PROXY STATEMENT

Annual Meeting of Stockholders
June 20, 2006

This Proxy Statement is furnished by the Board of Directors of American Home Mortgage Investment Corp., a Maryland corporation ("AHMIC" or the "Company"), in connection with the Company's solicitation of proxies for use at the 2006 Annual Meeting of Stockholders of AHMIC (the "Annual Meeting"), which will be held on Tuesday, June 20, 2006, commencing at 10:00 a.m., local time, at 538 Broadhollow Road, Melville, New York 11747, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. All stockholders are entitled and encouraged to attend the Annual Meeting in person. This Proxy Statement and the accompanying Proxy Card will be mailed on or about May 19, 2006 to AHMIC stockholders of record as of May 16, 2006.

SOLICITATION OF PROXIES

The proxy enclosed with this Proxy Statement is solicited by the Board of Directors of AHMIC. Proxies may be solicited by officers, directors and regular supervisory and executive employees of AHMIC, none of whom will receive any additional compensation for their services. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph or messenger. The Company may reimburse brokers and other persons holding shares in their names or in the names of nominees for expenses in sending proxy materials to beneficial owners and obtaining proxies from such owners. All of the costs of solicitation of proxies will be paid by AHMIC.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted in accordance with the directions given and, in connection with any other business that may properly come before the Annual Meeting, in the discretion of the persons named in the proxy.

In voting by proxy with regard to the election of directors, stockholders may vote in favor of each nominee or withhold their votes as to each or all of the nominees. If no instruction is given on a properly completed proxy, it will be voted FOR the election of each of the nominees for director named in this Proxy Statement, or, if any such nominee is unable or unwilling to serve for any reason, for such other person or persons as the Board of Directors may recommend.

In voting by proxy with regard to the ratification of Deloitte & Touche LLP as the Company's independent auditors for the year ending December 31, 2006, stockholders may vote in favor of ratification or against or may abstain from

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

voting with respect to this proposal. If no instruction is given on a properly completed proxy, it will be voted FOR the ratification of Deloitte & Touche LLP as the Company's independent auditors.

As to any other matter of business that may be brought before the Annual Meeting, such proxy will be voted in accordance with the judgment of the persons named in the proxy.

A stockholder who has given a proxy may revoke it at any time before it is exercised by giving notice of revocation to the Secretary of AHMIC, by submitting a proxy bearing a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

VOTING SECURITIES

The Board of Directors has fixed the close of business on May 16, 2006, as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Holders of record of the Company's common stock, par value \$0.01 per share ("Common Stock"), as of the Record Date will be entitled to one vote for each share held. On the Record Date, there were 50,016,186* shares of the Company's Common Stock outstanding and entitled to vote.

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting: (i) a plurality of the votes cast by holders of shares of Common Stock represented at the Annual Meeting is required for the election of directors; and (ii) the affirmative vote of a majority of the votes cast by holders of shares of Common Stock represented at the Annual Meeting is required for the ratification of Deloitte & Touche LLP as the Company's independent auditors for the year ending December 31, 2006.

Broker non-votes exist when a broker who holds shares in street name does not receive voting instructions from a beneficial stockholder and such broker does not have discretionary authority under applicable exchange rules to vote on the particular proposal. Stockholder abstentions and broker non-votes are considered present and entitled to vote for purposes of determining a quorum. There should not be any broker non-votes on Proposal I, election of directors, or Proposal II, ratification of independent auditors, because a broker who holds shares in street name and does not receive voting instructions from a beneficial stockholder has discretionary authority to vote on these proposals. A vote "withheld" from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the annual meeting is required for the election of directors, and for purposes of the vote on Proposal II, ratification of independent auditors, an abstention will have no effect.

EXPLANATORY NOTE

AHMIC was incorporated in July, 2003, under the laws of the State of Maryland. On December 3, 2003, through an internal reorganization, AHMIC became the parent company of American Home Mortgage Holdings, Inc. ("AHM Holdings"), which was a publicly owned company whose common stock traded on the Nasdaq National Market under the symbol "AHMH." Concurrent with the reorganization,

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

Apex Mortgage Capital, Inc. ("Apex"), a Maryland corporation, which operated as a real estate investment trust ("REIT"), merged with and into AHMIC, with AHMIC as the surviving corporation. In connection with these transactions, the Common Stock of the Company was exchanged for the outstanding shares of common stock of AHM Holdings and Apex, and the Company commenced operating in a manner allowing it to qualify as a REIT for federal income tax purposes. The Company's common stock began trading on the New York Stock Exchange ("NYSE") under the symbol "AHH" on December 4, 2003. The Company's trading symbol on the NYSE was changed to "AHM" as of June 1, 2004.

As a result of the reorganization and merger, both completed on December 3, 2003, among other things: (i) AHM Holdings became a wholly owned subsidiary of the Company and ceased trading on the Nasdaq National Market, (ii) Apex ceased to exist, and (iii) the directors and executive officers of AHM Holdings at the time of completion of these transactions became the directors and executive officers of the Company. Accordingly, certain references in this Proxy Statement to the Company or to historical information relating to the Company, in each case relative to periods prior to December 3, 2003, generally apply to AHM Holdings.

* Number of shares is an estimate. This number will be updated following the Record Date.

The bylaws of the Company provide that the Board of Directors will consist of not less than three members nor more than 12 members, the exact number to be determined by resolution adopted by the affirmative vote of a majority of the Board of Directors of AHMIC. Currently, there are seven members on the Board of Directors, which is divided into three classes. Directors in each class are elected for a three-year term in staggered years.

Meetings of the Board of Directors

The Board of Directors of the Company held 10 meetings during 2005 and took action by written consent on seven occasions. Each current director attended 75% or more of the aggregate number of meetings of the Board of Directors and Board committees on which he or she served that were held during such period.

Directors are encouraged, but are not required, to attend the Company's annual meetings of stockholders. One director attended the Company's 2005 Annual Meeting of Stockholders, which was held on June 14, 2005.

Independence of the Board of Directors

The Board of Directors of the Company has affirmatively determined that four of its seven directors, including all members of its Audit, Compensation and Nominating and Corporate Governance Committees, are "independent" as defined by the listing standards of the NYSE and applicable rules and regulations of the SEC. The four independent directors are Nicholas R. Marfino, Michael A. McManus, Jr., C. Cathleen Raffaelli and Irving J. Thau. The Board of Directors also has determined that Kristian R. Salovaara, a director nominee, is "independent" as defined by the listing standards of the NYSE and applicable rules and regulations of the SEC.

Executive Sessions of Non-Management Directors

Meetings of non-management directors are scheduled to be held regularly throughout the year. Additional meetings may be scheduled by any non-management director. These non-management executive sessions may be chaired by any of the chairpersons of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. In this regard, the Company's current policy is to rotate the chairperson position at such sessions among the various committee chairpersons.

Communications with Directors

Stockholders and other interested parties may communicate directly with any director, including any non-management member of the Board of Directors, by writing to the attention of such individual at the following address: American Home Mortgage Investment Corp., 538 Broadhollow Road, Melville, New York 11747.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the independent auditors, subject to the exceptions for non-audit services which are approved by the Audit Committee prior to the completion of the audit. The Amended and Restated Charter of the Audit Committee, which describes all of the Audit Committee's responsibilities, is posted on the Company's website.

McManus, Jr., and C. Cathleen Raffaelli.

Nominating and Corporate Governance Committee

The primary purpose of the Nominating and Corporate Governance Committee is to consider and make recommendations to the Board of Directors concerning the appropriate size, functions and needs of the Board of Directors. The responsibilities of the Nominating and Corporate Governance Committee also include, among other things, identifying and nominating individuals qualified to become members of the Board, developing the Company's Corporate Governance Principles and overseeing the evaluation of the Board and management. The Charter of the Nominating and Corporate Governance Committee, which describes all of the Nominating and Corporate Governance Committee's responsibilities, is posted on the Company's website.

During 2005, the Nominating and Corporate Governance Committee held two meetings. The members of the Nominating and Corporate Governance Committee are Michael A. McManus, Jr. (Chair), Nicholas R. Marfino and C. Cathleen Raffaelli.

Compensation of the Board of Directors

Directors who are neither employees of the Company nor employees of its subsidiaries each received \$4,000 per Board of Directors or committee meeting attended (except for committee meetings held on the same day as a Board meeting). In addition, the chairperson of the Audit Committee receives an additional fee of \$10,000 per year of service. Directors also are reimbursed for reasonable out-of-pocket expenses incurred in connection with their service as

directors.

Each non-employee director is eligible to be awarded non-qualified stock options and shares of restricted stock under the Company's 1999 Omnibus Stock Incentive Plan (the "Plan"). A recipient of restricted stock under the Plan is entitled to vote such stock and is entitled to all dividends paid on such stock, except that dividends paid in shares of Common Stock or other property also will be subject to the same restrictions. During 2005, the Company did not award any shares of restricted stock or stock options to non-employee members of the Board of Directors.

Directors who serve either as the Company's officers or employees or as officers or employees of any of its subsidiaries do not receive any additional compensation for their services as directors.

Director Nomination Process

Role of the Nominating and Corporate Governance Committee

In accordance with the Company's Corporate Governance Principles, the Nominating and Corporate Governance Committee considers director candidates based on criteria approved by the Board of Directors, including such individuals' backgrounds, skills, expertise, accessibility and availability to serve constructively and effectively on the Board. The Nominating and Corporate Governance Committee considers and evaluates director candidates based upon certain minimum qualifications set forth in the Charter of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee may retain a director search firm to assist the Nominating and Corporate Governance Committee in identifying qualified director nominees. In addition, the Nominating and Corporate Governance Committee will consider potential nominees proposed by the Chairman of the Board, the CEO, any member of the Nominating and Corporate Governance Committee and any search firm engaged by any of the foregoing for the purpose of identifying potential candidates for Board membership. After identifying qualified individuals and conducting interviews, as appropriate, the Nominating and Corporate Governance Committee will recommend the selected individuals to the Board. In the event there is a vacancy on the

7

Board between stockholders' meetings, the Nominating and Corporate Governance Committee will recommend one or more of the qualified individuals for appointment to the Board.

Candidates Proposed by Stockholders

The Nominating and Corporate Governance Committee has a policy to consider recommendations for director candidates submitted in good faith by stockholders. A stockholder recommending an individual for consideration by the Nominating and Corporate Governance Committee must provide (i) evidence in accordance with Rule 14a-8 of the Exchange Act of compliance with the stockholder eligibility requirements, (ii) the written consent of the candidate(s) for nomination as a director, (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director and (iv) all information regarding the candidate(s) and the stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board, including, without limitation, name, age, business and residence address and principal occupation

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

or employment during the past five years. Stockholders should send the required information to the Company at 538 Broadhollow Road, Melville, New York 11747, Attention: General Counsel and Secretary.

In order for a recommendation to be considered by the Nominating and Corporate Governance Committee for the 2007 Annual Meeting of Stockholders, the Company's General Counsel and Secretary must receive the recommendation no later than 5:00 p.m., local time, on January 19, 2007. Such recommendations must be sent via registered, certified or express mail (or other means that allows the stockholder to determine when the recommendation was received by the Company). The Company's General Counsel and Secretary will send properly submitted stockholder recommendations to the Nominating and Corporate Governance Committee for consideration at a future meeting of the Nominating and Corporate Governance Committee. Individuals recommended by stockholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Nominating and Corporate Governance Committee.

Stockholder Nominations

In addition, the Company's bylaws permit stockholders to nominate directors to be voted upon at an annual meeting of stockholders or at a special meeting at which directors are to be elected in accordance with the notice of meeting. Stockholders intending to nominate a person for election as a director must comply with the requirements set forth in the Company's bylaws, which were filed as Exhibit 3.2 to the Company's Annual Report on Form 10-K for the year ended December 31, 2003. A copy of the Company's bylaws can be obtained, without charge, upon written request to the Company at 538 Broadhollow Road, Melville, New York 11747, Attention: Investor Relations Department. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The primary purpose of the Compensation Committee is (i) to review and approve corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer ("CEO"), evaluate the CEO's performance in light of such goals, and determine and approve the salary, benefits, and other compensation of the CEO, (ii) to review, with the CEO, the salaries, benefits and other compensation of the Company's other executive officers, and (iii) to make recommendations to the Company's Board of Directors regarding the other executive officers' salaries, benefits and other compensation. The Compensation Committee also administers the Company's 1999 Omnibus Stock Incentive Plan, as amended (the "Plan"), and determines awards to be made under the Plan to the Company's directors and executive officers. Awards made under the Plan, including awards made to the Company's directors and executive officers, have been approved by the Company's Board of Directors.

The Compensation Committee met three times in 2005. In 2005, the Compensation Committee engaged an outside compensation consultant to review the compensation of the Company's CEO.

The following Compensation Committee Report describes the considerations that have guided, or will guide, the Compensation Committee in assessing executive compensation.

Philosophy

The goal of the Compensation Committee is to provide competitive levels of compensation that integrate pay with the Company's short-term and long-term performance goals, reward corporate performance, and recognize individual initiative and achievement. It is anticipated that these policies will help the Company to continue to attract and retain quality personnel and thereby enhance the Company's long-term profitability and share value.

Executive compensation ranges will be designed to be competitive with (i) those amounts paid to senior executives at mortgage REITs and mortgage banks that compete with the Company, (ii) companies that are similar in size and profitability to the Company, and (iii) companies with which the Company competes for senior executives. Within this framework, individual executive compensation will continue to be based on personal and corporate achievement and the individual's level of responsibility and experience. However, in any particular year, the Company's executives may be paid more or less than executives in peer companies, depending on the Company's own performance.

The executive officers' compensation consists of three principal components: base salary, bonus and stock options and/or shares of restricted

stock. Each of those components is discussed below.

Base Salary

The base salaries of the Company's executive officers are based in part on comparative industry data and on various quantitative and qualitative considerations regarding corporate and individual performance. An executive's base salary will be determined only after an assessment of his or her sustained performance, current salary in relation to an objective salary range for the executive's job responsibilities, and experience and potential for advancement. In recommending base salaries for the Company's executive officers, the Compensation Committee may consider several additional factors, including, but not limited to: (i) industry compensation trends; (ii) cost of living and other local and geographic considerations; (iii) industry-specific job skills and knowledge; (iv) historical and expected contributions to the Company's performance; and (v) level, complexity, breadth and difficulty of duties.

22

Bonus Program

Eligible executive officers of the Company may also be awarded bonuses for achieving certain performance levels. These bonuses are based on various quantitative and qualitative performance criteria for these executive officers and are designed to attract and retain qualified individuals and also encourage them to meet the Company's desired performance goals.

Stock Options, Stock Appreciation Rights and Restricted Stock

The Company provides long-term executive compensation incentives in the form of stock option awards, stock appreciation rights and restricted stock to more closely align the interests of management with the Company's stockholders. The Compensation Committee believes that grants of stock option awards, stock appreciation rights and restricted stock are an effective means of advancing the long-term interests of the Company's stockholders by integrating executive compensation with the long-term value of the Company's common stock. Stock options are granted at the prevailing market price on the date of grant and are valuable to executives only if the Company's common stock appreciates. During 2005, the Company granted 442,419 stock options among seventeen individuals and issued 2,556 shares of restricted stock among two individuals. Awards, including awards made to the Company's directors and executive officers, have been approved by the Company's Compensation Committee and its Board of Directors.

Chief Executive Officer

Michael Strauss, the Company's CEO, earned an annual base salary of \$900,000 in 2005. In addition, in 2006, in consideration of Mr. Strauss' services to the Company during 2005, the Compensation Committee awarded Mr. Strauss a cash bonus of \$2 million and options to purchase 132,159 shares of the Company's common stock as incentive compensation. In determining the fairness and adequacy of Mr. Strauss' compensation for 2005, the Compensation Committee reviewed and approved the Company's short- and long-term goals and objectives relevant to the CEO's compensation and evaluated Mr. Strauss' performance in light of those goals and objectives, including the Company's actual financial performance as well as Mr. Strauss' continued contributions to the growth and success of the Company. Other factors that guided the Compensation Committee in its evaluation of the CEO's performance are Mr. Strauss' ability to lead the Company through its continuing growth as a public company; Mr. Strauss' leadership and vision in connection with the Company's evolving business

strategy, including its conversion into a real estate investment trust; the Company's total return on stockholders' equity; the integration of acquired businesses; the Company's increased market share; Mr. Strauss' continued recruiting of valuable personnel throughout the Company; and the Company's overall compliance with laws and regulations. The Compensation Committee retained an executive compensation consultant to review and evaluate Mr. Strauss' salary in light of his contributions to the Company and the compensation awarded to CEOs at comparable companies. Based on the Compensation Committee's evaluation of the standards set forth above, and after consultation with the executive compensation consultant retained, the Compensation Committee approved Mr. Strauss' compensation level, bonus payment and award of options to purchase common stock.

Respectfully submitted,
The Compensation Committee

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Kenneth P. Slosser, one of the Company's non-employee directors, whose term of service as a director of the Company will expire at the 2006 Annual Meeting of Stockholders, is a Senior Managing Director of Friedman, Billings, Ramsey & Co., Inc. ("Friedman Billings"), an investment bank that has from time to time in the past provided, and may from time to time in the future provide, investment banking and general financing services to the Company for which Friedman Billings has in the past received, and may in the future receive, fees and commissions. In November, 2005, Friedman Billings acted as the placement agent in connection with the Company's \$50,000,000 private placement of trust preferred securities, and received an advisory fee in the amount of \$750,000 for such services. In 2006, the Company engaged Friedman Billings to evaluate a potential acquisition, for which the Company paid Friedman Billings an advisory fee in the amount of \$500,000 and reimbursed Friedman Billings for \$9,095 of expenses.

Michael Strauss, the Company's Chairman of the Board, Chief Executive Officer and President, is permitted to beneficially own up to 20% of the value of the total number of shares of Common Stock and preferred stock of the Company. Typically, in order to maintain REIT status, a REIT imposes general limitations on the ownership of its voting securities. However, the Company's charter excepts Mr. Strauss from those general ownership limitations and, thus, Mr. Strauss is permitted to beneficially own up to 20% of the value of the total number of shares of Common Stock and preferred stock of the Company. The Company believes that as the Company's founder, Chief Executive Officer and President and significant stockholder, Mr. Strauss has played an integral role in the growth and success of the Company and has effectively led the Company through its first years as a public company, acquired and integrated multiple businesses and recruited valuable members of management and other personnel. Accordingly, the Company's Board of Directors believes that permitting Mr. Strauss to maintain significant ownership in the Company is appropriate and is beneficial to the Company because it will provide an incentive for Mr. Strauss to continue to lead and provide his services to the Company.

Acquisition of Marina Mortgage

The Company acquired Marina Mortgage on December 29, 1999. In connection with the Company's acquisition of Marina Mortgage, the Company issued restricted shares of its Common Stock to Ronald L. Bergum, an executive officer of the Company, and John A. Johnston, an executive officer and director of the Company, and certain other Marina Mortgage stockholders as initial consideration

in exchange for their interests in Marina Mortgage. The former Marina Mortgage stockholders were entitled to receive additional consideration, consisting of restricted shares of the Company's Common Stock, periodically until May, 2006, based on the earnout provisions contained in the merger agreement. Under these earnout provisions, former Marina Mortgage stockholders were entitled to receive an annual earnout consisting of restricted shares of Common Stock of the Company based on the profitability of the acquired business. During 2005, Mr. Bergum received an aggregate of 58,643 restricted shares of Common Stock (with a value of approximately \$1,863,499). During 2005, Mr. Johnston received an aggregate of 64,988 restricted shares of Common Stock (with a value of approximately \$2,065,124).

Acquisition of First Home Mortgage

The Company acquired First Home Mortgage on June 30, 2000. In connection with the Company's acquisition of First Home Mortgage, the Company issued restricted shares of its Common Stock to Thomas J. Fiddler and John A. Manglardi, currently two of the Company's executive officers, and the other First Home Mortgage stockholders, as initial consideration for their interests in First Home Mortgage. In addition, the former stockholders of First Home Mortgage, including Messrs. Fiddler and Manglardi, were entitled to receive additional consideration, consisting of cash and restricted shares of Common Stock, pursuant to the earnout provisions contained in the merger agreement.

Under the merger agreement's earnout provisions, former stockholders of First Home Mortgage were entitled to receive two quarterly payments. One of these quarterly payments, which was automatically paid to the former First Home Mortgage stockholders on a pro rata basis based on their former stock ownership in First Home Mortgage regardless of the profitability of the acquired business, was equal to an aggregate of \$75,000 in restricted shares of Common Stock (or cash, before 2002). The other quarterly payment to which former First Home Mortgage stockholders were entitled was equal to an aggregate of \$150,000, one half of which was payable in cash and the other half of which was payable in restricted shares of Common Stock, and which, if earned, also was payable on a pro rata basis; the cash payment of this

26

quarterly earnout depended on the acquired business being profitable and having positive cash income for the applicable quarter.

In addition to the quarterly earnouts, the former First Home Mortgage stockholders were entitled to an annual earnout, consisting of cash and restricted shares of Common Stock, based on the profitability of the acquired business. The previous stockholders of First Home Mortgage received such earnouts during a five-year period ending in May, 2005. During 2005, Mr. Fiddler received an aggregate of 12,852 restricted shares of Common Stock (with a value of approximately \$401,593). Hozie failed to timely file a Form 4 in connection with a grant of stock options; (ii) Alan B. Horn failed to timely file a Form 4 in connection with a grant of stock options; (iii) John A. Johnston failed to timely file a Form 4 in connection with the acquisition of restricted shares of Common Stock; (iv) Richard S. Loeffler failed to timely file a Form 4 in connection with a sale of Common Stock; (v) Thomas M. PROPOSAL II - RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors has appointed the firm of Deloitte & Touche LLP, independent accountants, to be the Company's independent auditors for the fiscal year ending December 31, 2006, and recommends to stockholders that they vote for ratification of that appointment.

Deloitte & Touche LLP served as the Company's independent auditors for the fiscal years ended December 31, 1999, 2000, 2001, 2002, 2003, 2004 and 2005. A representative of Deloitte & Touche LLP will be present at the Annual Meeting and will have an opportunity to make a statement and be available to respond to appropriate questions. The appointment of the Company's independent auditors is approved annually by the Board of Directors of AHMIC and subsequently submitted to the stockholders for ratification. The decision of the Board is based on the recommendation of the Audit Committee, which reviews and approves in advance the scope of the audit, the types of non-audit services that AHMIC will need and the estimated fees for the coming year. The Audit Committee also reviews and approves non-audit services to ensure that these services will not impair the independence of the independent auditors.

Before making its recommendation to the Board of Directors for appointment of Deloitte & Touche LLP, the Audit Committee carefully considered the firm's qualifications as independent auditors for the Company, which included a review of Deloitte & Touche LLP's performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with Deloitte & Touche LLP in these respects.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
RATIFICATION OF DELOITTE & TOUCHE LLP
AS THE COMPANY'S INDEPENDENT AUDITORS FOR
THE YEAR ENDING DECEMBER 31, 2006.

FEES PAID TO INDEPENDENT AUDITORS

Audit and Non-Audit Fees

The following table presents the aggregate fees billed for professional services rendered by Deloitte & Touche LLP in 2004 and 2005. Other than as set forth below, no professional services were rendered or fees billed by Deloitte & Touche LLP during 2004 or 2005.

- (1) Audit fees include fees for audit of the Company's annual consolidated financial statements; reviews of the Company's quarterly consolidated financial statements; comfort letters, consents and other services related to SEC filings; accounting consultation attendant to the audit; the 2005 audit of management's assessment of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002; and the 2005 audit of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.
- (2) Audit-related fees include fees for audits of employee benefit plans; data verification and agreed upon procedures related to securitizations; and other agreed upon procedures engagements.
- (3) Tax fees include fees for Federal and state tax compliance and planning.
- (4) No services were performed by Deloitte & Touche LLP in connection with financial information systems design and implementation or otherwise.

Pre-Approved Services

Prior to engaging Deloitte & Touche LLP to render the above services, and pursuant to its charter, the Audit Committee approved the engagement for each of the services and determined that the provision of such services by the independent auditors was compatible with the maintenance of Deloitte & Touche LLP's independence in the conduct of its auditing services.

The Audit Committee will use the following procedures for the pre-approval of all audit and permissible non-audit services provided by the independent auditors.

Before engagement of the independent auditors for the next year's audit, the independent auditors will submit a detailed description of services expected to be rendered during that year within each of four categories of services to the Audit Committee for approval.

Audit Services include audit work performed on the Company's financial statements, as well as work that generally only the independent auditors can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

29

Audit-Related Services are for assurance and related services that are traditionally performed by the independent auditors, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements and discussions surrounding the proper application of financial accounting and/or reporting standards.

Tax Services include all services, except those services specifically related to the audit of the financial statements, performed by the independent auditors' tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.

Other Services are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditors.

The Audit Committee pre-approves services to be provided by the independent auditors within each category. The fees are budgeted and the Audit Committee requires the independent auditors to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditors.
