdin's history with the Company, involvement with the Board, industry knowledge, and involvement with the day-to-day operations, the Board continues to believe the current combination of roles described above continues to be the most suitable and most efficient structure for the Company.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks the Company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board of Directors in setting the Company’s business strategy is a key part of its assessment of management’s appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from the Company’s independent registered public accounting firm. The Board of Directors is focused on the Company's corporate governance practices and values independent board oversight as an

essential component of strong corporate performance to enhance shareholder value. All of the members of the Board's Audit, Compensation, and Nominating Committees are independent. The Company recognizes that different board leadership structures may be appropriate for companies in different situations. The Company will continue to re-examine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the Company's needs.

The Company has determined that it is not reasonably likely that compensation and benefit plans would have a material adverse effect on the Company.

Committees of the Board and Other Corporate Governance Matters

The Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating Committee. All three committees are composed of independent directors.

Audit Committee. The Audit Committee presently consists of James G. Pratt (Chairman), Lawrence D. Crouse, Dr. Benjamin

J. Allen, and Richard O. Jacobson, all of which satisfy the independence and audit committee membership criteria of the NASD. The Board has determined that James G. Pratt qualifies as an “audit committee financial expert,” as defined by the SEC and NASD rules. The Audit Committee's primary duties include maintaining communication between the Board of Directors, the Company's independent registered public accounting firm and the Company's executive officers and accounting personnel with respect to the Company's financial affairs in general, including financial statements and audits, the adequacy and effectiveness of the internal accounting controls and systems and the retention and termination of the independent registered public accounting firm. The Audit Committee also reviews quarterly financial and operating results of the Company, through meetings and conference calls, with the Company's management, independent registered public accounting firm, and, when appropriate, the securities counsel for the Company. The Board has adopted a charter for the Audit Committee, which sets forth the purpose and responsibilities of the Audit Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com. The Audit Committee met six times during fiscal year 2010.

Compensation Committee. The Compensation Committee presently consists of independent directors Dr. Benjamin J. Allen (Chairman), Richard O. Jacobson, James G. Pratt, and Lawrence D. Crouse. The primary responsibilities of the Compensation Committee are to review the compensation policies of the Company and to periodically make salary recommendations to the Board of Directors for all elected officers. The Board has adopted a charter for the Compensation Committee, which sets forth the purpose and responsibilities of the Compensation Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com. The Compensation Committee met one time during fiscal year 2010. A description of the functions of the Compensation Committee is included in “Compensation Discussion and Analysis - Overview”.

Nominating Committee. The Nominating Committee presently consists of independent directors Richard O. Jacobson (Chairman), Lawrence D. Crouse, James G. Pratt, and Dr. Benjamin J. Allen. The Nominating Committee met one time during fiscal year 2010. The primary responsibilities of the Nominating Committee are to identify and recommend to the Board for nomination individuals qualified to serve as directors. The Nominating Committee will consider recommendations from many sources, including stockholders, regarding possible director candidates. Guidelines regarding the qualifications of candidates for directors, including stockholder proposed candidates, insofar as they apply to non-employees, generally favor individuals who have managed relatively large, complex business, educational, or other organizations or who, in a professional or business capacity, are accustomed to dealing with complex business or financial problems. In addition to these guidelines, the Committee will also evaluate whether the candidate's skills are complementary to the existing Board members' skills, and the Board's needs for operational, management, financial, and other expertise. With regard to specific qualities and skills, the Nominating Committee believes it is necessary that: (i) at least a majority of the members of the Board of Directors qualify as independent under NASD Rules; (ii) at least three members of the Board of Directors satisfy the additional independence and other requirements for audit committee membership; and (iii) at least one member of the Board of Directors eligible to serve on the Audit Committee has sufficient knowledge, experience, and training concerning accounting and financial matters so as to qualify as an “audit committee financial expert” within the meaning of applicable SEC and NASD rules.

The Board has adopted a charter for the Nominating Committee, which sets forth the purpose and responsibilities of the Nominating Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com.

The Nominating Committee recommends that the Board of Directors nominate the six directors named in this Proxy Statement for re-election at the Annual Meeting.

It is generally the policy of the Nominating Committee to consider stockholder recommendations of proposed director nominees if such recommendations are serious and timely received. Such recommendations should be submitted to the Secretary of the Company at 901 North Kansas Avenue, North Liberty, Iowa 52317, for consideration by the

Nominating Committee at least 120 days prior to the first anniversary of the date of the proxy statement for the prior year's Annual Meeting (by November 26, 2011 for director candidates to be considered for nomination for election at the 2012 Annual Meeting). In addition, any stockholder director nominee recommendation must include the following information:

- the proposed nominee's name and qualifications and the reason for such recommendation;
- the name and record address of the stockholder(s) proposing such nominee;
- the number of shares of our common stock that are beneficially owned by such stockholder(s); and
- a description of any financial or other relationship between the stockholder(s) and such nominee or between the nominee and the Company including any of the Company's subsidiaries.

In order to be considered by the Board, any candidate proposed by one or more stockholders will be required to submit appropriate biographical and other information equivalent to that required of all other director candidates.

Board Diversity. We do not have a formal policy regarding diversity in identifying nominees for directorship. The membership

of the Board has stayed the same for several years and we consider the Board to be diverse in terms of business experience, knowledge, and abilities. If there is a change in Board membership, diversity may be considered at such time.

Stockholder Communications. Stockholders may send communications to any director in writing by sending them to the director in care of the Secretary of Heartland Express at 901 North Kansas Avenue, North Liberty, Iowa 52317. The Secretary will forward all such written communications to the director to whom it is addressed.

Code of Ethics. The Board of Directors has adopted a Code of Business Conduct and Ethics for all employees and directors of the Company, and a Code of Ethics for Senior Financial Officers, as recommended by the Audit Committee. Such code constitutes a “code of ethics” within the meaning of Item 406(b) of Regulation S-K. Copies of the codes are available on the Company's website at www.heartlandexpress.com.

Compensation Committee Interlocks and Insider Participation

In 2010, our Compensation Committee was comprised of Richard O. Jacobson, Dr. Benjamin J. Allen, Lawrence D. Crouse, and James G. Pratt. No member of the Compensation Committee is or has been an officer or employee of the Company, or has or had any relationship with the Company requiring disclosure under Item 404 of SEC Regulation S-K. During 2010, none of our executive officers served as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that had one or more executive officers serving as a member of our Board of Directors.

All compensation decisions affecting the executive officers of the Company are made by the Compensation Committee of the Board of Directors. The Committee deliberates and votes upon the compensation to be paid to each of the five executive officers. The Committee receives recommendations from the Company's Chief Executive Officer regarding the compensation of executive officers (other than the Chief Executive Officer).

Compensation Committee Report

Report of the Compensation Committee. In performing its duties, the Compensation Committee, as required by applicable rules and regulations promulgated by the SEC, issues a report recommending to the Board of Directors that our Compensation Discussion and Analysis be included in this Proxy Statement. The Report of the Compensation Committee follows.

The Report of the Compensation Committee shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference.

Report of the Compensation Committee

We have reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on that review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Compensation Discussion and Analysis

Overview

The Compensation Committee assists the Board of Directors in its responsibilities relating to executive compensation and in fulfilling its responsibilities relating to our compensation and benefit programs and policies. The Compensation Committee may make recommendations with respect to our compensation plans and reviews and approves the compensation of executive officers. The Compensation Committee currently consists of four directors, all of whom are independent under applicable NASD and SEC

7

rules. The Compensation Committee receives recommendations from our Chief Executive Officer regarding the compensation of executive officers (other than the Chief Executive Officer).

Compensation Philosophy and Objectives

Our executive compensation policies are designed to achieve four primary objectives:

- attract and retain well-qualified executives who will lead us and inspire superior performance;
- provide incentives for achievement of corporate goals and individual performance;
- provide incentives for achievement of long-term stockholder return; and
- align the interests of management with those of the stockholders to encourage continuing increases in stockholder value.

Elements of Compensation

The components of compensation are intended to accomplish one or more of the compensation objectives discussed above. The Company has traditionally relied on base salaries as the primary source of compensation. Salaries and wages paid are very competitive in comparison to industry standards and the local business environment. Bonus incentives and equity-based incentives have been utilized periodically and are discretionary. The payment of such elements is based upon the economic environment and the operating results of the organization. The Company generally does not implement compensation elements for executive officers and all other employees that would create incentives to take undue risks. The Company has traditionally hired self-motivated employees who are driven by the successes and achievements of the organization.

Base Salary and Benefits. To attract and retain officers with exceptional abilities and talent, annual base salaries are set to provide competitive levels of compensation. The Compensation Committee considers each officer's performance, current compensation, and responsibilities within our Company. The Compensation Committee does not formally benchmark salary or total executive compensation against the executive compensation of any other company or group of companies. From time to time, the Compensation Committee has considered the form and level of compensation disclosed by other publicly traded truckload carriers, certain other transportation companies, and companies of similar size and market capitalization in general. However, the Compensation Committee does not use a peer group for compensation purposes. The Compensation Committee also considers past individual performance and achievements when establishing base salaries.

Annual Cash Bonus Incentives. Annual cash bonus incentives are sometimes used to reward our employees. Past bonus plans have been based on the percentage increase in growth of our fleet and revenue miles, and maintaining a certain level of customer service. There were not any targets established for annual cash bonuses and there were no cash bonuses paid during 2010 to Named Executive Officers.

Longer-Term Equity-Based Incentives. A portion of potential career compensation is also linked to corporate performance through equity-based compensation awards, historically in the form of stock awards. Since going public in 1986, our Chief Executive Officer has contributed shares of our common stock from his personal holdings to two separate stock award plans. The most recent plan was adopted in March 2002. The plan participants have included our executive officers and other key personnel. The awarded stock vested incrementally over a five-year period. All stock awards for executive officers were fully vested as of March 7, 2007.

Stock awards under our equity-based compensation plan are designed to:

- more closely align executive officer and stockholder interests;
- reward key employees for building stockholder value; and
- encourage long-term investment in the Company by participating officers.

Although we do not have specific stock ownership guidelines, the Compensation Committee believes that stock ownership by management has been demonstrated to be beneficial to stockholders.

We have never granted stock options and have no plans to do so in the foreseeable future.

Tuition Plan. We maintain a tuition award program for the children of certain employees, including executive officers. Contributions to the program are based upon our performance. During 2010, we contributed \$406,000 to the program, based upon 2009 performance. There were no payments to our executive officers under the tuition award program in 2010.

Retirement Plan. We have a qualified 401(k) savings plan that covers all employees, except for highly-compensated employees as defined by Internal Revenue code. None of our Named Executive Officers participate in the forgoing plan.

Deferred Compensation Plan. We have a non-qualified deferred compensation plan ("DC Plan") primarily for employees excluded from participation in our qualified retirement plan due to being highly compensated employees as determined by Internal Revenue limitations. The DC Plan is unfunded for tax purposes and for purposes of ERISA. The Named Executive Officers in this proxy statement are eligible to participate in the DC Plan. Employer contributions to the DC Plan are discretionary and subject to the approval of our Compensation Committee. Participants may elect to defer up to 100% of their salary, including any cash bonus, to the DC Plan. The election to defer compensation under the DC Plan is irrevocable for each plan year as of the beginning of each plan year. Participant contributions are made into a trust account for the purpose of administering and providing for payment of the deferred compensation under this plan. The investment of contributions are self-directed by participants within an established array of money market, equity and fixed income mutual funds. Investment in our common stock is prohibited under the DC Plan. We do not pay interest or other earnings on the invested contributions. Earnings are generated by the investments selected by the participants. The aggregate earnings on these investments, by each named executive officer who is a participant in the DC Plan, are included in the Nonqualified Deferred Compensation table and are attributable to the specific investments selected by each participant. Participants may change the designation of their investments at such times as mutually agreed by the parties. As of December 31, 2010, participants could change their investment designation on a daily basis. Participants elect in advance of the deferral of their compensation when the funds will be distributable. The aggregate vested balances of the participants are distributable, as designated by each participant, when the following occur: the participant's termination of employment; a change in control; or the participant's death or disability. The DC Plan provides for distributions to be made in either a lump sum amount or installments.

Compensation Paid to Our Named Executive Officers During 2010

A summary of the Compensation Committee's considerations for setting the compensation for 2010, earned by, or paid to those persons who were, at December 31, 2010, (i) our Chief Executive Officer, (ii) our Chief Financial Officer, and (iii) our three other most highly compensated executive officers with total compensation exceeding \$100,000 for the fiscal year ended December 31, 2010 (collectively, the "Named Executive Officers") are set forth below. The Compensation Committee evaluates and sets the compensation of Mr. Russell Gerdin, our Chief Executive Officer differently than it does our other executive officers.

Compensation of Our Chief Executive Officer. Mr. Russell Gerdin receives a base salary only, with no bonus or long-term incentives. The Compensation Committee recognizes Mr. Russell Gerdin's substantial responsibility and contribution to our operating performance, operating margin, revenue and net income growth rates, and attainment of our goals, as well as his large stockholdings. At Mr. Russell Gerdin's request, his salary has remained the same since 1986, and he has never been paid a bonus. The Compensation Committee believes that Mr. Russell Gerdin's salary is reasonable compared to similarly situated executives, and that as a direct and indirect holder of approximately 34% of the Company's outstanding stock, Mr. Russell Gerdin receives an incentive through appreciation in the market value of the Company's stock. Because of Mr. Russell Gerdin's request, the Compensation Committee did not consider or recommend an increase in annual compensation or any incentive compensation for Mr. Russell Gerdin. Thus, the Company's performance directly affects Mr. Russell Gerdin, but not in the form of salary or bonuses.

Compensation of Our Other Named Executive Officers. Our other Named Executive Officers are compensated through a mix of salary and incentive compensation. The Compensation Committee relies on the business experience of its members, the historical compensation levels of the Named Executive Officers, and its general understanding of compensation levels at public companies to determine that the CEO's recommendations with respect to the

compensation levels and forms are appropriate. The form of compensation was consistent with past years, with compensation consisting primarily of salary. Salaries paid are very competitive in comparison to industry standards and the local business environment. In addition, the Company relies on conservative operating principles and generally does not implement compensation elements for executive officers and all other employees that would create incentives to take undue risks. For each of the Named Executive Officers, the Compensation Committee considered, among other things, our financial and operating results during 2009, the duties and responsibilities of each executive, and the length of time each executive has been with the Company as further described in each executive's biography found herein.

Based on the foregoing, the Chief Executive Officer recommended and the Compensation Committee approved a \$1,920 base salary increase for Thomas E. Hill. There were no base salary increases for any of our other Named Executive Officers during 2010.

All full-time, non-driver personnel are eligible for annual cash bonus incentives that are sometimes used to reward our employees. Past bonus plans have been based on the percentage increase in growth of our fleet and revenue miles, and maintaining a certain level of customer service. There were not any targets established for annual cash bonuses and there were no cash bonuses paid during 2010 to full-time, non-driver personnel, including the Named Executive Officers.

We believe that stock ownership by our Named Executive Officers helps to align the interests of such officers with the interests of stockholders in maximizing long-term stockholder value. This objective was advanced through the award of shares of restricted stock contributed by Mr. Russell Gerdin to key employees, including certain Named Executive Officers, in 2002. The Compensation Committee believes that the equity ownership of our senior management currently is sufficient to align their long-term interests with those of our stockholders, and therefore did not recommend any stock-based awards to the Named Executive Officers in 2010.

Except as provided by the terms of the DC Plan, whereupon employer contributions to this plan immediately become fully vested in the event of a change of control of our Company, there are no employment contracts, termination of employment agreements, change in control agreements, or other arrangements with our executive officers, including our Named Executive Officers, that provide for payment or benefits to any executive officer at, following, or in connection with a change in control of our Company, a change in an executive officer's responsibilities, or an executive officer's termination of employment, including resignation, severance, retirement, or constructive termination.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all reports that they file under Section 16(a). Based solely upon a review of the copies of such forms furnished to the Company, the Company believes that its officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them during the Company's preceding fiscal year.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Audit Committee has established procedures relating to the review, approval, or ratification of any transaction, or any proposed transaction, in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which any "related person" (as that term is defined in Instruction 1 to Item 404(a) of Regulation S-K) had or will have a direct or indirect material interest ("Interested Transactions"). Upon review of the material facts of all Interested Transactions, the Audit Committee will either approve or disapprove the Interested Transactions, subject to

certain exceptions, by taking into account, among other factors it deems appropriate, whether the terms are arm's-length and the extent of the related person's interest in the transaction. No director may participate in any discussion or approval of an Interested Transaction for which he is a related party. If an Interested Transaction will be ongoing, the Audit Committee may establish guidelines for our management to follow in its ongoing dealings with the related party and then at least annually must review and assess ongoing relationships with the related party. No Interested Transactions were submitted to the Audit Committee for approval or ratification during 2010.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected KPMG LLP as the Company's independent registered public accounting firm for the current fiscal year ending December 31, 2011. The Audit Committee has also pre-approved the engagement of KPMG LLP to provide federal and state tax return preparation, advisory and related services to the Company during 2011 as well as an audit of the Company's 401(k) benefit plan. Although ratification by the stockholders of the selection of KPMG LLP as the Company's independent registered public accounting firm is not required by law or by the Bylaws of the Company, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment in light of the critical role played by the independent registered public accounting firm in auditing the Company's consolidated financial statements and the effectiveness of internal control over financial reporting. If this selection is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its selection of an independent registered public accounting firm for the fiscal year ending December 31, 2011.

Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit and Other Fees

The following table shows the fees for professional services provided by KPMG LLP, the Company's independent registered public accounting firm, for the audit of our annual financial statements for each of the fiscal years ended December 31, 2010 and 2009, and the review of financial statements included in our quarterly reports on Form 10-Q during those periods, as well as fees billed by KPMG LLP for other services rendered during those periods:

	2010	2009
Audit Fees ⁽¹⁾	\$240,734	\$238,642
Audit-Related Fees ⁽²⁾	—	—
Tax Fees ⁽³⁾	22,150	81,500
All Other Fees	—	—
Total	\$262,884	\$320,142

Audit Fees represent fees billed for professional services rendered by the principal independent registered public accounting firm for the audit of our annual financial statements and review of financial statements included in (1) our quarterly reports on Form 10-Q, audits of internal controls over financial reporting, or services that are normally provided by such accountant in connection with statutory or regulatory filings or engagements for those fiscal years.

Audit-Related Fees represent fees billed for assurance and related services by the principal independent (2) registered public accounting firm that are reasonably related to the performance of the audit or review of financial statements.

Tax Fees represent fees billed for professional services rendered by the principal independent accountant for tax (3) compliance, tax advice, and tax planning.

Audit Committee Pre-Approval Policy

The Company's Audit Committee approves all audit and non-audit services that KPMG LLP is engaged to perform in advance of any such engagement. There are no other specific policies or procedures relating to the pre-approval of services performed by KPMG LLP. No audit-related, tax, or other non-audit services were approved by the Audit Committee pursuant to the de minimus exception to the pre-approval requirement under Rule 2-01, paragraph (c)(7)(i)(C), of Regulation S-X during the fiscal year ended December 31, 2010.

Audit Committee Review

The Audit Committee has reviewed the services rendered by KPMG LLP during 2010 and has determined that the services rendered are compatible with maintaining the independence of KPMG LLP as the Company's independent registered public

accounting firm.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2011.

Audit Committee Report for Fiscal 2010

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee's actions are governed by a written charter, which has been adopted by the Board of Directors. All of the members of the Audit Committee are independent as defined by Rule 4200(a)(15) of the National Association of Securities Dealer's listing standards, and also meet the additional independence and other requirements for audit committee membership under Rule 4350(d)(2) of those standards. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

In performing its duties, the Audit Committee has discussed the Company's financial statements, management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting with management and the Company's independent registered public accounting firm and, in issuing this report, has relied upon the responses and information provided to the Audit Committee by management and such accounting firm. For the fiscal year ended December 31, 2010, the Audit Committee (i) reviewed and discussed the audited financial statements, management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting with management and KPMG LLP, the Company's independent registered public accounting firm; (ii) discussed with the independent registered public accounting firm the matters required to be disclosed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended; (iii) received and discussed with the independent registered public accounting firm the written disclosures and the letter from such accounting firm required by applicable requirements of the Public Company Accounting Oversight Board and (iv) has discussed with the independent registered public accounting firm its independence. The Audit Committee met with representatives of the independent registered public accounting firm without management or other persons present one time during 2010.

Based on the foregoing reviews and meetings, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2010, for filing with the SEC.

PROPOSAL 3

NON-BINDING, ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the Securities and Exchange Commission), we are including in this proxy statement a separate resolution, subject to stockholder vote, to approve, in a non-binding vote, the compensation of our Named Executive Officers as disclosed on pages 10-11.

Our Board has developed the executive compensation program that is described more fully in the "Compensation Discussion and Analysis" section of this proxy statement. Our Board believes that the structure in place is competitive in comparison to industry standards and the local business environment and it does not create significant incentives for our Named Executive Officers to take undue risks. Our Board further believes that said structure also successfully achieves the following four key objectives:

- attract and retain well-qualified executives who will lead us and inspire superior performance;
- provide incentives for achievement of corporate goals and individual performance;
- provide incentives for achievement of long-term stockholder return; and
- align the interests of management with those of the stockholders to encourage continuing increases in stockholder value.

We believe that stockholders should consider the following in determining whether to approve the Company's executive compensation program and practices:

- We have traditionally relied on base salaries as the primary source of compensation for our Named Executive Officers. Salaries and wages are competitive in comparison to industry standards and the local business environment.
- Bonus incentives, Company contributions to the DC Plan, and equity-based incentives have been utilized periodically and are discretionary.
- We rely on conservative operating principles and generally do not implement compensation elements for executive officers that would create incentives to take undue risks.
- From time to time, we also use equity-based compensation awards historically in the form of stock awards that are linked to corporate performance. Our stock award plans for our key personnel, including our Named Executed Officers, have historically been funded through contributions by our Chief Executive Officer from his personal holdings of our common stock.
- We believe that stock ownership by our Named Executive Officers helps to align the interests of such officers with the interests of our stockholders. We have determined that the equity ownership of our Named Executive Officers currently is sufficient to align their long-term interests with those of our stockholders, and therefore we did not make any stock-based awards to our Named Executive Officers in 2010.
- Our Chief Executive Officer receives a base salary only, with no bonus or long-term incentives. His salary has remained the same since 1986 and he has never been paid a bonus.
- In 2010, our Named Executive Officers did not receive an increase in their base salary, except for a small increase to the base salary of our Secretary, nor did they receive any bonuses or stock-based awards.

We urge our stockholders to read "Compensation Discussion and Analysis" above, which describes in detail how our executive compensation program and practices operate and are designed to achieve our compensation objectives, as well as the accompanying compensation tables which provide detailed information on the compensation of our Named Executive Officers.

This advisory vote on the Company's executive compensation program and practices is non-binding on our Board. Although non-binding, our Board and the Compensation Committee will carefully review the voting results when evaluating our executive compensation program.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE NON-BINDING APPROVAL OF COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 4

NON-BINDING, ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION VOTES

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the Securities and Exchange Commission), we are including in this proxy statement a separate resolution to request our stockholders to recommend, in a non-binding vote, whether a non-binding stockholder vote to approve the compensation of our Named Executive Officers (that is, a vote similar to the non-binding vote in Proposal 3 on pages 15-16) should occur every one, two, or three years.

In considering their vote, stockholders may wish to carefully review the information presented in connection with Proposal 3 on pages 15-16 and the information regarding our compensation policies and decisions regarding our Named Executive Officers presented in Compensation Discussion and Analysis on pages 7-11.

We believe a three-year frequency is most consistent with our approach to compensation. Our reasons include our beliefs that:

- a three-year advisory vote cycle gives our Board sufficient time to thoughtfully consider the results of the advisory vote regarding Named Executive Officer compensation and to implement any desired changes to our Named Executive Officer compensation policies and procedures; and
 - a three-year advisory vote cycle will provide our stockholders sufficient time to evaluate the effectiveness of our Named Executive Officer compensation strategies and our related performance.
- one of the key objectives of compensation to our Named Executive Officers is to align the interests of management with those of the stockholders to encourage continuing increases in stockholder value and long-term stockholder return. Annual reviews may tend to focus on short-term results instead of long-term stockholder value.

Our Board recommends you vote "three years" with respect to the frequency of a non-binding stockholder vote to approve the compensation of our Named Executive Officers in respect to this Proposal 4. The voting frequency option that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on our Board or the Company in any way, our Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF A "THREE YEAR" FREQUENCY OF A SHAREHOLDER, NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION
