ELECTION OF DIRECTORS

The Board of Directors recommends the classification of the Board of Directors based on seniority, pursuant to which the directors of Medifast are to be divided into three classes consisting of Class I, Class II, and Class III, respectively, commencing with our first annual meeting after July 25, 2003. Inasmuch as the Annual Meeting represents the first annual meeting at which directors will be elected following the establishment of the three classes, directors for each of the three classes will need to be elected at the Annual Meeting. At subsequent annual meetings, only directors for the class whose term is expiring will be elected at that annual meeting.

The number of directors in each class is determined by the Board of Directors and consists of as nearly equal a number of directors as possible. There are six nominees for directors therefore, each class will include two directors, which may be adjusted from time to time, should the Board of Directors increase or decrease the number of directors representing a class. The term of Class I, Class II and Class III, initially expires in 2004, at which time, Class I will be up for re-election for a three year term expiring in 2007 and Class II and III will be up for re-election for a one year term. In 2005, Class II will be up for re-election for a three-year term and Class III will be up for a one-year re-election. Accordingly, in 2006, only Class III will be up for re-election for a three-year term and accordingly.

The Board of Directors has nominated the nominees named below, which nominees are currently serving as directors and have indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why such nominees would be unable to serve as directors. If any of the nominees should for any reason become unable to serve, then valid proxies will be voted for the election of such substitute nominee as the Board of Directors may designate. The two nominees for Class I Directors, are Bradley T. MacDonald and Rev. Donald Reilly. The two nominees for Class II Directors, are Scott Zion and Michael MacDonald. The two nominees for Class III Directors, are Mary Travis and Michael McDevitt.

Each director serves until his or her successor is elected and qualified or until his or her death, retirement, resignation, or removal. Should a vacancy occur or be created, whether arising through death, resignations, retirement or removal of a director, the vacancy will be filled by a majority vote of the remaining directors. A director so elected to fill vacancy will serve for the remainder of the present term of office of the class to which he or she was elected.

Resignation of Independent Director

On March 27, 2003, Mr. David Scheffler, Director and former consultant for Medifast, Inc., and investment banker for D.S. Capital Investors, resigned from the Board of Directors due to his concern about the Company's need for more independence on the Board and the limited number of seats to fill that need in accordance with SEC and AMEX regulations. It is with deep regret that the Board of Directors has accepted his resignation but understands his concerns. Mr. Scheffler was instrumental in preventing the Company from filing for Chapter 11 bankruptcy in 1999/2000 because of his sage investment advice and his ability to raise funds at a time when the Company had "a going concern" opinion from its auditors preventing the Company from receiving commercial financing on any reasonable terms. Mr. Scheffler will continue to act as an Investment Relations Advisor and Consultant for the Company under contract for the next three years.

Meetings and Committees

During the fiscal year ended December 31, 2002 ("Fiscal 2002"), the Board of Directors held two (2) meetings, including those in which matters were adopted by unanimous written consent. The Board has an Audit Committee, an Executive Committee, and a Compensation Committee. The purpose and responsibilities for each of these committees is outlined in committee charters adopted by the Board. The Board may, from time to time, form a new committee or disband a current committee depending on circumstances. In addition, the Board may determine to form ad hoc committees from time to time, and determine the composition and areas of competence of such committees.

The Audit Committee of the Board of Directors consists of Mr. R. Scott Zion, Mr. Michael J. McDevitt and Mrs. Mary T. Travis. In 2002, prior to the listing on the American Stock Exchange, the Company implemented a new Audit

Edgar Filing: MEDIFAST INC - Form DEF 14A

Committee Charter by which the primary function of the committee is to assist the Board of Directors in fulfilling their oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. The committee held four (4) meetings during fiscal year 2002. The Audit Committee encourages continuous improvement of, and fosters adherence to, the corporation's policies, procedures and practices at all levels

Messrs. Michael C. MacDonald, R. Scott Zion, and Bradley T. MacDonald are members of the Executive Committee. The Executive Committee has all the authority of the Board of Directors, except with respect to certain matters that by statute may not be delegated by the Board of Directors. The Committee meets periodically during the year to develop and review strategic operational and management policies for the Company. The Committee held three (3) meetings during fiscal year 2002.

The Compensation Committee of the Board of Directors held two (2) meeting during fiscal year 2002. The members were Very Rev. Donald F. Reilly O.S.A, Mr. David Scheffler, and Mrs. Mary T. Travis. The primary purpose of the Compensation Committee is to assist the Board in discharging its responsibilities in respect of compensation of the Company's executive officers and to produce an annual report for inclusion in the Company's proxy statement on executive compensation. The Committee approved a contract salary for Mr. MacDonald, the Chief Executive Officer to \$225,000 in the year 2003 as compared to \$190,000 in 2002, \$150,000 in 2001 and \$170,000 in 1997. The board adjusted his contract salary accordingly and authorized a bonus of up to 100% of base salary provided the Company attains its profit plan per the Board approved forecast.

The Chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any requirements set forth in the committee's charter. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda. The schedule for each committee will be furnished to all Directors.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules of the Securities and Exchange Commission (the "Commission") thereunder require the Company's Directors and officers, and any person who owns more than ten percent of the Company's Common Stock (collectively, "Reporting Persons"), to file reports of their ownership and changes in ownership of Common Stock with the Commission. Reporting Persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely upon a review of copies of such reports furnished to the Company, and written representations that certain reports were not required, the Company believes that all of its Reporting Persons filed on a timely basis all reports required by Section 16(a) of the Exchange Act during or with respect to the year ended December 31, 2002.

BOARD REPORT ON EXECUTIVE COMPENSATION

The compensation of the Company's executive officers has been determined

Edgar Filing: MEDIFAST INC - Form DEF 14A

by agreements negotiated prior to their employment. The Compensation and Stock Options committee (the "Committee") is authorized to review and make recommendation to the Board as to the compensation in cash or other forms for its executive officers. Its compensation policy will be to provide for base salaries, which are comparable to the compensation paid to executive officers of equivalent competency and responsibilities by companies of comparable size and capitalization both in and out of the pharmaceutical industry. The Committee also intends to provide for the payment of cash bonuses to executive officers and stock options, as an incentive to remain with the Company and enhance shareholder value. It is also intended to be used when the Company attains favorable operating results.

The Committee believes that the Company's stock option program, as it has been in the past, should be used as a means to conserve cash in rewarding key consultants, executives, and key employees for good or exceptional performance; the performance of increased responsibilities, improved performance independent of operating results, loyalty and seniority.

In the year ending December 31, 2002, the Committee approved the following: the contract salary of Mr. MacDonald, CEO was \$225,000 per year in 2003, from \$190,000 in 2002 and \$150,000 in 2001, and adjusted his compensation as is currently set forth in an Employment Agreement entered into by the Chief Executive Officer in 1998. (See "Employment Agreements" filed as an exhibit to 10KSB, dated April 15, 1999 of the Company, file No. 000-23016). The Committee recommended and the Board approved the salary increase of \$35,000 for 2003 and a bonus of \$100,000 for reaching the Company's initial revenue and profit forecast by the 4th quarter of 2002, paid in January 2003.

The Committee also approved the employment contracts for the following officers of its Take Shape for Life Inc., subsidiary:

Name	Position	Annual Compensation	Salary (\$)	Bonus Potential

Richard Logsdail	President and Chief Operations Officer		100,000	\$50,000
Daniel Bell	Executive Vice President of Sales and Marketing		98,000	Estimated to be 50% of based on new business development

DIRECTORS' COMPENSATION

The Company is authorized to pay a fee of \$300 for each meeting attended by its Directors who are not executive officers. It reimburses those who are not employees of the Company for their expenses incurred in attending meetings. Independent Directors claimed \$3,850.00 in Director's fees and/or expenses in 2002. See "Executive Compensation - Stock Options" for stock options granted under the 1993 Plan to the Directors. The Company authorized a stock grant under rule 144 of 10,000 shares to Michael J. McDevitt, Director, Chairman of the Audit

Committee; 10,000 shares to David Scheffler, Director, and 5,000 shares to Mary
