ABIOMED, INC.

PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON NOVEMBER 5, 2002

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of ABIOMED, Inc., a Delaware corporation with its principal executive offices at 22 Cherry Hill Drive, Danvers, Massachusetts 01923 (the "Company"), for use at the Annual Meeting of Stockholders to be held at the offices of Foley Hoag LLP, 155 Seaport Boulevard, Boston, Massachusetts on November 5, 2002 and at any adjournment or adjournments thereof (the "Meeting").

The cost of the solicitation will be borne by the Company. Certain of the officers and regular employees of the Company may solicit proxies by correspondence, telephone or in person, without extra compensation. The Company may also pay to banks, brokers, nominees and other fiduciaries their reasonable charges and expenses incurred in forwarding proxy material to their principals. It is expected that this proxy statement and the accompanying proxy will be mailed to stockholders on or about October 4, 2002.

The Company has fixed the close of business on September 13, 2002 as the record date ("Record Date") for the Meeting. Only stockholders of record at the close of business on the Record Date will be entitled to receive notice of, and to vote at, the Meeting. As of the Record Date, there were outstanding and entitled to vote 20,981,587 shares of Common Stock, \$.01 par value (the "Common Stock"), of the Company. The Company's by-laws require that a majority in interest of all stock issued, outstanding and entitled to vote at a meeting shall constitute a quorum. Abstentions and broker non-votes will be counted as present or represented for purposes of determining the existence of a quorum. A "non-vote" occurs when a broker or nominee holding shares for a beneficial owner does not vote on a proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Proposal No. 1 (election of Directors) requires the affirmative vote of a plurality of the votes cast by holders of Common Stock entitled to vote thereon, provided a quorum is present. Abstentions and broker non-votes will not be included in calculating the number of votes cast on Proposal 1. Votes will be tabulated by American Stock Transfer & Trust Company, the Company's transfer agent. The vote on each matter submitted to stockholders will be tabulated

Edgar Filing: ABIOMED INC - Form DEF 14A

separately.

THE ENCLOSED PROXY, IF EXECUTED AND RETURNED, WILL BE VOTED AS DIRECTED ON THE PROXY OR, IN THE ABSENCE OF SUCH DIRECTION, FOR THE NOMINEES FOR DIRECTORS (PROPOSAL NO. 1). IF ANY OTHER MATTERS SHALL PROPERLY COME BEFORE THE MEETING, THEY WILL BE VOTED BY THE PROXIES IN ACCORDANCE WITH THEIR BEST JUDGMENT. THE PROXY MAY BE REVOKED AT ANY TIME PRIOR TO EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY A WRITTEN REVOCATION, BY EXECUTING A PROXY WITH A LATER DATE, OR BY ATTENDING AND VOTING AT THE MEETING.

The Company's Annual Report to Stockholders and annual report on Form 10-K, as amended, for the fiscal year ended March 31, 2002, including financial statements audited by PricewaterhouseCoopers LLP, are being mailed to each of the stockholders simultaneously with this proxy statement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The primary objectives of the Compensation Committee in developing executive compensation policies are to attract and retain superior talent to enable the Company to achieve its business objectives and to align the financial interests of its executive officers with the stockholders of the Company. The compensation of executive officers consists of base compensation, bonus, the grant of options and participation in benefit plans generally available to employees.

In setting overall compensation for the last fiscal year, the Compensation Committee reviewed the recommendations of the Chief Executive Officer and strove to maintain base compensation for the Company's executive officers at levels which the Compensation Committee believes are competitive with the compensation of comparable executive officers in similarly situated companies, while relying upon the Company's stock option plans and a bonus program to provide significant performance incentives.

The Company maintains an informal bonus plan for its executive officers. Under the bonus plan, a bonus was determined for each executive officer (other than the Chief Executive Officer) based on Company performance and achievement of certain objective and subjective goals and the Chief Executive Officer's evaluation of the individual's performance. The goals established for each executive officer varies depending upon the responsibilities of the officer, and include goals based upon operating results, product development or regulatory milestones and the cost of achieving those milestones, and the achievement of certain sales objectives. Certain of the executive officers' goals, including certain of the Chief Executive Officer's goals, have milestones that do not directly correspond in timing with the Company's fiscal year-end and certain of the goals are measured in intervals of greater than one year. Accordingly, bonus amounts for which executive officers are eligible can vary from fiscal year to fiscal year. In granting these

Edgar Filing: ABIOMED INC - Form DEF 14A

bonuses, the Committee gave substantial weight to and followed the Chief Executive Officer's recommendations.

Each of the executives is eligible to receive grants of options under the Combination Plan, 1998 Equity Incentive Plan and 2000 Stock Incentive Plan. In determining the number of options to be granted to each executive officer, the Compensation Committee reviews recommendations provided by the Chief Executive Officer based upon the officer's position of responsibility and anticipated contribution to the Company, the number of shares of Common Stock subject to options held or previously granted to the officer and the individual performance of the officer.

For the fiscal year ended March 31, 2002, Dr. Lederman, the Chief Executive Officer of the Company, received a base salary of \$300,000 and a bonus of \$137,500. Of this amount, \$100,000 of the bonus paid to Dr. Lederman during fiscal 2002 represents an amount deferred at his request from the amount that would have been paid, and was provided for, in fiscal 2001. At the request of Dr. Lederman, the Compensation Committee had deferred Dr. Lederman's receipt of a portion of his bonus until the first patient participating in the AbioCor clinical trials had survived for more than sixty days after receipt of the AbioCor. Dr. Lederman's base salary and bonus was determined by the Compensation Committee based upon review of industry references and Dr. Lederman's recommendation to keep his base salary at that level, notwithstanding the Compensation Committee's belief that this base salary and bonus were low compared to his responsibilities, importance and contributions to the Company.

REPORT OF THE AUDIT COMMITTEE

All three directors who are members of the Audit Committee are "independent" of the Company and management, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

In fulfilling its responsibilities, the Audit Committee conferred with PricewaterhouseCoopers LLP ("PWC"), the Company's independent auditors for the fiscal year ended March 31, 2002, the overall scope and plans for PWC's audit of the Company's financial statements for the fiscal year ended March 31, 2002.

The Audit Committee reviewed the Company's audited financial statements with management and PWC. The Audit Committee discussed with PWC the matters required to be discussed by Statement of Auditing Standards No. 61, including a discussion of PWC's judgments as to the quality, not just the acceptability, of the Company's reporting mechanisms and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee received from PWC the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed these documents with PWC, as well as other matters related to PWC's independence from management and the Company.

Edgar Filing: ABIOMED INC - Form DEF 14A

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended March 31, 2002 for filing with the Securities and Exchange Commission.

The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was included with the Company's filing of its Proxy Statement with the Securities and Exchange Commission dated July 9, 2001. In conjunction with its review of the Company's audited financial results, the Audit Committee reviewed this charter and determined that no modification was necessary.

OTHER MATTERS

INDEPENDENT PUBLIC ACCOUNTANTS

Edgar Filing: ABIOMED INC - Form DEF 14A

On June 6, 2002, the Company dismissed its independent auditors, Arthur Andersen LLP, and engaged PWC as its new independent auditors. The change in auditors became effective on June 6, 2002. This determination followed the Company's decision to seek proposals from independent accountants to audit its financial statements, and was unanimously approved by the Board of Directors upon the recommendation of the Audit Committee. PWC was engaged to audit the Company's financial statements for the fiscal year ending March 31, 2002.

The Board of Directors has not yet selected an independent accountant to audit the consolidated financial statements of the Company for the fiscal year ending March 31, 2003. At an upcoming meeting, the Audit Committee will recommend to the Board the selection of the Company's independent auditor for the current fiscal year.

The audit report of Arthur Andersen on the Company's financial statements for the fiscal years ended March 31, 2001 and 2000 and the audit report of PWC on the Company's financial statements for the fiscal year ended March 31, 2002 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the three most recent fiscal years ended March 31, 2002, and the subsequent interim period through June 6, 2002, there were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K have occurred within the two most recent fiscal years ended March 31, 2002, or within the interim period through June 6, 2002.

During the two most recent fiscal years ended March 31, 2002, and the subsequent interim period through June 6, 2002, the Company did not consult with PWC regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

11

A representative of PWC will be present at the Annual Meeting to respond to appropriate questions and will be given an opportunity to make a statement if they so desire. We do not expect any representative of Arthur Andersen to be present at the Annual Meeting.

AUDIT AND RELATED FEES

During the fiscal year ended March 31, 2002, Arthur Andersen provided services to the Company in the following categories and amounts:

DESCRIPTION	AMOUNT
-----	-----
Audit and Review Service Fees	\$ 46,500
Tax Return Preparation Fees	\$ 66,800
Financial Information Systems Designs and Implementation Fees	\$ --
All Other Fees	\$ --

Edgar Filing: ABIOMED INC - Form DEF 14A

The above amounts excluded audit fees and tax return preparation fees for work performed by PWC after March 31, 2002, including fees for the audit of the Company's financial results for the three years ended March 31, 2002 and related tax return preparation which fees are estimated to be \$650,000 and \$40,000, respectively. The Company expects to be billed for these services during its ongoing fiscal year. PWC has not performed services for the Company other than audit services and tax return preparation services. The Audit Committee has determined that PWC's services to the Company were at all times compatible with that firm's independence.

REPORTING UNDER SECTION 16(a) OF THE SECURITIES AND EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes of ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission, and furnish the Company with copies of such Forms.

Based solely upon review of Forms 3, 4 and 5 and amendments thereto furnished to the Company with respect to the fiscal year ended March 31, 2002 and on written representations from certain reporting persons that were not required to file Forms 5 with respect to the Company's most recent fiscal year, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% stockholders were fulfilled in a timely manner.
