The entire cost of soliciting these proxies, including the costs of preparing, printing and mailing to stockholders this Proxy Statement and accompanying materials, will be borne by Pro-Pharmaceuticals. In addition to use of the mails, proxies may be solicited personally or by telephone or otherwise by our officers, directors and employees, who will receive no additional compensation for such activities. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares held of record by such institutions and persons. Holders of more than 50% of our shares of common stock issued and outstanding must be present or represented at the Annual Meeting to have a quorum for conducting business. Proxies marked as abstaining on any matter to be acted on by the stockholders will be treated as present at the Annual Meeting for purposes of determining a quorum but will not be counted as votes cast on such matters.

Votes Required

Directors will be elected by a plurality of the votes of the stockholders cast at the Annual Meeting. A majority of the outstanding votes of stockholders entitled to vote are required for the ratification of the appointment of the independent accountant. None of the persons specified above share any familial relationship. All of our directors serve until the next annual meeting of stockholders. To the best of our knowledge, there are no material proceedings to which any of our directors (all of whom are current nominees) or executive officers is a party adverse to, or has a material interest adverse to, Pro-Pharmaceuticals. To the best of our knowledge, there have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions that are material to the evaluation of the ability or integrity of any director, executive officer, promoter or control person of Pro-Pharmaceuticals during the past five years.

Board Meetings and Committees

During the year ended December 31, 2002, our Board held 13 meetings and acted once by unanimous written consent. The Board has two standing committees, the compensation committee and the audit committee. No incumbent director during the time in which such director served as a director of Pro-Pharmaceuticals attended fewer than 75% of the aggregate number of meetings held during the fiscal year by the Board of Directors and the committees of the Board on which he or she served, except for Dr. Christian, who attended two out of the three Board meetings held in 2002 from the time she became a director.

- (1) During the year ended December 31, 2000, Dr. Platt, earned \$25,000 in salary compensation from our predecessor Massachusetts corporation (also known as Pro-Pharmaceuticals, Inc.) which we acquired in May 2001. For detail, see Corporate Formation in our Annual Report on Form 10-KSB for the year ended December 31, 2002.
- (2) Mr. Czirr became our employee in June 2002.

Option Grants

We have not granted any stock options to either of our Named Executive Officers.

Compensation of Directors and Advisors

We have no standard arrangement to compensate directors for their services in their capacity as directors. In January 2003 we compensated each of our non-employee directors with a grant of 500 non-qualified stock options for each meeting of our Board that such director attended during 2002. These options were exercisable on the date of grant.

On November 26, 2001, we granted Burton Firtel, a director of our company, a non-qualified stock option under our stock incentive plan to purchase 200,000 shares of common stock at an exercise price of \$3.50 per share. The option is currently exercisable as to 160,000 shares, and will vest as to the remaining 40,000 shares on the second anniversary of the grant date, provided Mr. Firtel remains a director up to and as of that date. In

March 2002, we entered into a contract with Mr. Firtel pursuant to which we would grant Mr. Firtel each month an immediately exercisable option to purchase 2,000 shares of common stock, at an exercise price of \$3.50 per share, in consideration of monthly consulting services to be provided to us by Mr. Firtel during the following 12 months. In November 2002, this agreement was superseded by an amendment, retroactive to the original contract date, pursuant to which we granted Mr. Firtel an option to purchase 24,000 shares of common stock, at an exercise price of \$3.50 per share, to vest at a rate of 2,000 shares per month as services are performed. As of December 31, 2002, Mr. Firtel's option under this agreement was vested as to 20,000 shares.

In January 2003, we entered into a contract with David Smith, a director of our company, pursuant to which Mr. Smith would provide consulting services in connection with our business development and related financial services. As compensation for these services, we granted Mr. Smith an option to purchase 100,000 shares of common stock, at an exercise price of \$3.50 per share. The option vested as to 33,334 shares as of the grant date, and will vest as to a further 33,333 shares on the first anniversary of the grant date, and as to the remaining 33,333 shares on the second anniversary of the grant date provided that Mr. Smith remains a director up to and as of each such date.

Employee Stock Incentive Plan

On October 18, 2001, our Board of Directors adopted the Pro-Pharmaceuticals, Inc. 2001 Stock Incentive Plan (the "Plan") which permits awards of incentive and non-qualified stock options and other forms of incentive compensation to employees and non-employees such as directors and consultants. The Board reserved 2,000,000 of our shares of common stock for awards pursuant to the Plan, all of which reserved shares could be awarded as incentive stock options. Our stockholders approved the plan on May 31, 2002. As of December 31, 2002, we have granted options to purchase 569,000 shares of common stock under the Plan.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has, subject to the ratification of the stockholders, appointed Deloitte & Touche LLP, as Pro-Pharmaceuticals independent public accountants for the fiscal year ending December 31, 2003. Deloitte & Touche has served as Pro-Pharmaceuticals independent public accountants since February 2002, replacing Scillia Dowling & Natarelli LLC as discussed below under "Change in Certifying Accountant." The affirmative vote of a majority of the votes cast by all holders of common stock entitled to vote will be required to ratify the appointment of Deloitte & Touche. We do not expect a representative of Deloitte & Touche to be present at the Annual Meeting.

The Board recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP, as Pro-Pharmaceuticals independent public accountants for the fiscal year ending December 31, 2003.

Audit Fees

The aggregate fees billed by Deloitte & Touche LLP for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2002 and the reviews of the financial statements included in the Company's quarterly reports were \$93,000.

Edgar Filing: PRO PHARMACEUTICALS INC - Form DEF 14A

Financial Information Systems Design and Implementation Fees

During the year ended December 31, 2002, Deloitte & Touche LLP and Scillia Dowling & Natarelli LLC did not provide any services to Pro-Pharmaceuticals relating to financial information systems design and implementation.

All Other Fees

The aggregate fees billed for services rendered by Deloitte & Touche LLP other than the services covered by Audit Fees (above) during the year ended December 31, 2002 were \$85,000.

The Audit Committee has considered whether the provision of non-core audit services to Pro-Pharmaceuticals by Pro-Pharmaceuticals principal auditor is compatible with maintaining independence.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee with respect to Pro-Pharmaceuticals audited financial statements for the year ended December 31, 2002.

The Audit Committee has reviewed and discussed Pro-Pharmaceuticals audited financial statements with management. The Audit Committee has also discussed with Deloitte & Touche LLP, the firm that audited Pro-Pharmaceuticals financial statements for the year ended December 31, 2002, the matters required to be discussed by the Statement on Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES which includes, among other items, matters related to the conduct of the annual audit of our company's financial statements. The Audit Committee has also received written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, which relates to the accountants independence from the company and has discussed with Deloitte & Touche LLP its independence from Pro-Pharmaceuticals.

The Audit Committee is governed by the Audit Committee Charter adopted by the Pro-Pharmaceuticals Board of Directors. The Audit Committee is currently comprised of Dale Conaway and Burton Firtel. Until March 20, 2003, Peter Hauser was also a member of the Audit Committee. Other than Mr. Firtel, each of the members of the Audit Committee qualifies as an independent director under the applicable listing standards of the National Association of Securities Dealers. Steven Prelack, who has agreed to replace Mr. Firtel as a member of the Audit Committee, also qualifies as an independent director under these standards.

Based upon the review and discussions referred to above, the Audit Committee has recommended to the Pro-Pharmaceuticals Board of Directors that the company's audited financial statements be included in the company's Annual Report on Form 10-KSB for the year ended December 31, 2002.

CHANGE IN CERTIFYING ACCOUNTANT

The information below has been previously included in our Current Report on Form 8-K filed with the SEC on February 25, 2002, as amended and filed with the SEC as Form 8-K/A on March 8, 2002. This information has also been included in our Annual Report on Form 10-KSB for the year ended December 31, 2001, as filed with the SEC on April 16, 2002, and in our Annual Report on Form 10-KSB for the year ended December 31, 2002, as filed with the SEC on March 31, 2003.

On February 15, 2002, we dismissed Scillia Dowling & Natarelli LLC as our independent auditors. On February 22, 2002, we engaged Deloitte & Touche LLP as our independent auditors to audit our financial statements for the fiscal year ended December 31, 2001. The decision to dismiss Scillia Dowling & Natarelli LLC and to retain Deloitte & Touche LLP was approved by our Board of Directors and Audit Committee.

The report of Scillia Dowling & Natarelli LLC on our financial statements as of December 31, 2000, and for the period commencing July 10, 2000 (Inception) to December 31, 2000, and the review reports of Scillia Dowling & Natarelli LLC on our financial statements as of June 30, 2001 and September 30, 2001 and for the three-month and year-to-date periods, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. We have only filed financial statements since our July 10, 2000 date of inception. On March 31, 2001, we engaged Scillia Dowling & Natarelli LLC as our independent auditors to audit our financial statements for the period commencing July 10, 2000 (Inception) to December 31, 2000. From July 10, 2000 (Inception) through February 15, 2002, there were no disagreements between Scillia Dowling & Natarelli LLC and us on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Scillia Dowling & Natarelli LLC, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on our financial statements. Prior to March 31, 2001, another independent auditor had opined on our financial statements. A discussion of this auditor's resignation can be seen under Item 2. Plan of Operation Business Combination and Ownership in our Quarterly Report on Form 10-QSB for the quarterly period ended September 30, 2001, as filed with the SEC on November 14, 2001. No disagreements were reported therein.

From March 31, 2001, we did not consult with Deloitte & Touche LLP on items which involved (i) the application of accounting principles to a specified transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on our financial statements, or (iii) the subject matter of a disagreement or reportable event.

Before we filed the Form 8-K in its original and amended versions in which the above matters were disclosed, we furnished Scillia Dowling & Natarelli LLC with a copy of the above disclosure as included in each of the original and amended forms, respectively, and requested it in each case to furnish a letter addressed to the SEC stating whether Scillia Dowling & Natarelli LLC agrees with the above statements. Copies of the letters are attached as Exhibit 16.1 and Exhibit 16.2 to the Form 8-K/A as filed with the SEC on March 8, 2002. A copy of the letter with respect to the original Form 8-K disclosure was also attached as Exhibit 16 to the Form 8-K as filed with the SEC on February 25, 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2001, we entered into an agreement with Extol International Ltd., a company controlled by James Czirr, pursuant to which Extol International agreed to provide financing and business development services. Mr. Czirr is a founding stockholder of our Massachusetts predecessor company, currently serves as our Executive Vice President of Business Development and as a director, and owns more than 5% of our outstanding stock. The agreement with Extol International provided for a monthly payment of \$12,500 and reimbursement of expenses. This agreement terminated when Mr. Czirr became a full-time employee of Pro-Pharmaceuticals in June 2002. Payments to Extol International under this agreement aggregated \$68,000 and \$126,000 in 2002 and 2001, respectively.

During 2001, we entered into an agreement with MIR International, Inc., pursuant to which MIR International agreed to provide consulting services regarding our research and development including design of preclinical experimental protocols, arranging preclinical experiments, performing chemical synthetic work, and preparing reports on biochemical study and clinical applications of carbohydrates. This agreement initially provided for a monthly payment of \$5,000, which was increased to \$6,000 as of October 2002, and reimbursement of expenses. Dr. Anatole Klyosov owns 50% of MIR International, Inc., with the remaining 50% owned by a party unrelated to Dr. Klyosov or to us. Dr. Klyosov is a founding stockholder of our Massachusetts predecessor company and owns more than 5% of our outstanding stock and is a member of our Scientific Advisory Board. He was formerly Senior Vice President, Chief Scientific Officer of Pro-Pharmaceuticals (Massachusetts), our predecessor. Payments to MIR International under this agreement aggregated \$65,000 and \$83,000 in 2002 and 2001, respectively.

During 2001, we entered into an agreement with Offer Binder, Ph.D., pursuant to which Dr. Binder agreed to provide management advisory services to Pro-Pharmaceuticals. This agreement provides for a monthly payment of \$5,000, which was increased to \$6,000 as of October 2002, and reimbursement of expenses. Dr. Binder is a founding stockholder of our Massachusetts predecessor company and owns more than 5% of our outstanding stock. Payments to Dr. Binder under this agreement aggregated \$67,000 and \$61,000 in 2002 and 2001, respectively.

Dr. Mildred Christian, who became a director of Pro-Pharmaceuticals in October 2002, was until November 15, 2002, Executive Director of Research of Redfield Laboratories and of Argus Research. These are divisions of Charles River Laboratories, Inc., a worldwide provider of research products and integrated preclinical support services, based in Wilmington, Massachusetts. As discussed in our Annual Report on Form 10-KSB for the year ended December 31, 2002, Charles River Laboratories, which is not affiliated with Pro-Pharmaceuticals, conducted early-stage research on our behalf in major part through its Redfield Laboratories division in Redfield, Arkansas. The contract research undertaken by Charles River Laboratories concluded before Dr. Christian became a director of Pro-Pharmaceuticals. Our payments to Charles River Laboratories for contract laboratory services aggregated \$402,000 and \$333,000 in 2002 and 2001, respectively. Dr. Christian is also the sole owner of Argus International, Inc., a consulting organization providing services in regulatory affairs. Argus International provided services to Pro-Pharmaceuticals including project development, monitoring and IND development (pharmacology sections) during 2002 and 2001. Compensation for these services, paid to Dr. Christian in 2003, consisted of 25,324 shares of common stock and 25,324 options to purchase common stock, at an exercise price of \$2.96.

Edgar Filing: PRO PHARMACEUTICALS INC - Form DEF 14A

SECTION 16(a) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of our common stock, to file reports of ownership and changes of ownership of such securities with the Securities and Exchange Commission. Based on a review of our records, we believe that all filing requirements applicable to our officers, directors and holders of more than ten percent of our common stock were complied with during the 2002 fiscal year.

STOCKHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Under SEC rules, if a stockholder wants us to include a proposal in our Proxy Statement and form of proxy for presentation at our 2004 Annual Meeting of Stockholders, the proposal must be received by us, attention: Chief Operating Officer, at our principal executive offices by December 31, 2003. However, if the date of the 2004 annual meeting is changed by more than 30 days from the date of the 2003 meeting, then the deadline would be a reasonable time before we begin to print and mail our proxy materials. Also in accordance with SEC guidelines, if a stockholder notifies us of that stockholder's intent to present a proposal at our 2004 Annual Meeting of Stockholders after March 16, 2004, we may, acting through the persons named as proxies in the proxy materials for that meeting, exercise discretionary voting authority with respect to the proposal without including information about the proposal in our proxy materials.

DELIVERY OF VOTING MATERIALS

To reduce the expenses of delivering duplicate voting materials to our stockholders who may have more than one Pro-Pharmaceuticals stock account, we are taking advantage of "householding" rules that permit us to deliver only one set of the Proxy Statement and our Annual Report on Form 10-KSB for the year ended December 31, 2002 to stockholders who share an address unless otherwise requested. If you share an address with another stockholder and have received only one set of voting materials, you may write or call us to request a separate copy of these materials at no cost to you. For future annual meetings, you may request separate voting materials, or request that we send only one set of voting materials to you if you are receiving multiple copies by either: (i) telephoning us at (617) 559-0033; (ii) sending a letter to us at 189 Wells Avenue, Newton, Massachusetts 02459, Attention: Chief Operating Officer; or (iii) sending an e-mail to us at foley@pro-pharmaceuticals.com.
