**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD SEPTEMBER 12, 2006**

Unless the context requires otherwise, references in this statement to *Gryphon Gold*, the *Company*, *we*, *us*, or *our* refer to Gryphon Gold Corporation.

The Annual Meeting of Stockholders of Gryphon Gold will be held on Tuesday, September 12, 2006 at The Vancouver Club, 915 West Hastings Street, Vancouver, BC, beginning at 1:30PM. We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company's Board of Directors (the *Board*) of proxies for this Annual Meeting. The Company anticipates that this Proxy Statement and the form of proxy will first be mailed to holders of the Company's Stock on or about August 18, 2006.

You are invited to attend the meeting at the above stated time and location. If you plan to attend and your shares are held in street name in an account with a bank, broker, or other nominee- you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing and returning the proxy card or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee. **A returned signed proxy card without an indication of how shares should be voted will be voted FOR the election of all Directors, FOR the ratification of the By-laws Amendment, FOR the ratification of the 2006 Omnibus Incentive Plan, FOR the ratification of the audited financial statements, and FOR the ratification of the Company's independent registered public accounting firm.**

Our corporate bylaws define a quorum as a majority of the voting power of the issued and outstanding voting stock present in person or by proxy. The Company's Articles of Incorporation do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected. A simple majority of the shares present, whether in person or by proxy, is required to ratify the By-laws Amendment, the 2006 Omnibus Incentive Plan, the 2006 audited financial statements, and the appointment of the Company's independent registered public accounting firm.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business August 9, 2006, and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Anthony D.J. Ker, Executive Vice-President Treasurer and Secretary to Gryphon Gold, your representative at the meeting. As your representative, he will vote your shares at the meeting (or any adjournments or postponements) as you have instructed them on the proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card in advance of the meeting, just in case your plans change.

If an issue comes up for vote at the meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representative will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board of Directors has fixed August 9, 2006, as the record date for the Annual Meeting. Only holders of Gryphon Gold voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of August 9, 2006, the Company had [41,048,870] shares of Common Stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

The election of eight (8) directors for terms expiring in 2007;

The ratification of the By-laws Amendment;

What am I voting on?

The ratification of the 2006 Omnibus Incentive Plan;

The ratification of the Company's 2006 fiscal audited financial statements;

The ratification of the appointment of the Company's independent registered public accounting firm; and

Any other business that may properly come before the meeting.

3

Each share of Common Stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the nominees to the Board, **FOR** the ratification of the By-laws Amendment, **FOR** the ratification of the 2006 Omnibus Incentive Plan, **FOR** the ratification of the 2006 audited financial statements, and **FOR** the ratification of the appointment of the Company's independent registered public accounting firm.

How do I vote?

You have several voting options. You may vote by:

Signing your proxy card and mailing it in the enclosed, prepaid and addressed envelope;

Signing and faxing your proxy card to our transfer agent for proxy voting at the number provided on the proxy card;

Voting over the Internet by following the procedures provided on the proxy card; or

Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

The Company will pass out written ballots to anyone who wants to vote at the meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it likely means that you have multiple accounts with the transfer agent and/or with stockbrokers. Please vote all of the shares.

Can stockholders vote in person at the Annual Meeting?

What if I share an address with another shareholder and we received only one copy of the proxy materials?

If certain requirements are met under relevant U.S. securities law, including in some circumstances the shareholder's prior written consent, we are permitted to deliver one annual report and one proxy statement to a group of shareholders who share the same address. If you share an address with another shareholder and have received only one copy of the proxy materials, but desire another copy, please send written request to our offices at the address below

4

or call us at (604) 261-2229 to request another copy of the proxy materials. Please note that each shareholder should receive a separate proxy card to vote the shares they own.

Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals and will not affect the outcome of the vote of any proposal contained in this year's Proxy Statement.

How many votes are needed to elect directors?

The nominees for election as directors at the 2006 Annual Meeting will be elected by a plurality of the votes cast at the meeting. A properly executed proxy card marked *Withheld* with respect to the election of directors will not be voted and will not count *FOR* or *AGAINST* any of the nominees.

How many votes are needed to ratify the By-laws Amendment?

The ratification of the By-laws Amendment will be approved if the votes cast *FOR* the proposal exceed the votes cast *AGAINST* the proposal (a majority of shares voting). A properly executed

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares.

If your shares are registered in your name, and you do not sign and return your proxy card, your shares will not be voted at the meeting.

How are votes counted?

Your shares will be voted as you indicate. If you just sign your proxy card with no further instructions, your shares will be voted:

FOR each director nominee for terms expiring in 2007;

FOR the ratification of the By-laws Amendment;

FOR the ratification of the Omnibus 2006 Incentive Plan;

FOR the ratification of the audited financial statements; and

FOR the ratification of the appointment of the independent registered public accountant.

Voting results will be tabulated and certified by the Inspector of Elections.

Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

The information below sets out the current members of each of Gryphon Gold's board committees and summarizes the functions of each of the committees in accordance with their mandates.

Audit Committee and Audit Committee Financial Experts

Our Audit Committee has been structured to comply with Canadian Multilateral Instrument 52-110-Audit Committees (MI 52-110) and Section 3(a)(58)(A) of the Securities Exchange Act of 1934. Our Audit Committee is comprised of Chris Herald, Don Gentry and Rohan Hazelton, all of whom are independent directors under MI 52-110 and the audit committee rules of the American Stock Exchange. Rohan Hazelton is the Chairman of the Audit Committee. Both Rohan Hazelton and Chris Herald satisfy the criteria for an audit committee financial expert under Item 401(e) of Regulation S-B of the rules of the Securities and Exchange Commission.

The Audit Committee meets with management and Gryphon Gold's external auditors to review matters affecting financial reporting, the system of internal accounting and financial

controls and procedures and the audit procedures and audit plans. The Audit Committee reviews Gryphon Gold's significant financial risks, will be involved in the appointment of senior financial executives and will annually review Gryphon Gold's insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor Gryphon Gold's audit and the preparation of financial statements and to review and recommend to the board of directors all financial disclosure contained in Gryphon Gold's public documents. The Audit Committee is also mandated to appoint external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the board of directors. The Audit Committee and board of directors each have the authority to terminate the external auditor's engagement (subject to confirmation by shareholders). The Audit Committee will also approve in advance any services to be provided by the external auditors which are not related to the audit.

During the fiscal year ended March 31, 2006, the Audit Committee met 4 times. A copy of the Audit Committee charter accompanies this proxy statement as **Appendix B**.

Stock Option Plan

Our Stock Option Plan provides that the total number of shares of common stock which may be issued pursuant to the Stock Option Plan shall not exceed 3,000,000 shares of common stock. However, the board of directors has approved the Omnibus Plan, which will allow for the issuance of 3,000,000 shares of common stock and 1,000,000 Restricted Stock Units. The proposed Omnibus Plan is subject to stockholder approval at the next annual meeting of the stockholders, see Proposal 3.

The Stock Option Plan is administered by the Compensation Committee, and has full and final authority with respect to the granting of options there under. Options may be granted under the Stock Option Plan to such directors, officers, employees or consultants of Gryphon Gold and its subsidiaries as the Compensation Committee may from time to time designate (referred to as a participant). Each option will generally entitle a participant to purchase one share of common stock during the term of the option upon payment of the exercise price. The exercise price of any options granted under the Stock Option Plan shall be determined by the Compensation Committee and may not be less than the market price of our common stock on the date of grant of the options (calculated in accordance with the rules of the Toronto Stock Exchange as the volume weighted average trading price for the five trading days preceding the date of grant). Gryphon Gold may provide financial assistance to eligible persons to purchase shares of common stock under the Stock Option Plan, subject to applicable law and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over the Corporation or a trade in its securities. Any financial assistance so provided will be repayable with full recourse and the term of any such financing shall not exceed the term of the option to which the financing applies.

24

The term of any options granted shall be determined by the Compensation Committee at the time of the grant but the term of any options granted under the Stock Option Plan shall not exceed ten years. If desired by the Compensation Committee, options granted under the Stock Option Plan may be subject to vesting provisions. Options granted under the Stock Option Plan are not transferable or assignable other than by will or otherwise by operation of law. In the event of death or disability of an option holder, options granted under the Stock Option Plan expire one year from the death or disability of the option holder.

Certain restrictions contained in the Stock Option Plan include:

the number of shares of common stock which may be issued pursuant to the Stock Option Plan (or any other employee-related plan or options for service) to any one person may not exceed 5% of all the common shares issued and outstanding on a non-diluted basis from time to time; and

the number of shares of common stock which may be issued pursuant to the Stock Option Plan (or any other employee-related plan or options for services) to insiders (as defined in the rules of the Toronto Stock Exchange to include generally directors, senior officers of Gryphon Gold or its subsidiaries or shareholders who own more than 10% of our common stock) during any twelve month period may not exceed 10% of the common stock issued and outstanding on a non-diluted basis from time to time (unless approval of disinterested shareholders has been obtained in accordance with the rules of the Toronto Stock Exchange).

the number of shares of common stock which may be reserved for issuance in respect of options granted to insiders pursuant to the Stock Option Plan (or any other employee-related plan or options for service) may not exceed 10% of the common stock issued and outstanding on a non-diluted basis from time to time unless approval of disinterested shareholders has been obtained in accordance with the rules of the Toronto Stock Exchange).

Gryphon Gold's board of directors may at any time terminate or amend the Stock Option Plan in any respect, provided however, that the board may not, without the approval of the shareholders, amend the Stock Option Plan or any option granted thereunder in any manner that requires shareholder approval under applicable law or the rules and policies of any stock exchange or quotation system upon which the common shares are listed or quoted.

2006 Omnibus Incentive Plan

As described above, the Board has adopted the 2006 Omnibus Incentive Plan. **PROPOSAL 3 RATIFICATION OF
THE 2006 OMNIBUS INCENTIVE PLAN**

What am I voting on?

The Company has approved a new incentive plan in order to attract and retain key persons who perform valuable services for the Company. The new plan is the 2006 Omnibus Incentive Plan (the Omnibus Plan).

The Board determined that it was in the best interests of the Company and the stockholders for the Company to write a new plan for stock and option awards. As part of the requirements for listing with the Toronto Stock Exchange, the Omnibus Plan must be approved by the Company's stockholders.

This proposal is to ratify the Omnibus Plan as approved by the Board.

What are the general provisions of the Omnibus Plan?

The following is a summary of important Omnibus Plan provisions. It is not a comprehensive discussion of all of the terms and conditions of the Omnibus Plan. The information provided below may be modified or altered by some provisions in the Omnibus Plan. Readers are advised to review the full text of the Omnibus Plan to fully understand all terms and conditions of the Omnibus Plan. A copy of the Omnibus Plan is attached hereto as Appendix E.

Purpose

The purpose of the Omnibus Plan is to promote the interests of the Company and its stockholders by aiding the Company in attracting and retaining employees, officers, consultants, independent contractors and directors capable of assuring the future success of the Company, to offer such persons incentives to put forth maximum efforts for the success of the Company's business and to afford such persons an opportunity to acquire a proprietary interest in the Company.

Persons Eligible

Any employee, officer, director, consultant, independent contractor, or director of or providing services to the Company or any parent, affiliate, or subsidiary of the Company is eligible to designated a participant in the Omnibus Plan. However, stock option grants may only be granted to full- or part-time employees, officers, or directors of the Company or one of its subsidiaries.

Administration

The Omnibus Plan is administered by the Company's Compensation Committee, or such other committee as the Board may assign administrative responsibility in the best interests of the Company. The administering committee (the Committee) has the power to: (i) designate Omnibus Plan participants; (ii) determine the type or types of awards to be granted to participants under the Omnibus Plan; (iii) determine the number of shares to be covered by each award; (iv) determine the terms and conditions of any award or award agreement; (v) amend the terms and conditions of any award or award agreement and accelerated the exercisability of any option or waive any restrictions relating to any award; (vi) determine whether and to what extent, and under what circumstances, awards may be exercised in cash, shares of the Company, promissory notes (which don't conflict with the provisions of the Sarbanes-Oxley Act), other securities, or other

property, or may be canceled, forfeited, or suspended; (vii) interpret and administer the Omnibus Plan and any awards or award agreements thereunder; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it deems appropriate to administer the Omnibus Plan; (ix) make any other determination or take any other action that the Committee deems necessary or desirable to the administration of the Omnibus Plan.

Shares Available under the Omnibus Plan

The aggregate number of shares available to be issued under the Omnibus Plan is 4,000,000 shares of common stock. Of the aggregate total, the number of shares available for granting incentive stock options is 3,000,000 and the number of shares available for restricted stock grants is 1,000,000 both subject to adjustment under the Omnibus Plan's anti-dilution provisions.

Limitations on Awards to Insiders

Awards in any form to Company insiders (generally, directors, officers, and 10% shareholders) are limited under the Omnibus Plan. No award shall be granted under the Omnibus Plan which may result in the aggregate number of common shares of the Company issued to insiders pursuant to the terms of awards previously granted within any one-year period, and issuable to insiders, at any time under the Omnibus Plan or any other security based compensation arrangement of the Company exceeding 10% of the common shares of the Company issued and outstanding at the relevant time. In addition, no award may be granted under the Omnibus Plan which may result in the aggregate number of common shares issuable to any insider at any time under the Omnibus Plan or any other security based compensation plan arrangement of the Company exceeding 5% of the common shares of the Company issued and outstanding at the relevant time.

Options

The exercise price of options granted under the Omnibus Plan is determined by the Committee provided that the exercise price may not be less than 100% of the fair market value of a share on the date of the grant.

The term of each option shall be fixed by the Committee at the time of the grant, but may not exceed 10 years. The Committee also determines the vesting schedule of options and the method in which payment of the exercise price may be made.

Incentive stock options granted under the Omnibus Plan and exercisable for the first time by any participant during any calendar year may not exceed \$100,000 in aggregate fair market value. Incentive stock options granted under the Omnibus Plan terminate no later than 10 years after the date of grant, except incentive stock options granted to 10% shareholders terminate 5 years after the date of grant. Incentive stock options must have an exercise price of at least 100% of the fair market value, but incentive stock options granted to 10% shareholders will have an exercise price of at least 110% of the fair market value.

Fair market value is defined under the Omnibus Plan to mean fair market value of such property determined by such methods or procedures as shall be established from time to time by the Committee. Notwithstanding the foregoing and unless otherwise determined by the Committee, the Fair market value of a share as of a given date shall be, if the shares are then listed on the Toronto Stock Exchange, the volume weighted average trading price of one share as reported on the Toronto Stock Exchange for the five trading days immediately preceding such date.

Stock Appreciation Rights

The Committee is authorized to grant Stock Appreciation Rights to eligible persons subject to the terms of the Omnibus Plan. Each Stock Appreciation Right granted under the Omnibus Plan shall confer on the holder upon exercise the right to receive, as determined by the Committee, cash or a number of Shares equal to the excess of (a) the fair market value of one share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (b) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the fair market value of one share on the date of grant of the Stock Appreciation Right.

Options may not be converted into Stock Appreciation Rights, except at the discretion of the Committee which has the power to substitute any award granted under the Omnibus for any other award available under the Omnibus Plan, subject to and pursuant to the terms of the Omnibus Plan.

Restricted Stock

The Committee is authorized to grant Restricted Stock to eligible persons under the Omnibus Plan. Shares of Restricted Stock shall be subject to such restrictions as the Committee may impose (including, without limitation, a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

Restricted Stock Units

The Committee is authorized to grant Restricted Stock Units to eligible persons under the Omnibus Plan. A Restricted Stock Unit award will be subject to a Restricted Stock Unit Award Agreement containing such terms and conditions, not inconsistent with the provisions of the Omnibus Plan, as the Committee determines.

Performance Awards

The Committee is authorized to grant Performance Awards to eligible persons subject to the terms of the Omnibus Plan. A Performance Award granted under the Omnibus Plan (i) may be denominated or payable in cash, shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. - (A) The persons who are eligible for the grant of awards;

(J) Any other matter which does not expressly require the approval of shareholders of the Company as provided below.

Subject to regulatory approval and the limitations below, the Board may amend the terms of any outstanding Award provided that the terms of such amendment are made in accordance with the Omnibus Plan;

Subject to regulatory approval, the Board may amend any of the provisions of the Omnibus Plan relating to the following, provided the Board obtains the approval of the shareholders of the Company in respect thereof:

- (A) The limitations on grants of Options to Insiders, and the number of Shares that may be reserved for issuance to Insiders; or
- (B) The maximum number of shares reserved for issuance upon exercise of awards granted under the Omnibus Plan.

None of the amendments listed above may, without the consent of any holder of awards under the Omnibus Plan, be made if such amendment will have the effect of impairing, derogating from or otherwise adversely affecting such holder's rights under the Omnibus Plan, unless additional similar rights comparable thereto, or other compensation of equal or greater value, is given to such holder.

What are the tax consequences of the Omnibus Plan?

The following is a summary of the principal U.S. federal income tax consequences generally applicable to Awards under the Omnibus Plan.

Options and SARs. The grant of an Option or SAR should not result in any taxable income for the recipient. The holder of an ISO generally will have no taxable income upon exercising the ISO (except that an alternative minimum tax liability may result), and the Company will not be entitled to a tax deduction when an ISO is exercised. Upon exercising a Non-Qualified Stock Option, the optionholder must recognize ordinary income equal to the excess of the fair market value of the shares of Company common stock acquired on the date of exercise over the exercise price, and the Company will be entitled at that time to a tax deduction for the same amount. Upon the exercise of an SAR, the amount of any cash received and the fair market value on the exercise date of any shares of Company common stock received are taxable to the recipient as ordinary income, and are deductible by the Company.

The tax consequence to an optionholder upon a disposition of shares of Company common stock acquired through the exercise of an Option will depend on how long the shares have been held and whether the shares were acquired by exercising an ISO or by exercising a

Non-Qualified Stock Option or SAR. Generally, there will be no tax consequences to the Company in connection with the disposition of shares acquired pursuant to an Option. However, the Company may be entitled to a tax deduction in the case of a disposition of shares acquired pursuant to an ISO before the applicable ISO holding periods set forth in the Code have been satisfied.

Other Awards. For other Awards granted under the Omnibus Plan that are payable in cash or shares of Company common stock and that are either transferable or not subject to substantial risk of forfeiture, the holder of such an Award must recognize ordinary income equal to the excess of (a) the cash or the fair market value of the shares of Company common stock received (determined as of the date of such receipt) over (b) the amount (if any) paid for the shares of Company common stock by the holder of the Award. The Company will be entitled at that time to a deduction for the same amount if and to the extent that amount satisfies general rules concerning deductibility of compensation.

For an Award that is payable in shares of Company common stock that are restricted as to transferability and subject to substantial risk of forfeiture, unless a special election is made pursuant to Section 83(b) of the Code, the holder of the Award must recognize ordinary income equal to the excess of (x) the fair market value of the shares of Company common stock received (determined as of the first time the shares became transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (y) the amount (if any) paid for the shares of Company common stock by the holder. The Company will be entitled at that time to a tax deduction for the same amount if and to the extent that amount satisfies general rules concerning deductibility.

Special Rules. Special rules may apply in the case of individuals subject to Section 16(b) of the Exchange Act. In particular, unless a special election is made pursuant to Section 83(b) of the Code, shares of Company common stock received pursuant to the exercise of an Option or SAR may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized, and the amount of the Company's tax deduction, may be determined as of the end of such period.

Deductibility of Executive Compensation Under Code Section 162(m). Section 162(m) of the Code generally limits to \$1,000,000 the amount that a publicly-held corporation is allowed each year to deduct for the compensation paid to each of the corporation's chief executive officer and the corporation's other four most highly compensated executive officers. However, qualified performance-based compensation is not subject to the \$1,000,000 deduction limit. In general, to qualify as performance-based compensation, the following requirements need to be satisfied: (1) payments must be computed on the basis of an objective, performance-based compensation standard determined by a committee consisting solely of two or more outside directors, (2) the material terms under which the compensation is to be paid, including the business criteria upon which the performance goals are based, and a limit on the maximum bonus amount which may be paid to any participant pursuant with respect to any performance period, must be approved by a majority of the corporation's shareholders and (3) the committee must certify that the applicable performance goals were satisfied before payment of any performance-based compensation.

The Omnibus Plan has been designed to permit grants of Options and SARs issued under the Omnibus Plan to qualify under the performance-based compensation rules so that income attributable to the exercise of a Non-Qualified Stock Option or an SAR may be exempt from \$1,000,000 deduction limit. Grants of other Awards under the Omnibus Plan may not so qualify

for this exemption. The Omnibus Plan's provisions are consistent in form with the performance-based compensation rules, so that if the committee that grants Options or SARs consists exclusively of members of the board of directors of the Company who qualify as outside directors, and the exercise price (or deemed exercise price, with respect to SARs) is not less than the fair market value of the shares of Common Stock to which such grants relate, the compensation income arising on exercise of those Options or SARs should qualify as performance-based compensation which is deductible even if that income would be in excess of the otherwise applicable limits on deductible compensation income under Code Section 162(m).

This proposal seeks shareholder ratification of the appointment of Ernst & Young LLP.

INFORMATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ernst and Young LLP was the Independent Registered Public Accounting Firm for the Company in the fiscal year ended March 31, 2006.

Our financial statements have been audited by Ernst & Young LLP, independent registered public accounting firm, for the years ended March 31, 2005 and 2004 and for the period from April 24, 2003 (inception) to March 31, 2004.

Effective on or about June 20, 2005, we terminated the services of our former independent auditor, DeVisser Gray, Chartered Accountants of Vancouver, British Columbia.

No adverse opinion or disclaimer of opinion was issued during the past two years by our former accountant, and no opinion of our former accountant was qualified or modified as to uncertainty, audit scope or accounting principles.

The change in auditors was recommended by our Board of Directors.

During the two most recent fiscal years and the interim period preceding such dismissal, we are not aware of any disagreements with our former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of our former accountant, would have caused it to make references to the subject matter of the disagreement(s) in connection with its report.

We are not aware of any events (reportable under Item 304 (a)(1)(B) of Regulation S-B) that have occurred during the two most recent fiscal years and the interim period preceding the dismissal of our former accountant.

During the two most recent fiscal years and the interim period preceding the appointment of Ernst & Young, we have not consulted Ernst & Young regarding either:

- 1) The application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us that we considered an important factor in reaching a decision as to the accounting or financial reporting issue; or
- 2) Any matter that was either the subject of a disagreement or event (reportable under Regulation S-B, Item 304(a)(1)(iv)(B)).

E-3

Agreement; (v) amend the terms and conditions of any Award or Award Agreement and accelerate the exercisability of any Option or waive any restrictions relating to any Award; (vi) determine whether, to what extent and under what circumstances Awards may be exercised in cash, Shares, promissory notes *provided, however*, that the acceptance of such promissory notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002, other securities, other Awards or other property, or canceled, forfeited or suspended; (vii) interpret and administer the Plan and any instrument or agreement, including an Award Agreement, relating to the Plan; (viii) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (ix) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. (b) Power and Authority of the Board. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan.

Section 4. Shares Available for Awards

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 4,000,000. Shares to be issued under the Plan may be either authorized but unissued Shares or Shares re-acquired and held in treasury. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. Any Shares that are used by a Participant as full or partial payment to the Company of the purchase price relating to an Award, including Shares tendered in connection with the satisfaction of tax obligations relating to an Award, shall again be available for granting Awards under the Plan. In addition, if any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan.

E-4

(c) Adjustments. In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, tender offer, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards and (iii) the purchase price or exercise price with respect to any Award; *provided, however*, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number. Notwithstanding the above, in the event (i) of any reorganization, merger, tender offer, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company or any other similar corporate transaction or event or (ii) the Company shall enter into a written agreement to undergo such a transaction or event, the Committee may, in its sole discretion, cancel any or all outstanding Awards and pay to the holders of any such Awards that are otherwise vested, in cash, the value of such Awards based upon the price per share of capital stock received or to be received by other stockholders of the Company in such event, provided that if and to the extent required by Code Section 409A and applicable guidance thereunder this sentence shall not apply to any award that is subject to Code section 409A.

(d) Section 162(m) Award Limitations Under the Plan. Notwithstanding any other provision of the Plan other than Section 4(c), if the Committee determines that this Section 4(d) is applicable to a particular Award, no Participant receiving such an Award shall be granted: (i) Options or Stock Appreciation Rights with respect to more than 250,000 Shares in the aggregate within any fiscal year of the Company; or (ii) Qualified Performance Based Awards which could result in such Participant receiving more than \$250,000 in cash or the equivalent Fair Market Value of Shares with respect to such Qualified Performance Based Awards during any year, *provided*, however, that the limitations set forth in this Section 4(d) shall be subject to adjustment under Section 4(c) of the Plan only to the extent that such adjustment does not affect the status of any Award intended under Section 6(d) to qualify as performance based compensation under Section 162(m) of the Code. The foregoing annual limitation specifically includes the grant of any Award or Awards representing qualified performance-based compensation within the meaning of Section 162(m) of the Code.

(e) Limitations on Awards to Insiders. Notwithstanding any other provision of the Plan, no Participant who is an Insider of the Company shall be granted an Award in any form which may result in the issuance of Shares if the aggregate number of Shares:

- (i) issued to Insiders pursuant to the terms of Awards previously granted, within any one year period, and issuable to Insiders, at any time, under the Plan or any other Security Based Compensation Arrangement of the

E-5

Company shall exceed 10% of the Shares issued and outstanding at the relevant time.

- (ii) issuable to any Insider, at any time, under the Plan or any other Security Based Compensation Arrangement of the Company shall exceed 5% of the Shares issued and outstanding at the relevant time.

Section 5. Eligibility

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code or any successor provision.

Section 6. Awards

(a) Options. The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee; *provided, however*, that such purchase price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option.

(ii) Option Term. The term of each Option shall be fixed by the Committee at the time of grant but in no event may exceed 10 years from the date of grant.

(iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, promissory notes *provided, however*, that the acceptance of such promissory notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which payment of the exercise price with respect thereto may be made or deemed to have been made.

E-6

(iv) Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, the following additional provisions shall apply to the grant of stock options which are intended to qualify as Incentive Stock Options:

(A) The Committee will not grant Incentive Stock Options in which the aggregate Fair Market Value (determined as of the time the option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under this Plan and all other plans of the Company and its Affiliates) shall exceed \$100,000.

(B) All Incentive Stock Options must be granted within ten years from the earlier of the date on which this Plan was adopted by the Board or the date this Plan was approved by the stockholders of the Company.

Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the applicable Award Agreement and possible forfeiture of such shares of Restricted Stock.

(iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment (as determined under criteria established by the Committee) during the applicable restriction period, all applicable Shares of Restricted Stock at such time subject to restriction shall be forfeited and reacquired by the Company; *provided, however*, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock.

The Committee may, in its discretion, reduce the amount of a payout otherwise to be made in connection with a Qualified Performance Based Award, but may not exercise discretion to increase such amount.

Except as otherwise determined by the Committee (for Awards other than an Incentive Stock Option), no Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or other encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.

If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

(B) The maximum number of shares reserved for issuance upon exercise of Awards available under the Plan (including the provisions of section 4(a) of the Plan relevant thereto); and

E-14

(b) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

Section 8. Income Tax Withholding

In order to comply with all applicable federal, state or local income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state or local payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the federal, state and local taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (ii) delivering to the Company Shares

other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

Section 9. General Provisions

(a) No Rights to Awards. No Eligible Person or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) Award Agreements. No Participant will have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.

(c) Plan Provisions Control. In the event that any provision of an Award Agreement conflicts with or is inconsistent in any respect with the terms of the Plan as set forth herein or subsequently amended, the terms of the Plan shall control.

(d) No Rights of Stockholders. Except with respect to Shares of Restricted Stock as to which the Participant has been granted the right to vote, neither a Participant nor the Participant's

E-15

legal representative shall be, or have any of the rights and privileges of, a stockholder of the Company with respect to any Shares issuable to such Participant upon the exercise or payment of any Award, in whole or in part, unless and until such Shares have been issued in the name of such Participant or such Participant's legal representative without restrictions thereto.

(e) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

(f) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ, or as giving a director of the Company or an Affiliate the right to continue as a director or an Affiliate of the Company or any Affiliate, nor will it affect in any way the right of the Company or an Affiliate to terminate such employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment, or terminate the term of a director of the Company or an Affiliate, free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement. Nothing in this Plan shall confer on any person any legal or equitable right against the Company or any Affiliate, directly or indirectly, or give rise to any cause of action at law or in equity against the Company or an Affiliate. The Awards granted hereunder shall not form any part of the wages or salary of any Eligible Person for purposes of severance pay or termination indemnities, irrespective of the reason for termination of employment. Under no circumstances shall any person ceasing to be an employee of the Company or any Affiliate be entitled to any compensation for any loss of any right or benefit under the Plan which such employee might otherwise have enjoyed but for termination of employment, whether such compensation is claimed by way of damages for wrongful or unfair dismissal, breach of contract or otherwise. By participating in the Plan, each Participant shall be deemed to have accepted all the conditions of the Plan and the terms and conditions of any rules and regulations adopted by the Committee and shall be fully bound thereby.

(g) Governing Law. The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the internal laws, and not the law of conflicts, of the State of Nevada.

(h) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the

Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(i) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the

E-16

Company or any Affiliate and an Eligible Person or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(j) Other Benefits. No compensation or benefit awarded to or realized by any Participant under the Plan shall be included for the purpose of computing such Participant's compensation under any compensation-based retirement, disability, or similar plan of the Company unless required by law or otherwise provided by such other plan.

(k) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(l) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

(m) Section 16 Compliance; Section 162(m) Administration. The Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events the Plan shall be construed in accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board of Directors, in its absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan with respect to persons who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Eligible Persons. With respect to Options, Stock Appreciation Rights, and Qualified Performance Based Awards, the Company intends to have the Plan administered in accordance with the requirements for the award of qualified performance-based compensation within the meaning of Section 162(m) of the Code.

(n) Conditions Precedent to Issuance of Shares. Shares shall not be issued pursuant to the exercise or payment of the purchase price relating to an Award unless such exercise or payment and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder, the requirements of any applicable Stock Exchange, applicable Nevada general corporation law, and applicable Canadian and provincial law. As a condition to the exercise or payment of the purchase price relating to such Award, the Company may require that the person exercising or paying the purchase price represent and warrant that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation and warranty is required by law.

E-17

Section 10. Effective Date of the Plan

The Plan shall be effective upon its adoption by the Board, *provided, however*, that in the event the Plan is not approved by the stockholders of the Company within one year thereafter, the Plan will be terminated and all Awards granted under the Plan will be terminated and deemed null and void, *provided, however*, that with respect to any Shares (including Shares of Restricted Stock) issued under the Plan prior to such termination, the Plan shall be deemed to be effective.

Section 11. Term of the Plan

No Award shall be granted under the Plan after ten years from earlier of date of adoption of Plan by Board or date of stockholder approval or any earlier date of discontinuation or termination established pursuant to Section 7(a) of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board to amend the Plan, shall extend beyond the termination of the Plan.
