Item 1.01 Entry into a Material Definitive Agreement

On October 18, 2006, the Executive Compensation Committee (Compensation Committee) of our Board of Directors, acting by delegation of authority from the full Board, amended our Executive Profit-Sharing Incentive Plan (Plan). The Plan authorizes annual incentive bonus payments to our executive officers in an aggregate amount equal to a specified percentage of our pre-tax income, subject to the attainment by the Company of a specified performance goal. The Plan previously stated that all executive officers were participants in the Plan and provided ranges of maximum individual bonuses for specified categories of participants, expressed as a percentage of their base salaries. The Plan, as amended, has listed each individual position that qualifies for participation under the Plan and has reduced the maximum amount of individual bonuses to 100% of base salary for all participants.

In order for any payments to be made under the Plan, we must achieve a full-year combined internal operating ratio (O.R.) of 95.0% or less. For this purpose, O.R. is determined by dividing our operating expenses, net of fuel surcharge, by operating revenues, before fuel surcharge. Amounts in the Incentive Pool will be paid to participants only if we achieve this specified performance goal for the fiscal year. If we do not achieve such performance goal, the amounts in the Incentive Pool will remain with us and will not be paid or distributed to participants or carried forward for any purpose under the Plan.

The Plan, as amended, is attached in its entirety as an exhibit to this Report. The Plan is subject to revision at any time at the discretion of the Compensation Committee.
