THESE STATEMENTS MAY BE IDENTIFIED BY THE USE OF WORDS SUCH AS "EXPECT," "ANTICIPATE," "PLAN," "MAY," "ESTIMATE" OR OTHER SIMILAR EXPRESSIONS. #### OVERVIEW

The Company ceased its ongoing business operations in August 2000

## Edgar Filing: APPLIED BIOMETRICS INC - Form 10-Q

because the Company determined it would be unable to complete the development of its primary product, the Basis System, for market and sale. The company's Chief Executive Officer resigned and all other employees were terminated. The Company has wound down its business operations, eliminated expenses and negotiated the termination or satisfaction of all of its remaining obligations.

The Company adopted liquidation basis accounting as of September 1, 2000. This basis of accounting is considered appropriate when liquidation of a company appears imminent and the net realizable value of its assets are reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value and estimated costs through the liquidation date are provided to the extent reasonable determinable.

The Company has agreed to continue to retain Manchester Companies, Inc. ("Manchester"), a Minneapolis, Minnesota investment banking firm, to manage the Company's management and accounting functions and to explore further options available to liquidate the Company. As part of the engagement of Manchester, the Company appointed James D. Bonneville as the Acting Chief Executive Officer, Chief Financial Officer and Secretary of the Company.

### LIQUIDITY AND CAPITAL RESOURCES

As of September 30, 2001, net assets in liquidation were \$755,967. Cash and cash equivalents were \$952,876 as compared to \$1,110,000 at December 31, 2000, a decrease of \$157,124.

Based on its expected rate of spending, the Company believes that its existing cash and cash equivalents will be more than sufficient to fund any further expenses. The Company is presently investigating liquidation options for the Company and its shareholders. There can be no assurance that the Company will be able to find a liquidation option for the Company or the shareholders on terms satisfactory to all parties.
