Shells Seafood Restaurants, Inc. today issued a press release announcing second quarter and year-to-date results. Included in the press release issued by the Company and furnished herewith as Exhibit 99 are certain non-GAAP financial measures. Management of the Company believes such non-GAAP financial measures are useful to investors assessing the financial condition and results of operations of the Company's core business operations because they exclude results which management believes are atypical and unlikely to occur with regularity in the future.
