Respironics, Inc.

71,956 SHARES OF COMMON STOCK

(\$0.01 par value)

This prospectus relates to 71,956 shares of common stock of Respironics, Inc. which may be offered and sold from time to time by selling shareholders named below. These shares consist of 2,541 shares of common stock which have been issued to one of the selling shareholders, who acquired the shares by exercising a warrant, and 69,415 shares which may be issued in the future if the other selling shareholders exercise warrants they currently hold. All selling shareholders obtained the warrants from Novamatrix Medical Systems Inc., and the warrants were converted into the right to acquire Respironics stock as a result of our acquisition of Novamatrix. We agreed to register our common stock for resale by the selling shareholder who has already exercised his warrant and to register the shares of common stock which will be issued if the other warrants are exercised. The selling shareholders will receive all of the proceeds from sales of shares of our common stock covered by this prospectus, and we will not receive any of the proceeds. We list our common stock on the NASDAQ under the trading symbol **RESP**. On November 18, 2002, the closing price of our common stock on the NASDAQ was \$31.76 per share.

We do not know when, how or if the selling shareholders intend to sell their shares of our common stock covered by this prospectus or what the price, terms or conditions of any sales will be. The selling shareholders may sell the shares at various times and in various types of transactions. See **Plan of Distribution** below. The prices at which the shares may be sold, and any commissions paid in connection with any sale, may vary from transaction to transaction. We understand that the Securities and Exchange Commission may, under certain circumstances, consider persons reselling any shares of our common stock and dealers or brokers handling a resale of shares of our common stock to be **underwriters** within the meaning of the Securities Act of 1933.

We will bear all expenses incurred in connection with the registration of the shares of our common stock covered by this prospectus.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR PASSED UPON THE ADEQUACY OR ACCURACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

RESPIRONICS, INC.

Respironics is a recognized global resource in the medical device industry, providing innovative and unique products and programs to health care providers while helping them to grow and manage their businesses efficiently. The company's focus is on home care, hospital and international markets, providing programs that manage sleep disordered breathing, chronic obstructive pulmonary disease, asthma, allergies and sinusitis, infant jaundice and apnea, heart failure and restrictive lung disorders. Globally positioned, the company employs more than 2,000 individuals worldwide and has manufacturing facilities in several domestic and international locations.

THE NOVAMETRIX ACQUISITION

On April 12, 2002, we completed the acquisition of Novamatrix Medical Systems Inc. The acquisition of Novamatrix was consummated pursuant to an agreement and plan of merger dated December 17, 2001, whereby Respironics Holdings, Inc., a wholly owned subsidiary of Respironics, was merged with and into Novamatrix. Upon consummation of the merger, approximately 2,400,000 shares of our common stock were issued to the former stockholders of Novamatrix, reflecting an exchange ratio of 2541 shares of Respironics common stock for each outstanding share of Novamatrix's common stock. In addition, we reserved approximately 509,000 shares of our common stock for issuance upon exercise of options and warrants issued in replacement of Novamatrix options and warrants that were not exercised prior to the consummation of the merger. The 71,956 shares of common stock identified in this registration were taken from this reserve.

Under the terms of the merger agreement, we agreed to prepare and file with the SEC a registration statement to register shares of our common stock that the selling shareholders have received or will receive upon exercise of the warrants.

Until the registration statement is filed with the SEC and declared effective, the certificates for the shares of common stock issued upon exercise of the warrants will bear a legend restricting their transfer except in compliance with the requirements under the Securities Act of 1933.

THE WARRANTS AND SELLING SHAREHOLDERS

On April 12, 2002, as part of the Novamatrix acquisition, warrants to acquire shares of Novamatrix common stock were automatically converted into warrants to acquire .2541 shares of our common stock at a price adjusted to reflect the exchange ratio under the same terms and conditions as were applicable to the Novamatrix warrants prior to the acquisition. Of the 71,956 shares of our common stock covered by this registration statement, 69,415 common shares represent the shares of our common stock reserved for warrants which have not, as of the date of this prospectus, been exercised: a warrant issued to GE Marquette Medical Systems Inc. for the purchase of 63,525 shares of common stock at \$29.52 per share, a warrant issued to Mr. Blanton C. Wiggin for the purchase of 3,811 shares of common stock at \$22.28 per share, and a warrant issued to Mr. Romano J. Micciche for the purchase of 2,079 shares of common stock at \$22.28 per share. The remaining 2,541 shares of our common stock covered by this registration statement were issued to Mr. Photios T. Paulson when he exercised a warrant after the Novamatrix acquisition was completed. Mr. Paulson's shares were issued as unregistered securities, and we are registering his shares for resale under the registration statement of which this prospectus forms a part.

The following table provides information about the beneficial ownership of our common stock by the selling shareholders as of November 18, 2002 including the name of each selling shareholder; the number of shares of common stock beneficially owned by each selling shareholder under this prospectus; the number of shares of common stock being offered for sale by each selling shareholder; the number of shares and the percentage of common stock to be beneficially owned by each selling shareholder after the completion of the offering, if more than one percent; and any material relationship which each selling shareholder has had with Respirationics during the past three years. The information provided in the table below with respect to each selling shareholder has been obtained from the selling shareholder, and we have not sought to verify this information.

PLAN OF DISTRIBUTION

Each selling shareholder may sell from time to time the shares of our common stock listed opposite his or its name under Number of Shares of Common Stock Offered in the Selling Shareholders table above. Each selling shareholder may, in addition to the open market transactions described below, transfer these shares to other persons in private sales or by gift, pledge or partnership distribution or other non-sale transactions. The term selling shareholders in this prospectus includes the persons who receive shares from other selling shareholders in this way and who may wish to sell such shares. Sales by selling shareholders may be made on the NASDAQ or other securities exchanges on which our common stock is traded, in the over-the-counter market or otherwise. The timing and amount of sales will likely depend on market conditions and other factors. The sale prices may be market prices prevailing at the time of sale, negotiated prices or fixed prices. Sales may involve:

sales to underwriters who will acquire shares for their own account and resell them,

block transactions in which a broker or dealer will attempt to sell the shares as agent but may purchase and resell a portion of the block as principal to facilitate the transaction,

purchases and resales by a broker or dealer as principal for its own account,

an exchange distribution in accordance with the rules of any stock exchange, and

ordinary brokerage transactions and transactions in which a broker solicits purchasers.

Brokers and dealers may receive compensation from the selling shareholders or purchasers of shares, or both, in connection with these transactions and this compensation may be in excess of customary commissions. The selling shareholders and any other person that participates in the distribution of these shares may be deemed to be underwriters under the Securities Act.

If a selling shareholder engages an underwriter in connection with the sale of the shares, to the extent required, this prospectus will be supplemented to describe the number of shares being offered and the terms of the offering, including the names of the underwriters, the public offering price and any compensation to underwriters, dealers or agents.

The selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of shares of our common stock in the course of hedging the positions they assume with the selling shareholders. The selling shareholders also may sell short and redeliver shares of our common stock to close out short positions. They also may enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such persons of shares of our common stock, and the broker-dealer or other financial institution may resell the shares. If necessary, this prospectus will be supplemented or amended to reflect such transactions. The selling shareholders also may pledge shares of our common stock to a broker-dealer or other financial institution, and upon a default, such broker-dealer or other financial institution may sell the pledged shares. In addition, any shares that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

If the parties agree, the selling shareholders may from time to time sell their shares of our common stock to us.

We know of no existing arrangements by any selling shareholder relating to distribution of the shares of our common stock covered by this prospectus.

LEGAL MATTERS

EXPERTS

The consolidated financial statements and schedule of Respirationics appearing in Respirationics Annual Report (Form 10-K) for the year ended June 30, 2002, have been audited by Ernst & Young LLP, independent auditors, as set forth in their report thereon included therein and incorporated herein by reference. Such consolidated financial statements and schedule are incorporated herein by reference in reliance upon such report given on the authority of such firm as experts in accounting and auditing.

With respect to the unaudited condensed consolidated interim financial information with respect to Respirationics for the three-month period ended September 30, 2002, incorporated by reference in this Registration Statement (Form S-3) and related Prospectus, Ernst & Young LLP have reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate report, included in Respirationics, Inc. and Subsidiaries Quarterly Report on Form 10-Q for the quarter ended September 30, 2002, and incorporated herein by reference, states that they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their report on such information should be restricted considering the limited nature of the review procedures applied. The independent auditors are not subject to the liability provisions of Section 11 of the Securities Act of 1933 (the Act) for their report on the unaudited interim financial information because that report is not a report or a part of the Registration Statement prepared or certified by the auditors within the meaning of Sections 7 and 11 of the Act.

No person has been authorized to give any information or to make any representations other than those contained in this prospectus, and, if given or made, such information or representations must not be relied upon as having been authorized. This prospectus does not constitute an offer to sell or the solicitation of an offer to buy any securities other than the securities offered by this prospectus or an offer to sell or the solicitation of an offer to buy such securities in any circumstances in which such offer or solicitation is unlawful. Neither the delivery of this prospectus nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of Respironics, Inc. since the date of this prospectus or that the information contained herein is correct as of any time subsequent to the date hereof.

Item 15. Indemnification Of Directors And Officers

1. Section 145 of Delaware General Corporation Law. Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expense (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 145 also provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

To the extent that a director, officer, employee or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or

matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Any such indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth above. Such determination shall be made:

- (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding; or
- (2) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or
- (3) by the stockholders.

Section 145 permits a Delaware business corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liability.

2. Section 102(b)(7) of Delaware General Corporation Law. Section 102(b)(7) of the Delaware General Corporation Law provides that a corporation may set forth in its Certificate of Incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of such General Corporation Law regarding the unlawful payment of dividends or approval of stock repurchases or redemptions and (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective (in the case of the Company, May 8, 1987). As noted in 3 below, the Company's Certificate of Incorporation includes a provision contemplated by Section 102(b)(7) of the Delaware General Corporation Law.

3. Certificate of Incorporation Provision of Liability of Directors. The Company's Certificate of Incorporation limits the liability of its directors to the fullest extent permitted under the Delaware General Corporation Law. The Company's directors are not liable for monetary damages for breach of their fiduciary duty as directors, except for liability for any breach of the directors' duty of loyalty to the Company or its stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law, and for any transactions from which a director derived an improper personal benefit. This provision does not eliminate the duty of care and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief available under Delaware law.

4. Certificate of Incorporation Provisions on Indemnity. The Company's Certificate of Incorporation provides that the Company shall indemnify its directors, officers, employees and agents against claims arising out of their actions as agents of the Company and will advance expenses of defending against such claims. The Certificate of Incorporation requires the Company to advance litigation expenses in the case of shareholder derivative or other actions against an undertaking by the officer or director to repay such advances if it is ultimately determined that the officer or director is not entitled to indemnification. The Certificate of Incorporation further provides that the Company may obtain directors and officers' liability insurance on such terms and conditions acceptable to the Company.

5. Director and Officer Liability Insurance. The Company has purchased director and officer liability insurance. Such insurance covers its directors and officers with respect to liability which they may incur in connection with their serving as such. Under this type of insurance, the Company will receive reimbursement for amounts as to which

the directors and officers would be indemnified. The insurance also provides certain additional coverage for the directors and officers against certain liability even though such liability would not be subject to indemnification.

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by Respironics pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of Respirationics annual report pursuant to section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended, that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of Respirationics pursuant to any provision or arrangement whereby Respirationics may indemnify a director, officer or controlling person of Respirationics against liabilities arising under the Securities Act of 1933, as amended, or otherwise, Respirationics has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Respirationics of expenses incurred or paid by a director, officer or controlling person of Respirationics in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Respirationics will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933, as amended, and will be governed by the final adjudication of such issue.
