Item 3.02

Unregistered Sale of Equity Securities.

On January 21, 2011, Gryphon Gold Corporation (the “Registrant”) closed the private placement announced on January 5, 2011 and issued 6,500,000 units at a purchase price of Cdn.\$0.20 per unit for gross proceeds to the Registrant of Cdn.\$1,300,000. Each unit consists of one share of common stock of the Registrant and one half of one common stock purchase warrant. Each whole common stock purchase warrant is exercisable for a period of two years from the date of closing of the private placement to purchase one additional share of common stock of the Registrant at an exercise price of US\$0.30. The units were offered for sale directly by the Registrant. In connection with the private placement, the Registrant has paid qualified registered dealers cash commissions in the aggregate amount of Cdn.\$69,161. The proceeds of the private placement will be applied to fund the continuation of the Registrant’s exploration and development program and for general corporate purposes.

The units were placed within the United States solely to “accredited investors” as defined in Rule 501(a) of Regulation D of the Securities Act of 1933, as amended (the “Securities Act”) pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 506 of Regulation D and outside the United States pursuant to an exemption from the registration requirements of the Securities Act under Rule 903 of Regulation S of the Securities Act on the basis that the sale of the units was completed in an “offshore transaction”, as defined in Rule 902(h) of Regulation S. In determining the availability of this exemption, the Registrant relied on representations made by the investors in the subscription agreements pursuant to which the units were purchased.
