PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors ("Board") of Universal Insurance Holdings, Inc., a Delaware corporation ("Company"), of proxies to be voted at the Annual Meeting of Shareholders of the Company ("Annual Meeting"), to be held at the executive offices of the Company, 1110 West Commercial Boulevard, Suite 100, Fort Lauderdale, Florida 33309, on Friday, May 18, 2007 at 9:00 a.m., Eastern Standard Time, and at any and all postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting.

A copy of the Annual Report of the Company for its fiscal year ended December 31, 2006 is included. This Proxy Statement, Notice of Annual Meeting, accompanying proxy card, and Annual Report are first expected to be mailed to shareholders on or about April [], 2007.

INFORMATION RELATING TO VOTING AT THE ANNUAL MEETING

The close of business on April 16, 2007 has been fixed by the Board as the record date ("Record Date") for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Therefore, only shareholders of record as of the close of business on April 16, 2007 are entitled to notice of, and to vote at, the Annual Meeting or any postponements or adjournments thereof. The securities to be voted at the Annual Meeting consist of (i) shares of Common Stock of the Company, \$0.01 par value per share ("Common Stock"), with each share entitling its record owner to one vote, (ii) shares of Series M Preferred Stock of the Company, \$0.01 par value per share ("Series M Preferred Stock"), with each share entitling its record owner to one vote and (iii) shares of Series A Preferred Stock of the Company, \$0.01 par value per share ("Series A Preferred Stock"), with each share entitling its record owner to one vote. The holders of Series M Preferred Stock, voting separately as a series, are entitled to elect two directors. The holders of Common Stock, Series M Preferred Stock and Series A Preferred Stock, voting together as one class, are entitled to elect the remaining directors.

If the accompanying proxy card is properly signed, returned to the Company in time to be voted at the Annual Meeting, and not revoked, the shares represented by such card will be voted in accordance with the instructions contained on such card. Unless contrary instructions are given, the persons designated as proxy holders in the proxy card will vote FOR Proposals 1, 2, 3 and 4. If any other matters properly come before the Annual Meeting, the persons named as proxy holders will vote upon such matters as determined by a majority of the Board.

Each shareholder may revoke a previously granted proxy at any time before it is exercised by filing with the Secretary of the Company a revoking

Edgar Filing: UNIVERSAL INSURANCE HOLDINGS, INC. - Form PRE 14A

instrument or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if the person executing the proxy attends the Annual Meeting in person and so requests. Attendance at the Annual Meeting will not, in itself, constitute revocation of a previously granted proxy.

1

The table below sets forth the number and classes of Company stock entitled to vote at the Annual Meeting.

Class of Voting Stock	Number of Record Holders ----- as of the Record Date -----	Number of Shares ----- Outstanding ----- as of the Record Date -----
Common Stock	45	38,057,103
Series M Preferred Stock	4	88,690
Series A Preferred Stock	3	44,950

The Company had no other class of voting securities outstanding on the Record Date.

The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of the Series M Preferred Stock entitled to vote at the Annual Meeting for those matters where a separate vote of the Series M Preferred Stock is required, and of at least a majority of the total number of outstanding shares of the Common Stock, Series M Preferred Stock and Series A Preferred Stock entitled to vote at the Annual Meeting for those matters where the Common Stock, Series M Preferred Stock and Series A Preferred Stock, voting together as a class, is required, is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present at the Annual Meeting, a majority of the shares so represented may vote to adjourn the Annual Meeting from time to time without further notice. If a quorum is present, the affirmative vote of a majority of the votes actually cast at the meeting, whether in person or by proxy, is necessary to elect the nominees for directors. With respect to the amendment of the Company's Certificate of Incorporation, the vote required for approval shall be the affirmative vote of the holders of at least a majority of the issued and outstanding shares of capital stock entitled to vote at the Annual Meeting. There is no cumulative voting in the election of directors. With respect to the approval of the formulas used to calculate performance bonuses, or any other matter properly brought before the Annual Meeting or any adjournment of the Annual Meeting, the vote required for approval shall be the affirmative vote of a majority of the total number of votes that those present at the Annual Meeting, in person or by proxy, are entitled to cast.

Under Delaware law, shares represented at the Annual Meeting (either by properly executed proxies or in person) that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions as to any proposal will have the same effect as votes against the proposal. With respect to Proposals 1 and 4, broker non-votes will be treated as unvoted for purposes of determining approval of such proposals (and therefore will reduce the absolute number - although not the percentage -

Edgar Filing: UNIVERSAL INSURANCE HOLDINGS, INC. - Form PRE 14A

of votes needed for approval) and will not be counted as votes for or against the proposals. With respect to Proposals 2 and 3, however, broker non-votes will have the same effect as votes against the proposal.

A shareholder may revoke his or her proxy at any time prior to its exercise by (i) filing with Norman M. Meier, Secretary, Universal Insurance Holdings, Inc., 1110 West Commercial Boulevard, Suite 100, Fort Lauderdale, Florida 33309,

2

written notice thereof, (ii) submitting a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention to vote in person. Unless previously revoked or otherwise instructed thereon, proxies will be voted at the Annual Meeting on the proposals as described above.

The Company will bear the cost of soliciting proxies in the enclosed form. Officers and regular employees of the Company may solicit proxies by a further mailing or personal conversations or via telephone or facsimile, provided that they do not receive compensation for doing so. The Company will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

3

ELECTION OF DIRECTORS (PROPOSAL 1)

The Board has the ultimate authority for the management of the Company's business, objectives and operations. It selects the Company's executive officers, delegates responsibilities for the conduct of the Company's day-to-day operations to those officers, and monitors the performance of the officers.

Meetings of the Board are held regularly each quarter and as required. The Board held five meetings during 2006. During 2006, each director attended 75 percent or more of the aggregate number of Board meetings and meetings of the Board committees on which he served.

The Company encourages its Board members to attend the Company's Annual Meeting of Shareholders.

The following table sets forth the total compensation paid to non-employee directors during the fiscal year ended December 31, 2006.

DIRECTOR COMPENSATION

For 2007, non-employee directors will receive annual compensation of \$80,000, paid quarterly, for serving on the Board and the reimbursement of reasonable expenses incurred in attending meetings. Wilentz for reelection to the Board to serve as directors until the 2008 annual meeting or until their successors are duly elected and qualified. The nominees have consented to be named and have indicated their intent to serve if elected. The Board has no reason to believe that the nominees will be unavailable or that any other vacancy on the Board will occur. If any nominee becomes unavailable for any reason, or if any other vacancy in the class of directors to be elected at the Annual Meeting should occur before the election, the shares represented by the proxy will be voted for the person, if any, who is designated by the Board to replace the nominee or to fill such other vacancy on the Board.

4

The holders of Series M Preferred Stock, voting separately as a series, are entitled to elect directors to fill the seats currently held by Bradley I. Meier and Norman M. Meier, both of whom the Board recommends for reelection; such directors shall be elected by a majority of votes in the affirmative of the Series M Preferred Stock shares cast at the Annual Meeting. The holders of Common Stock, the holders of Series M Preferred Stock and the holders of Series A Preferred Stock, voting together as one class, are entitled to elect directors to fill the seats currently held by Sean P. Wilentz, all of whom the Board recommends for reelection; such directors shall be elected by a majority of votes in the affirmative of the Common Stock shares, Series M Preferred Stock shares and Series A Preferred Stock shares, voting together as a class, cast at the Annual Meeting. If elected, all nominees are expected to serve until the 2008 annual meeting or until their successors are duly elected and qualified.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE NOMINEES DESCRIBED ABOVE BE ELECTED AS DIRECTORS TO SERVE UNTIL THE 2008 ANNUAL MEETING OR UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

preceding fiscal year. Further, in the event of a Change in Control, all options held by Mr. Meier vest and become immediately exercisable. Also, in the event that the Company terminates the Meier Agreement, the Company shall pay Mr. Meier 48 months total compensation. The Meier Agreement expires on December 31, 2008; however, the agreement is automatically extended each year thereafter unless the Company or Mr. Meier provides written notice that the agreement is being terminated 60 days in advance of the anniversary date of the Meier Agreement.

The Company's employment agreement with Mr. Downes is dated as of January 1, 2005 and provides that Mr. Downes will serve as Chief Operating Officer and Senior Vice President of the Company. The Company and Mr. Downes have amended the employment agreement, with the most recent amendment dated March 21, 2007 (the employment agreement and the amendments are collectively referred to as the "Downes Agreement"). Mr. Downes received a base salary of \$527,678 in 2006, and he is entitled to a twenty percent (20%) increase in base salary each year. Additionally, pursuant to the Downes Agreement, Mr. Downes is entitled to an annual bonus equal to three percent (3%) of the pre-tax profits of the Company; provided, however, that any such bonus is contingent upon the Company's shareholders approving such bonus formula, which is the subject of Proposal 3 at the Annual Meeting. Should the Company's shareholders fail to approve the formula, Mr. Downes forfeits his right to the bonus. Under the Downes Agreement, the Company may grant Mr. Downes options or warrants to purchase the Company's Common Stock. Mr. Downes is also eligible for other benefits customarily provided by the Company to its executive employees and the Downes Agreement contains noncompete and nondisclosure provisions. In addition, in the event of a Change in Control of the Company (as defined in the Downes Agreement), the Company shall pay Mr. Downes an amount equal to 12 months base salary, plus the annual bonus paid for the preceding fiscal year. Further, in the event of a Change in Control, all options held by Mr. Downes vest and become immediately exercisable. The Downes Agreement expires on December 31, 2008 unless extended in writing by the Company.

AMENDMENT OF THE CERTIFICATE OF INCORPORATION (PROPOSAL 2)

The Company is currently authorized to issue 50,000,000 shares of Common

Edgar Filing: UNIVERSAL INSURANCE HOLDINGS, INC. - Form PRE 14A

Stock, par value \$0.01 per share, of which, as of April 16, 2007, 38,057,103 shares were issued and outstanding. Thus, as of April 16, 2007, there were approximately 11,942,897 shares of Common Stock that were unissued. In addition, the Company is obligated to issue shares of Common Stock upon the exercise of stock options and warrants granted by the Company and upon the conversion of the Company's outstanding preferred stock.

In these circumstances, the Board determined that it would be advisable and in the best interest of the Company to amend the Company's Certificate of Incorporation, as amended and restated ("Certificate of Incorporation"), to increase the number of authorized shares of Common Stock in order to have additional shares available for issuance to meet various business needs as they may arise and to enhance the Company's flexibility in connection with possible future actions. Those business needs and actions may include additional financing, stock dividends, stock splits, employee benefit programs, corporate business combinations and other corporate purposes. While the Company currently has no arrangements, understandings or commitments with respect to the issuance of any additional shares of Common Stock, it is considered advisable to have sufficient authorized and unissued shares available to enable the Company, as the need may arise, to move promptly to take advantage of market conditions and the availability of other favorable opportunities without the delay and expense involved in calling a special meeting of shareholders. Unless otherwise required by applicable law or regulation, the additional shares of Common Stock will be issuable without further authorization by vote or consent of the shareholders and on such terms and for such consideration as may be determined by the Board.

Pursuant to that determination, on March 13, 2007, the Board of Directors unanimously approved and recommended that the Company's shareholders consider and approve an amendment to Article IV of the Certificate of Incorporation of the Company to increase the number of authorized shares of Common Stock of the Company from 50,000,000 shares to 55,000,000 shares.

The authorization of additional shares of Common Stock pursuant to this proposal will have no dilutive effect upon proportionate voting power of the present shareholders of the Company. However, to the extent that shares are subsequently issued in connection with any corporate action to persons other than the present shareholders, such issuance could have a dilutive effect on the earnings per share and voting power of present shareholders.

In addition, although the issuance of additional shares of Common Stock in certain instances may have the effect of forestalling a hostile takeover, the Board does not intend nor does it view the increase in authorized shares of Common Stock as an anti-takeover measure. The Company is not aware of any proposed or contemplated transaction of this type, and the proposed amendment to the Certificate of Incorporation is not being recommended in response to any specific effort of which the Company is aware to obtain control of the Company.

At the Annual Meeting, the shareholders will be asked to consider the proposal recommended by the Board to amend Article IV of the Certificate of Incorporation. As proposed to be amended, paragraph (a) of Article IV would read as follows:

19

The total number of shares of all classes of stock which the Corporation shall have the authority to issue is 56,000,000 shares, of which:

(i) 55,000,000 shares shall be designated as Common Stock, having a par value of \$.01 per share (the "Common Stock"); and

Edgar Filing: UNIVERSAL INSURANCE HOLDINGS, INC. - Form PRE 14A

(ii) 1,000,000 shares shall be designated as Preferred Stock, having a par value of \$.01 per share.

If the amendment is approved by the Company's shareholders, it will become effective upon the filing of a Certificate of Amendment in accordance with the General Corporation Law of Delaware.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

APPROVAL OF FORMULAS USED TO CALCULATE PERFORMANCE BONUSES (PROPOSAL 3)

The Company believes that linking the compensation of key employees to corporate performance increases employee motivation to improve shareholder value. Thus, the employee's reward is directly related to the Company's success. The purposes of the performance-based bonuses for key employees is to motivate the employees to improve shareholder value by linking a portion of their cash compensation to the Company's financial performance, reward key employees for improving the Company's financial performance and help attract and retain key employees.

The Company is seeking shareholder approval of the material terms of the performance goals under which annual performance-based bonuses are to be paid to two of its key employees, Bradley I. Meier, President and Chief Executive Officer of the Company, and Sean P. Downes, Senior Vice President and Chief Operating Officer of the Company. The material terms of the performance goals related to these bonus arrangements are set forth in an amendment to each of the respective officers' employment agreements. The following summary of these bonus arrangements is qualified in its entirety by reference to the provisions of the arrangements contained in the amendments to the employment agreements of Mr. Meier and Mr. Downes, which are attached to this Proxy Statement as Appendix B and Appendix C, respectively.

Under Mr. Meier's employment agreement, Mr. Meier is entitled to receive an annual performance bonus ("Meier Performance Bonus") equal to three percent (3%) of the Company's pre-tax income not in excess of five million dollars (\$5,000,000), and four percent (4%) of the Company's pre-tax income over five million dollars (\$5,000,000), as determined in accordance with the Company's financial statements. The bonus is computed as at December 31 for each fiscal year and must be paid by December 31 of the year following the year in which it is earned. The Board unanimously approved the formula used to calculate the Meier Performance Bonus, and the Compensation Committee of the Board unanimously confirmed its approval of the Meier Performance Bonus for the 2006 fiscal year as recently as March 14, 2007. The Benefits Table below sets forth the amount of

20

the Meier Performance Bonus determined for the most recent completed fiscal year of the Company, of which \$483,498 has been paid and is not subject to shareholder approval and of which \$591,811 has not been paid and is contingent on the Company obtaining shareholder approval of the performance goal applicable under Mr. Meier's employment agreement. Similarly, the Meier Performance Bonus for fiscal years after 2006 is contingent on shareholder approval and will not be payable if shareholder approval is not obtained. Accordingly, the Company hereby seeks approval of the use of the Company's pre-tax income as the

Edgar Filing: UNIVERSAL INSURANCE HOLDINGS, INC. - Form PRE 14A

performance goal applicable to the remainder of the Meier Performance Bonus payable for 2006, as well as the Meier Performance Bonus for fiscal years thereafter.

Under Mr. Downes' employment agreement, Mr. Downes is entitled to receive an annual performance bonus ("Downes Performance Bonus") equal to three percent (3%) of the pre-tax profits of the Company, as determined in accordance with the Company's financial statements. The bonus is computed as at December 31 for each fiscal year and must be paid by December 31 of the year following the year in which it is earned. The Board unanimously approved the formula used to calculate the Downes Performance Bonus, and the Compensation Committee of the Board unanimously confirmed its approval of the Downes Performance Bonus for the 2006 fiscal year as recently as March 14, 2007. The Benefits Table below sets forth the amount of the Downes Performance Bonus determined for the most recent completed fiscal year of the Company, of which \$400,123 has been paid and is not subject to shareholder approval and of which \$443,859 has not been paid and is contingent on the Company obtaining shareholder approval of the performance goal applicable under Mr. Downes' employment agreement. Similarly, the Downes Performance Bonus for fiscal years after 2006 is contingent on shareholder approval and will not be payable if shareholder approval is not obtained. Accordingly, the Company hereby seeks approval of the use of the Company's pre-tax profits as the performance goal applicable to the remainder of the Downes Performance Bonus payable for 2006, as well as the Downes Performance Bonus for fiscal years thereafter.

Upon completion of each fiscal year, the Compensation Committee of the Board will certify in writing prior to payment of the Meier and Downes Performance Bonuses that the applicable performance objective has been attained and the bonus is payable. With respect to Compensation Committee certification, approved minutes of the meeting in which the certification is made will be treated as written certification.

The Company and Mr. Meier or Mr. Downes, as the case may be, may agree to amend or terminate the bonus arrangement at any time by entering into a written amendment or modification of the applicable employment agreement.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, the federal income tax deductibility of compensation paid to Mr. Meier and Mr. Downes may be limited to the extent that it exceeds \$1.0 million in any one year. The Company can deduct compensation in excess of that amount if it qualifies as "performance-based compensation" under Section 162(m). For the Meier and Downes Performance Bonuses to qualify as "performance-based compensation," the performance-based formulas used to determine them must be approved by the Company's shareholders. The Meier and Downes Performance Bonuses are intended to permit the Company to pay incentive compensation which qualifies as "performance-based compensation," thereby permitting the Company to receive a federal income tax deduction for the payment of this incentive compensation.

21

The following table sets forth the total amounts that would be payable with respect to the Meier and Downes Performance Bonuses for fiscal year 2006, in the event shareholder approval of the applicable performance goals is obtained:

ADOPTED AS OF JANUARY 9, 2007

I. PURPOSE

The purpose of the Audit Committee (the "Committee") is to represent and assist the Board of Directors (the "Board") in its general oversight of the accounting and financial reporting processes, audits of the financial statements, internal control and audit functions, and finance, auditing, accounting, legal, financial reporting and regulatory compliance of Universal Insurance Holdings, Inc. (the "Company"). Company management is responsible for (a) the preparation, presentation and integrity of the Company's financial statements; (b) accounting and financial reporting principles; and (c) the internal controls and procedures designed to promote compliance with accounting standards and applicable laws and regulations. The Company's independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The Committee members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Committee certify that the independent auditor is "independent" under applicable rules. While certain duties and responsibilities of the Committee are more specifically set forth below, the general function of the Committee is oversight.

II. MEMBERSHIP AND STRUCTURE

The Committee shall consist of at least three directors determined by the Board. If the Company's securities are quoted on the American Stock Exchange (or any other national securities association or exchange), Committee members shall meet the independence and financial literacy requirements of such exchange or association and applicable federal law. Appointment to the Committee, including the designation of the Chair of the Committee and, if required by applicable law, the designation of any Committee members as "audit committee financial experts," shall be made by the full Board. The Board may from time to time remove members of the Committee and fill any vacancies on the Committee by a majority vote of the Company's directors serving on the Board.

III. MEETINGS, REPORTS, SUBCOMMITTEES, RESOURCES AND EVALUATIONS

(a) MEETINGS AND REPORTS. The Committee shall meet as often as it determines,

but not less frequently than quarterly. The Committee may also hold special meetings or act by unanimous written consent as the Committee may decide. The meetings may be in person or by telephone. At each meeting of the Committee, a majority of the members shall constitute a quorum, and a majority of the members present at any meeting at which a quorum is present may act on behalf of the Committee. The Committee shall maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The

Committee shall also make regular reports to the Board. The Committee shall meet with management and the independent auditor in separate executive sessions as appropriate. The Committee may periodically consult with the independent auditor out of the presence of management regarding internal controls and the fullness and accuracy of the Company's financial statements. The Committee may request any officer or employee of the Company or the Company's outside counsel or the independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

In order to encourage and facilitate open communication, the Committee may meet with management, the internal auditing group and the independent auditor in one or more separate sessions to discuss any matters that the Committee or any of these groups believe should be discussed. In addition, the Committee may meet with the independent auditor and management quarterly to review the financial statements of the Company.

(b) SUBCOMMITTEES. The Committee may form and delegate authority to subcommittees, or to one or more members of the Committee, when appropriate.

(c) RESOURCES. The Committee is at all times authorized to have direct, independent and confidential access to the Company's other directors, management and personnel to carry out the Committee's purposes. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Committee, to permit the Committee to perform its duties under this Charter, to compensate its advisors and to compensate any registered public accounting firm engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services for the Company.

(d) EVALUATIONS. The Committee shall evaluate the adequacy of its own performance and this Charter on an annual basis and shall report to the Board annually the results of an annual review by the Committee of its own performance and shall recommend any proposed changes to the Board for approval.

IV. Committee Authority and Responsibilities

The Committee, at its discretion, has the authority to initiate special investigations and to hire special legal, accounting or other outside advisors or experts to assist the Committee as it deems necessary to fulfill its duties under this Charter. The Committee may also perform such other activities consistent with this Charter, the Company's Certificate of Incorporation and governing law, as the Committee or the Board deems necessary or appropriate. When appropriate, the Committee may designate one or more of its members to perform certain of its duties on its behalf, subject to such reporting to or ratification by the Committee as the Committee shall direct.

The Committee, to the extent it deems necessary or appropriate, shall:
