ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant's Certificate of Incorporation relieves its directors from liability for monetary damages to the fullest extent permitted by Delaware law. Section 145 of the Delaware General Corporation Law provides, in effect, that any person made a party to any action by reason of the fact that he is or was a director, officer, employee or agent of the Registrant may and, in certain cases, must be indemnified by the Registrant against, in the case of a non-derivative action, judgments, fines, amounts paid in settlement and reasonable expenses (including attorneys' fees) incurred by him as a result of such action, and in the case of a derivative action, against expenses (including attorneys' fees), if in either type of action he acted in good faith and in a manner he reasonably believed to be not opposed to the Registrant's best interests. This indemnification does not apply, in a derivative action, to matters as to which it is adjudged that the director, officer, employee or agent is liable to the Registrant, unless upon court order it is determined that, despite such adjudication of liability, but in view of all the circumstances of the case, he is fairly and reasonably entitled to indemnity for expenses, and, in a non-derivative action, to any criminal proceeding in which such person had reasonable cause to believe his conduct was unlawful.

Article Six, Section 3, and Article Ten of the Registrant's Certificate of Incorporation, as amended, provide, in general, that no director of the Registrant shall be personally liable for monetary damages for breach of the director's fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the Registrant or its stockholders; (ii) an act or omission not in good faith or an act or omission that involves intentional misconduct or a knowing violation of law; (iii) any liability under Section 174 of the Delaware General Corporation Law (pertaining to unlawful payment of a dividend or an unlawful stock purchase or redemption); or (iv) a transaction from which the director received an improper personal benefit.

Article Six of the Registrant's Bylaws, provides, in general, that the Registrant shall indemnify its directors and officers under the circumstances defined in Section 145 of the Delaware General Corporation Law and gives authority to the Registrant to purchase insurance with respect to such indemnification.

The Registrant has entered into separate Indemnity Agreements with each of its directors and certain of its executive officers (each, an "Indemnatee"), under which the Registrant will, upon proper request of the Indemnatee, indemnify any Indemnatee if such Indemnatee is a party to or is threatened to be made a party to or is otherwise involved in any third party proceedings or proceedings by or in the right of the Registrant to procure a judgment in its favor by reason of the fact that the Indemnatee is or was a director and/or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all expenses, judgments, fines and penalties, actually and reasonably incurred by the Indemnatee in connection with the defense or settlement of any of such proceedings; provided that (i) in the case of a third party proceeding, the Indemnatee acted in good faith and in a manner which the Indemnatee reasonably believed to be in or not opposed to the best interests of the Registrant, and in the case of a criminal proceeding, in addition, that the Indemnatee had no reasonable cause to believe that his conduct was unlawful, (ii) in the case of a proceeding by or in the right of the Registrant, the Indemnatee

Edgar Filing: INTRUSION COM INC - Form S-8

acted in good faith and in a manner which the Indemnatee reasonably believed to be in or not opposed to the best interests of the Registrant and in which the Indemnatee shall not have been adjudged to be liable to the Registrant for negligence or misconduct in the performance of the Indemnatee's duty to the Registrant, unless the court in which such proceeding is brought determines that the Indemnatee is fairly and reasonably entitled to indemnity for expenses as such court deems proper, and (iii) in the case of a proceeding by or in the right of the Registrant, the Indemnatee is only indemnified against expenses and not against any judgment, fines or penalties. Notwithstanding the above, the Registrant shall indemnify an Indemnatee for all expenses incurred in connection with any proceedings to the extent that the Indemnatee has been successful in defense of any such proceeding, or in defense of any claim, issue or matter therein. The Registrant will also, upon proper request of the Indemnatee, pay in advance the expenses incurred by the Indemnatee in any of the above proceedings, if the Indemnatee shall undertake to repay such amounts to the extent it is determined that the Indemnatee is not entitled to indemnification.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect

Edgar Filing: INTRUSION COM INC - Form S-8

in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering; and

(4) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the provisions described in Item 6 of this Registration Statement, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Richardson, State of Texas, on the 23rd day of March, 2001.
