## EXPLANATORY NOTE

CapTerra Financial Group, Inc., a Colorado corporation (the “Company”), filed its annual report on Form 10-K for the fiscal year ended December 31, 2009 (the “Form 10-K”) on March 31, 2010. This Amendment No. 1 to the Form 10-K is being filed to correct “Item 9A(T) Controls and Procedures.”

In accordance with SEC rules, this Amendment sets forth the complete text of Item 9A(T) as amended. Unless otherwise expressly set forth herein, this Amendment does not modify or update the disclosure in, or exhibits to, the Form 10-K or reflect events occurring after the filing of the Form 10-K.

### ITEM 9A(T). CONTROLS AND PROCEDURES.

#### Conclusion Regarding the Effectiveness of Disclosure Controls and Procedures

Under the supervision and with the participation of our principal executive officer and principal financial officer, we conducted an evaluation of our disclosure controls and procedures, as such term is defined under Rule 13a-15(e) promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). Accordingly, our principal executive officer and principal financial officer concluded that our disclosure controls and procedures as defined in Rule 13a-15(e) under the Exchange Act were effective as of December 31, 2009 to ensure that information required to be disclosed in reports we file or submit under the Exchange Act is recorded, processed, and summarized and reported within the time periods specified in SEC rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer’s management, including its principal executive and principal financial officers, or persons performing similar functions as appropriate to allow timely decisions regarding required disclosure.

#### Management’s Annual Report on Internal Control Over Financial Reporting.

Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) and 15d-(f) under the Exchange Act. Our internal control over financial reporting are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with U. S. generally accepted accounting principles.

Management assessed the effectiveness of the Company’s internal controls over financial reporting as of December 31, 2009. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control-Integrated Framework.

Management has concluded that our internal control over financial reporting was effective as of December 31, 2009.

#### Inherent Limitations Over Internal Controls

Internal control over financial reporting cannot provide absolute assurance of achieving financial reporting objectives because of its inherent limitations, including the possibility of human error and circumvention by collusion or overriding of controls. Accordingly, even an effective internal control system may not prevent or detect material misstatements on a timely basis. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

#### Changes in Internal Control Over Financial Reporting.

We have made no change in our internal control over financial reporting during the last fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Attestation Report of the Registered Public Accounting Firm.

This annual report does not include an attestation report of our independent registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by our independent registered public accounting firm pursuant to temporary rules of the SEC that permit us to provide only management's report in this annual report on Form 10-K affected, or is reasonably likely to materially affect, our internal control over financial reporting.
