NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

The 2004 Annual Meeting of Shareholders (the "Annual Meeting") of Selas Corporation of America (the "Corporation") will be held on Tuesday, April 27, 2004 at the offices of the Company's subsidiary Resistance Technology, Inc., 4400 McMenemy Road, Vadnais Heights, MN 55127, at 1:00 PM, Central Time, for the following purposes:

- (1) to elect directors; and
- (2) to transact such other business as may properly come before the Annual Meeting.

The Board of Directors has fixed the close of business on March 19, 2004, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in this Notice of Annual Meeting.

All shareholders are cordially invited to attend the meeting, but whether or not you expect to attend the meeting in person, please mark, sign and date the enclosed proxy card and return it promptly in the envelope provided in order that your shares may be voted. If you attend the meeting, you may revoke your proxy and vote in person.

PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of the Selas Corporation of America (the "Corporation") for use at the 2004 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, April 27, 2004 at the offices of its subsidiary Resistance Technology, Inc., 4400 McMenemy Road, Vadnais Heights, MN 55127, at 1:00 PM, central time, and any adjournment or postponement thereof. This Proxy Statement and accompanying proxy card are first being mailed to shareholders on or about March 26, 2004.

The Board of Directors has fixed the close of business on March 19, 2004, as the record date for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. As of March 19, 2004, there were 5,129,214 common shares, par value \$1.00 per share ("Common Share"), of the Corporation outstanding, each of which is entitled to one vote on all matters to be presented at the Meeting.

Proxies in the form enclosed, if properly executed and received in time for voting, and not revoked, will be voted as directed on the proxies. If no directions to the contrary are indicated, the persons named in the proxy will vote all of your Common Shares "for" the election of the nominees for director. With respect to any other matter that properly comes before the meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment. Sending in a signed proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person since the proxy is revocable. Any shareholder who submits a proxy may revoke it at any time before the proxy is voted at the Annual Meeting by delivering a later dated proxy or by giving written notice to the Secretary of the Corporation or attending the Annual Meeting in person and so requesting. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

The presence, in person or represented by proxy, of the holders of a majority of the outstanding Common Shares will constitute a quorum for the transaction of business at the Annual Meeting. All Common Shares present in person or represented by proxy (including "broker non-votes") and entitled to vote at the Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum. If the Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned Annual Meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the Notice of Annual Meeting.

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

Each Common Share is entitled to one vote on each matter that may be brought before the Annual Meeting. The election of directors will be determined by a plurality vote and the two nominees receiving the highest number of "for" votes will be elected. Approval of any other proposal will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy. Under the Pennsylvania Business Corporation Law, an abstention, withholding of authority to vote or broker non-vote, will not have the same legal effect as an "against" vote and will not be counted in determining whether the proposal has received the required shareholder vote.

The cost of this solicitation will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or teletype by officers, directors or employees of the Corporation, without additional compensation. Upon request, the Corporation will pay the reasonable expenses incurred by record holders of the Corporation's Common Shares who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials and the annual report to shareholders to the beneficial owners of the shares they hold of record.

ELECTION OF DIRECTORS

The Board of Directors currently consists of five members divided into three classes.

The Board of Directors, based upon the recommendation of the Nominating Committee, has nominated Michael J. McKenna as Chairman of the Board and Director and Mark S. Gorder for re-election at the Annual Meeting to serve until the 2007 annual meeting of shareholders and until their respective successors have been duly elected and qualified. The nominees are current directors of the Corporation and have been previously elected as a director by the Corporation's shareholders. Both Messrs. McKenna and Gorder have indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why the nominees would be unable to serve as directors. If either of the nominees should for any reason be unable to serve, then the proxies will be voted for the election of such substitute nominee as the Board of Directors may designate, unless the Board of Directors reduces the number of directors on the board.

Assuming a quorum is present, the two nominees receiving the highest number of "for" votes will be elected. For such purposes, an abstention, the withholding of authority to vote or broker non-vote will not be counted in determining whether the proposal has received the required shareholder vote.

The following table sets forth certain information concerning the nominees and the persons whose terms as directors will continue after the Annual Meeting, including their ages and principal occupations during the past five years:

The principal duties of the Audit Committee are to monitor the integrity of the financial statements of the Corporation, the compliance by the Corporation with legal and regulatory requirements and the independence and performance of the Corporation's independent auditors. In addition, the Committee selects the firm to be engaged as the Corporation's independent public accountants, and approves the engagement of the independent public accountants for all non-audit activities permitted under the Sarbanes-Oxley Act of 2002. The report of the Audit Committee appears on page 16.

COMPENSATION COMMITTEE

The Board of Directors of The Corporation has appointed a standing Compensation Committee currently consisting of Messrs. McKenna (Chairman), Giordano, Masucci, and Bissinger. The Board of Directors has

The Compensation Committee reviews and makes recommendations to the Board of Directors concerning officer compensation and officer and employee bonus programs and administers the Corporation's 2001 Stock Option Plan, Amended and Restated 1994 Stock Option Plan and Non-Employee Directors Stock Option Plan. This Committee met two times in 2003. The report of the Compensation Committee is set forth beginning on page 11.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Board of Directors of the Corporation has appointed a standing Nominating and Corporate Governance Committee currently consisting of Messrs. McKenna (Chairman), Giordano, and Masucci. The Board of Directors has determined that each member of the Compensation Committee is independent, as defined in applicable American Stock Exchange Corporate Governance Rules. This Committee was formed in February 2004. In 2003, the entire Board of Directors acted as a nominating committee.

The Nominating and Corporate Governance Committee is governed by a written charter approved by the Board of Directors, a copy of which can be found in Appendix B. The principal duties of the Nominating and Corporate Governance Committee are to identify individuals qualified to become members of the Board consistent with the criteria approved by the Committee, consider nominees made by shareholders in accordance with the Corporation's bylaws, select, or recommend to the Board, the director nominees for each annual shareholders meeting, develop and recommend to the Board corporate governance principles and oversee the evaluations of the Board and senior management.

CONSIDERATION OF DIRECTOR CANDIDATES RECOMMENDED OR NOMINATED BY SHAREHOLDERS. The Nominating and Corporate Governance Committee will

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

consider properly submitted shareholder recommendations for director candidates. A shareholder who wishes to recommend a prospective director nominee should send a signed and dated letter to the Chairman of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Selas Corporation of America, 1260 Red Fox Road, Arden Hills, Minnesota 55112. Under the Corporation's bylaws, a shareholder who desires to nominate directors for election at the Corporation's shareholders meeting must comply with the procedures summarized below:

- o shareholder nominations for directors to be elected, which have not been previously approved by the Nominating and Corporate Governance Committee, must be submitted to the Corporate Secretary not later than the latest date by which shareholder proposals must be submitted to the Corporation for inclusion in the proxy statement pursuant to SEC Rule 14a-8;
- o shareholder nominations must be in writing and sent either by personal delivery, nationally recognized express mail or U.S. mail, postage prepaid;
- o each shareholder nomination must set forth the following:
 - o the name and address of the shareholder making the nomination and the person(s) nominated;
 - o a representation that the shareholder is a holder of record, and/or a beneficial owner, of voting stock of the Corporation entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to vote for the person(s) nominated;
 - o a description of all arrangements and understandings between the shareholder and each nominee and any other person(s), naming such person(s), pursuant to which the nomination was submitted by the shareholder;
 - o such other information regarding the shareholder nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Nominating and Corporate Governance Committee, including the principal occupation of each nominee; and
 - o the consent of each nominee to serve as a director if so elected.

The Nominating and Corporate Governance Committee has the sole authority to select, or to recommend to the Board of Directors, the nominees to be considered for election as a director. The officer presiding over the shareholders meeting, in such officer's sole and absolute discretion, may reject any nomination not made in accordance with the foregoing procedures.

The deadline for submitting the letter recommending a prospective director nominee for the 2005 Annual Meeting of Shareholders is November 26, 2004.

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

The Corporation's bylaws are available, at no cost, at the SEC's website, www.sec.gov, as Exhibit 3.2 to the Corporation's Annual Report on Form 10-K filed with the SEC in March 2004 or upon the shareholder's written request directed to the Corporate Secretary at the address given above.

DIRECTOR QUALIFICATIONS. Nominees for director must be at least 21 years old. Nominees for director will be selected on the basis of outstanding achievement in their careers; broad experience; education; independence under applicable American Stock Exchange and SEC rules; financial expertise; integrity; financial integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to Board and committee duties. The proposed nominee should have sufficient time to devote their energy and attention to the diligent performance of the director's duties, including attendance at Board and committee meetings and review of the Corporation's financial statements and reports, SEC filings and other materials. Finally, the proposed nominee should be free of conflicts of interest that could prevent such nominee from acting in the best interest of shareholders.

Additional special criteria apply to directors being considered to serve on a particular committee of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand the Corporation's financial statements.

IDENTIFYING AND EVALUATING NOMINEES FOR DIRECTOR. The Nominating and Corporate Governance Committee assesses the appropriate size of the Board in accordance with the limits fixed by the Corporation's charter and bylaws, whether any vacancies on the Board are expected and what incumbent directors will stand for re-election at the next meeting of shareholders. If vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers candidates for director suggested by members of the Nominating and Corporate Governance Committee and other Board members as well as management, shareholders and other parties. The Nominating and Corporate Governance Committee also has the sole authority to retain a search firm to identify and evaluate director candidates. Except for incumbent directors standing for re-election as described below, there are

7

no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director, based on whether the nominee is recommended by a shareholder or any other party.

In the case of an incumbent director whose term of office expires, the Nominating and Corporate Governance Committee reviews such director's service to the Corporation during the past term, including, but not limited to, the number of Board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves. When a member of the Nominating and Corporate Governance Committee is an incumbent director eligible to stand for re-election, such director will not participate in that portion of the Nominating and Corporate Governance Committee meeting at which such director's potential nomination for election as a director is discussed by the Nominating and Corporate

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

Governance Committee.

In the case of a new director candidate, the Nominating and Corporate Governance Committee will evaluate whether the nominee is independent, as independence is defined under applicable American Stock Exchange corporate governance rules, and whether the nominee meets the qualifications for director outlined above as well as any special qualifications applicable to membership on any committee on which the nominee may be appointed to serve if elected. In connection with such evaluation, the Nominating and Corporate Governance Committee determines whether the committee should interview the nominee, and if warranted, one or more members of the Nominating and Corporate Governance Committee interviews the nominee in person or by telephone.

Upon completing the evaluation, and the interview in case of a new candidate, the Nominating and Corporate Governance Committee makes a decision as to whether to nominate the director candidate for election at the shareholders meeting.

COMPENSATION COMMITTEE REPORT

The Corporation's compensation program for officers, which is administered by the Compensation Committee of the Board of Directors, is designed to align a significant portion of officer compensation with the Corporation's business objectives and performance.

The Corporation's officer compensation program consists of base salary, potential annual cash incentive compensation and long-term incentive compensation in the form of stock options. Officers are also covered under medical, life insurance, and 401K savings plans generally available to employees of the Corporation or the business unit managed by the officer.

Through the use of data on comparable companies and its evaluation of officers' performance, the Compensation Committee's objective is to recommend to the Board of Directors the setting of total base salary and potential incentive compensation for Mr. Mark S. Gorder, the Corporation's Chief Executive Officer, and other officers at levels designed to achieve the Corporation's objectives of attracting, retaining, motivating and rewarding talented executives. The Compensation Committee's philosophy is that a significant portion of the total potential compensation of the Chief Executive Officer and other senior executives should be leveraged to be dependent upon the degree of the Corporation's or a business unit's financial success in a particular year.

In 2003, the Compensation Committee recommended to the Board of Directors and the Board of Directors approved an incentive compensation program for 2003 that applied financial performance measures tailored to the nature of the particular business unit and the desired contribution to the overall financial results of the Corporation. In all cases, incentive compensation was substantially dependent on the achievement of financial performance targets relating to a particular business unit or to the Corporation on a consolidated basis. Because of the financial performance of the Corporation and its business units for 2003, no executive officers received a bonus for the year. The Chief Executive Officer's base compensation for 2003 was set at \$275,000 as defined within his employment agreement that took effect January 1, 2001. The "Summary Compensation Table" shows a lower amount, however, due to the voluntary salary reduction that the Chief Executive Officer has taken in the last two years.

The Corporation's Amended and Restated 1994 Stock Option Plan and 2001 Stock Option Plan are its long-term incentive plans for officers and key

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

employees. These plans are designed to further align the interests of the Corporation's officers and its shareholders by creating a direct link between long-term executive compensation and long-term shareholder value. Since all options are granted at fair market value at the time of grant, there is no built-in profit and thus the value of the option is tied solely and directly to increases in value of the Common Shares. Stock options are granted to the Corporation's officers from time to time, as deemed appropriate by the Compensation Committee, based on various factors, including the executive's ability to contribute to the Corporation's long-term growth and profitability.

11

In 2003, the Corporation issued an option to purchase 50,000 shares to Mr. Gorder, the Chief Executive Officer, and an option to purchase 25,000 shares to Mr. Gallagher, the Chief Financial Officer, each of which will become exercisable upon the earlier of the attainment of certain corporate goals or seven years after the date of grant. As noted in "Executive Compensation - Stock Option Tables," the options granted to Mr. Gorder in 2002 were cancelled because the corporate goals upon which such options would become exercisable were not met.

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

Mr. Gorder was granted an option to purchase 50,000 shares in December 2002 which became exercisable upon the earlier of certain corporate goals in 2003 or seven years after the date of grant. Because the Corporation did not meet the goals established for 2003, the Compensation Committee and Mr. Gorder agreed to cancel the 2002 options. Under SEC regulations, the cancellation of the 2002 options and the issuance of options in December 2003 is considered a "repricing" and the disclosure of the following information is required. Except as set forth below, the Corporation has not repriced options held by any executive officer during the last ten completed fiscal years.

EMPLOYMENT AGREEMENT

The Corporation entered into an employment agreement with Mr. Gorder, as President and Chief Executive Officer of the Corporation. The agreement provides for Mr. Gorder to serve as President and Chief Executive officer of the Corporation until April 30, 2004. Pursuant to the agreement, Mr. Gorder was compensated at the annual rate of \$250,000 for the period of January 1, through April 30, 2001 and at the annual rate of \$275,000 for the period of May 1, 2001 through December 31, 2001. Mr. Gorder's annual compensation after December 31, 2001 was to be established by the Board of Directors, but is required to be no less than \$275,000 thereafter. The "Summary Compensation Table" shows a lower amount, however, due to the voluntary salary reduction that Mr. Gorder has taken in the last three years. If Mr. Gorder's employment is terminated for any reason, other than for cause, he will be entitled to the continued payment of his salary and bonus until April 30, 2004, or, at his election, a lump sum payment equal to the present value of these payments.

CHANGE-OF-CONTROL ARRANGEMENTS

Under an agreement with Mr. Gorder that will expire on April 30, 2004, the Corporation would be required to pay two years' salary to him upon involuntary termination (defined to include a reduction in salary, change of location, or adverse change in responsibilities, or any termination of employment other than for cause, death, or disability) within two years following a change in control or sale of substantial assets of the Corporation or Resistance Technology, Inc. and all of the options held by him would become exercisable immediately.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee during 2003 were: Messrs. McKenna, Chairman, Bissinger, Giordano and Masucci.
