Compensatory Arrangements of Certain Officers

Departure of Directors

Arthur A. Russ, Jr., a Class I director, retired and tendered his resignation from the Board of Directors of the Company effective May 6, 2015. Mr. Russ' resignation, which was accepted by the Board, was not the result of any disagreement with the Company.

2015 Equity Incentive Plan and 2015 Management Stock Purchase Plan

On May 7, 2015, the stockholders of the Company approved the adoption of a new equity based incentive compensation plan known as the Gibraltar Industries, Inc. 2015 Equity Incentive Plan (the "New Plan"). The New Plan was adopted by the Company's Board of Directors on March 20, 2015 subject to approval of the shareholders. In connection with the Company's establishment of the New Plan, the Company has also adopted a new management stock purchase plan known as the Gibraltar Industries, Inc. 2015 Management Stock Purchase Plan (the "New MSPP"). The New Plan permits the Company to grant a wide variety of equity based incentive compensation awards to officers, directors and other key employees of the Company and its subsidiaries. The types of equity based incentive compensation awards which may be issued by the Company under the terms of the New Plan include restricted stock, restricted stock units, performance stock, performance stock units, options (other than incentive stock options provided for by Section 422 of the Internal Revenue Code) and stock rights. The total number of shares of common stock of the Company reserved for issuance pursuant to the New Plan is 1,250,000. The terms and conditions upon which equity based incentive compensation awards granted to executive officers and directors are earned and payable is determined by the Compensation Committee of the Company's Board of Directors.

The foregoing description of the terms and conditions of the New Plan is qualified in its entirety by reference to the terms and conditions of this plan, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

The New MSPP permits officers and certain key employees of the Company and its subsidiaries to defer payment of a portion of their base salary and a portion of their annual incentive bonus. The New MSPP also permits directors of the Company to defer a portion of their annual retainer fees and a portion of their meeting fees. In return for the deferral of a portion of their base salary and bonus or their annual retainer fees and meeting fees, officers and key employees and directors who have elected to defer are credited with restricted stock units in an amount equal to the number of shares of common stock of the Company which could have been acquired with the amount deferred at a price per share equal to the fair market value of the Company's common stock as determined by the New MSPP. In addition to restricted stock units credited to directors, officers and key employees based on their deferral of director fees, base

salary or bonus, the directors who have deferred their annual retainer fees and officers and key employees who have deferred their base salary or bonus are credited with matching restricted stock units in an amount based on their deferrals. Thereafter, upon termination of a director's service as a member of the Board of Directors and upon the termination of employment of officers and key employees, the restricted stock units which have been credited to the director, officer or key employee are converted to cash and, subject to the terms of the New MSPP, paid as elected by the director, officer or employee at the time of deferral. Provided that the termination of the director's service as a member of the Board of Directors or the termination of the employment of an officer or key employee occurs after the director,

officer or key employee has attained age 60, the matching restricted stock units are also converted to cash and paid to the director, officer or key employee. If a director's service as a member of the Board of Directors or an officer or key employee's employment is terminated before age 60, matching restricted stock units are forfeited.

The foregoing description of the terms and conditions of the New MSPP is qualified in its entirety by reference to the terms and conditions of this plan, a copy of which is filed as Exhibit 10.2 hereto and is incorporated herein by reference.

Award of Restricted Stock

On May 7, 2015, under the direction of the Compensation Committee, the Company also made awards of Restricted Stock under the terms of the New Plan. The awards of restricted stock provide that the shares awarded may not be transferred by the recipient until the end of the three year period beginning on the date of the restricted stock award, or, if earlier, on the date a director retires, provided that at least one year has elapsed from the date of the award of restricted stock and the date of the director's retirement. Shares of restricted stock awarded are also transferable upon the death or disability of a director.

The foregoing description of the term and conditions of the restricted stock awarded to directors is qualified in its entirety by reference to the terms and conditions of the form of the Award, a copy of which is attached hereto as Exhibit 10.3 and is incorporated herein by reference.

Amendment and Restatement of 2005 Equity Incentive Plan and 2005 Management Stock Purchase Plan

In connection with the Company's adoption of the New Plan, the Company amended the Gibraltar Industries, Inc. 2005 Equity Incentive Plan (the "2005 Plan") and the Company's 2005 Management Stock Purchase Plan (the "2005 MSPP") to provide that effective as of May 7, 2015, no further Awards will be granted to any Eligible Persons under the terms of the Plan except for Restricted Units which are to be credited to the Accounts of Employees pursuant to elections made by such Employees to defer a portion of their Base Salaries under the terms of the 2005 MSPP for the 2015 calendar year and Restricted Units which will be credited to Accounts of non-Employee Directors pursuant to elections made by the Company's Directors to defer a portion of their Director Fees under the terms of the 2005 MSPP for the 2015 calendar year.

The foregoing description of the terms and conditions of the amendment of the 2005 Plan is qualified in its entirety by reference to the terms and conditions of that Second Amendment to Third Amendment And Restatement to the Plan, a copy of which is filed as Exhibit 10.4 and is incorporated herein by reference.

In addition, the foregoing description of the terms and conditions of the amendment of the 2005 MSPP is qualified in its entirety by reference to the terms and conditions of the First Amendment to Fourth Amendment And Restatement to the 2005 MSPP, a copy of which is filed as Exhibit 10.5 and is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws.

On May 11, 2015, Gibraltar Industries, Inc. (the "Company") filed an Amendment to its Certificate of Incorporation (the "Amendment"), amending Article TENTH thereof to eliminate the provisions that result in staggered expiration of the terms of members of the Board of Directors and to provide instead for the annual election of all Directors

The Company believes the Amendment provides stockholders with improved rights. The Company's Nominating and Corporate Governance Committee recommended that these rights be provided to our stockholders in its continuing efforts to implement best-in-class corporate governance practices. The Company's stockholders adopted the Amendment at the Company's Annual Meeting of Stockholders on May 7, 2015.

Article TENTH of the Company's Certificate of Incorporation, as so amended, is set forth in its entirety below:

"TENTH: (a) The number of directors of the Corporation, exclusive of directors, if any, to be elected by the holders of one or more classes or series of Preferred Stock, shall be not less than three nor more than 15. Subject to such limitation, such number may be fixed by the affirmative vote of a majority of the directors then in office. Effective as of the annual meeting of the Corporation's stockholders to be held in 2016 and at each annual meeting of the Corporation's stockholders thereafter, except as otherwise provided by law, each director to be elected at any such annual meeting shall be elected to serve until the next annual meeting of the Corporation's stockholders and until his or

her successor is duly elected and qualified; provided, however, that any director who prior to the annual meeting of the Corporation's stockholders in 2016 was elected to a term that continues beyond the date of the annual meeting of the Corporation's stockholders in 2016, shall continue to serve as a director for the remainder of his or her elected term or until his or her earlier death, resignation or removal.

(b) Any vacancies on the Board of Directors occurring for any reason, or any newly created directorships resulting from any increase in the number of directors, shall be filled by a majority of the Board of Directors then in office (even if, in the case of a vacancy not resulting from an increase in the size of the Board, said directors constitute less than a quorum), the appointee to any such vacancy to serve for the unexpired portion of the term of the director whose leaving the board created the vacancy. Notwithstanding the foregoing, whenever the holders of one or more classes or series of Preferred Stock issued by the Corporation shall have the right, voting separately by class or series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of this Certificate of Incorporation applicable thereto.” A copy of the Amendment is filed as Exhibit 3.1 to this Form 8-K and is incorporated herein by this reference.
