Agreement and Plan of Merger
Press Release

Item 1.01. Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On October 16, 2007, RAM Energy Resources, Inc. ("RAM") entered into an Agreement and Plan of Merger (the "Merger Agreement") with Ascent Energy Inc. ("Ascent") and Ascent Acquisition Corp. ("Merger Sub"), a wholly owned subsidiary of RAM.

Edgar Filing: RAM ENERGY RESOURCES INC - Form 8-K

Under the terms of the Merger Agreement, Merger Sub will be merged with and into Ascent, with Ascent continuing as the surviving corporation and becoming a subsidiary of RAM. At the effective time of the merger, each issued and outstanding share of preferred stock and common stock will be cancelled and converted into the right to receive a portion of the total consideration to be paid by RAM. The total consideration to be paid by RAM in connection with the merger, which includes payment of Ascent's outstanding indebtedness and certain other obligations, will consist of (i) \$185.0 million in cash, (ii) a number of shares of RAM common stock determined by dividing \$107.0 million by the weighted average (based on daily trading volume) closing price per share of the RAM common stock as reported by NASDAQ for the ten trading day period ending on the third business day prior to consummation of the merger, subject to a minimum of 20,000,000 shares and a maximum of 20,500,000 shares, and (iii) 6.2 million warrants immediately exercisable into an equal number of shares of RAM common stock. The cash and common stock portion of the total consideration will be adjusted to reflect (i) the funding of a \$20.0 million escrow and a \$150,000 fund to pay expenses of a representative of certain Ascent security-holders, (ii) certain working capital adjustments, (iii) certain derivative adjustments and (iv) a tax allocation adjustment. The cash portion of the consideration is expected to be funded with borrowings under an expanded \$500 million bank credit facility.

Completion of the merger is subject to customary closing conditions.

The respective Boards of Directors of RAM, Ascent and Merger Sub have approved the Merger Agreement. Holders of a majority of Ascent's outstanding shares of preferred stock and common stock have agreed to vote in favor of the merger. Approval of the merger by RAM stockholders is not required; however, because the total number of shares of RAM common

stock to be issued in connection with the merger, including the shares of RAM common stock which may be issued upon the exercise of the warrants to be issued in connection with the merger, will exceed 20% of RAM's common stock currently outstanding, the rules of the NASDAQ Capital Market require that the issuance of the common stock in connection with the merger, including shares issuable upon the exercise of warrants issued in connection with the merger, be approved by the holders of at least a majority of RAM's outstanding common stock. The holders of more than 63% of the outstanding shares of RAM common stock have agreed to vote in favor of the merger and the issuance of RAM common stock to be issued in connection with the merger. No further stockholder action is required to approve the transactions.

The merger agreement contains customary termination rights for both RAM and Ascent.

The shares of RAM common stock and warrants to purchase RAM common stock to be issued in connection with the merger will be issued and sold in a private placement exempt from the registration requirements of the Securities Act of 1933 under Section 4(2) of the Securities Act of 1933.

RAM will agree to file a shelf registration statement within 90 days after the closing of the merger for the resale of the RAM common stock to be issued in connection with the merger, including shares of RAM common stock which may be issued upon the exercise of the warrants to be issued in connection with the merger, and to provide certain registration rights to certain of the Ascent security holders, all as set forth in a registration rights agreement to be entered into at the closing of the merger.

At the closing of the merger, certain of the Ascent security-holders will enter into a lock-up agreement with RAM pursuant to which they will agree to a 180-day lock up with respect to 50% of the shares of RAM common stock issued to such persons in connection with the merger.

Edgar Filing: RAM ENERGY RESOURCES INC - Form 8-K

At the closing of the merger, certain of the Ascent security-holders will enter into a voting agreement with RAM pursuant to which they will agree to vote in favor of the election of directors recommended by RAM's board of directors through the RAM annual meeting of stockholders to be held in 2009.

RAM has received a commitment from Guggenheim Corporate Funding, LLC for financing the cash portion of the consideration by providing an expanded \$500 million credit facility secured by substantially all assets of RAM's subsidiary, RAM Energy and its subsidiaries. The commitment letter is subject to customary closing conditions.
