Item 1.01. Entry Into A Material Definitive Agreement.

On May 24, 2013, Inland Real Estate Corporation (the "Company") (NYSE: IRC) entered into an agreement with its joint venture partner, New York State Teachers' Retirement System ("NYSTRS"), to acquire NYSTRS' 50% ownership interest in the IN Retail Fund, L.L.C. ("IN Retail") for \$121.0 million in cash. Upon the closing of this transaction, the Company will own 100% of the outstanding membership interests in IN Retail and the assets, liabilities and results of operations of IN Retail will be included in the Company's consolidated financial statements. IN Retail owns 13 shopping centers, aggregating approximately 2.3 million square feet of gross leasable area, with an estimated fair value (agreed upon by the parties for purposes of this transaction) of approximately \$395.6 million and total outstanding mortgage debt of approximately \$152.2 million, plus other related assets and liabilities. The Company has agreed to indemnify NYSTRS from and against all losses, liabilities, expenses and obligations in respect of the joint venture to the extent first accruing after the date of the acquisition agreement.

The closing of the transaction must occur by June 14, 2013, provided, however, that the purchase price will increase by \$22,500 for each day after May 31, 2013 that closing does not occur. If the closing does not occur on or before June 14, 2013 for any reason (including, without limitation, the willful failure or refusal of either party to close the transaction), the agreement will terminate and the parties will have no further rights or obligations thereunder. The Company would then continue to own a 50% interest in IN Retail.

The description of the material terms of the acquisition agreement is only a summary and is qualified by reference to the acquisition agreement in its entirety, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference.

Item 2.03. Creation Of A Direct Financial Obligation Or An Obligation Under An Off-Balance Sheet Arrangement of a Registrant.

In conjunction with the transaction described in Item 1.01 of this Current Report on Form 8-K, the Company will consolidate IN Retail's total outstanding mortgage debt at May 24, 2013 in the amount of approximately \$152.2 million in the Company's financial statements. IN Retail has guaranteed the full amount of its subsidiaries' mortgage debt in the event that any subsidiary borrower fails to provide access or information to the properties or fails to obtain a lender's prior written consent to any liens on or transfers of the properties, and in the event of any losses, costs or damages incurred by the lender as a result of fraud or intentional misrepresentation of any individual borrower, gross negligence or willful misconduct, material waste of the properties and the breach of any representation or warranty concerning environmental laws, among other things. All outstanding mortgage loans are otherwise non-recourse and bear interest at fixed rates. Information regarding the total outstanding debt is summarized in the table below.
