INFORMATION REQUIRED IN REGISTRATION STATEMENT

Item 1. Description of Registrant's Securities to be Registered.

Note: This Amendment to Form 8-A contains the same information as an Amended Form 8-A filed on June 5, 2006 except as modified to reflect the fact that NASDAQ does not currently qualify as a national securities exchange.

The following classes of the Registrants' stock are being de-listed from the New York Stock Exchange and listed on the NASDAQ.

COMMON STOCK, PAR VALUE \$.01 PER SHARE

Dividend Rights. The holders of common stock are entitled to receive dividends ratably, when, as, and if declared by the Board of Directors out of funds legally available therefore.

Voting Rights. The holders of common stock are entitled to one vote for each share held of record on all matters on which the holders of common stock are entitled to vote.

Classification of the Board of Directors. Under the terms of the Registrant's certificate of incorporation, the Board of Directors is divided into three classes with the classes serving staggered three-year terms. Under the New York Business Corporation Law, the size of the three classes are required to be as nearly equal as possible.

Liquidation Rights. In the event of a liquidation, dissolution or winding up, the holders of common stock are entitled, subject to the rights of any preferred stock then outstanding, to share ratably in all assets remaining available for distribution to them after payment of liabilities and after provision is made for each class of stock, if any, having preference over the common stock.

Preemption Rights. The holders of common stock have no preemptive rights.

Further Calls or Assessments. The common stock is fully paid and non-assessable.

The common stock is also not convertible, not subject to the terms of any sinking fund or redemption provisions, and not subject to any general restriction on alienability. Except with respect to the terms of the Rights to Purchase Series A Cumulative Participating Preferred described below, the Registrant's certificate of incorporation and by-laws do not contain any provision that would have the effect of delaying, defeating, or preventing a change of control of the Registrant and that would operate only with respect to an extraordinary corporate transaction involving the Registrant (or any of its subsidiaries) such as a merger, reorganization, tender offer, sale or transfer of all or substantially all of its assets, or liquidation.

RIGHTS TO PURCHASE SERIES A PARTICIPATING CUMULATIVE PREFERRED STOCK.

Reference is made to the Registrant's Form 8-A/A filed on January 13, 1999, relating to the terms of the Registrant's Rights to Purchase Series A Participating Cumulative Preferred Stock.
