PROXY STATEMENT

FOR 2001 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 24, 2001

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Reckson Associates Realty Corp. (the "Company") for use at the 2001 Annual Meeting of Stockholders of the Company to be held on May 24, 2001, and at any adjournments or postponements thereof (the "Annual Meeting"). At the Annual Meeting, stockholders will be asked to vote upon (1) the election of three Class III directors of the Company, (2) to ratify the selection of Ernst & Young LLP as the independent auditors of the Company for the fiscal year ending December 31, 2001, and (3) to act upon any other matters that may properly be brought before the Annual Meeting and at any adjournments or postponements thereof.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about April 9, 2001. The Board of Directors has fixed the close of business on March 23, 2001 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Only stockholders of record of the Company's Class A common stock, par value \$.01 per share, and Class B common stock, par value \$.01 per share (collectively, the "Common Stock"), at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 45,812,864 and 10,283,513 shares of Class A and Class B common stock outstanding, respectively, and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them on the Record Date.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of the holders of a plurality of the shares of Common Stock cast on the matter at the Annual Meeting (assuming a quorum is present) is required for the election of Class III directors, and the affirmative vote of the Holders of a majority of the shares of Common Stock cast on the matter at the Annual Meeting (assuming a quorum is present) for each of the ratification of the Company's auditors, and the approval of any other matters properly presented at the Annual Meeting for stockholder approval. Under Maryland law, abstentions and broker "non-votes", or proxies from brokers or nominees indicating that such person has not received instructions from the beneficial owner or other person entitled to vote such shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power, will not be counted as votes cast and will have no effect on the results of the votes.

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

STOCKHOLDERS OF THE COMPANY ARE REQUESTED TO COMPLETE, SIGN, DATE AND PROMPTLY RETURN THE ACCOMPANYING PROXY CARD IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE. SHARES REPRESENTED BY A PROPERLY EXECUTED PROXY RECEIVED PRIOR TO THE VOTE AT THE ANNUAL MEETING AND NOT REVOKED WILL BE VOTED AT THE ANNUAL MEETING AS DIRECTED ON THE PROXY. IF A PROPERLY EXECUTED PROXY IS SUBMITTED AND NO INSTRUCTIONS ARE GIVEN, THE PROXY WILL BE VOTED FOR THE ELECTION OF THE THREE NOMINEES FOR CLASS III DIRECTORS OF THE COMPANY NAMED IN THIS PROXY STATEMENT, AND FOR RATIFICATION OF THE BOARD OF DIRECTORS' SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2001. IT IS NOT ANTICIPATED THAT ANY MATTERS OTHER THAN THOSE SET FORTH IN THE PROXY STATEMENT WILL BE PRESENTED AT THE ANNUAL MEETING. IF OTHER MATTERS ARE PRESENTED, PROXIES WILL BE VOTED IN ACCORDANCE WITH THE DISCRETION OF THE PROXY HOLDERS.

2

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of the Company at the address of the Company set forth above, by filing a duly executed proxy bearing a later date, or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

The Company's 2000 Annual Report, including financial statements for the fiscal year ended December 31, 2000, accompanies the proxy solicitation materials. The Annual Report, however, is not part of the proxy solicitation material.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors of the Company consists of ten members and is divided into three classes, with the directors in each class serving for a term of three years and until their successors are duly elected and qualified. The term of one class expires at each annual meeting of stockholders.

The Board of Directors has nominated Mr. Roger Rechler, Mr. Harvey Blau and Mr. John V. N. Klein to serve as Class III directors (the "Nominees"). THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE NOMINEES.

THE FOLLOWING IS A REPORT BY THE COMPANY'S AUDIT COMMITTEE REGARDING THE RESPONSIBILITIES AND FUNCTIONS OF THE AUDIT COMMITTEE.

The Audit Committee, on behalf of the Board of Directors of the Company, serves as an independent and objective party to monitor the Company's financial reporting process and internal control system, and to review and appraise the audit efforts of the Company's independent accountants. The Audit Committee performs these oversight responsibilities in accordance with its Audit Committee Charter, a copy of which is included as Appendix A to this annual proxy statement. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements in the Company's Annual Report, and discussed the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

Additionally, the Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee also received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1, discussed with the independent auditors the auditors' independence from management and the Company and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission.

EMPLOYMENT AND NONCOMPETITION AGREEMENTS

Each of the Named Executive Officers has entered into an employment and noncompetition agreement and a severance agreement with the Company.

The employment and noncompetition agreements with each of Donald J. Rechler, Scott H. Rechler, Michael Maturo, Mitchell D. Rechler and Gregg M. Rechler were renewed as of August 15, 2000 for 5 year terms, unless in each case otherwise extended. The term of each of the severance agreements is identical to the Named Executive Officer's employment agreement, including any extension thereof. However, in the event of a "Change in Control" (as such term is defined in the applicable agreement), each severance agreement automatically extends the term of the corresponding employment agreement until the later of (i) the date on which the employment and noncompetition agreement otherwise would have expired and (ii) the date which is 60 months after the end of the calendar year in which such Change in Control occurs. Each agreement provides for certain benefits in the event of termination of the Named Executive Officer by the Company without "Good Reason" (as such term is defined in the applicable agreement) or the resignation of the Named Executive Officer upon a material breach of the agreement by the Company or a Change in Control of the Company. These benefits include the continued payment of the Named Executive Officer's base salary during the remaining term of the agreement, immediate vesting of all equity awards as well as continued entitlement to receive other benefits conferred under the applicable agreement for such remaining term. Under the agreements, each Named Executive Officer is also entitled to certain specified benefits in the event of his death or disability.

In addition, such employment and noncompetition agreements, subject to certain exceptions, prohibit each such Named Executive Officer from engaging, directly or indirectly, during the term of his employment, in any business which engages or attempts to engage in, directly or indirectly, the acquisition, development, construction, operation, management or leasing of any industrial or office real estate property in any of the submarkets throughout the tri-state metropolitan area of New York, New Jersey and Connecticut in which the Company is operating ("Competitive Activities"). These employment and noncompetition agreements also prohibit such persons from engaging, directly or indirectly, during a specified Noncompetition Period in any Competitive Activities, subject to certain limited exceptions. The

12

Noncompetition Period for each such Executive Officer is the period beginning on the date of the termination of employment and ending on the later of (i) the first anniversary of such person's termination of employment with the Company and (ii) the third anniversary of the person's prior employment and noncompetition agreement.

Pursuant to the original employment and noncompetition agreement with Mr. Maturo entered into in 1995, the Company made a non-recourse loan to Mr. Maturo in the amount of approximately \$400,000 (the "Loan") in order to finance his purchase of an equity interest in the Company. On each of the first four anniversaries of the Loan, \$100,000 of the outstanding principal amount was forgiven by the Company and the Company made non-recourse loans to Mr. Maturo in an amount equivalent to his resulting tax liability, which in turn is forgiven (together with accrued interest thereon and on the Loan) over the sixth through eighth anniversaries of the date the Loan was made.

REPORT ON EXECUTIVE COMPENSATION

The following is a report by the Company's Compensation Committee regarding the Company's executive compensation objectives, executive compensation program and the compensation of the Company's co-chief executive officers:

EXECUTIVE COMPENSATION OBJECTIVES. The objective of the Company's executive compensation program is to attract, retain and motivate talented executives who will maximize stockholder value. In order to achieve this objective, in addition to annual base salaries, the executive compensation program utilizes a combination of long-term incentives through equity-based compensation and annual incentives through cash bonuses. The program is intended to align the interests of executives with those of the Company's stockholders by linking a portion of executive compensation directly to increases in stockholder value. The Company seeks to provide total compensation to its executive officers which is competitive with total compensation paid by REITs similar to the Company.

PROCEEDINGS OF THE COMPENSATION COMMITTEE. The Compensation Committee determines compensation for the Company's executive officers and is comprised of two non-employee directors, Mr. Blau and Mr. Feinstein. Final compensation determinations for each fiscal year will generally be made after the end of the fiscal year. At that time, base salaries for the following fiscal year will be set, cash bonuses, if any, will be determined for the past year's performance, and option grants, if any, will generally be made. At a meeting in March 2001, the Compensation Committee fixed the base salaries for the Named Executive Officers for the fiscal year ending December 31, 2001 and determined incentive compensation awards for such officers in respect of the fiscal year ended December 31, 2000.

The Compensation Committee engaged FPL Associates to advise the Compensation Committee regarding executive officer compensation matters, including annual base salary, annual incentives and long-term incentives. FPL Associates is a consultant specializing in compensation matters in the real estate industry and is not affiliated with the Company. The Compensation Committee considered FPL's analysis in determining base salaries and incentives.

In determining compensation for the Named Executive Officers, the Compensation Committee noted several factors, including the Company's strong operating performance for the 2000 fiscal year, in terms of a 12.1% increase in fully diluted Funds From Operations per share in 2000 over levels achieved in 1999, and a total return to shareholders of Class A common stock in the year 2000 of 30.5%. The Committee also considered the efforts of the Named Executive Officers with respect to the strong leasing activity at the Company's properties, including the leasing of a record 4 million square feet and the stabilization of over \$500 million of value creation projects generating yields in excess of 12%. In addition, the Compensation Committee considered the performance of the Company's common stock relative to other real estate companies.

The Compensation Committee exercises independent discretion in respect of executive compensation matters. With respect to the compensation of the Named Executive Officers other than Donald J. Rechler, the Compensation Committee reviews the recommendations of Donald J. Rechler.

13

The following is a discussion of each element of the Company's executive compensation:

ANNUAL BASE SALARY. Base salaries for each of the Named Executive Officers are the subject of the employment and noncompetition agreements between the Company and each such executive as indicated above. Each such agreement provides

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

that the base salary provided for under the respective agreement will be reviewed no less frequently than annually. For 2000, the Compensation Committee determined base salaries for the Named Executive Officers upon the Committee's review of the performance of each Named Executive Officer during the previous year and the report prepared by FPL for the fiscal year ended December 31, 1999.

ANNUAL INCENTIVES. Annual incentives are provided in the form of cash bonuses and were determined at the discretion of the Board of Directors based upon the overall performance of the Company, the personal performance of each executive and the report prepared by FPL.

The Compensation Committee awarded the following cash bonuses to the following Named Executive Officers in March 2001 in respect of the fiscal year ended December 31, 2000: Michael Maturo-\$500,000, Mitchell D. Rechler-\$500,000, and Gregg M. Rechler-\$500,000. The cash bonus awards to Donald J. Rechler and Scott Rechler are discussed separately below. In determining incentive compensation for 2000, the Compensation Committee considered the factors described above regarding annual base salaries.

LONG-TERM INCENTIVES. Long-term incentives may be provided through a variety of means, including the grant of stock options, restricted stock awards and stock loans. These awards are intended to align the executive's long-term objectives with those of the Company's stockholders. The grant of stock options, restricted stock awards and stock loans are made under the Company's stock option plans which are administered by the Compensation Committee. The Compensation Committee has the discretion to determine those individuals to whom awards are made and the terms and conditions of the awards. The Named Executive Officers did not receive any stock options or stock grants in respect of the 2000 fiscal year.

In March 2001, the Compensation Committee awarded each of the Named Executive Officers loans from the Company to purchase shares of Class A common stock of the Company in respect of the fiscal year ended December 31, 2000 (the "2000 Stock Loans"). The initial principal amount of the 2000 Stock Loans is \$1,177,000 in the case of each of Mitchell D. Rechler, Gregg M. Rechler and Michael Maturo. Each 2000 Stock Loan has a term of ten years, accrues interest at the mid-term "Applicable Federal Rate" ("AFR") as in effect from time to time, is secured by the Class A common stock purchased and is otherwise non-recourse. 40% of each Named Executive Officer's 2000 Stock Loan (together with accrued interest on the 2000 Stock Loan) will be forgiven ratably each year during the ten year term of the 2000 Stock Loan, provided that the Named Executive Officer is then employed by the Company. One-tenth of the other 60% (together with accrued interest) will be forgiven each year only if the performance of the Company's Class A common stock since the Company's IPO is ranked in the top 40% for office and industrial REITs (as reported by NAREIT or, if not available from NAREIT, from such other standard industry source as may be approved by the Compensation Committee) at the end of the respective year. In the event this criteria is not satisfied in any particular year, the portion of the 2000 Stock Loan that is not forgiven in respect of such year will be carried forward and forgiven in a subsequent year only if, on a cumulative basis, the Company's Class A common stock satisfies the criteria. The Named Executive Officers will also receive tax payments in respect of the forgiveness of the 2000 Stock Loans. In the event of a Change of Control of the Company, a Named Executive Officer's death or permanent disability, termination of his employment by the Company without cause or a reduction in the nature or scope of such Named Executive Officer's duties, the outstanding principal amount of the applicable 2000 Stock Loan will be forgiven in full and such Named Executive Officer will receive a tax payment in respect of such forgiveness. In the event a Named Executive Officer leaves the employ of the Company or is terminated with cause, the outstanding amount of the applicable loans will be immediately due and payable. In approving these loans the Compensation Committee considered the same factors it considered in determining the annual incentives, including the

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

retention of the Named Executive Officers.

14

In 1999, as a long-term incentive award, each of the Company's Named Executive Officers received loans from the Company to purchase shares of Class A common stock of the Company (the "1999 Stock Loans"). Pursuant to the terms of the 1999 Stock Loans, in 2000, 10% of the 1999 Stock Loan of each Named Executive Officer was forgiven and the Company paid to each Named Executive Officer the following amounts, representing tax payments: Michael Maturo-\$42,800, Mitchell D. Rechler-\$42,800 and Gregg M. Rechler-\$47,600.

In 1997, as a long-term incentive award, each of the Company's Named Executive Officers received loans from the Company to purchase shares of Class A common stock of the Company (the "1997 Stock Loans"). Pursuant to the terms of the 1997 Stock Loans, in 2000, 10% of the 1997 Stock Loans of each Named Executive Officer was forgiven and the Company paid to each Named Executive Officer the following amounts, representing tax payments: Michael Maturo-\$93,000, Mitchell D. Rechler-\$93,000 and Gregg M. Rechler-\$103,400.

2000 CO-CHIEF EXECUTIVE OFFICER COMPENSATION. Donald J. Rechler and Scott H. Rechler's base salaries for the fiscal year ended December 31, 2000 were \$525,000 and \$450,000, respectively, as determined by the Compensation Committee.

For the fiscal year ended December 31, 2000, the Compensation Committee awarded to Donald J. Rechler and Scott H. Rechler cash bonuses of \$656,250 and \$562,500, respectively. The amounts of these bonuses were determined by the Compensation Committee substantially in accordance with the policies described above relating to all Named Executive Officers of the Company. In making such determination the Compensation Committee noted several factors, including the Company's achievement of a 12.1% increase in fully diluted Funds From Operations per share in 2000 over levels achieved in 1999 and a total return to shareholders of Class A common stock in the year 2000 of 30.5%. The Committee also considered the efforts of the Named Executive Officers with respect to the strong leasing activity at the Company's properties. In addition, the Compensation Committee considered the performance of its common stock relative to other real estate companies.

As a long-term incentive the Compensation Committee awarded each of Donald J. Rechler and Scott H. Rechler 2000 Stock Loans in the amount of \$1,177,000 in accordance with the terms described above relating to the other Named Executive Officers of the Company, including the related tax payments. The terms of the 2000 Stock Loans and the related tax payments are described above under "--Long-Term Incentives." In addition, in 2000, Donald J. Rechler and Scott H. Rechler received tax payments from the Company in the amount of \$64,300 each relating to the forgiveness of 10% of each of their respective 1999 Stock Loans and \$158,600 and \$119,000, respectively, relating to the forgiveness of 10% of each of their respective 1997 Stock Loans.

TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits the deductibility on the Company's tax return of compensation over \$1 million to any of the Named Executive Officers of the Company unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by the Company's stockholders. The Compensation Committee's policy with respect to section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing Company executives with appropriate compensation for their performance. The Company paid compensation of approximately \$1,923,000 to its Named Executive Officers during 2000 which would be nondeductible under the limitations set forth in section 162(m).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

LEASE OF CORPORATE OFFICES

The Company leases approximately 34,485 square feet of office space at its corporate offices located at 225 Broadhollow Road, at an annual base rent of approximately \$882,696 from a partnership in which Donald J. Rechler, Roger Rechler, Mitchell D. Rechler and trusts established for Rechler family members maintain an equity interest.

FRONTLINE CAPITAL GROUP

In 1998, the Company completed the spin-off distribution of the shares of FrontLine. FrontLine manages companies which leverage the Internet and which service small and medium-size enterprises ("SMEs") and mobile workforces of larger companies. FrontLine has two distinct operating segments: one holds FrontLine's interest in HQ Global Workplaces, Inc., the world's largest provider of officing solutions, and its predecessor companies, and the other consists of FrontLine and its interests in a group of companies which provide a wide range of services to the SME marketplace. In October 2000, FrontLine announced that it would focus its resources and capital on the businesses within its existing portfolio and cease pursuing new investment activities. The Operating Partnership and FrontLine entered into an intercompany agreement to formalize their relationship and to limit conflicts of interest.

Scott H. Rechler, Michael Maturo, Mitchell D. Rechler and Roger Rechler, each of whom serves as a director and/or officer of the Company, serves as a

director and/or officer of FrontLine and collectively own approximately 15.1% of FrontLine's outstanding common stock (assuming the exercise of vested stock options) as of March 23, 2001.

In June 1998, the Operating Partnership established a credit facility with FrontLine (the "FrontLine Facility") in the amount of \$100 million for FrontLine to use in its investment activities, operations and other general corporate purposes. As of December 31, 2000, the Operating Partnership had advanced approximately \$93.4 million under the FrontLine Facility.

In addition, the Operating Partnership approved the funding of investments of up to \$100 million with or in Reckson Strategic Venture Partners, LLC ("RSVP") (the "RSVP Commitment" and, together with the FrontLine Facility, the "Credit Facilities"), through RSVP-controlled joint ventures (for REIT-qualified investments) or advances made to FrontLine under terms similar to the FrontLine Facility. As of December 31, 2000, approximately \$83.2 million had been funded through the RSVP Commitment, of which \$41.1 million represents investments in RSVP-controlled (REIT-qualified) joint ventures and \$42.1 million represents advances. In March 2001, the Operating Partnership increased the RSVP Commitment to \$110 million and advanced approximately \$24 million under the RSVP Commitment to fund additional RSVP-controlled (REIT-qualified) joint ventures.

In March 2001, the Credit Facilities were amended to provide that (i) interest is payable only at maturity and (ii) the Company may transfer all or any portion of its rights or obligations under the Credit Facilities to its affiliates. The Company requested these changes as a result of changes in REIT tax laws.

FrontLine and RSVP reimburse the Operating Partnership for certain general and administrative expenses (including payroll expenses) incurred by the Operating Partnership for their benefit. During 2000, FrontLine and RSVP reimbursed the Operating Partnership approximately \$963,000 for such expenses.

MISCELLANEOUS

The Company leases approximately 66,000 square feet in a building located in Farmingdale, New York at an annual base rent of approximately \$623,000 to a company affiliated with Leonard Feinstein, a director of the Company. The Company also leases approximately 16,000 square feet in a building located in Mitchel Field, New York, at an annual base rent of approximately \$392,000 to a company affiliated with Lewis S. Any such proposal should be mailed to: Reckson Associates Realty Corp., 225 Broadhollow Road, Melville, New York 11747, Attn: Gregg M. Rechler, Secretary.

APPENDIX A

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF RECKSON ASSOCIATES REALTY CORP.

CHARTER (FEBRUARY 23, 2000)

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the financial reports and other financial information provided by the Company to any governmental body or the public; the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor the Company's financial reporting process and internal control system.

Review and appraise the audit efforts of the Company's independent accountants, recognizing that the independent accountants are ultimately accountable to the Board of Directors and/or the Audit Committee and that the Board of Directors and/or the Audit Committee have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditor (or nominate the outside auditor to be proposed for shareholder approval in any proxy statement).

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section III. of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be "independent directors" as such term may be defined in the listing standards of NYSE or other national securities exchange upon which the Company's securities may be listed. Under the current definition, members of the Committee shall be considered independent if they have no relationship to the Company that may interfere with the exercise of their independence from management and the Company, including, but not limited to:

EMPLOYEES. A director who is an employee (including non-employee executive officers) of the Company or any of its affiliates may not serve on the Audit Committee until three years following the termination of his or her employment. In the event the employment relationship is with a former parent or predecessor of the Company, the director may serve on the Audit Committee after three years following the termination of the relationship between the Company and the former parent or predecessor.

BUSINESS RELATIONSHIP. A director (i) who is a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Company, or (ii) who has a direct business relationship with the Company (e.g., a consultant) may serve on the Audit Committee only if the Board determines in its business judgment that the relationship does not interfere with the director's exercise of independent judgment. In making a determination regarding the independence of a director pursuant to this paragraph, the Board will consider, among other things, the materiality of the relationship to the Company, to the director, and, if applicable, to the organization with which the director is affiliated.

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have this relationship directly with the Company, or the director can be a partner, officer or employee of an organization that has such a relationship. The director may serve on the Audit Committee without the above-referenced Board of Directors'

A-1

determination after three years following the termination of, as applicable, either (1) the relationship between the organization with which the director is affiliated and the Company, (2) the relationship between the director and his or her partnership status, shareholder interest or executive officer position, or (3) the direct business relationship between the director and the Company.

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form DEF 14A

CROSS COMPENSATION COMMITTEE LINK. A director who is employed as an executive of another entity where any of the Company's executives serve on that entity's compensation committee.

IMMEDIATE FAMILY. A director who is a member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Company or any of its affiliates as an executive officer.

"Immediate Family" includes a person's spouse, parents, children, siblings, mothers-in-law and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.

"Affiliate" includes a subsidiary, sibling company, predecessor, parent company, or former parent company.

All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Audit Committee shall have accounting or related financial management expertise. Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Audit Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:
