Accelerated Stock Option Vesting Upon a Change in Control. For certain option grants to executive officers and directors, in the event of a change in control, all of such optionee's unvested stock options will vest and become exercisable immediately prior to the event or closing of the transaction causing the change in control.

Under the option grants, a "Change in Control" means a change in ownership or control of the Company effected through either of the following transactions:

(i) the acquisition, directly or indirectly, by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the 1934 Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company's outstanding securities pursuant to a tender or exchange offer made directly to the Company's shareholders, which the Board does not recommend such shareholders to accept, or

(ii) a change in the composition of the Board over a period of thirty-six (36) consecutive months or less, such that a majority of the Board members ceases, by reason of one or more contested elections for Board membership, to be comprised of individuals who either (A) have been Board members continuously since the beginning of such period, or (B) have been elected or nominated for election as Board members during such period by at least a majority of the Board members described in clause (A) who were still in office at the time the Board approved such election or nomination.

Except as otherwise set forth in an option grant, in the event of a change in control of our company, the Board of Directors has the sole authority to elect that the vesting of each outstanding option automatically accelerate so that each such option shall, immediately prior to the effective date of the corporate transaction, become fully exercisable for all of the shares of common stock at the time subject to such option and may be exercised for any or all of those shares as fully vested shares of common stock.

At our current stock price of about \$11.45, all the named executive officers would each benefit from any potential accelerated vesting of unvested stock options.

Equity Compensation Plans

Please refer to the section titled "Securities Authorized for Issuance under Equity Compensation Plans" contained in Item 5 in the Original Form 10-K for details regarding our compensation plans under which our equity securities are authorized for issuance.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We recognize that transactions between us and any of our directors or executives can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our company and shareholders. Therefore, as a general matter and in accordance with our Code of Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our company. Under the terms of its charter, our Audit and Compliance Committee reviews and, if appropriate, approves or ratifies any such transactions.

Pursuant to the charter, the committee will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review, the Committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our company and our shareholders, as the committee determines in good faith.

Related Party Transactions: Indemnification of Officers and Directors

Please refer to the section titled "Former Officers Indemnification" under Note 8 - Commitments and Contingencies in our Notes to Consolidated Financial Statements included in Part IV of the Original 10-K for full details, which is incorporated herein by reference.

Director Independence

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Baldwin, Hendricks, and Huntsman are independent directors, in accordance with the definition of "independence" under the listing standards of NASDAQ, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Pre-Approval Policies and Procedures

The Audit and Compliance Committee ensures that we engage our independent registered public accounting firm to provide only audit and non-audit services that are compatible with maintaining the independence of our public accountants. The Audit and Compliance Committee approves or pre-approves all services provided by our public accountants. Permitted services include audit and audit-related services, tax and other non-audit related services. Certain services are identified as

restricted. Restricted services are those services that may not be provided by our external public accountants, whether identified in statute or determined to be incompatible with the role of an independent auditor. All fees identified in the preceding table were approved by the Audit and Compliance Committee. During 2014, the Audit and Compliance Committee reviewed all non-audit services provided by our independent registered public accounting firm, and concluded that the provision of such non-audit services was compatible with maintaining the independence of the external public accountants.
