On September 17, 2008, CS Sec USA LLC announced that it had reached a settlement with the Attorney General of the State of New York and the North American Securities Administrators Association Task Force regarding Auction Rate Securities (“ARS”). While neither admitting nor denying allegations of wrongdoing, CS Sec USA LLC agreed to repurchase at par ARS held by eligible individual investors, charities and certain businesses and pay a \$15 million penalty. CS Sec USA LLC estimates the cost of the buy back will be approximately \$550 million. Additionally, under the terms of the settlement, CS Sec USA LLC also consented to special Financial Industry Regulatory Authority ARS arbitration to resolve potential claims of consequential damages and agreed to continue to work with issuers and other interested parties, including regulatory and governmental entities, to expeditiously provide liquidity solutions for institutional investors. ARS where the auctions are clearing or there is a scheduled redemption are not covered by the settlement. Other Wall Street firms were subject to similar requirements. On February 12, 2009, in connection with one such arbitration between STMicroelectronics N.V. (“STM”) as claimant and CS Sec USA LLC as respondent, FINRA ordered CS Sec USA LLC to pay an arbitration award of approximately \$406 million. FINRA also ordered STM to transfer to CS Sec USA LLC ownership of its portfolio with CS Sec USA LLC upon receipt of the arbitration award.

On December 16, 2009, the Bank announced that it had reached a settlement with the New York County District Attorney’s Office, the United States Department of Justice, the Board of Governors of the Federal Reserve System, the Federal Reserve Bank of New York and the Office of Foreign Assets Control (“OFAC”) of their investigation into U.S. dollar payments made during the period from 2002 to 2007 involving parties that are subject to U.S. economic sanctions. As part of the settlement, the Bank entered into deferred prosecution agreements and an agreement with OFAC to pay \$536 million.

On November 16, 2012, CS Sec USA LLC and certain of its affiliates settled an administrative proceeding with the Securities and Exchange Commission (the “SEC”), which involved potential claims against them relating to settlements of claims against originators involving loans included in a number of their securitizations, by agreeing to pay approximately \$120 million. This settlement also covered allegations with respect to two securitizations in 2006 that CS Sec USA LLC and such affiliates made misstatements in SEC filings regarding when they would repurchase mortgage loans from trusts if borrowers missed the first payment due. CS Sec USA LLC and such affiliates agreed to an order, without admitting or denying the allegations, requiring them to cease and desist from violations of Section 17(a)(2) and (3) of the Securities Act of 1933 and requiring one such affiliate to cease and desist from violations of Section 15(d) of the Securities Exchange Act of 1934.

### **Item 3. Source and Amounts of Funds or Other Consideration**

As described in Item 4 below, warrants to purchase Shares (“Warrants”) were issued by the Issuer in connection with the Issuer’s acquisition of all of the outstanding membership interests of WorkflowOne LLC (“WorkflowOne”) from Workflow Holdings, LLC (“Workflow Holdings”), pursuant to the Membership Interest Purchase Agreement by and among the Issuer, WorkflowOne, and Workflow Holdings, dated August 1, 2013 (the “Purchase Agreement”). In connection with the Purchase Agreement, the DLJ Funds entered into an Amendment and Restatement Agreement (the “Amendment and Restatement Agreement”), by and among the Issuer, WorkflowOne, Workflow Holdings, WorkflowOne’s first lien lenders (which include certain affiliates of the Reporting Person) (the “First Lien Lenders”), WorkflowOne’s second lien lenders, including the DLJ Funds (the “Second Lien Lenders”), Silver Point

Capital, L.P. (“Silver Point Capital”), as the lenders’ representative (in such capacity, the “Lenders’ Representative”), and Silver Point Finance, LLC, as the administrative agent. Pursuant to the Amendment and Restatement Agreement, the Issuer assumed a portion of WorkflowOne’s existing indebtedness under two secured credit facilities and issued Warrants (the “DLJ Warrants”) to the DLJ Funds. On October 25, 2013, following receipt of the approval of the Issuer’s shareholders at the Special Meeting as described in Item 4 below, the DLJ Warrants became exercisable into 443,253 Shares. On October 25, 2013, the DLJ Funds exercised the DLJ Warrants on a cashless basis, resulting in the Issuer withholding 3 Shares as payment of the exercise price and issuing to the DLJ Funds 443,250 Shares.

The foregoing description of the Purchase Agreement and the Amendment and Restatement Agreement is qualified in its entirety by reference to the full text of each of the Purchase Agreement and the Amendment and Restatement Agreement, which are included with this Statement as Exhibits 1 and 2, respectively.

#### **Item 4. Purpose of Transaction**

##### Amendment and Restatement Agreement and Voting Agreement

As described in Item 3 above, on August 1, 2013, the Issuer acquired all of the outstanding membership interests of WorkflowOne from Workflow Holdings pursuant to the Purchase Agreement. In connection with the Purchase Agreement, the DLJ Funds entered into the Amendment and Restatement Agreement under which the Issuer assumed a portion of WorkflowOne’s existing indebtedness under two secured credit facilities and issued the Warrants to the DLJ Funds and Silver Point Capital Fund, L.P., SPCP Group III LLC, SPF CDO I, Ltd., and SPCP Group, LLC (collectively, the “Silver Point Shareholders” and together with the DLJ Funds, the “Minority Shareholders”). The DLJ Warrants became exercisable into 443,253 Shares upon receipt of the approval of the Issuer’s shareholders at the Special Meeting as described below. The DLJ Warrants and the Shares issuable upon the exercise of the DLJ Warrants are subject to the terms and conditions of the Shareholders Agreement described below.

Pursuant to the terms of the Amendment and Restatement Agreement, on October 24, 2013, the Issuer convened a special meeting (the “Special Meeting”) of the Issuer’s shareholders to obtain the following approvals (collectively, the “Company Shareholder Approval”): (i) an amendment to the code of regulations of the Issuer authorizing the board of directors of the Issuer (the “Board”) to change the number of directors and fill any director’s office created by an increase in the number of directors, in order to grant the Minority Shareholders two Board designees pursuant to the Shareholders Agreement, as described below, (ii) approval of the issuance of up to 2,645,952 Shares upon exercise of the Warrants and (iii) an amendment to the code of regulations of the Issuer to opt out of Section 1701.831 of the Ohio Revised Code.

On October 24, 2013, the Issuer obtained the Company Shareholder Approval at the Special Meeting. Upon receipt of the Company Shareholder Approval, Anthony DiNello and Robert Peiser, directors designated by the Minority

Shareholders, were appointed to the Board in accordance with the Shareholders Agreement.

Shareholders Agreement

On August 1, 2013, in connection with the transactions contemplated by the Purchase Agreement and the Amendment and Restatement Agreement, the DLJ Funds entered into a Shareholders Agreement (the “Shareholders Agreement”), by and among the Issuer, the Majority Shareholders, the Minority Shareholders, as holders of the Warrants and, as applicable, the Shares issuable upon the exercise of the Warrants and Silver Point Capital, as the representative of the Minority Shareholders (in such capacity, the “Minority Shareholder Representative”).

Under the Shareholders Agreement, the Minority Shareholders are entitled to nominate two directors to the Board so long as the Minority Shareholders own at least 66% of the Shares issuable upon the exercise of the Warrants issued to the Minority Shareholders. If the Minority Shareholders own less than 66% but more than 33% of the Shares issuable upon the exercise of the Warrants issued to the Minority Shareholders, or own more than 10% of the outstanding equity securities of the Issuer, the Minority Shareholders will be entitled to nominate one director to the Board. In each case, the Majority Shareholders have agreed to vote in favor of the directors nominated by the Minority Shareholders pursuant to the Shareholders Agreement.

Under the Shareholders Agreement, the Minority Shareholders are prohibited from (i) acquiring additional equity securities of the Issuer, except for acquisitions that would result in the Minority Shareholders owning in the aggregate less than 40% of the outstanding equity securities of the Issuer, (ii) entering into any merger or other transaction involving the Issuer that would involve the sale of

substantially all of the Issuer's assets or the transfer of the majority voting power or the ability to elect a majority of the Board (a "Change of Control Transaction"), (iii) calling a special meeting of the Issuer's shareholders or participating in the solicitation of proxies, (iv) entering into a voting trust or voting agreement or (v) seeking the removal of directors or other changes to the composition of the Board, in each case except in accordance with the Shareholders Agreement. The Minority Shareholders are also prohibited from transferring the Warrants or the Shares issuable upon the exercise of the Warrants to (i) any material competitor of the Issuer or any of its subsidiaries, as determined by the Board, (ii) any transferee that as a result would own more than 20% of the Issuer's equity securities or (iii) any transferee that as a result would own more than 10% of the Issuer's equity securities, unless such transferee agrees to be bound by the terms of the Shareholders Agreement.

Under the Shareholders Agreement, in the event that the Majority Shareholders seek to transfer any Shares or shares of Class A Stock of the Issuer pursuant to a Change of Control Transaction, the Minority Shareholders will be entitled to include the Shares issuable upon the exercise of the Warrants in such transaction at the same per-share price and on the same terms as the Majority Shareholders.

The Shareholders Agreement also prohibits the Issuer from amending its articles of incorporation or code of regulations in a way that would materially and adversely affect the Minority Shareholders or from engaging in certain transactions with affiliates outside of the ordinary course of business, except in each case with the prior written consent of the Minority Shareholders.

#### Registration Rights Agreement

On August 1, 2013, in connection with the transactions contemplated by the Purchase Agreement and the Amendment and Restatement Agreement, the DLJ Funds entered into a Registration Rights Agreement (the "Registration Rights Agreement"), by and among the Issuer, the Majority Shareholders, the Minority Shareholders and the Minority Shareholder Representative pursuant to which the Minority Shareholders and the Majority Shareholders are entitled to certain registration rights in respect of the Shares issuable upon the exercise of the Warrants. Under the terms of the Registration Rights Agreement, the Majority Shareholders and the Minority Shareholders are entitled to (i) four demand registrations apiece, in each case limited to one demand registration in any six month period and provided that such demand must include either (a) at least 10% of the Shares, (b) a number of Shares having an aggregate market value of at least \$15,000,000 or (c) 75% of the Shares issuable upon the exercise of the Warrants held by the Minority Shareholders at the time of the demand, and (ii) unlimited piggyback registration rights with respect to primary public issuances of Shares.

#### First Lien Credit Facility

Pursuant to the Amendment and Restatement Agreement, on August 1, 2013, certain affiliates of the Reporting Person entered into a First Lien Credit Agreement (the "First Lien Credit Facility"), by and among the Issuer and

WorkflowOne, as co-borrowers, the First Lien Lenders, Silver Point Finance, LLC, as administrative agent to the First Lien Lenders, and Standard Register International, Inc., Standard Register Technologies, Inc., iMedconsent, LLC and WorkflowOne of Puerto Rico Inc., as guarantors (collectively, the “Guarantors”). Under the First Lien Credit Facility, the Issuer assumed, and the Guarantors guaranteed, the indebtedness outstanding under WorkflowOne’s previous first lien credit facility. Such indebtedness remains outstanding under the First Lien Credit Facility as first lien term loans of WorkflowOne and the Issuer, as co-borrowers.

#### Second Lien Credit Facility

Pursuant to the Amendment and Restatement Agreement, on August 1, 2013, the DLJ Funds entered into a Second Lien Credit Agreement (the “Second Lien Credit Facility”), by and among the Issuer and WorkflowOne, as co-borrowers, the Second Lien Lenders, the Administrative Agent, as administrative agent to the Second Lien Lenders and the Guarantors.

Under the Second Lien Credit Facility, the Issuer assumed and the Guarantors guaranteed the remaining indebtedness outstanding under WorkflowOne’s previous second lien credit facility. Such indebtedness became “Tranche A Second Lien Term Loans” under the Second Lien Credit Facility and remains outstanding as second lien term loans of WorkflowOne and the Issuer, as co-borrowers.

#### Warrants

The Warrants became exercisable on October 25, 2013 and were scheduled to expire three months thereafter. On October 25, 2013, as described in Item 3 above, the DLJ Funds exercised the DLJ Warrants.

The foregoing descriptions of the Purchase Agreement, Amendment and Restatement Agreement, Shareholders Agreement, Registration Rights Agreement, First Lien Credit Facility and Second Lien Credit Facility do not purport to be complete and are qualified in their entirety by the full text of these agreements, which are included with this Statement as Exhibits 1, 2, 4, 5, 6, and 7, respectively, and each of which is incorporated herein by reference, and the foregoing descriptions of the Voting Agreement and the Warrants do not purport to be complete and are qualified in their entirety by the full text of these documents, the forms of which are included with this Statement as Exhibits 3 and 8, respectively, and each of which is incorporated herein by reference.

The Reporting Person will review from time to time the Issuer's business affairs and financial position, as well as general economic and industry conditions existing at the time. Based on such evaluation and review, as well as general economic and industry conditions existing at the time, the Reporting Person may consider from time to time various alternative courses of action. Such actions may include the acquisition or disposition of Shares or other securities of the Issuer through open market transactions, privately negotiated transactions, a tender offer, an exchange offer or otherwise, in each case, subject to the terms of the Shareholders Agreement, to the extent applicable.

Except as set forth herein, the Reporting Person currently has no plans or proposals which relate to or would result in any transaction, event or action enumerated in paragraphs (a) through (j) of Item 4 of Schedule 13D.

#### **Item 5. Interest in Securities of the Issuer**

As a result of the matters described in Item 4 above, the Reporting Person may be deemed to constitute a "group" (within the meaning of Section 13(d)(3) of the Exchange Act) with the Majority Shareholders and the other Minority Shareholders.
