PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
NOVEMBER 11, 2002

INTRODUCTION

This Proxy Statement, along with the Company's Annual Report to Shareholders, is being sent to shareholders on or about September 23, 2002, in connection with the solicitation of proxies by the Board of Directors of Meredith Corporation (the "Company"). The proxies are to be used in voting at the Annual Meeting of holders of common stock and class B common stock of the Company to be held at the Company's principal executive offices, 1716 Locust Street, Des Moines, Iowa 50309-3023, on Monday, November 11, 2002, at 10:00 A.M., local time, and at any adjournment or adjournments thereof.

YOU ARE REQUESTED TO SIGN AND COMPLETE THE ENCLOSED PROXY CARD(S) AND RETURN IT (THEM) IN THE ENCLOSED ENVELOPE.

Proxies in such form, if duly signed and received in time for voting, will be voted in accordance with the directions of the shareholders. If no instructions are specified in a proxy, the proxy will be voted by the proxy holders FOR the election as directors of the nominees hereinafter named, FOR the approval of the Meredith Corporation Employee Stock Purchase Plan of 2002, and in their discretion upon such matters not presently known or determined that may properly come before the meeting.

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES YOU OWN.

The giving of a proxy does not preclude the right to vote in person or by means of a subsequent proxy, should the person giving the proxy so desire. Any proxy may be revoked by giving notice to the Company in writing prior to the meeting or in open meeting, but such revocation shall not affect any vote previously taken.

The expense of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the notice, proxy and Proxy Statement and the reasonable costs of brokers, nominees and fiduciaries in supplying proxies to beneficial owners, will be paid by the Company. The solicitation will be made by use of the mail, through brokers and banking institutions, and by directors, officers or regular employees of the Company. In addition to solicitation by use of the mail, certain directors, officers or regular employees of the Company may solicit proxies by telephone, telegraph, internet, teletype or personal contact.

Edgar Filing: MEREDITH CORP - Form DEF 14A

SHARES ENTITLED TO VOTE

Each holder of record of common stock at the close of business on September 12, 2002, is entitled to one vote per share so held on all matters to come before the meeting. At the close of business on September 12, 2002, there were outstanding and entitled to vote at the Annual Meeting, 39,216,275 shares of common stock of the Company. Each holder of record of class B common stock at the close of business on September 12, 2002, is entitled to ten votes per share so held on all matters to come before the meeting. At the close of business on September 12, 2002, there were outstanding and entitled to vote at the Annual Meeting, 10,286,974 shares of class B common stock of the Company, for a total of 142,086,015 votes.

The affirmative vote of a majority of the total number of votes entitled to be cast represented by shares present in person or by proxy, a quorum being present, is required to elect directors, to approve the Meredith Corporation Employee Stock Purchase Plan of 2002 and to approve any other matters that

1

may properly come before the meeting. In determining whether a quorum exists at the Annual Meeting for purposes of all matters to be voted on, all votes "for" or "against," as well as all abstentions (including votes to "withhold authority" to vote in certain cases), will be counted. Abstentions with respect to a particular proposal will be counted as part of the base number of votes to be used in determining if that particular proposal has received the requisite percentage of base votes for approval, while broker non-votes will not be counted in such base for each proposal. Therefore, an abstention will have the same practical effect as a vote "against" such proposal, while a broker non-vote will have no effect. If an individual has signed a proxy card but failed to indicate a vote "for," "against," or "withhold authority," such proxy will be voted FOR the election as directors of the nominees therein named, FOR approval of the Meredith Corporation Employee Stock Purchase Plan of 2002, and in their discretion upon such matters not presently known or determined that may properly come before the meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Under regulations of the Securities and Exchange Commission, persons who have power to vote or to dispose of shares of the Company, either alone or jointly with others, are deemed to be beneficial owners of such shares. Because the voting or dispositive power of certain stock listed in the following table is shared, in some cases the same securities are listed opposite more than one name in the table. The total number of the Company's shares as listed in the table (excluding stock options that are presently exercisable or will become exercisable within sixty (60) days following the date of the Proxy Statement), after elimination of such duplication is 12,110,766 shares of common stock (approximately 31% of the outstanding common stock) and 8,322,896 shares of class B common stock (approximately 81% of the outstanding class B common stock).

Set forth below is information as of July 31, 2002, concerning security ownership by each person who is known to management to be the beneficial owner of more than 5% of any class of the Company's voting securities, and security ownership by management.

BOARD COMMITTEES, MEETINGS AND COMPENSATION

COMMITTEES OF THE BOARD

There are six standing committees of the Board of Directors:

AUDIT COMMITTEE. The members of this committee are Messrs. Marineau (Chairman), Baum, Johnson and Londoner and Dr. Coleman. The committee is composed entirely of non-employee directors, each of whom meets the "independence" requirement of the New York Stock Exchange ("NYSE"). Pursuant to the Company's Audit Committee Charter, each member of the committee, in addition to meeting the "independence" requirement, must be "financially literate" as contemplated under the NYSE rules. The committee assists the Board of Directors in fulfilling its oversight responsibilities as they relate to the Company's accounting policies and internal controls, financial reporting practices and legal and regulatory compliance. In addition, the committee maintains, through regularly scheduled meetings, a line of communication between the Board of Directors and the Company's financial management, internal auditors and independent accountants.

COMPENSATION COMMITTEE (FORMERLY THE COMPENSATION/NOMINATING COMMITTEE). The members of this committee are Messrs. Baum (Chairman), Henry, Lee and Reding. The committee is composed entirely of non-employee directors, each of whom meets the "independence" requirement of the NYSE. The committee reviews and approves corporate officers' salaries, approves prior to adoption any officer, director or management incentive, bonus or stock plans or agreements and administers such plans as required. As described below, on August 14, 2002, the Board of Directors formed the Nominating/ Governance Committee. In connection with the formation of that committee, the nominating function of this committee was transferred to the Nominating/Governance Committee. Prior to August 14, 2002, Mr. Lee served as Chairman of the Compensation/Nominating Committee.

EXECUTIVE COMMITTEE. The members of this committee are Messrs. Meredith

Edgar Filing: MEREDITH CORP - Form DEF 14A

(Chairman), Kerr, Lee and Rehm and Dr. Coleman. The committee has, during intervals between meetings of the Board in cases in which specific directions have not been given by the Board of Directors, all the authority of the Board in management of the Company's business, except for certain matters set forth in the Bylaws including the authority to declare dividends or other distributions; adopt, amend or repeal the Bylaws; or make fundamental changes in the corporate structure of the Company.

FINANCE COMMITTEE. The members of this committee are Messrs. Reding (Chairman), Baum, Johnson, Lee and Rehm. The committee advises the Board with respect to corporate financial policies and procedures, dividend policy, specific corporate financing plans and annual operating and capital budgets. It also provides financial advice and counsel to management, appoints depositories of corporate funds and specifies conditions of deposit and withdrawal, approves corporate investment portfolios and capital expenditure requests by management within the limits established by the Board.

6

NOMINATING/GOVERNANCE COMMITTEE. The Nominating/Governance Committee was formed by the Board of Directors on August 14, 2002. The members of this committee are Messrs. Lee (Chairman), Baum and Marineau. The committee is composed entirely of non-employee directors, each of whom meets the "independence" requirement of the NYSE. The committee recommends to the Board of Directors corporate governance guidelines applicable to the Company, leads the Board in its annual review of Board and management performance, recommends to the Board nominees to serve on each committee, and nominates individuals to become directors. The committee will consider shareholder recommendations for directors sent to the Nominating/Governance Committee, c/o Mr. John S. Zieser, Vice President - General Counsel and Secretary, Meredith Corporation, 1716 Locust Street, Des Moines, Iowa 50309-3023.

PENSION COMMITTEE. The members of this committee are Messrs. Henry (Chairman) and Marineau, Ms. Frazier and Dr. Coleman. The committee reviews pension plans and amendments to ascertain that they are being administered in accordance with their terms and are providing authorized benefits. It also reviews levels and types of benefits and recommends changes. The committee recommends to the Board investment objectives for pension funds, reviews the performance of the funds and recommends to the Board such committees it deems desirable for the administration of the pension plans.

MEETINGS OF THE BOARD

During fiscal 2002 the Board had four regularly scheduled meetings as did the Finance, Audit, and Compensation/Nominating Committees. The Pension Committee met twice and the Executive Committee met once. All directors attended at least 90% of regularly scheduled meetings of the Board and the respective committees on which they served during fiscal 2002.

In addition to regularly scheduled meetings, the Board had three special meetings; the Finance Committee had four special meetings; and the Compensation/Nominating Committee had one special meeting. Including special meetings, all directors attended at least 75% of meetings of the full Board and the respective committees on which they served during fiscal 2002, except for Mr. Marineau who was unable to attend the three special board meetings and one committee meeting.

COMPENSATION OF THE BOARD

Edgar Filing: MEREDITH CORP - Form DEF 14A

Employee directors receive no compensation for Board service. Non-employee directors receive a \$35,000 annual retainer with an additional \$3,000 annual retainer for committee chairpersons. Under the 1990 Restricted Stock Plan for Non-Employee Directors, as amended, non-employee directors have the opportunity to receive either all or 50% of the annual retainer (including the chairperson retainer) in either restricted stock or stock equivalents equal to 105% of the amount of the annual retainer converted. Each new non-employee director receives 1,200 shares of restricted stock upon election to the Board. The restricted stock vests on the fifth anniversary of the date of the grant. During fiscal 2002, seven of ten non-employee directors elected to receive all or 50% of their retainer in restricted stock or stock equivalents.

The 1993 Stock Option Plan for Non-Employee Directors, as amended, is a further encouragement of directors' ownership of the Company's stock. Each non-employee director receives an option to purchase 6,000 shares of Company common stock on the day following the Annual Meeting of Shareholders at an exercise price equal to the average of the high and low market prices on the date of the grant. The options become exercisable one-third per year over a three-year period beginning on the first anniversary of the grant date. The options expire on the tenth anniversary of the grant date.

Pursuant to a consulting agreement, Mr. Jack D. Rehm, former Chairman of the Board and a current director, receives not less than \$150,000 per year through December 31, 2002. During fiscal 2002, Mr. Rehm received \$150,000 under this consulting agreement. Mr. Rehm's consulting agreement will expire on December 31, 2002.

Under a consultancy agreement, Mr. Meredith renders such consulting services to the Company as the Chief Executive Officer or Board of Directors may from time to time reasonably request. As consideration for such services, the Company provides to Mr. Meredith the continuation of certain perquisites he received while an employee of the Company, as well as health insurance coverage.

RETIREMENT PROGRAMS AND EMPLOYMENT AGREEMENTS

The Company maintains separate qualified defined benefit plans for its union and nonunion employees, as well as two nonqualified supplemental pension plans covering certain nonunion employees. Defined benefit plans and the supplemental pension plans are actuarial plans and the amount of the contribution with respect to a specific person cannot readily be separately calculated by the regular actuaries for the plans. The Company makes annual contributions to the qualified plans to the extent permitted by the funding rules of the Internal Revenue Service.

Edgar Filing: MEREDITH CORP - Form DEF 14A

As of January 1, 2002, the latest date for which information is available, 341 employees participated in the bargaining unit defined benefit plan and 2,566 nonunion employees participated in the nonunion defined benefit plans. Assuming retirement at age 65, estimated annual retirement benefits under the nonunion qualified plan in effect for the 2002 plan year would be as follows:

O'Brien, President - Broadcasting Group - 0 years; and Mr. Suku V. Radia, Vice President - Chief Financial Officer - 1 year. For calendar year 2001, covered compensation for purposes of the supplemental pension plans including bonuses was \$1,089,562 for Mr. William T. Kerr; \$712,215 for Mr. Stephen M. Lacy; \$625,709 for Mr. Jerome M. Kaplan; \$453,865 for Mr. Suku V.

Radia; and \$114,615 for Mr. Kevin P. O'Brien. The compensation includes deferrals under the Deferred Compensation Plan, which are included as compensation under the Replacement and Supplemental plans.

The Company entered into an agreement effective February 1, 2001, with Mr. Kerr that provides for his employment through June 30, 2006, subject to automatic renewal for subsequent one-year terms. Mr. Kerr receives an annual base salary and an incentive bonus determined under the terms of the Company's Management Incentive Plan. The agreement also provides that during the course of his employment, Mr. Kerr shall be eligible to participate in all long-term incentive plans, including, without limitation, stock incentive plans adopted by the Company and, in effect, at levels of awards to be granted by the Compensation Committee commensurate with the level of Mr. Kerr's responsibilities and performance thereof. In addition to participating in the Meredith Employees' Retirement Income Plan, the Meredith Savings and Investment Plan and the Company's supplemental retirement plans, the Company has established a Minimum Supplemental Retirement Benefit Program ("MSRBP") for the benefit of Mr. Kerr. The MSRBP provides for a minimum retirement benefit equal

Edgar Filing: MEREDITH CORP - Form DEF 14A

to the benefits Mr. Kerr would have received under the retirement plans of a previous employer offset by benefits accrued under the Company's pension plans. The MSRBP also provides for a death benefit related to the value of the accrued benefit under the MSRBP.

Mr. Kerr and the other executive officers of the Company have all entered into severance agreements with the Company. These agreements provide for the payment to the executive of an amount equal to three times the average annual base salary and incentive compensation paid to the executive during the three fiscal years immediately prior to a change of control of the Company as defined in detail in the agreements. All agreements with the executive officers with respect to grants of nonqualified stock options under the 1996 Plan provide for the vesting of the options in the event of a change of control in accordance with the terms of the 1996 Plan.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (formerly the Compensation/Nominating Committee) reviews and approves the compensation of the Company's officers. The Committee administers various stock and other compensation-related plans provided for the benefit of the Company's officers, directors and other key managers, with the purpose of encouraging the participants to achieve the Company's performance goals and to align the interests of the participants with the interests of the Company's shareholders. The Compensation Committee is composed entirely of independent outside directors. There are no Compensation Committee interlocks and there is no insider participation on the Committee. The Committee has provided the following report on executive compensation for inclusion in this Proxy Statement:

COMPENSATION PHILOSOPHY

The Company's executive compensation philosophy has the following objectives:

- (1) To provide compensation opportunities competitive with those available at comparable firms in the specific industries in which the Company conducts its businesses and the national marketplace;
- (2) To provide the opportunity to earn beyond competitive levels if superior operating performance and shareholder returns are achieved;
- (3) To design incentives that balance the need to meet or exceed annual operating plans with the need for long-term business growth and to provide superior shareholder returns;
- (4) To provide clear, controllable and measurable objectives for the executives to meet; and
- (5) To attract, retain and motivate top caliber executives in each market segment in which the Company competes.

Pay for performance, which is directly linked to both short-term and long-term compensation, is the foundation of the compensation program for the Company's CEO and other executive officers.

Section 162(m) of the Internal Revenue Code limits the deductibility of certain items of compensation paid to the CEO and to each of the named executive officers to \$1,000,000 annually. The Committee believes that it is in the best interests of the Company to receive maximum tax deductibility for

compensation paid to the CEO and the other executive officers under Section 162(m). The Committee has adopted or approved appropriate changes to the Company's long-term and short-term incentive programs to provide for the deductibility of compensation received under the plans, but reserves the right to provide for compensation to the CEO and other executive officers that may not be deductible, if determined to be in the best interests of the Company and its shareholders.

CEO AND EXECUTIVE OFFICER COMPENSATION PROGRAM ELEMENTS

Periodic media and general industry competitive market reviews of executive compensation are conducted with the assistance of outside compensation consultants. The Company's compensation program strives to be competitive in relation to the market data available. The Committee strives to establish CEO and other executive officer base salaries within the mid-range of the market survey data. Short-term and long-term incentive targets are set in the same manner. Compensation beyond the mid-range may be awarded from time to time based upon individual performance.

BASE SALARY. Salaries for the CEO and executive officer group are based on the marketplace value of each job and on individual contributions and performance. The performance of the CEO and each executive officer is reviewed annually by the Committee. Salary increases are based primarily on the annual merit reviews. The rates of increase are tied to both individual performance and general executive compensation trends.

Mr. Kerr's annual base salary, pursuant to his employment contract, was \$725,000 for fiscal 2002. Mr. Kerr's salary is within the mid-range of salaries for comparable positions as reported in the market survey data.

SHORT-TERM INCENTIVE PROGRAM. The Company's Management Incentive Plan provides the CEO and other executive officers with an annual incentive to attain established financial and overall performance targets. For fiscal 2002, at least 75% of the incentive awards to the CEO and all other executive officers serving at the beginning of the fiscal year was based on specific financial targets relating to earnings and cash flow, with the balance relating to predetermined qualitative organizational objectives.

The goals for each participant are reviewed and revised annually in connection with the approval of the budget for the upcoming fiscal year. For fiscal 2002, the incentive payments for goal achievement for the CEO were set at 55% of base salary for achieving target and up to 137.5% of base salary for achieving performance above target. The incentive payments for the other executive officers were 45% for achieving target and up to 112.5% for achieving performance above target. At each quarterly meeting of the Committee, the progress of the CEO and other executive officers toward meeting the quantitative goals established for the fiscal year was reviewed.

For fiscal 2002, the Company did not achieve all of the financial performance goals established by the Committee at the beginning of the year for Mr. Kerr and the other executive officers to receive their targeted incentive awards. Mr. Kerr received an incentive award of \$375,000. For fiscal 2002, the other executive officers named in this Proxy Statement received incentive awards totaling \$693,750.

LONG-TERM INCENTIVE PROGRAM. In fiscal 2002, the Committee utilized the grant of nonqualified stock options, under the 1996 Stock Incentive Plan (the "1996 Plan"), to the executive officers in the implementation of its long-term

Edgar Filing: MEREDITH CORP - Form DEF 14A

incentive program.

The nonqualified stock options awarded by the Committee under the 1996 Plan during fiscal 2002 as part of the long-term incentive program are generally exercisable one-third per year over the three-year period commencing on the first anniversary of the grant date. The options granted will expire on the tenth anniversary of the date of grant. All options granted become exercisable in the event of the grantee's termination of employment due to death, disability or retirement. Unless the grantee's employment with the Company is terminated for reasons other than death, disability or retirement, the grantee may exercise all exercisable stock options until the date of expiration. All options granted during fiscal 2002 carry an exercise price at the fair market value on the date of grant.

THE MEREDITH EXECUTIVE STOCK OWNERSHIP PROGRAM. A stock ownership program has been designed by the Committee utilizing the 1996 Plan. The purpose of the program is to encourage increased Company stock holdings by executives. Target levels of individual stock holdings are established for the participants in the program at one and one-half to two times each participant's base pay. Each participant is awarded restricted stock equal to 20% of his or her personal acquisitions of Company stock up to the established target since the last day of the prior year. The incremental stock holdings

13

must be maintained for a specified period of time in order for the restrictions to lapse. The Committee believes this program provides further incentives to the participants to focus on long-term Company performance and shareholder value. Because Mr. Kerr has met his target ownership, he did not receive any shares of restricted stock under this program during fiscal 2002. The other named executive officers received an aggregate total of 4,770 shares of restricted stock under this program during fiscal 2002.

OTHER COMPENSATION

The CEO and other executive officers are eligible to participate in the Company benefit plans described elsewhere in this Proxy Statement under the terms of those plans and without consideration of achievement of performance standards.

PEER GROUP SELECTION AND COMPARATIVE ANALYSIS

The Company does not believe that the published indices accurately reflect the mix of businesses in which the Company competes. Therefore, the Company has, in good faith, selected a Peer Group of ten media and television broadcast companies for the purpose of preparing the shareholder performance graph set forth under "Comparison of Shareholder Return." Recognizing that there are no other companies that have the exact combination of businesses as the Company, the companies selected for the Peer Group have multimedia businesses primarily with publishing and/or television broadcasting in common with the Company.

Many of the companies selected for the Peer Group are larger and/or engaged in businesses other than the Company's core businesses. Consequently, for the purposes of compensation comparisons, the Company and the Committee have chosen to use broader media and general industry survey information that includes information on members of the Peer Group. The Committee has attempted to maintain the total compensation for the CEO and other executive officers at a level close to the mid-range of the surveyed groups.

Edgar Filing: MEREDITH CORP - Form DEF 14A

CONCLUSION

The Committee believes that the Company's executive compensation programs effectively tie executive pay to the performance of the Company and to shareholder value.

APPROVAL OF MEREDITH CORPORATION EMPLOYEE STOCK PURCHASE PLAN OF 2002

BACKGROUND

The Board of Directors believes it is in the best interest of the Company to encourage stock ownership by employees of the Company. Accordingly, on May 8, 2002, the Board of Directors adopted, subject to shareholder approval, the Meredith Corporation Employee Stock Purchase Plan of 2002 (the "Stock Purchase Plan"). An aggregate of 500,000 shares of the Company's common stock (subject to adjustment for any dividend, stock split or other relevant changes in the Company's capitalization) (the "Shares") may be sold pursuant to the Stock Purchase Plan. These Shares may be authorized but unissued shares, treasury shares or shares purchased in the open market. The text of the Stock Purchase Plan has been filed electronically with the Securities and Exchange Commission, but is not included in the printed version of this Proxy Statement. A copy of the Stock Purchase Plan is also available from the Company's Secretary at 1716 Locust Street, Des Moines, Iowa 50309-3023. The following is a summary of the material provisions of the Stock Purchase Plan.

16

ADMINISTRATION

The Stock Purchase Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"). The Committee has the authority to make rules and regulations governing the administration of the Stock Purchase Plan and to interpret the Plan.

ELIGIBILITY

Substantially all employees of the Company and designated subsidiaries are eligible to participate in the Stock Purchase Plan except that employees whose customary employment is 20 hours or less per week may be excluded at the

Edgar Filing: MEREDITH CORP - Form DEF 14A

discretion of the Committee. As of June 11, 2002, approximately 2,609 employees were eligible to participate in the Stock Purchase Plan.

PARTICIPATION AND TERMS

An eligible employee may elect to participate in the Stock Purchase Plan as of any Enrollment Date. "Enrollment Dates" occur on the first day of each Offering Period, which is currently set as a calendar quarter (after an initial Offering Period of six months, from July 1 to December 31, 2002). To participate in the Stock Purchase Plan, an employee must complete an enrollment and payroll deduction authorization form, which indicates the amounts to be deducted from his or her salary and applied to the purchase of the Shares on the Share Purchase Date (as hereinafter defined). The payroll deduction must be within limits set by the Committee.

A payroll deduction account is established for each participating employee and all payroll deductions made on behalf of each employee are credited to each such employee's respective payroll deduction account. No interest will be credited to a participant for amounts credited to that account. On the last day of each Offering Period (the "Share Purchase Date"), the amount credited to each participating employee's payroll deduction account is applied to purchase as many Shares as may be purchased with such amount at the applicable purchase price. However, no more than \$25,000 in market value of Shares (determined as of the first day of each Offering Period) may be purchased by a participant during any calendar year.

The purchase price for the Shares will not be less than the lesser of 85% of the closing price of shares of common stock as reported on the New York Stock Exchange (i) on the first day of the applicable Offering Period or (ii) on the Share Purchase Date. Employees may purchase Shares through the Stock Purchase Plan only by payroll deductions.

During an Offering Period, a participant may not change the amount of his or her payroll deductions, but may withdraw from the Stock Purchase Plan by submitting a withdrawal notice. Upon withdrawal, all payroll deductions will cease and amounts credited to the participant's payroll deduction account will be paid to the participant.

If a participant's employment is terminated for any reason, or if a participant otherwise ceases to be eligible to participate in the Stock Purchase Plan, payroll deductions on behalf of that participant will be discontinued and the amounts then credited to his or her payroll deduction account will be used to purchase Shares as of the last day of the current Offering Period.

Rights granted under the Stock Purchase Plan are not transferable other than in connection with a participant's death.

AMENDMENT AND TERMINATION

The Board of Directors of the Company or the Committee may amend the Stock Purchase Plan at any time, provided that if shareholder approval is required for the plan to continue to comply with the requirements of Section 423 of the Internal Revenue Code (the "Code"), such amendment shall not be effective unless approved by the Company's shareholders within twelve months after the date of its adoption by the Board of Directors or the Committee. The Stock Purchase Plan may be terminated by the Board of Directors or the Committee at any time.

FEDERAL INCOME TAX CONSEQUENCES

The Stock Purchase Plan is intended to be an "employee stock purchase plan" as defined in Section 423 of the Code. As a result, an employee participant will pay no federal income tax upon enrolling in the Stock Purchase Plan or upon

Edgar Filing: MEREDITH CORP - Form DEF 14A

purchase of the Shares. A participant may recognize income and/or gain or loss upon the sale or other disposition of Shares purchased under the plan, the

17

amount and character of which will depend on whether the Shares are held for two years from the first day of the Offering Period in which they were purchased.

If the participant sells or otherwise disposes of the Shares within that two-year period, the participant will recognize ordinary income at the time of disposition in an amount equal to the excess of the market price of the Shares on the date of purchase over the purchase price and the Company will be entitled to a tax deduction for the same amount.

If the participant sells or otherwise disposes of the Shares after holding the Shares for the two-year period, the participant will recognize ordinary income at the time of disposition in an amount equal to the lesser of (i) 15% of the market price of the Shares on the first day of the Offering Period, or (ii) the excess of the market price of the Shares at the time of disposition over the purchase price. The Company will not be entitled to any tax deduction with respect to Shares purchased under the Stock Purchase Plan if the Shares are held for the requisite two-year period.

The employee may also recognize capital gain or loss at the time of disposition of the Shares, either short-term or long-term, depending on the holding period for the Shares.

OTHER INFORMATION

Although the Stock Purchase Plan became effective July 1, 2002, it will be terminated if shareholder approval is not obtained at the Annual Meeting and all payroll deductions would then be returned to participants. No shares of the Company's common stock have yet been issued or purchased under the Stock Purchase Plan. Because levels of participation and the eventual purchase prices are not presently known and will likely vary from time to time, the future benefits to be received by any person under the Stock Purchase Plan cannot be determined at this time. The closing price of a share of the Company's common stock on the New York Stock Exchange on July 1, 2002, was \$37.77 per share.
