IMPORTANT SHAREHOLDER INFORMATION

We have enclosed important information about the Annual Shareholders' Meeting (the "Meeting") of Franklin Universal Trust (the "Fund") scheduled for Friday, March 18, 2016, at 2:00 p.m., Pacific time. These materials discuss the proposal to be voted on at the Meeting, and contain the Notice of Meeting, proxy statement and proxy card. A proxy card is, in essence, a ballot. When you vote your proxy, it tells us how you wish to vote on important issues relating to the Fund. If you complete, sign and return the proxy card, we'll vote it as you indicated. If you simply sign, date and return the proxy card, but do not specify a vote on the proposal listed thereon, your proxy will be voted **FOR** the election of the nominees to the position of Trustee (the "Proposal").

We urge you to spend a few minutes reviewing the Proposal in the proxy statement. Then, please fill out and sign the proxy card and return it to us in the enclosed postage-paid envelope so that we know how you would like to vote. When shareholders return their proxy cards promptly, the Fund may be able to save money by not having to conduct additional mailings. Returning your proxy card does not preclude you from attending the Meeting or later changing your vote prior to its being cast.

We welcome your comments. If you have any questions, please call Fund Information at (800) DIAL BEN/342-5236.

TELEPHONE AND INTERNET VOTING

For your convenience, you may be able to vote by telephone or through the Internet, 24 hours a day. If your account is eligible, separate instructions are enclosed.

~~THE~~PROPOSAL: ELECTION OF TRUSTEES

How are nominees selected?

The Board has a Nominating Committee consisting of Harris J. Ashton, Mary C. Choksi, Edith E. Holiday, J. Michael Luttig, Larry D. Thompson and John B. Wilson, none of whom is an "interested person" of the Fund as defined by the Investment Company Act of 1940, as amended (the "1940 Act") Trustees who are not interested persons of the Fund are referred to as "Independent Trustees," and Trustees who are interested persons of the Fund are referred to as "Interested Trustees."

The Nominating Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate's qualifications, the Nominating Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Trustee (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements

Edgar Filing: FRANKLIN UNIVERSAL TRUST - Form DEF 14A

specified under the 1940 Act and the rules thereunder; (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member; and (3) that such candidate have no continuing relationship as a director, officer or board member of any U.S. registered investment company other than those within the Franklin Templeton Investments fund complex or a closed-end business development company primarily investing in non-public entities. The Nominating Committee has not adopted any specific policy on the issue of diversity but will take this into account, among other factors, in its consideration of new candidates to the Board.

When the Board has or expects to have a vacancy, the Nominating Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by "Qualifying Fund Shareholders" (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee will, however, review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund's offices and are presented with appropriate background material concerning the candidate that demonstrates his or her ability to serve as a Trustee, including as an Independent Trustee, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred and fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and (ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund that are owned of record and beneficially by such Qualifying Fund Shareholder and the length of time that such shares have been so owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between such Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by such Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission ("SEC") had the nominee been nominated by the Board; (f) whether the Qualifying Fund Shareholder making the recommendation believes the person recommended would or would not be an "interested person" of the Fund, as defined in the 1940 Act; and (g) the written consent of each person recommended to serve as a Trustee of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a formal written charter for the Nominating Committee. A copy of the charter was attached as "Appendix A" to the proxy statement for the 2014 Annual Shareholders' Meeting.

Who are the Fund's Nominees and current members of the Board?

The Fund's nominees and the current Trustees of the Fund are Harris J. Ashton, Mary C. Choksi, Edith E. Holiday, Gregory E. Johnson, Rupert H. Johnson, Jr., J. Michael Luttig, Frank A. Olson, Larry D. Thompson and John B. Wilson. As described more fully below, these nominees have significant experience managing investment vehicles. Several of the Fund's nominees have been Trustees since the Fund was launched in 1988, and all are also on the Boards of other open-end and closed-end Franklin Templeton funds. They have had experience as senior officers and directors of major business corporations, and some have also held senior positions in state and federal government.

Interested Trustees of the Fund hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and its affiliates. Resources is a - publicly owned holding company, a principal shareholder of which is Rupert H. Johnson, Jr., who owned approximately 18% of its outstanding shares as of December 31, 2015. The shares deemed to be beneficially owned by Rupert H. Johnson, Jr. include certain shares held by a private charitable foundation or by his spouse, of which he disclaims beneficial ownership. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged, through its various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Rupert H. Johnson, Jr., Chairman, Trustee and Senior Vice President of the Fund, is the uncle of Gregory E. Johnson, a Trustee of the Fund. There are no other family relationships among the Trustees or nominees for Trustees.

Each nominee is currently available and has consented to serve as Trustee of the Fund if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated as Trustees.

In addition to personal qualities, such as integrity, in considering candidates for the Board, the Nominating Committee seeks to find persons of good reputation whose experience and background evidences that such person has the ability to comprehend, discuss and critically analyze materials and issues presented in exercising judgments and reaching informed conclusions relevant to the fulfillment of a Trustee's duties and fiduciary obligations. Information on the business activities of the nominees and other Trustees during the past five years and beyond appears below and it is believed that the specific background of each Trustee evidences such ability and it is appropriate for him or her to serve on the Board. As indicated in the table below, Harris J. Ashton and Frank A. Olson have each served as chief executive officers of New York Stock Exchange listed public corporations; Larry D. Thompson and Edith E. Holiday each have legal backgrounds, including high level legal positions with departments of the U.S. government; John B. Wilson has served as chief operating officer of a New York Stock Exchange listed public corporation, as well as chief financial officer of a NASDAQ listed public corporation; J. Michael Luttig has fifteen years of judicial experience as a Federal Appeals Court Judge; Mary C. Choksi has served as the managing director of investment management firms; and Rupert H. Johnson, Jr. and Gregory E. Johnson are high ranking executive officers of Franklin Templeton Investments.

Listed below, for each nominee, is his or her name, year of birth and address, as well as position and length of service with the Fund, a brief description of recent professional experience, the number of portfolios in the Franklin Templeton Investments fund complex that he or she oversees, and other directorships held.
