PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of The Aristotle Corporation (the "Company") of proxies to be used at the 2006 Annual Meeting of Stockholders to be held at the Hyatt Regency Greenwich, 1800 E. Putnam Avenue, Old Greenwich, Connecticut on December 20, 2006 at 10:00 A.M., EST. In addition to solicitation of proxies by mail, the directors, officers and employees of the Company may solicit proxies personally, by telephone, facsimile, or telegram. The expense of all such solicitation, including the cost of preparing, printing and mailing this Proxy Statement, will be borne by the Company. The Company will, upon request, reimburse brokers, banks, or other persons for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of the Company's shares. This Proxy Statement and the accompanying proxy and the Company's Annual Report to Stockholders, which contains financial statements for the fiscal year ended December 31, 2005, will first be mailed to stockholders of the Company on or about November 27, 2006.

If the enclosed form(s) of proxy are signed and returned, they will be voted as directed by the stockholder. If no directions are given, proxies will be voted FOR the election as directors of all of the nominees specified therein. A proxy may be revoked at any time, insofar as the authority granted thereby has not been exercised at the meeting, by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. Any stockholder present at the meeting may vote personally on all matters brought before the meeting and, in that event, such stockholder's proxy will not be used at the meeting by holders of the proxy.

Only stockholders of record as of the close of business on November 22, 2006 will be entitled to vote at the meeting. On October 31, 2006, the Company had outstanding and entitled to one vote per share, 17,271,846 shares of Common Stock, par value \$.01 per share ("Common Stock"). The Company also had outstanding as of October 31, 2006, 1,100,122 shares of Series I Preferred Stock, par value \$.01 per share ("Series I Preferred Stock"), currently entitled to one-half (.5) of a vote per share. The 10,984,971 shares of the Company's Series J Preferred Stock, par value \$.01 per share, outstanding do not have any voting rights. The holders of at least one-third of the voting power of the shares of Common Stock and Series I Preferred Stock outstanding on the record date, together as a single class, represented in person or by proxy, will constitute a quorum at the meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

Shares of Common Stock and/or Series I Preferred Stock which are held by a bank, brokerage firm or other nominee are held in "street name" on behalf of the "beneficial owner" of any such shares. If a stockholder's shares of Common Stock and/or Series I Preferred Stock are held in street name, this Proxy Statement is being forwarded to such stockholders by their bank, brokerage firm or other nominee (the "record holder"), along with a voting instruction card. As a beneficial holder, a

stockholder has the right to direct the record holder how to vote their shares of Common Stock and/or Series I Preferred Stock. If a beneficial owner does not give instructions to its bank, brokerage firm or nominee, it will nonetheless be entitled to vote such stockholder's shares of Common Stock and/or Series I Preferred Stock in its discretion on the election of directors.

Each director must be elected by the affirmative vote of a plurality of the votes cast at the meeting by the holders of shares of Common Stock and Series I Preferred Stock, voting together as a single class, represented in person or by proxy. Abstentions and broker non-votes will have no effect on the election of directors.

Management does not know of any other matters to be brought before the meeting at this time; however, if any other matters may properly be brought before the meeting, the proxy holder shall vote in his discretion with respect to the matter. In the event a stockholder specifies a different choice on the proxy, such stockholder's shares will be voted or withheld in accordance with the specifications so made. Should any nominee for director named herein become unable or unwilling to accept nomination or election, it is intended that the persons acting under proxy will vote for the election of such other person as the Board of Directors of the Company may recommend unless the number of directors is reduced by the Board of Directors. Each person named as a nominee has consented to his nomination, and the Company has no reason to believe that any nominee will be unable or unwilling to serve if elected.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's executive officers and directors, and persons who beneficially own more than ten percent (10%) of any class of equity securities of the Company registered pursuant to Section 12 of the Exchange Act, to file with the Securities and Exchange Commission ("SEC") and any national securities exchange on which these securities are registered, initial reports of beneficial ownership and reports of changes in beneficial ownership of equity securities of the Company. Executive officers, directors and greater than ten percent (10%) beneficial owners are required by the Exchange Act to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely upon a review of the copies of such reports furnished to the Company, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent (10%) beneficial owners were complied with for the fiscal year ended December 31, 2005 except that Mr. Lahey filed a Form 4 reporting one transaction later than required by the Exchange Act.

If at the time of the meeting any of the nominees should be unwilling or unable to serve, the discretionary authority provided in the proxy will be exercised to vote for a substitute or substitutes, as the Board of Directors recommends. Each person named below has consented to his nomination and has advised the Company that he intends to serve the entire term if elected.

JOHN L. LAHEY has been the President of Quinnipiac University, a private university located in Hamden, Connecticut, for more than the past nineteen years. Mr. Lahey serves on the Board of Trustees of Yale-New Haven Hospital, on the Board of Directors of UIL Holdings Corporation and The United Illuminating Company, publicly-held utility companies, and as a director of Independence Holding Company ("IHC"), a publicly-held holding company engaged principally in the life and health insurance business. Mr. Lahey also serves as a director of the New York City St. Patrick's Day Parade, Inc. and of the American Bar Association's Council of the Section of Legal Education and Admissions to the Bar.

STEVEN B. LAPIN has served as President and Chief Operating Officer of the Company since June 2002. Mr. Lapin has also been the President, Chief Operating Officer and a director of Geneve for more than the past five years. Mr. Lapin is Vice Chairman and a director of IHC.

Mr. Netter has served as a Senior Vice President of Geneve for more than the past five years. Donald T. Netter is the son of Edward Netter.

EDWARD NETTER has been Chairman, Chief Executive Officer and a director of Geneve for more than the past five years. Mr. Netter is Chairman and a director of IHC, and a director of American Independence Corp. (“AMIC”), a holding company which, through its subsidiaries, is in the insurance and reinsurance business. Board of Directors and Selection Process

The Company’s Board of Directors held seven meetings in 2005. Each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board of Directors held during the period in which such person was a director; and (ii) the total number of meetings held by all committees of the Board of Directors on which such person served.

Directors are elected annually and serve until their successors are duly elected and qualified, or until their earlier resignation or removal. Officers serve at the discretion of the Board of Directors.

The Company qualifies as a “controlled company” as defined in Rule 4350(c)(5) of the NASDAQ Marketplace Rules because more than 50% of the Company’s voting power is held by Geneve. Please see “Stock Owned by Management and Principal Stockholders of the Company” above. Therefore, the Company is not subject to the requirements of Rule 4350(c) that would otherwise require the Company to have (i) a majority of independent directors on the Board of Directors; (ii) compensation of the Company’s executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; (iii) director nominees selected, or recommended for the Board of Directors selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors; and (iv) adopted a formal written charter or board resolution addressing the nomination process and related matters.

In light of Geneve’s voting power, the Board of Directors has determined that the Board of Directors, rather than a nominating committee, is the most appropriate body for identifying director candidates and selecting nominees to be presented at the annual meeting. The Board of Directors seeks

candidates who will bring outstanding business experience that will benefit all of the stockholders of the Company. The Board of Directors has further determined that a policy with respect to consideration of candidates recommended by security holders would not be appropriate.

Committees of the Board of Directors

The Board of Directors has an Executive Committee, an Audit Committee, an Investment Committee and a Compensation Committee. The Executive Committee and the Audit Committee were established in June 2002, immediately following the merger of Nasco and the Company (the "Merger"). The Compensation Committee was established in January 2004 and the Investment Committee was established in June 2004. The Executive Committee is comprised of one independent director, one non-employee director and one employee director. Each of the Audit Committee and the Compensation Committee is comprised exclusively of independent directors. The Investment Committee is comprised of two independent directors and one non-employee director. The Company does not have a standing nominating committee or a nominating committee charter.

Executive Committee. The Executive Committee, which has all powers and authority of the Board of Directors with respect to the management of the business and affairs of the Company, currently consists of Messrs. Lapin, Edward Netter and Tatum. The Executive Committee did not hold any meetings or take any actions by written consent in 2005.

Compensation Committee. The principal functions of the Compensation Committee are to: (i) develop corporate goals and objectives relevant to the compensation of the Company's President and Chief Operating Officer, evaluate the President and Chief Operating Officer's performance in light of such goals and objectives, and exercise sole authority to determine the President and Chief Operating Officer's compensation based upon such evaluation; (ii) make recommendations to the Board of Directors with respect to the compensation of the Company's other executive officers; and (iii) administer the Company's 2002 Employee, Director and Consultant Stock Plan (the "2002 Stock Plan").

Messrs. Harkavy, Tatum and Whritner are the current members of the Compensation Committee. A copy of the Compensation Committee Charter adopted by the Board of Directors in March 2004 was attached to the proxy statement issued in connection with the 2004 Annual Meeting of Stockholders. The Compensation Committee held one meeting in 2005.

Investment Committee. The principal function of the Investment Committee is to consider and make recommendations to the Board of Directors regarding investment opportunities and strategies for the Company with respect to the utilization of excess cash generated by the Company's normal business operations. Messrs. Lahey, Edward Netter and Tatum are the current members of the Investment Committee, which did not hold any meetings or take any actions by written consent in 2005.

Audit Committee. The Audit Committee operates under an amended and restated Audit Committee Charter adopted by the Board of Directors in March 2004, a copy of which is attached to this Proxy Statement as Appendix A. The principal functions of the Audit Committee are to: (i) select and engage the Company's independent registered public accounting firm ("independent auditors"); (ii) review and approve management's plan for engaging the Company's independent auditors during the year to perform non-audit services and consider what effect these services will have on the independence of the Company's independent auditors; (iii) review the Company's annual financial statements and other financial reports which require approval by the Board of Directors; (iv) oversee the integrity of the Company's financial statements, the Company's systems of disclosure controls and

internal controls and the Company's compliance with legal and regulatory requirements; (v) review the scope of the Company's independent auditors' audit plans and the results of their audit; and (vi) evaluate the performance of the Company's internal audit function and independent auditors.

The Audit Committee met five times during 2005. The current members of the Audit Committee are Messrs. Lahey, Tatum and Whritner. Mr. Tatum is the Chairperson of the Audit Committee. Each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The Audit Committee and the Board of Directors have determined that each member of the Company's Audit Committee is financially literate and that Mr. Tatum qualifies as an "audit committee financial expert" as defined by applicable SEC rules.

Compensation of Directors

Each of the four independent members of the Board of Directors, Messrs. Harkavy, Lahey, Tatum and Whritner, receives an annual retainer of \$10,000. The Chairperson of the Audit Committee, Mr. Tatum, receives an additional annual retainer of \$5,000. In addition to the retainer, the independent members of the Board of Directors receive \$500 for each board or committee meeting attended.

Non-employee directors are eligible to receive grants of stock options under the 2002 Stock Plan. The 2002 Stock Plan provides for the automatic grant of non-qualified options to non-employee directors. Each non-employee director, upon first being elected to the Board of Directors, receives an option to purchase 2,500 shares of Common Stock, which will vest one year after the date of the grant of the option, assuming uninterrupted service on the Board of Directors. Additionally, the 2002 Stock Plan provides for a grant to each non-employee director on the date of his reelection (provided that the director has served as a director since his initial election) of an option to purchase 500 shares of Common Stock, which will vest one year after the date of the grant of the option, assuming uninterrupted service on the Board of Directors.

Messrs. Donald T. Netter, Edward Netter and Thung have previously elected to waive their rights to compensation as directors of the Company.

Compensation Committee Interlocks and Insider Participation

Messrs. Harkavy, Tatum and Whritner are the current members of the Compensation Committee. Mr. John Crawford and Ms. Sharon Oster served on the Compensation Committee until August 31, 2005. No member of the Compensation Committee, other than Mr. Crawford, has ever been an officer or employee of the Company. Mr. Crawford retired as an officer of the Company in December 2002. During 2005, (i) no executive officer of the Company served as a member of a board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Compensation Committee; and (ii) no executive officer of the Company served as a member of a compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors.

Aggregated Option/SAR Exercises in Last Fiscal Year and Fiscal Year-End Option/SAR Values

The following table sets forth information regarding the aggregate number of shares underlying options exercised in 2005 and the value at December 31, 2005 of options, whether or not exercisable, held by the Company's President and Chief Operating Officer and the Named Officers:

	Shares Acquired on Exercise(#)	Value Realized \$(1)	Number of Securities Underlying Unexercised Options/SARs at December 31, 2005(#)		Value of Unexercised In-The-Money Options/SARs at December 31, 2005\$(2)

if such holder sells the shares acquired upon the option exercise, since the market price of the shares at the time of sale may be higher or lower than the price on the exercise date of the option.

- (2) The value of both exercisable and unexercisable “in-the-money” options at December 31, 2005 is the difference between (a) the closing price of the Common Stock on December 31, 2005, as reported by NASDAQ (\$7.56) and (b) the per share option exercise price, multiplied by the number of shares of Common Stock underlying the options.

Defined Benefit Pension Plan

Prior to December 31, 2005, the Company had a noncontributory defined benefit pension plan (the "Pension Plan") covering a significant number of its employees, including Messrs. Niemeyer and Johnson. The Pension Plan's benefits were computed based on years of service and average compensation. Compensation under the Pension Plan was defined as base salary including bonuses and commissions. The Named Officers, other than Messrs. Niemeyer and Johnson, were not eligible to participate in the Pension Plan. The Pension Plan benefits for single and married participants are computed as a 10-year certain and life annuity and joint-and-survivor annuity, respectively. Benefits payable under the Pension Plan are not reduced for Social Security or other offsets.

On December 31, 2005, the Company froze the plan benefits under the Pension Plan for all hourly employees and certain salaried employees, including Messrs. Niemeyer and Johnson. The Pension Plan continues in effect for certain salaried employees.

Supplemental Employee Retirement Plan

On February 22, 2006, the Company entered into Supplemental Employee Retirement Plan Agreements ("SERPA") with certain senior employees of the Company, including Messrs. Niemeyer and Johnson. The benefits payable under the SERPA replace, on an equivalent basis, those which otherwise would have been payable to Messrs. Niemeyer and Johnson under the Pension Plan. As of December 31, 2005, the credited years of service for Messrs. Niemeyer and Johnson were 34 years and 12 years, respectively. The remaining Named Officers are not eligible to participate in the SERPA.

The following table sets forth information regarding the aggregate annual retirement benefits payable under the Pension Plan and SERPA based on years of service that would be payable at normal retirement (age 65) on December 31, 2005:

COMPENSATION COMMITTEE'S REPORT ON EXECUTIVE COMPENSATION

General

The purpose of the Company's compensation policy is to offer compensation packages to attract, retain and motivate the Company's executive officers over the long term. The primary components of the Company's executive compensation program are base salary and bonuses, and long-term incentive compensation in the form of stock options and other awards offered under the 2002 Stock Plan. The Compensation Committee did not retain a compensation consultant.

Base Salaries and Bonuses

Annual base salaries paid to the Company's executive officers have historically been at levels comparable to those generally paid to executive officers with comparable experience and responsibilities in industries similar to that of the Company or other similarly-sized companies. The Compensation Committee makes compensation adjustments based on a review of each individual's performance, the individual's success in achieving Company and personal goals and planned changes in responsibilities. The Compensation Committee also considers an individual's extraordinary efforts resulting in tangible increases in corporate, division or department success in recommending increases in base salary and annual bonuses.

Incentive Compensation

The Compensation Committee believes that executive officers who are able to contribute to the Company's long-term success and help build incremental stockholder value should have a stake in that future success and value. This stake focuses the executive officers' attention on managing the Company as owners with equity positions in the Company and aligns their interests with the long-term interests of the Company's stockholders. Stock options therefore represent an important and significant component of the Company's compensation program for executive officers.

Standard awards under the 2002 Stock Plan are based on a review of the individual employee's performance, years of service, position with the Company and long-term potential contribution to the Company. The number of options to be granted at any one time is based upon consideration of the foregoing factors, the employee's level of responsibility and the number of options previously granted to the employee. The Company does not assign specific weights to these factors, although the employee's position and a subjective evaluation of the employee's performance are considered most important. To encourage executive officers to remain in the Company's employ, options granted under the 2002 Stock Plan generally vest on a quarterly basis over a period of three years and have exercise prices not less than the fair market value of the Company's Common Stock on the date of the grant.

Compensation of President and Chief Operating Officer

Compensation paid to Mr. Lapin for 2005 was primarily based on the achievement of individual performance criteria established by the Compensation Committee including merging the Company's defined benefit pension plans, identifying and acquiring attractive complementary businesses and matters relating to the Company's revenues and earnings.

Section 162(m) of the United States Internal Revenue Code of 1986, as amended, may limit the Company's ability to deduct, for Federal income tax purposes, compensation in excess of \$1,000,000

paid to each of the Company's President and Chief Operating Officer and its Named Officers in any one fiscal year. No executive officer of the Company received any such compensation in excess of this limit during 2005.

The report of the Compensation Committee and the information contained therein shall not be deemed to be "solicited material" or "filed" or incorporated by reference in any filing the Company makes under the Securities Act of 1933 (the "Securities Act") or under the Exchange Act, irrespective of any general statement incorporating by reference this Proxy Statement into any such filing, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates this information by reference into a document the Company files under the Securities Act or the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Company's Board of Directors in its oversight of the Company's financial reporting process, as is more fully described in its charter, which the Board of Directors has adopted and which is attached as Appendix A to this Proxy Statement. The Company's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with U.S. generally accepted accounting principles ("GAAP"). The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with GAAP. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews of procedures. The members of the Audit Committee are not and may not be employees of the Company. Therefore, the Audit Committee has relied without independent verification on representations by the Company's management that its financial statements have been prepared with integrity and objectivity and in conformity with GAAP. The Audit Committee has also relied on representations of the Company's independent auditors included in their report on its financial statements. The Audit Committee's oversight does not provide the Audit Committee with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with the Company's management and independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with standards of the Public Company Accounting Oversight Board or that the Company's independent auditors are in fact "independent."

In the performance of its oversight function, the Audit Committee reviewed and discussed with the Company's management its audited financial statements for the fiscal year ended December 31, 2005.

The Audit Committee also discussed these financial statements with the Company's independent auditors, KPMG LLP ("KPMG"). The Audit Committee's discussions with the independent auditors included the matters required to be discussed by Statement of Auditing Standards No. 61, "Communication with Audit Committees," as currently in effect. The Audit Committee also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, the Audit Committee received and reviewed the written disclosures from KPMG required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." Finally, the Audit Committee considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, the Audit Committee is not aware of any relationship between the independent auditors and the Company that affects the objectivity or independence of the independent auditors. Based on these discussions and the Audit Committee's review discussed above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Company's Board of Directors that its audited financial statements for fiscal 2005 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the SEC.

Respectfully submitted,

The Aristotle Corporation Audit Committee

RELATED PARTY TRANSACTIONS

The Company and Geneve operate under cost-sharing arrangements pursuant to which certain administrative items, such as certain executive officer compensation and benefits, are allocated between the companies. During 2005, the Company accrued and paid to Geneve approximately \$870,000 under such arrangements, and accrued approximately \$652,500 for the nine months ended September 30, 2006. Included in these amounts is consideration paid by the Company to Geneve for the Company's use of office space at Geneve's corporate headquarters. The foregoing is subject to approval of the Audit Committee of the Board of Directors at least annually, and management of the Company believes that the terms thereof are no less favorable than could be obtained by the Company from unrelated parties on an arm's length basis. In addition, certain directors, officers and/or employees of the Company or its subsidiaries, who are also directors, officers and/or employees of Geneve, received compensation and benefits from Geneve for services rendered thereto since January 1, 2005.

The Company (including certain qualifying domestic subsidiaries) is included in the Federal income tax return and certain State income tax returns of Geneve. The provision for income taxes for the Company is determined on a separate return basis in accordance with the terms of a tax sharing agreement with Geneve, and payments for Federal and certain State income taxes are made to Geneve. The Company made income tax payments to Geneve under such arrangement of \$705,000 and \$335,000 in 2005 and through the third quarter of 2006, respectively.

During fiscal 2005, the Company invested \$8.2 million in an investment limited partnership. No additional amounts were invested in the investment limited partnership from January 1, 2006 through September 30, 2006. The value of the Company's investment in the investment limited partnership at December 31, 2005 and September 30, 2006 was \$12.9 million and \$14.2 million, respectively. The general partner of the limited partnership is an affiliate of the Company. The assets of the limited partnership are managed exclusively by a non-affiliate of the Company. None of the Company's affiliates received material compensation in connection with such investment activities.

On May 22, 2006, the Company received a proposal from Geneve to acquire in a merger transaction (i) the balance of the outstanding shares of Common Stock for a cash purchase price of \$8.06 per share and (ii) all of the outstanding shares of Series I Preferred Stock for a cash price of \$8.25 per share plus accrued and unpaid dividends to the closing date. At the request of Geneve, the Board of Directors of the Company established a special committee composed of the Company's independent directors solely to consider Geneve's proposal (the "Special Committee"). Despite extensive efforts, Geneve and the Special Committee were unable to reach agreement; as a result, on September 18, 2006, Geneve withdrew its proposal.

In addition, the Company filed its Code of Ethics and Corporate Code of Business Conduct and Ethics as exhibits to its Annual Report on Form 10-K. to, or waiver from, a provision of the Code of Ethics and Corporate Code of Business Conduct and Ethics by posting such information on the Company's internet website.

The policies and procedures were implemented in 2002. Departmental requests for non-audit services are reviewed by management and, once approved, are forwarded to the Chairperson of the Audit Committee for pre-approval. In addition, the Audit Committee reviewed the professional fees billed by KPMG, and determined that the provision of non-audit services was compatible with the maintenance of the auditors' independence. All non-audit services billed to the Company by KPMG in 2005 were pre-approved by the Audit Committee.

OF THE
BOARD OF DIRECTORS
OF
THE ARISTOTLE CORPORATION**

The Audit Committee (“Audit Committee”), appointed by and acting on behalf of the Board of Directors of The Aristotle Corporation (“Aristotle”), a Delaware corporation, shall be responsible for overseeing Aristotle’s accounting, financial reporting processes, internal controls, and audit of Aristotle’s financial statements. Management is responsible for (a) the preparation, presentation and integrity of Aristotle’s financial statements; (b) accounting and financial reporting principles; and (c) Aristotle’s internal controls and procedures designed to promote compliance with accounting standards and applicable laws and regulations. Aristotle’s independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

MEMBERSHIP

The Audit Committee shall be composed of at least three directors determined by the Board of Directors (the “Board”) to have no relationship with Aristotle that may interfere with the exercise of their independence from management and to meet the independence and financial literacy requirements of The Nasdaq Stock Market, Inc. (“NASDAQ”) and applicable federal law. At least one member must have accounting or other relevant financial management expertise as required by NASDAQ. If an Audit Committee member simultaneously serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of such director to effectively serve on Aristotle’s Audit Committee. Appointment to the Audit Committee, including the designation of the Chair of the Audit Committee and the designation of any Audit Committee members as “audit committee financial experts,” shall be made on an annual basis by the full Board.

RESPONSIBILITIES OF AUDIT COMMITTEE

The Audit Committee shall undertake such functions as it deems appropriate to oversee Aristotle’s accounting, financial reporting processes, internal controls, and audit of Aristotle’s financial statements. Without limiting its scope of activities, the Audit Committee shall, among other things, be responsible for:

- The appointment, replacement, compensation and oversight of the work of Aristotle’s independent auditors.
- Reviewing the adequacy and appropriateness of Aristotle’s system of

internal financial controls, including the need for, and conduct of, an internal auditing function.

- Reviewing and discussing the written statement from the independent auditor concerning any relationship between the auditor and Aristotle or any other relationships that may adversely affect the independence of the auditor, and, based on such review, assessing and assuring the independence of the auditor.
- Establishing policies and procedures for the review and pre-approval by the Audit Committee of all auditing services and permissible non-audit services (including the fees and terms thereof) to be performed by the independent

auditor, with
exceptions
provided for de

certain
circumstances
as described by
law.

- Reviewing and discussing reports from the independent auditors on (a) all critical accounting policies and practices used by Aristotle, (b) alternative accounting treatments within GAAP related to material items that have been discussed with management, including the ramifications of the use of the alternative treatments and the treatment preferred by the

independent auditor, and (c) other material written communications between the independent auditor and management.

- Reviewing with the independent auditor its judgments as to the quality, not just the acceptability, of Aristotle's accounting principles and such matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.
- Reviewing and granting prior approval authority for related party transactions (as defined in the relevant Nasdaq requirements).
- Reviewing the filings made on behalf of Aristotle with the Securities and Exchange Commission (the "SEC"), the Nasdaq National Market System and such other

management reports thereon.

- Reviewing the procedures established by Aristotle, and actions undertaken on Aristotle's behalf, to protect Aristotle's proprietary intellectual property.
- Reviewing the findings of investigations, examinations, and similar reviews, if any, issued or conducted by regulatory authorities which pertain to Aristotle's internal financial controls and financial reporting functions.
- Establishing procedures for the receipt, retention and treatment of complaints received by Aristotle regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous

submission by employees of concerns regarding questionable accounting or auditing matters.

- Publishing the report of the Audit Committee required by the rules of the SEC to be included in the company's annual proxy statement.

Further, the Audit Committee shall conduct special investigations at its discretion and shall perform such other functions as may be requested from time to time by the Board of Directors.

In the conduct of its responsibilities, the Audit Committee is authorized to communicate directly with any employee of Aristotle or any third party conducting business with Aristotle, to engage professionals, including lawyers, accountants and other advisers who have or have not previously rendered services to Aristotle on terms (including financial) that the Audit Committee deems

appropriate in its discretion, and to undertake such other actions as the Audit Committee deems appropriate in order to fulfill its responsibilities.

MEETINGS

The Audit Committee shall meet at the discretion of its Chairperson or a majority of its members, but shall meet not less frequently than quarterly and as often as necessary to carry out its responsibilities. A majority of the members of the Audit Committee shall constitute a quorum and shall be empowered to act on behalf of the Audit Committee. The Audit Committee shall meet at least annually with Aristotle's independent auditors without management present. The Audit Committee may delegate its authority to any subcommittee or member where appropriate and permitted by relevant law and the rules and regulations of the SEC, Nasdaq and any other exchange(s) upon which the securities of Aristotle are listed. The Audit Committee shall maintain minutes of its proceedings.

- Significant findings during the year, including the status of previous audit recommendations.
- Any difficulties encountered in the course of audit

work, including any restrictions on the scope of activities or access to required information.
