Item 1. Changes in Control of Registrant.

- (a) On June 28, 2001, after receipt of stockholder approval, Katy Industries, Inc. ("Katy") closed on the sale of 700,000 shares of its newly-issued convertible preferred stock to KKTY Holding Company, L.L.C. ("KKTY") at an aggregate purchase price of \$70 million. KKTY obtained the \$70 million required to consummate the transaction from the sale of membership interests to an investment fund affiliated with Kohlberg & Co., L.L.C. The 700,000 shares of convertible preferred stock are convertible into approximately 11,666,666 shares of Katy common stock, which would represent approximately 58.2% of the outstanding shares of common stock calculated on a fully diluted basis (excluding outstanding options) after giving effect to the conversion.

KKTY will receive payment-in-kind ("PIK") dividends on the convertible preferred stock (that is, dividends in the form of additional shares of Katy convertible preferred stock) at a rate of 15% per annum (compounded annually) for three years and five months following the closing. If KKTY continues to hold the convertible preferred stock for the three year and five month period, it will receive PIK dividends of approximately 431,555 shares of convertible preferred stock, which would be convertible into approximately 7,192,598 shares of Katy common stock. The shares of Katy common stock issuable upon conversion of the convertible preferred stock issued to KKTY at the closing, together with the shares of Katy common stock issuable to KKTY upon the conversion of the convertible preferred stock issuable to KKTY through KKTY's PIK dividend right, would represent approximately 69.2% of the outstanding shares of common stock calculated on a fully diluted basis (excluding outstanding options) after giving effect to the conversion.

## Edgar Filing: KATY INDUSTRIES INC - Form 8-K

The convertible preferred stock is convertible at KKTU's option upon the earlier of June 28, 2006 or the occurrence of certain extraordinary events with respect to Katy.

At Katy's annual stockholders meeting on June 28, 2001, stockholders approved, among other things, the election of the following five director nominees, each of whom was designated by KKTU and who collectively constitute a majority of the board of directors: Christopher Anderson, William F. Andrews, Samuel P. Frieder, James A. Kohlberg and Christopher Iacovara. So long as KKTU owns any convertible preferred stock of Katy, KKTU has the right to nominate for election at any stockholders meeting a simple majority of Katy's board of directors. Also, until KKTU converts any of its Katy convertible preferred stock, certain Katy stockholders (Wallace E. Carroll, Jr., Amelia M. Carroll and certain trusts and entities associated with the Wallace E. Carroll, Jr. family) have agreed to vote 2,480,000 of their shares of Katy common stock in favor of electing the nominees to Katy's board of directors designated by KKTU at all stockholders meetings after the 2001 annual stockholders meeting.

The following agreements and documents are filed as exhibits hereto and are incorporated herein by reference: (i) the Preferred Stock Purchase and Recapitalization Agreement, dated June 2, 2001, between KKTU and Katy, (ii) the Stock Voting Agreement, dated June 2, 2001, between KKTU and certain Katy stockholders, (iii) the Restated Certificate of Incorporation of Katy, as amended, which includes the Certificate of Amendment to the
