THE PROPOSAL: ELECTION OF TRUSTEES

The Fund's Shares are listed on the NYSE, which requires the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Therefore, shareholders of the Fund are being asked to elect Trustees in the following manner: (i) to elect one Trustee as a Class I Trustee (Mr. Roman Friedrich III is the nominee) to serve until the Fund's annual meeting of shareholders for the Fund's fiscal year ending May 31, 2012, or until his successor shall have been elected and qualified; and (ii) to elect three Trustees as Class II Trustees (Mr. Robert B. Karn III, Mr. Ronald A. Nyberg, and Mr. Ronald E. Toupin, Jr. are the nominees) to serve until the Fund's annual meeting of shareholders for the Fund's fiscal year ending May 31, 2013, or until their respective successors shall have been elected and qualified.

Composition of the Board of Trustees

The Trustees of the Fund are classified into two classes of Trustees: Class I Trustees and Class II Trustees.

CLASS I TRUSTEES

-Mr. Randall C. Barnes, Mr. Roman Friedrich III and Mr. Kevin M. Robinson are the Class I Trustees. Mr. Friedrich is standing for election at the Annual Meeting. The term of the Class I Trustees of the Fund not standing for election at the Annual Meeting will continue until the Fund's annual meeting of Shareholders for the Fund's fiscal year ending May 31, 2012, or until their respective successors shall have been elected and qualified. If elected, Mr. Friedrich will serve a term of one year concurrent with the remaining term of the Class I Trustees, or until his successor shall have been elected and qualified.

CLASS II TRUSTEES

- Mr. Robert B. Karn III, Mr. Ronald A. Nyberg, and Mr. Ronald E. Toupin, Jr. are the Class II Trustees. Mr. Karn, Mr. Nyberg and Mr. Toupin are standing for election at the Annual Meeting. If elected, the term of the Class II Trustees will continue until the Fund's annual meeting of Shareholders for the Fund's fiscal year ending May 31, 2013, or until their respective successors shall have been elected and qualified.

Generally, the Trustees of only one class are elected at each annual meeting of shareholders, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each two year period. Mr. Friedrich was appointed to the Board of Trustees in 2010 and is standing for election at the Annual Meeting as a Class I Trustee. Each Class II Trustee nominee elected at the Annual Meeting will hold office for two years or until his successor shall have been elected and qualified. If elected, Mr. Friedrich will serve a term of one year concurrent with the remaining term of the Class I Trustees, or until his successor shall have been elected and qualified. The other Trustees of the Fund will continue to serve under their current terms as described above. Unless authority is withheld, it is the intention of the persons named in the

proxy to vote the proxy “FOR” the election of the trustee nominees named above. Each trustee nominee nominated by the Board has indicated that he has consented to serve as a Trustee if elected at the Annual Meeting. If a designated trustee nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

Trustees

Certain information concerning the Trustees and officers of the Fund is set forth in the tables below. The “interested” Trustee (as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”)) is indicated below. Independent Trustees are those who are not interested persons of the Fund, the Fund’s investment adviser, Guggenheim Funds Investment Advisors, LLC (formerly, Claymore Advisors, LLC) (“Guggenheim Funds” or the “Adviser”) or the Fund’s sub-adviser, Guggenheim Partners Asset Management, LLC (“GPAM” or the “Sub-Adviser”), and comply with the definition of “independent” (as defined in Rule 10A-3 of the Securities Exchange Act of 1934, as amended) (the “Independent Trustees”).

The Fund is part of a fund complex (referred to herein as the “Fund Complex”) that consists of U.S. registered investment companies advised or serviced by the Adviser or its affiliates. The Fund Complex is composed of fifteen closed-end funds, including the Fund, and forty-two exchange-traded funds. The Fund Complex is overseen by multiple boards of trustees.

Board Leadership Structure

The primary responsibility of the Board is to represent the interests of the Fund and to provide oversight of the management of the Fund. The Fund's day-to-day operations are managed by the Adviser, the Sub-Adviser and other service providers who have been approved by the Board. The Board is currently comprised of six Trustees, five of whom (including the chairperson) are Independent Trustees and one of whom is classified as an Interested Trustee. Generally, the Board acts by majority vote of all the Trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has appointed an Independent Trustee as chairperson, who presides at Board meetings and who is responsible for, among other things, participating in the planning of Board meetings, setting the tone of Board meetings and seeking to encourage open dialogue and independent inquiry among the trustees and management. The Board has established two standing committees (as described below) and has delegated certain responsibilities to those committees, each of which is comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, review the Fund's financial statements, oversee compliance with regulatory requirements, and review performance. The Independent Trustees are represented by independent legal counsel at Board and committee meetings. The Board has determined that this leadership structure, including an Independent Trustee as chairperson, a supermajority of Independent Trustees and committee membership limited to Independent Trustees, is appropriate in light of the characteristics and circumstances of the Fund.

Board Committees

The Trustees have determined that the efficient conduct of the Trustees' affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Board or otherwise. The committees of the Board are the Audit Committee and the Nominating and Governance Committee.

Audit Committee. The Board has an Audit Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Karn serves as chairperson of the Audit Committee.

The Audit Committee is charged with selecting an independent registered public accounting firm for the Fund and reviewing accounting matters with the Fund's independent registered public accounting firm. Each member of the Audit Committee is an Independent Trustee as defined above and also meets the additional independence requirements for audit committee members as defined by NYSE listing standards.

The Audit Committee is governed by a written charter, the most recent version of which was approved by the Board on May 10, 2010 (the "Audit Committee Charter"). In accordance with proxy rules promulgated by the SEC, a fund's audit committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Fund's Audit Committee Charter is attached hereto as Appendix A.

The Audit Committee presents the following report on behalf of the Fund:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Fund with management of the Fund, (ii) the Audit Committee discussed with the Fund's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, (iii) the Audit Committee received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Independence Standards Board Standard No. 1 and has discussed with the Fund's independent registered public accounting firm the independence of the Fund's independent registered public accounting firm and (iv) the Audit Committee recommended to the Board of Trustees of the Fund that the financial statements be included in the Fund's Annual Report for the past fiscal year.

Nominating and Governance Committee. The Board has a Nominating and Governance Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Nyberg serves as chairperson of the Nominating and Governance Committee.

The Nominating and Governance Committee is governed by a written charter, the most recent version of which was approved by the Board on October 22, 2008 (the "Nominating and Governance Committee Charter"). In accordance with proxy rules promulgated by the SEC, a fund's nominating committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Fund's Nominating and Governance Committee Charter was attached as Appendix C to the Fund's proxy statement dated December 4, 2009.

The Nominating and Governance Committee (i) evaluates and recommends all candidates for election or appointment as members of the Board and recommends the appointment of members and chairs of each committee of the Board, (ii) reviews policy matters affecting the operation of the Board and committees of the Board, (iii) periodically evaluates the effectiveness of the Board and committees of the Board and (iv) oversees the contract review process, including review of the Fund's advisory agreements and other contracts with affiliated service providers. In considering trustee nominee candidates, the Nominating and Governance Committee requires that trustee candidates have a college degree or equivalent business experience and may take into account a wide

variety of factors in considering trustee candidates, including (but not limited to): availability and commitment of a candidate to attend meetings and perform the responsibilities of a Trustee, relevant experience, educational background, financial expertise, the candidate's ability, judgment and expertise and overall diversity of the Board's composition. The Nominating and Governance Committee may consider candidates recommended by various sources, including (but not limited to): such Fund's Trustees, officers, investment advisers and shareholders. The Nominating and Governance Committee will not nominate a person for election to the Board as a Trustee after such person has reached the age of seventy-two (72), unless such person is an "interested person" of such Fund as defined in the 1940 Act. The Nominating and Governance Committee may, but is not required to, retain a third party search firm to identify potential candidates.

A trustee candidate must (i) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the Nominating and Governance Committee to evaluate the candidate and to determine, among other matters, whether the candidate would qualify as a Trustee who is not an "interested person" of the Fund as such term is defined under the 1940 Act; (ii) be prepared to submit character references and agree to appropriate background checks; and (iii) be prepared to meet with one or more members of the Nominating and Governance Committee at a time and location convenient to those Nominating and Governance Committee members in order to discuss the nominee's qualifications.

The Nominating and Governance Committee will consider Trustee candidates recommended by the Fund's shareholders. The Nominating and Governance Committee will consider and evaluate trustee nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.

In considering trustee nominee candidates, the Nominating and Governance Committee takes into account a wide variety of factors, including the overall diversity of the Board's composition. The Nominating and Governance Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

To have a candidate considered by the Nominating and Governance Committee, a shareholder must submit the recommendation in writing and must include the information required by the "Procedures for Shareholders to Submit Nominee Candidates" that are set forth as Appendix B to the Nominating and Governance Committee Charter, which was attached as Appendix C to the Fund's proxy statement dated December 4, 2009. Shareholder recommendations must be sent to the Fund's Secretary, c/o Guggenheim Funds Investment Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532.

The nominees for election at the Annual Meeting currently serve as Trustees and were unanimously nominated by the Board of Trustees and the Nominating and Governance Committee.

Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Fund, the Board, among other things, oversees risk management of the Fund's investment program and business affairs directly and through the committee structure it has established. The Board has established the Audit Committee and the Nominating and Governance Committee to assist in its oversight functions, including its oversight of the risks the Fund faces. Each committee reports its activities to the Board on a regular basis. Risks to the Fund include, among others, investment risk, credit risk, liquidity risk, valuation risk and operational risk, as well as the overall business risk relating to the Fund. The Board has adopted, and periodically reviews, policies, procedures and controls designed to address these different types of risks. Under the Board's supervision, the officers of the Fund, the Adviser, the Sub-Adviser and other service providers to the Fund also have implemented a variety of processes, procedures and controls to address various risks. In addition, as part of the Board's periodic review of the Fund's advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of the service providers' operations and the functions for which they are responsible.

The Board requires officers of the Fund to report to the full Board on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Fund's independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Board meets with the Fund's Chief Compliance Officer, including separate meetings with the Independent Trustees in executive session, to discuss compliance matters and, on at least an annual basis, receives a report from the Chief Compliance Officer regarding the effectiveness of the Fund's compliance program. The Board, with the assistance of Fund management, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, the Board receives reports from the Adviser and Sub-Adviser on the investments and securities trading of the Fund. With respect to valuation, the Board oversees a pricing committee comprised of Fund officers and Adviser personnel and has approved Fair Valuation procedures applicable to valuing the Fund's securities, which the Board and the Audit Committee periodically review. The Board also requires the Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Shareholder Approval

The affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a trustee nominee. Votes withheld will have the same effect as votes against a trustee nominee. “Broker non-votes” (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will have no effect on the outcome of the vote on a trustee nominee.

Board Recommendation

The Board of the Fund, including the Independent Trustees, unanimously recommends that you vote “FOR ALL” of the nominees for the Board of Trustees (Mr. Roman Friedrich III, Mr. Robert B. Karn III, Mr. Ronald A. Nyberg and Mr. Ronald E. Toupin, Jr.).

ADDITIONAL INFORMATION

Further Information About Voting and the Annual Meeting

The holders of a majority of the Shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum at such meeting of the shareholders for purposes of conducting business on such matter. Votes withheld and broker non-votes will be counted as Shares present at the Annual Meeting for quorum purposes.

The Board has fixed the close of business on January 7, 2011, as the Record Date for the determination of shareholders of the Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Fund as of the close of business on the Record Date will be entitled to one vote on each matter to be voted on by the Fund for each Share held and a fractional vote with respect to fractional Shares with no cumulative voting rights.

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote your proxy via telephone or the Internet so your Shares will be represented at the Annual Meeting. Information regarding how to vote your proxy via telephone or the Internet is included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date. If you wish to attend the Annual Meeting and vote in person, you will be able to do so. You may contact the Fund at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or vote proxies via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Fund a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Section 16(a) Beneficial Ownership Reporting Compliance

Based upon the Fund’s review of the copies of such forms effecting the Section 16 filings received by it, the Fund believes that for the Fund’s fiscal year ended May 31, 2010, all filings applicable to such persons were completed and filed in a timely manner, except as

follows: a Form 4 for Mr. B. Scott Miner, a Form 3 for Mr. Robert B. Karn III and a Form 3 for Mr. Roman Friedrich III were inadvertently filed late.

Privacy Principles of the Fund

The Fund is committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Fund collects, how the Fund protects that information and why, in certain cases, the Fund may share information with select other parties.

Generally, the Fund does not receive any non-public personal information relating to its shareholders, although certain non-public personal information of its shareholders may become available to the Fund. The Fund does not disclose any non-public personal information about its shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Fund restricts access to non-public personal information about its shareholders to employees of the Adviser with a legitimate business need for the information. The Fund maintains physical, electronic and procedural safeguards designed to protect the non-public personal information of its shareholders.

Deadline for Shareholder Proposals

The Fund's Amended and Restated By-Laws (the "By-Laws") require compliance with certain procedures for a shareholder to properly make a nomination for election as a Trustee or to propose other business for the Fund. If a shareholder who is entitled to do so under the Fund's By-Laws wishes to nominate a person or persons for election as a Trustee or propose other business for the Fund, that shareholder must provide a written notice to the Secretary of the Fund at the Fund's principal executive offices.

The notice must set forth: (a) as to each person whom the shareholder proposes to nominate for election as a Trustee (i) all information relating to such person that is required to be disclosed in solicitations of proxies for election of Trustees in an election contest, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Exchange Act and (ii) such person's written consent to being named as a nominee and to serving as a Trustee if elected; (b) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration), the reasons for conducting such business at the meeting and any material interest in such business of such shareholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such shareholder, as they appear on the Fund's books, and of such beneficial owner, (ii) the class or series and number of Shares which are owned beneficially and of record by such

shareholder and such beneficial owner, (iii) a description of any agreement, arrangement or understanding with respect to the nomination or proposal between or among such shareholder and such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, (iv) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, stock appreciation or similar rights, hedging transactions, and borrowed or loaned Shares) that has been entered into as of the date of the shareholder's notice by, or on behalf of, such shareholder and such beneficial owners, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such shareholder or such beneficial owner, with respect to Shares of the Fund, (v) a representation that the shareholder is a holder of record of Shares of the Fund entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, and (vi) a representation whether the shareholder or the beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Fund's outstanding Shares required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from shareholders in support of such proposal or nomination. The Fund may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a Trustee of the Fund.

To be timely, the notice must be delivered to the Secretary of the Fund at the Fund's principal executive offices not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Fund).

The foregoing description of the procedures for a shareholder properly to make a nomination for election as a Trustee or to propose other business for the Fund is only a summary and is not complete. A copy of the Fund's By-Laws, which includes the provisions regarding the requirements for shareholder nominations and proposals, may be obtained by writing to the Secretary of the Fund at 2455 Corporate West Drive, Lisle, Illinois 60532. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's By-Laws.

Shareholder proposals intended for inclusion in the Fund's proxy statement in connection with such annual meeting of shareholders pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund at the Fund's principal

executive offices by October 4, 2011. Proposals made outside of Rule 14a-8 under the Exchange Act must be submitted, in accordance with the notice requirements of the Fund's By-Laws, not earlier than the close of business on November 8, 2011 nor later than the close of business on December 8, 2011 (which is also the date after which shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would not be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act).

Expenses of Proxy Solicitation

The cost of soliciting proxies will be borne by the Fund. Certain officers of the Fund and certain officers and employees of the Adviser or its affiliates (none of whom will receive additional compensation therefore), may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Fund for such out-of-pocket expenses.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on March 7, 2011

This Proxy Statement is available on the Internet at www.proxyvote.com.

Other Matters

The management of the Fund knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

In the event a quorum is present at the Annual Meeting but sufficient votes to approve any of the Proposals are not received, proxies (including broker non-votes) would vote in favor of one or more adjournments of the Annual Meeting with respect to such Proposal(s) to permit further solicitation of proxies, provided they determine that such an adjournment and additional solicitation is reasonable and in the interest of shareholders based on a consideration of all relevant factors, including the nature of the relevant proposal, the percentage of votes then cast, the percentage of negative votes then cast, the nature of the proposed solicitation activities and the nature of the reasons for such further solicitation.

Very truly yours,

Kevin M. Robinson

Audit Committee Charter

I. PURPOSE

The Audit Committee is a committee of the Board of the Trust (see Appendix A for a list of funds that have approved this Audit Committee Charter). Its primary function is to assist the Board in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Trust's accounting policies, financial reporting and internal control system, as well as the work of the independent auditors. The Audit Committee assists Board oversight of (1) the integrity of the Trust's financial statements; (2) the Trust's compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of the Trust's independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, Trust management, the personnel responsible for internal audit functions (if any) and the Board.

- Trust management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.
- The independent auditors have the primary responsibility to plan and implement a proper audit, including consideration of the Trust's accounting, reporting and internal control practices.

The Audit Committee may have additional functions and responsibilities as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Trust's financial statements are complete and accurate and have been prepared in accordance with generally accepted accounting principles.

II. COMPOSITION

The Audit Committee shall be comprised of three or more board members as determined by the Board, each of whom shall be an independent board member, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. For purposes of the Audit Committee, a board member is independent if:

- he or she is not an “interested person” of the Trust as that term is defined in the Investment Company Act of 1940; and
- he or she does not accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Trust (except in the capacity as a Board or committee member).

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment (or must become financially literate within a reasonable time after his or her appointment to the Audit Committee). The Audit Committee will review the qualifications of its members and determine whether any of its members qualify as an “audit committee financial expert” as defined in Form N-CSR. The Audit Committee will submit such determination to the Board for its final determination.

The members and Chairman of the Audit Committee shall be elected by the Board annually and serve until their successors shall be duly elected and qualified.

No member of the Audit Committee shall serve on the audit committee of more than three public companies with shares registered under the Securities Exchange Act of 1934, as amended, unless the Board determines that such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the Audit Committee. For purposes of counting an Audit Committee member’s audit committee service, service on the Trust’s Audit Committee, together with other audit committees within the Guggenheim fund complex, shall count as one public company.

III. MEETINGS

The Audit Committee shall meet two times annually, or more frequently as circumstances dictate. Special meetings (including telephone meetings) may be called by the Chairman or a majority of the members of the Audit Committee upon reasonable notice to the other members of the Audit Committee.

As part of its job to foster open communication, the Audit Committee shall meet annually with senior Trust management responsible for accounting and financial reporting and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee, or any of such other persons, believes should be discussed privately.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

A. Charter

Review this Charter, annually, and recommend changes, if any, to the Board.

B. Internal Controls

1. Review, annually, with Trust management and the independent auditors:

(a) the organizational structure, reporting relationship, adequacy of resources and qualifications of the senior Trust management personnel responsible for accounting and financial reporting; and

2. Review, with Trust management and the independent auditors:

(a) the Trust's plan related to the Trust's systems for accounting, reporting and internal controls;

(b) the responsibilities, resources and staffing with respect to the activities in IV.B.2.(a) above; and

(c) any significant audit findings or recommendations related to the Trust's systems for accounting, reporting and internal controls and Trust management's response.

3. Monitor procedures for the receipt, retention and treatment of complaints received by the Trust and/or the Audit Committee regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by officers and trustees of the Trust or employees of the Adviser, underwriter and any provider of accounting-related services to the Trust of concerns regarding questionable accounting or auditing matters.

4. Review, annually, with Trust management and the independent auditors, policies for valuation of Trust portfolio securities, and the frequency and magnitude of pricing errors.

A-3

C. Independent Auditors

1. Approve, and recommend to the Board, the appointment, retention or termination of the independent auditors, and approve the fees and other compensation to be paid to the independent auditors. Such selection shall be pursuant to a written engagement letter approved by the Audit Committee.

2. Pre-approve any engagement of the independent auditors to provide any non-prohibited services to the Trust, including the fees and other compensation to be paid to the independent auditors (unless an exception is available under Rule 2-01 of Regulation S-X).

(a) The Chairman or any member of the Audit Committee may grant the pre-approval of services to the Fund for non-prohibited services up to \$10,000. All such delegated pre-approvals shall be presented to the Audit Committee no later than the next Audit Committee meeting.

3. Pre-approve any engagement of the independent auditors, including the fees and other compensation to be paid to the independent auditors, to provide any non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust), if the engagement relates directly to the operations and financial reporting of the Trust (unless an exception is available under Rule 2-01 of Regulation S-X).

(a) The Chairman or any member of the Audit Committee may grant the pre-approval for non-audit services to the Adviser up to \$10,000. All such delegated pre-approvals shall be presented to the Audit Committee no later than the next Audit Committee meeting.

(a) the independent auditors’ internal quality-control procedures;

(b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigations by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and

(c) all relationships between the independent auditors and the Trust, so as to assess the auditors’ independence, including identification of all relationships the independent auditors have with the Trust and all significant relationships the independent auditors have with the Adviser (and any “control affiliate” of the Adviser) and any material service provider to the Trust (including, but not limited to, disclosures regarding the independent auditors’ independence required by Public Company Accounting Oversight Board Rule 3526 and

compliance with the applicable independence provisions of Rule 2-01 of Regulation S-X).

In assessing the auditors' independence, the Audit Committee shall take into account the opinions of Trust management. The Committee will present its conclusions with respect to the independent auditors to the Board, and recommend that the Board take appropriate action, if any, in response to the independent auditors' report to satisfy itself of the independent auditors' independence.

5. On an annual basis, review and evaluate the lead audit partner (such review to include consideration of whether, in addition to the regular rotation of the lead audit partner as required by law, in order to assure continuing auditor independence, there should be regular consideration of rotation of the firm serving as independent auditors).

6. On an annual basis, meet with the independent auditors and Trust management to review the arrangements for and scope of the proposed audit for the current year and the audit procedures to be utilized.

7. Review the management letter prepared by the independent auditors and Trust management's response.

D. Financial Reporting Processes

5. Background and Definitions
for
Audit Committee Charter

The following is supplemental information regarding the Audit Committee Charter designed to provide the Audit Committee background information and definitions to assist the Committee in fulfilling its responsibilities under the Charter.

I. COMPOSITION

An “audit committee financial expert” of a company is defined as a person who has all of the following attributes: (1) an understanding of generally accepted accounting principles (“GAAP”) and financial statements; (2) the ability to assess the general application of GAAP in connection with the accounting for estimates, accruals and reserves; (3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the company’s financial statements, or experience actively supervising one or more persons engaged in such activities; (4) an understanding of internal controls and procedures for financial reporting; and (5) an understanding of audit committee functions. An audit committee financial expert must have acquired such attributes through any one or more of the following: (1) education and experience as a principal financial officer, principal accounting officer, controller, public accountant or auditor or experience in one or more positions that involve the performance of similar functions (or active supervision of such persons); or (2) experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements; or (3) other relevant experience.

If the Trust is listed on the New York Stock Exchange, at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

II. RESPONSIBILITIES AND DUTIES

A. Pre-Approval Not Required

Under Section 10A(h)(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(7)), pre-approval of non-audit services for the Trust pursuant to Section IV.C. 2 is not required, if:

2. the services were not recognized by Trust management at the time of the engagement as non-audit services; and

3. such services are promptly brought to the attention of the Audit Committee by Trust management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.

“Internal control over financial reporting” is a process designed by, or under the supervision of, the Trust’s principal executive and principal financial officers, or persons performing similar functions, and effected by the Trust’s Board, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes those policies and procedures that:
