ITEM 1. SECURITY AND ISSUER.

This Schedule 13D relates to the (i) Common Stock, par value \$0.04 (the "Common Stock"), (ii) Series F Preferred Stock, par value \$.01 per share, convertible at \$3.33 per share of Common Stock, and (iii) Warrants to acquire Common Stock at an exercise price of \$1.00 per share, each of 5B Technologies Corporation (the "Issuer"). Based solely on information provided by the Issuer, as of September 30, 2001 there were 2,837,850 shares of Common Stock, and 420,000 shares of Preferred Stock of all series, issued and outstanding.

Edgar Filing: GALT CORP - Form SC 13D

The address of the Issuer's principal executive office is 100 Sunnyside Boulevard, Woodbury, NY 11797.

ITEM 2. IDENTITY AND BACKGROUND.

The person filing this statement is Galt Corporation ("Galt"). Galt is a Delaware corporation. Its principal place of business is c/o Westerman Ball Ederer Miller & Sharfstein, LLP, 170 Old Country Road, Mineola, New York 11501. Galt formerly was in the business of application development, web site hosting and information technology solutions, but is no longer conducting business operations.

Galt has not been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) during the last five years.

During the last five years, Galt has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Under the Asset Purchase Agreement by and among the Issuer, Abby Garrett & Seth, Ltd. ("AG&S"), Galt and certain other persons, dated September 14, 2001, attached as Exhibit A hereto, and in consideration for the sale of substantially all of Galt's assets pursuant to such Asset Purchase Agreement, Galt received the following securities of the issuer: (i) Three Hundred Thousand (300,000) shares of Common Stock, (ii) 300,000 shares of Series F Preferred Stock convertible into Common Stock, and (iii) Warrants to purchase 300,000 shares of Common Stock, of which Warrants to purchase 150,000 shares of Common Stock are held in escrow by AG&S pursuant to the Asset Purchase Agreement.

ITEM 4. PURPOSE OF TRANSACTION.

Galt acquired the securities of the Issuer as consideration for the purchase of substantially all of the assets of Galt by AG&S. Galt intends to distribute the securities of the Issuer to certain of Galt's creditors in connection with the liquidation and dissolution of Galt. Galt believes that none of such distributees will own 5% or more of the Issuer's Common Stock. Other than the disposition of such securities of the Issuer to certain of Galt's creditors, Galt does not have any plans or proposals which relate to or that would result in any of the matters set forth in paragraphs a-j of this Item 4.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) Galt owns 300,000 shares of the Common Stock, 300,000 shares of Series F Preferred Stock, and Warrants dated September 14, 2001, to purchase 300,000 shares of Common Stock (of which Warrants to purchase 150,000 shares of Common Stock are held in escrow under the Asset Purchase Agreement), representing a 26.4% beneficial ownership of the issued and outstanding shares of Common Stock of the Issuer. Subject to the limitation in the next sentence, the shares of Series F Preferred Stock are convertible into 300,000 shares of

Edgar Filing: GALT CORP - Form SC 13D

Common Stock at any time at the option of the holder at any time after the ten (10) day average closing price of the Common Stock exceeds \$3.33 per share or automatically on the second anniversary of the initial issuance. Until the Issuer obtains the requisite approval of its stockholders to comply with the rules of the NASDAQ Small Cap Market, NASDAQ OTC Bulletin Board or the NASDAQ National Market, a holder of Series F Preferred Stock may not exercise its conversion rights to the extent that such conversion would cause such holder to own more than 19.9% of the outstanding shares of Common Stock. The restriction in the prior sentence also applies to a proposed exercise of the Warrants.

(b) Galt has the sole power to vote the 300,000 shares of Common Stock and the other securities of the Issuer held by it.

(c) Other than its acquisition of the securities of the Issuer pursuant to the Asset Purchase Agreement, there have been no transactions in any of the classes of securities of the Issuer by Galt during the past 60 days.

(d) No persons, other than Galt, have the right to receive or the power to direct the receipt of the dividends from, or the proceeds from the sale of, the securities acquired by Galt.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR
RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

Galt is no longer conducting business operations and, accordingly, Galt intends to distribute the securities of the Issuer to certain of its creditors according to the discretion of the Board of Directors of Galt.

ITEM 7. MATERIAL TO BE FILED AS EXHIBITS.

Attached as Exhibit A hereto is a copy of the Asset Purchase Agreement among the Issuer, Abby Garrett & Seth, Ltd., Galt Corporation and certain other persons, dated as of September 14, 2001, pursuant to which Galt acquired the securities of the Issuer referred to in this Schedule 13D.

INDEMNIFICATION AND SURVIVAL

9.1 INDEMNIFICATION.

(a) The Company and the Principals shall jointly and severally indemnify the Buyer, Parent and their respective officers, directors, stockholders, employees, agents and Affiliates (the "Buyer Parties") and hold each of them harmless from and against any Loss suffered, incurred or sustained by any of them or to which any of them becomes subject, resulting from, arising out of or relating to (i) any inaccuracy in or breach of any representation or warranty or failure to perform any covenant or agreement to be performed on or before the Closing Date on the part of the Company or the Principals contained in this Agreement or the Related Agreements; (ii) any intentional tort, including without limitation, fraud (including fraud in the inducement), willful misconduct or bad faith by the Company or the Principals or any executive officer, director, stockholder or employee of the Company in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby; (iii) the assertion against the Parent, the Buyer, the Business, the Acquired Assets, or the Assumed Liabilities, of any liability or obligation of the Company or its respective Affiliates or relating to the Company's operations, businesses or other activities of any kind or nature prior to the Closing Date that have not been expressly assumed by Parent or the Buyer under this Agreement; and (iv) any and all actions, suits, Proceedings, demands, judgments, costs and legal and reasonable other expenses incident to any of the matters referred to in clauses (i), (ii) and (iii) of this Section 9.1 (a). Once it is determined there is such an indemnifiable event, the amount of the Loss shall be determined without giving effect to any "Material Adverse Effect" qualification or any other materiality, dollar limit or similar qualification contained in the representation, warranty, covenant or agreement.

(b) Each of Parent and the Buyer hereby indemnifies and holds harmless the Company and the Principals from and against any Loss suffered, incurred or sustained by any of them or to which any of them becomes subject, resulting from, arising out of or relating to (i) any inaccuracy in or breach of, or any alleged inaccuracy or alleged breach of any representation or warranty or failure to perform any covenant or agreement to be performed on or before the Closing Date on the part of the Buyer or Parent contained in this Agreement or the Related Agreements to which the Buyer or Parent is a party; (ii) any intentional tort, including without limitation, fraud (including fraud in the inducement), willful misconduct or bad faith by any of the Buyer Parties in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby; and (iii) any and all actions, suits, Proceedings, demands, judgments, costs and legal and reasonable other expenses incident to any of the matters referred to in clauses (i) and (ii) of this Section 9.1(b). Once it is determined there is such an indemnifiable event, the amount of the Loss shall be determined without giving effect to any "Material Adverse Effect" qualification or any other materiality, dollar limit or similar qualification contained in the representation, warranty, covenant or agreement.

(c) All claims for indemnification by any party seeking indemnity under this Agreement (an "Indemnified Party") will be asserted and resolved as follows:

37

(i) In the event any claim or demand, in respect of which an Indemnified Party might seek indemnity under this Agreement, is asserted against or sought to be collected from such Indemnified Party by a Person other than a Buyer Party or the Company or a Principal or any of their respective

Edgar Filing: GALT CORP - Form SC 13D

Affiliates (a "Third Party Claim"), the Indemnified Party shall deliver a notice (a "Claim Notice") with reasonable promptness to the party from whom the Indemnified Party is seeking indemnification (the "Indemnifying Party"), which Claim Notice shall provide reasonable detail relating to such Third Party Claim, including the amount of Loss claimed, to the extent known. If the Indemnified Party fails to provide the Claim Notice with reasonable promptness after the Indemnified Party receives notice of such Third Party Claim, the Indemnifying Party shall not be obligated to indemnify the Indemnified Party with respect to such Third Party Claim only to the extent that the Indemnifying Party demonstrates that its ability to defend such Third Party Claim has been irreparably prejudiced by such failure of the Indemnified Party. The Indemnifying Party shall notify the Indemnified Party as soon as practicable within the Dispute Period (defined below) whether the Indemnifying Party disputes its liability to the Indemnified Party, and whether the Indemnifying Party desires, at its sole cost and expense, to defend the Indemnified Party against such Third Party Claim. "Dispute Period" means the period ending 30 days following receipt by an Indemnifying Party of either a Claim Notice or an Indemnity Notice (as hereinafter defined).

(ii) If the Indemnifying Party notifies the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Indemnified Party with respect to the Third Party Claim pursuant to this Section 9.1, then the Indemnifying Party shall have the right to defend, with counsel reasonably satisfactory to the Indemnified Party, at the sole cost and expense of the Indemnifying Party, such Third Party Claim by all appropriate proceedings, which proceedings must be vigorously and diligently prosecuted by the Indemnifying Party to a final conclusion or may be settled at the discretion of the Indemnifying Party; provided, however, that the Indemnifying Party shall not be permitted to effect any settlement without the written consent (which shall not be unreasonably withheld) of the Indemnified Party unless (A) the sole relief provided in connection with such settlement is monetary damages that are paid in full by the Indemnifying Party, (B) such settlement involves no finding or admission of any wrongdoing, violation or breach by any Indemnified Party of any right of any other Person or any Laws, Contracts or Governmental Permits, and (C) such settlement has no effect on any other claims that may be made against or liabilities of any Indemnified Party. The Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof (except as provided in the preceding sentence); provided, however, that the Indemnified Party may, at its sole cost and expense, at any time prior to the Indemnifying Party's delivery of the notice referred to in the first sentence of this clause (ii), file any motion, answer or other pleadings or take any other action that the Indemnified Party reasonably believes to be necessary or appropriate to protect its interests; and provided further, that if requested by the Indemnifying Party, the Indemnified Party shall, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnifying Party in contesting any Third Party Claim that the Indemnifying Party elects to contest. The Indemnified Party may participate in, but not control, any defense or settlement

of any Third Party Claim

38

controlled by the Indemnifying Party pursuant to this clause (ii) and, except as provided in the first sentence of this clause (ii) and the preceding sentence, the Indemnified Party will bear its own costs and expenses with respect to such participation. Notwithstanding the foregoing, the Indemnified Party may take over the control of the defense or settlement of a Third Party Claim at any time if it irrevocably waives its right to indemnity with respect to such Third Party Claim.

(iii) If the Indemnifying Party fails to notify the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Third Party Claim pursuant to Section 9.1(c)(ii) or if the Indemnifying Party gives such notice but fails to prosecute vigorously and diligently or settle the Third Party Claim (in each case in accordance with Section 9.1(c)(ii) above), or if the Indemnifying Party fails to give any notice whatsoever within the Dispute Period, then the Indemnified Party will have the right to defend, at the sole cost and expense of the Indemnifying Party, the Third Party Claim by all appropriate proceedings, which proceedings will be prosecuted by the Indemnified Party in a reasonable manner and in good faith or will be settled at the discretion of the Indemnified Party (with the consent of the Indemnifying Party, which consent will not be unreasonably withheld). Subject to the immediately preceding sentence, the Indemnified Party will have full control of such defense and proceedings, including any compromise or settlement thereof; provided, however, that if requested by the Indemnified Party, the Indemnifying Party will, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnified Party and its counsel in contesting any Third Party Claim which the Indemnified Party is contesting. The Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this clause (iii), and the Indemnifying Party will bear its own costs and expenses with respect to such participation.

(iv) If the Indemnifying Party notifies the Indemnified Party that it does not dispute its liability to the Indemnified Party with respect to a Third Party Claim or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes its liability to the Indemnified Party with respect to such Third Party Claim, the Loss in the amount specified in the Claim Notice will be conclusively deemed a liability of the Indemnifying Party, and the Indemnifying Party shall pay the amount of such Loss to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability with respect to such claim, the Indemnifying Party and Indemnified Party will proceed in good faith to negotiate a resolution of such dispute, and if not resolved through negotiations within the Resolution Period, such dispute shall be resolved by litigation in a court of competent jurisdiction. "Resolution Period" means the period ending 30 days following expiration of the Dispute Period.

Edgar Filing: GALT CORP - Form SC 13D

(v) In the event any Indemnified Party should have a claim under this Agreement against any Indemnifying Party that does not involve a Third Party Claim, the Indemnified Party shall deliver a notice (an "Indemnity Notice") with reasonable promptness to the Indemnifying Party, which Indemnity Notice shall provide reasonable detail relating to such claim, including the amount of Loss claimed, to the extent known. If the Indemnified Party fails to provide the Indemnity Notice with reasonable promptness, the Indemnifying Party shall not be obligated to indemnify the Indemnified

39

Party with respect to such claim only to the extent that an Indemnifying Party demonstrates that it has been irreparably prejudiced by such failure of the Indemnified Party. If the Indemnifying Party notifies the Indemnified Party that it does not dispute the claim described in such Indemnity Notice or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes the claim described in such Indemnity Notice, the Loss in the amount specified in the Indemnity Notice will be conclusively deemed a liability of the Indemnifying Party, and the Indemnifying Party shall pay the amount of such Loss to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability with respect to such claim, the Indemnifying Party and the Indemnified Party will proceed in good faith to negotiate a resolution of such dispute, and if not resolved through negotiations within the Resolution Period, such dispute shall be resolved by litigation in a court of competent jurisdiction.

(d) Any indemnity payment, including any payments made through cancellation of the shares of Common Stock as set forth in Section 9.3 will be treated for tax purposes as an adjustment to the Purchase Price.

9.2 SURVIVAL PERIODS.

(a) All representations and warranties of the Company and the Principals contained in this Agreement, the Disclosure Schedule, the Related Agreements or any certificate or document delivered in connection herewith or therewith shall survive the Closing and shall remain in full force and effect for 12 months after the Closing Date (such 12 -month anniversary to the Closing Date being referred to as the "Expiration Date") and shall apply beyond such 12 month period with respect to claims asserted in writing within such 12 month period; provided, however, that those representations and warranties which relate to taxes, benefit plans, environmental liabilities and Intellectual Property Rights shall survive until 90 days beyond all applicable statutes of limitations have expired and shall apply beyond such period with respect to claims asserted in writing during such period. Except as otherwise provided, the covenants and agreements of the parties hereto shall survive the Closing. Rights of an Indemnified Party to indemnification shall not be limited or affected in any way by any pre-Closing investigation by such Indemnified Party or by such Indemnified Party's actual knowledge of any inaccuracy of the representations and warranties.

(b) All representations and warranties of Parent and the Buyer contained in this Agreement, the Buyer Disclosure Schedule, the Related Agreements or any certificate or document delivered in connection herewith or

Edgar Filing: GALT CORP - Form SC 13D

therewith shall survive the Closing and shall remain in full force and effect for a period of twelve months after the Closing Date and any claims in respect thereof, whether made by the Company or a Principal or any current or former holder of the capital stock of the Company or any of its subsidiaries, shall be limited to an amount in the aggregate not in excess of \$150,000.

9.3 CANCELLATION OF SHARES

The Warrants representing a portion of the Purchase Price are subject to cancellation by Parent (without any additional action on the part of the holders of such shares) to the extent that any claims by any Buyer Party with respect to the indemnification obligations of the Company and the Principals hereunder. The value of such Escrow Amount with respect to payment of any

40

indemnity obligation shall be based on the fair market value of the Warrants as of the date of the settlement of the claim for the indemnification. Notwithstanding the foregoing, cancellation of such shares of Company Common Stock as provided for hereunder shall not relieve the Company or Principals of their indemnification obligations and any Buyer Party may enforce its rights and seek all remedies available to it in lieu of or in addition to those set forth in this Section 9.3.

9.4 LIMITATION OF LIABILITY.

(a) Notwithstanding anything to the contrary contained herein, except with respect to payment of Taxes and liability of the Buyer under Bulk Sales Laws, the Company and Principals shall have no liability, with respect to Losses, in excess of the Purchase Price.

(b) Except as provided in Sections 5.8 and 5.11, Parent and Buyer shall not make any Claim unless and until the aggregate indemnified Losses under this Agreement exceed \$100,000, in which event, recovery for such Losses shall be available for the entire amount of all such Losses, including those below the aggregate of \$100,000.

Edgar Filing: GALT CORP - Form SC 13D

The parties further agree to replace the severed provision with the provision that will come closest to reflecting the intention of the parties underlying the severed provision but that will be valid, legal and enforceable.

10.6 PARTIES IN INTEREST; ASSIGNMENT.

This Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns; provided, however, that neither party may assign by operation of law or otherwise to any third party, any right or obligation set forth in this Agreement without the prior written consent of the other party.
