-

**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

(b) Effective January 24, 2007, Robert M. Powell resigned as the Company's Chief Executive Officer. Mr. Powell will continue to serve as a director and as the Company's Chairman of the Board. In that capacity, in addition to chairing meetings of the Board and related activities, he will continue to be actively involved in corporate governance matters and will provide ongoing assistance to management in an advisory capacity. He will also perform such additional duties as the Board of Directors may assign to him from time to time. Based on the services Mr. Powell will provide to the Company going forward, and the amount of time he is expected to devote to his duties, the Company's Compensation Committee has established his salary at \$205,764 per year, effective immediately. Mr. Powell's salary in effect prior to his resignation was \$411,516 per year. The reduction in Mr. Powell's salary will also have the effect of reducing his annual incentive bonus opportunity, which is capped at a maximum of 100% of his salary under the Company's Executive-Profit Sharing Incentive Plan. That Plan provides for annual cash incentive payments to executives based on the achievement of a specified performance goal.

(c) Effective January 24, 2007, the Company appointed Jerry D. Orlor as Chief Executive Officer and President. Mr. Orlor was one of the founders of the Company in 1989 and has been a member of the Board of Directors and an officer of the Company since that time. He is a Certified Public Accountant and served as the Company's Chief Financial Officer from 1989 until 2002 when he was promoted to President, an office he will retain. He also served as Secretary from 1992 to 2001. Mr. Orlor has no family relationship with any other director or executive officer.

The full text of the press release issued in connection with the foregoing matters is attached as Exhibit 99.1.
