Item 7.01 Regulation FD Disclosure.

On May 14, 2018, Valeant Pharmaceuticals International, Inc. (the “Company”) provided certain information to its lenders in connection with its previously announced plans to amend and restate its existing credit agreement.

The Company is disclosing under Item 7.01 of this Current Report on Form 8-K the following information. The Dendreon sale was completed on June 28, 2017 and this business contributed adjusted EBITDA of approximately \$35 million for the twelve months ended March 31, 2018. The iNova sale was completed on September 29, 2017, and this business contributed approximately \$70 million for the twelve months ended March 31, 2018. The Obagi sale was completed on November 9, 2017, and this business contributed Adjusted EBITDA of approximately \$10 million for the twelve months ended March 31, 2018. The Sprout sale was completed on December 20, 2017, and this business contributed Adjusted EBITDA of approximately \$(25) million for the twelve months ended March 31, 2018.

To supplement the disclosure of our financial measures prepared in accordance with GAAP, we use certain non-GAAP financial measures, including Adjusted EBITDA. Adjusted EBITDA represents earnings before interest, taxes, depreciation and amortization, as further adjusted to exclude certain non-recurring and/or unusual items. The Company does not provide reconciliations of Adjusted EBITDA (non-GAAP) to GAAP net income (loss) for the assets described above because they were parts of larger businesses of the registrant and were not managed on a GAAP basis. We believe these non-GAAP measures are useful to investors in their assessment of our operating performance. In addition, these non-GAAP measures address questions we routinely receive from analysts and investors and, in order to ensure that all investors have access to similar data, we have determined that it is appropriate to make this data available to all investors. However, non-GAAP financial measures are not prepared in accordance with GAAP, as they exclude certain items as described above. Therefore, the information is not necessarily comparable to other companies and should be considered as a supplement to, not a substitute for, or superior to, measures calculated in accordance with GAAP.

The information contained in this Item 7.01 is being furnished, not filed, pursuant to Item 7.01. Accordingly, this information will not be incorporated by reference into any registration statement filed by the Company under the Securities Act, unless specifically identified therein as being incorporated by reference.
