Proxy Statement

The approximate date of the mailing of this Proxy Statement and proxy card is April 10, 2002. This solicitation of proxies is being made by the Board of Directors of ONEOK, Inc.

Quorum and voting

Record Date. The record date for the meeting is March 18, 2002. Only shareholders of record at the close of business on that date are entitled to notice of, and to vote at, the meeting.

Voting Stock. The only class of stock entitled to be voted at the meeting is ONEOK's common stock. At the close of business on the record date, there were 60,259,570 shares of common stock outstanding and entitled to be voted at the meeting, and the holders of those shares will be entitled to one vote per share.

Quorum and Votes Required. A quorum is a majority of the outstanding shares, which may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be held. Directors are elected by a plurality of the shares voted. Proposal #2 must receive the affirmative vote of a majority of the shares present in person or by proxy to be adopted. If you appoint a proxy, even if you abstain from voting, you will be considered part of the quorum.

Adjourned Meeting. If a quorum is not present at the scheduled time of the meeting, the shareholders who are represented may adjourn the meeting until a quorum is present. If the time and place of the adjourned meeting are announced at the time the adjournment is taken, no other notice will be given. If the adjournment is for more than thirty (30) days, or if a new record date is set for the adjourned meeting, a notice will be given to each shareholder of record entitled to vote at the meeting. An adjournment will have no effect on the business that may be conducted at the meeting.

Voting of Shares Held in Street Name by Your Broker. Brokerage firms have authority under New York Stock Exchange Rules to vote customers' unvoted shares on certain "routine" matters, including the election of directors. If you do not appoint a proxy to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. We encourage you to provide instructions to your brokerage firm by appointing a proxy to vote your shares. This ensures your shares will be voted at the meeting. When a brokerage firm votes its customers' unvoted shares on routine matters, these shares are counted for purposes of the vote and for purposes of establishing a quorum to conduct business at the meeting. A brokerage firm, however, cannot vote customers' shares on non-routine matters. Accordingly, these shares (sometimes referred to as "broker non-votes") are considered not entitled to vote on the non-routine matters.

Abstentions. If you abstain from voting, your shares will nevertheless be included in the number of shares represented for purposes of determining whether a quorum is present. Because directors are elected by a plurality of the votes, an abstention would have no effect on the outcome of the vote on proposal #1 -- Election of Directors, and thus, is not offered as a voting option for that proposal. However, abstentions are effectively treated in the tally of votes against proposal #2.

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

Tabulation of Votes. ONEOK's transfer agent will be responsible for tabulating and certifying the votes.

Default Voting. If you properly authorize a proxy electronically via the Internet, by telephone, or in paper form, but do not indicate any voting instructions, your shares will be voted as follows:

- . Proposal 1 -- Election of Directors -- FOR all nominees.
- . Proposal 2 -- Ratification of the appointment of our principal independent auditors for the 2002 Fiscal Year -- FOR.

Questions and answers

-
1. Q: Who may attend the Annual Meeting?
 A: All shareholders on March 18, 2002, may attend. If your shares are held by your broker, often referred to as "in street name", just bring a copy of your brokerage account statement or a proxy card which you can get from your broker.

-
2. Q: Who are the largest principal shareholders?
 A: As of March 18, 2002, the record date, the following are known to be the beneficial owners of more than five percent (5%) of any class of ONEOK's outstanding voting securities:

Common stock:	Title of class and name & address of beneficial owner	Amount and Nature of Ownership	Percentage of Class
-----		-----	-----
Bank of Oklahoma, N.A. Trustee for the Thrift Plan for Employees of ONEOK, Inc. and Subsidiaries P.O. Box 2300 Tulsa, OK 74192		6,730,073	11.2%
Westar Industries, Inc./1/ 818 Kansas Avenue Topeka, KS 66612-1217		4,480,533	7.4%
Preferred stock (Series A):			
Westar Industries, Inc./1/ 818 Kansas Avenue Topeka, KS 66612-1217		19,946,448	100%

/1/ Westar Industries, Inc. is an affiliate of Western Resources, Inc. As of 03/18/02 Westar Industries, Inc. owned approximately 44.3% of the outstanding shares of the capital stock of ONEOK. Holders of the outstanding convertible preferred stock (Series A) are not entitled to vote on any

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

matters being considered at this annual meeting.

-
3. Q: How do I vote?
A: You may vote in person at the meeting or appoint a proxy via the Internet, by telephone, or by mail to vote your shares. Following the Notice of Annual Meeting is a description of the Voting Methods available this year. As outlined on Page 1, "Quorum and Voting", if you return a signed card but do not provide voting instructions, your shares will be voted for the two proposals.

-
4. Q: How do I revoke my proxy?
A: You have the right to revoke your proxy at any time before the meeting by:
(1) notifying ONEOK's Corporate Secretary in writing;
(2) authorizing a different proxy via the Internet;
(3) authorizing a different proxy by telephone;
(4) returning a later-dated proxy card; OR
(5) voting in person.

-2-

-
5. Q: Is my vote confidential?
A: Proxy cards, ballots and voting tabulations that identify individual shareholders are mailed and returned directly to the Proxy Tabulator and handled in a manner that protects your voting privacy. It is ONEOK's policy to protect the confidentiality of shareholder votes throughout the voting process. In this regard, the vote of any shareholder will not be disclosed to ONEOK's Directors, officers or employees, except:
. to meet legal requirements; or
. to assert or defend claims for or against ONEOK; or
. except in those limited circumstances where
(1) a proxy solicitation is contested;
(2) a shareholder writes comments on a proxy card; or
(3) a shareholder authorizes disclosure.

Both the tabulators and the inspectors of election have been, and will remain, independent of ONEOK. Nothing in this policy prohibits shareholders from disclosing the nature of their votes to ONEOK's Directors, officers or employees, or impairs voluntary communication between ONEOK and its shareholders, nor does this policy prevent ONEOK from ascertaining which shareholders have voted or from making efforts to encourage shareholders to vote.

-
6. Q: How is ONEOK, Inc. common stock in the Thrift Plan voted?
A: Thrift Plan votes receive the same confidentiality as all other shares voted. If you hold shares of ONEOK, Inc. common stock through the Thrift Plan, you must instruct the ONEOK, Inc. trustee, Bank of Oklahoma, N.A., how to vote your shares. If you do not authorize a proxy electronically via the Internet, by telephone, or by mail, or if you return it with an unclear voting

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

designation, or with no voting designation at all, then the trustee will vote the shares in your account in proportion to the way the other Thrift Plan participants voted their shares.

7. Q: How will voting on any other business be conducted?
A: Although we do not know of any business to be considered at the 2002 annual meeting other than the proposals described in this Proxy Statement, if any other business is properly presented at the annual meeting in accordance with Sections 2.11(b) of our By-laws, your signed proxy card gives authority to David L. Kyle, ONEOK's Chairman of the Board, President, and Chief Executive Officer; and John A. Gaberino, Jr., Senior Vice President, General Counsel and Corporate Secretary, to vote on these matters at their discretion.
-

8. Q: What shares are included on the proxy card(s)?
A: The shares on your proxy card(s) represent ALL of your shares, including those in ONEOK's Direct Stock Purchase and Dividend Reinvestment Plan and shares held in custody for your account by Bank of Oklahoma, N.A., as trustee for the Thrift Plan for Employees of ONEOK, Inc. and Subsidiaries. If you do not authorize a proxy electronically via the Internet, by telephone, or by mail, your shares, except for those held in the Thrift Plan, will not be voted. See Question #6 for an explanation of the voting procedures for the Thrift Plan shares.
-

9. Q: What does it mean if I receive more than one proxy card?
A: If your shares are registered differently and are in more than one account, you will receive more than one proxy card and Proxy Statement. Sign and return all proxy cards to ensure that all your shares are voted. We encourage you to have all accounts registered in the same name and address whenever possible. Also, you can request that only one Proxy Statement and one Annual Report be mailed to the same address. You can accomplish this by contacting our transfer agent, UMB Bank, N.A. at 1-866-235-0232.
-

-3-

10. Q: When are shareholder proposals for inclusion in the Proxy Statement for the 2003 annual meeting due?
A: All shareholder proposals to be considered for inclusion in next year's Proxy Statement must be submitted in writing to the Corporate Secretary of ONEOK, Inc., 100 West Fifth Street, Tulsa, OK 74103-4298 by December 12, 2002. ONEOK will determine whether or not to include such proposal in the Proxy Statement according to applicable law. It is recommended that proposals be sent by certified mail, return receipt requested.
-

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

11. Q: What out-of-pocket costs will ONEOK incur in soliciting proxies?
A: Morrow & Co., Inc. was hired to assist in the distribution of proxy materials and solicitation of votes for \$8,500, plus out-of-pocket expenses. We also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders. The cost of soliciting proxies will be borne by ONEOK, Inc.
-

12. Q: Who is soliciting my proxy?
A: The Board of Directors of ONEOK, Inc. is sending you this Proxy Statement in connection with its solicitation of proxies for use at ONEOK's 2002 annual meeting of Shareholders. Certain directors, officers and employees of ONEOK also may solicit proxies on our behalf by mail, telephone, fax or in person.

Proposals you may vote on

1. Election of four Directors in Class B -- term ending 2005.

There are 4 director nominees for election this year. The nominees for directors are:

- . William M. Bell;
- . John B. Dicus;
- . David L. Kyle; and
- . Pattye L. Moore

Detailed information on each is provided on page 6. The By-laws provide that a person cannot be elected or re-elected to the Board after the person's 70th birthday. Therefore, effective with this Annual Meeting, Mr. Douglas R. Cummings, a Class B director, will no longer be eligible to stand for re-election. On February 21, 2002, the Board of Directors elected Ms. Pattye L. Moore as a Class B director, and nominated Messrs. William M. Bell, John B. Dicus and David L. Kyle and Ms. Pattye L. Moore as its nominees for election as Class B directors. It is contemplated that at its meeting to be held April 18, 2002, the board will, by resolution, reduce the size of the Board from 12 members to 11 members due to Mr. Cummings' retirement as of the Annual Meeting. At that time the Board will be divided into three Classes (A, B, and C) consisting of 3 members in Class A, 4 members in Class B and 4 members in Class C. Each Class is elected for a term of three years, with the term of one class expiring at each annual meeting of shareholders.

Your Board unanimously recommends a vote FOR each of these directors.

2. Ratify the appointment of KPMG LLP as principal independent auditor.

The Audit Committee has recommended, and the Board has approved, the appointment of KPMG LLP ("KPMG") as our principal independent auditor for the 2002 Fiscal Year subject to shareholder ratification. KPMG has unrestricted access to the Audit Committee to discuss audit findings and other financial matters. Representatives of KPMG will attend the annual meeting to answer appropriate questions. They also may make a statement.

Statement on corporate governance

The Corporate Governance Guidelines of the Board of Directors of ONEOK, Inc. are intended to embody the principles by which the Board operates, and are not intended to be a code of regulations, but rather a statement of intention. The Guidelines were adopted by the Board in March of 1999. Key areas of the Guidelines and principal functions of the Board are:

- . Review succession planning and CEO performance evaluation;
- . Review compensation and stock ownership of the Company's Directors and executive officers; and
- . Review the structure and operations of the Board.

The Board of Directors believes that corporate governance is a continuing process and these Guidelines are reviewed periodically and may change from time to time as conditions warrant.

Committee structure and membership roster

Committee structure: The Board has established the following standing committees:

. The Audit Committee examines accounting processes and reporting systems, assesses the adequacy of internal controls and risk management, reviews and approves ONEOK's financial disclosures, and evaluates the performance and recommends the appointment of independent auditors. The Audit Committee has adopted, and operates under, a charter.

. The Executive Committee acts on behalf of the Board during intervals between meetings of the Board and reports to the Board at its next regular meeting on any actions taken. This committee has the power to act on major matters where it deems action appropriate, providing a degree of flexibility and ability to respond to time-sensitive business and legal matters without calling a special Board meeting. It is ONEOK's practice to seek ratification by the Board for the actions taken by the Executive Committee. The Executive

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

Committee has adopted, and operates under, a charter.

. The Executive Compensation Committee reviews ONEOK's executive compensation programs to ensure the attraction, retention and appropriate reward of executive officers, to motivate their performance in the achievement of ONEOK's business objectives, and to align the interests of executive officers with the long-term interests of ONEOK's shareholders. This Committee reviews and makes recommendations to the Board on executive and director compensation, personnel policies, programs and plans. The Executive Compensation Committee has adopted, and operates under, a charter.

. The Nominating and Corporate Governance Committee ensures an appropriate structure for management succession and development, and an effective process for director selection and tenure by making recommendations on the Board's organization and practices and by aiding in identifying and recruiting director candidates. The Committee also establishes and reviews issues of corporate governance. The Committee considers nominees recommended by shareholders for service on the Board of Directors. Recommendations should be sent to the Corporate Secretary at the address shown on the front of this Proxy Statement. The Nominating and Corporate Governance Committee has adopted, and operates under, a charter.

Committee Charter in April of 1999. All members of the Audit Committee are independent as defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards.

The Audit Committee has reviewed and discussed with the Company's management and KPMG LLP, the Company's independent auditors, the audited financial statements of the Company contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2001. The Audit Committee has received and reviewed the written disclosures letter from KPMG LLP required by Independence Standards Board Standard No. 1 (titled, "Independence Discussions with Audit Committees"), and has discussed with KPMG LLP their independence. The Audit Committee has also considered whether the provision of information technology services and other non-audit services to the Company by KPMG LLP is compatible with maintaining their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, filed with the U.S. Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Financial Information Systems Design and Implementation Fees -- No professional services described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X were rendered by KPMG LLP during the fiscal year ended December 31, 2001.

All Other Fees -- KPMG LLP has billed the Company \$267,000, in the aggregate, for services rendered by KPMG LLP for all services (other than those covered above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees") during the fiscal year ended December 31, 2001. These fees consisted of non-audit services of \$47,000 and audit-related services of \$220,000. Non-audit services consisted of tax compliance services. Audit-related services consisted primarily of audits of financial statements of employee benefit plans, review of registration statements and issuance of comfort letters and consents.

Directors' compensation

ONEOK annually benchmarks directors' compensation and strives to pay at the median for companies of comparable size in its industry. A director who is an officer or employee of ONEOK receives no compensation for his or her services as a director or as a member of a committee of the Board. A director who is not an officer or employee receives compensation for his or her services as described below. All directors are reimbursed for reasonable expenses incurred in connection with attendance at board and committee meetings.

During Fiscal 2001, eight meetings were held by the Board of Directors. All directors attended at least seventy-five percent (75%) of the meetings of the Board of Directors and committees on which such directors served.

The directors' compensation for Fiscal 2001 consisted of: 1) an annual cash retainer of \$22,500; 2) a stock retainer of 400 shares of ONEOK, Inc. common stock on a post-split basis, the value of which is reflected in the total directors' fees indicated below; 3) a stock option grant for 10,000 shares of stock (post-split) granted under the ONEOK, Inc. Non-Employee Directors' Stock Compensation Plan; and 4) meeting fees of \$1,200 per board or committee meeting attended in person or \$600 per board or committee meeting attended via telephone. Also, each committee chair receives an additional annual cash retainer of \$3,500. The total amount of directors' fees paid in Fiscal 2001 was \$492,311.

In Fiscal 2001, \$242,205 of the total amount payable for directors' fees was deferred under the Deferred Compensation Plan for Non-Employee Directors. All non-employee directors are eligible to participate in this Plan. In January each year the non-employee directors may elect to defer all, or a portion of, the annual cash retainer, the annual stock retainer, and meeting fees payable by ONEOK. Deferred amounts are treated, at the election of the participating director, either as phantom stock or as a cash deferral.

Phantom stock deferrals will be treated as though the deferred amount is invested in ONEOK common stock at the fair market value on the date the stock, the retainer, and/or fees are earned. Phantom stock earns the equivalent of dividends, reinvested at the fair market value on the payment date of each common stock dividend declared. Phantom stock accounts are representative of shares of common stock which can be issued to a non-employee director under the ONEOK, Inc. Long-Term Incentive Plan, but are deferred until settlement in shares of common stock at an elected deferral date. See pages 14-16 for phantom stock ownership.

Cash deferrals will be credited with interest at the investment return rate determined by the Executive Compensation Committee.

In January 2000, the Board created a special committee to review issues relating to the now-terminated agreement to merge with Southwest Gas Corporation. That committee was chaired by Gary D. Parker, and committee members were paid the same fee for each meeting as standing committees received; however, an additional \$300 per hour, per director was paid for each hour in excess of a four-hour meeting and for each hour spent on committee business in addition to the four-hour meeting time. This committee met once during 2001, and in total, \$5,400 was paid to members of this Committee for activities in fiscal year 2001.

Executive compensation:
Report of the Compensation Committee

The Committee's Responsibilities: The Executive Compensation Committee of the Board ("the Committee") has responsibility for reviewing, and recommending to the full Board of Directors, the Company's executive compensation programs to:

- .. attract, retain and appropriately reward executive officers;
- .. motivate their performance in the achievement of the Company's business objectives; and
- .. align the interests of executive officers with the long-term interests of the Company's shareholders.

The Committee is composed entirely of outside directors. The purpose of this report is to summarize the philosophical principles, specific program objectives, and other factors considered by the Committee in reaching its recommendations regarding the executive compensation of the Named Executive Officers.

Compensation Philosophy: The Company's executive compensation program is based on the belief that the interests of executives should be closely aligned with those of the shareholders. The Committee has adopted a framework of principles for the management compensation program which:

- .. attracts the best talent to ONEOK;
- .. encourages executives to manage from the perspective of owners with an equity stake in the Company;
- .. motivates individuals to perform at their highest levels;
- .. encourages strong financial and operational performance of the Company and creates shareholder value by maintaining a portion of executives' total compensation at risk;
- .. rewards outstanding achievement; and
- .. retains the leadership and skills necessary for building long-term shareholder value.

Compensation Methodology: ONEOK strives to provide a comprehensive executive compensation program that is competitive and performance-based in order to attract and retain superior executive talent. Annually, the Committee reviews market data for two components of executive compensation: (1) annual cash compensation, and (2) long-term incentive compensation. To assist in

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

benchmarking the competitiveness of its compensation programs, ONEOK participates in executive compensation surveys and utilizes independent compensation consultants. Because the Committee believes that the Company's direct competition for executive talent is broader than the companies that are included in the S&P Utilities Index which is used in the Performance Graph on page 21, the surveys utilized include the American Gas Association Executive Compensation Survey, the Effective Compensation Oil and Gas Industry Compensation Survey, the Hewitt Associates Energy Traders Compensation Survey, the Towers Perrin Compensation Survey of Energy Marketing and Trader Positions, the Watson Wyatt Worldwide Top Management Compensation Survey, and the William M. Mercer Finance Accounting and Legal Survey.

Components of Compensation:

- .. Annual Cash Compensation: Annual cash compensation for the Named Executive Officers, as well as all executive officers, consists of two components, base salary and a variable, at-risk incentive.

Annual base salary is designed to compensate executives for their level of responsibility, experience, sustained individual performance, and contribution to the Company. The Committee recommends to the Board all salary increases for executive officers. The goal is to compensate executives at 100% of the competitive base salary levels for similar positions by ONEOK's peers as identified through published surveys, company documents, and other sources.

Annual incentive awards are issued under the ONEOK, Inc. Annual Officer Incentive Plan (the "Officer Incentive Plan"). The purpose of the Officer Incentive Plan is to provide certain officers of ONEOK, Inc. with a direct financial interest in the performance and profitability of the Company and to reward performance. The Officer Incentive Plan is administered by the Committee in accordance with stated purposes and the Committee recommends to the full Board of Directors, based on recommendations of the CEO, all awards under the Officer Incentive Plan.

-17-

The Officer Incentive Plan is designed to allow the Company's officers the opportunity to earn compensation that is above average when compared to ONEOK's peers if ONEOK achieves outstanding results compared to those peers and to targeted objectives.

Incentive criteria are established by the Committee and include achievement of certain corporate and unit performance goals as well as individual performance criteria as benchmarks for Incentive Awards. Such criteria include earnings per share, shareholder appreciation, and return on invested capital.

Individual performance criteria includes:

- . problem analysis;
- . directing;
- . utilization of human, capital & material
- . initiation of, and response to, change;
- . personal actions.
- . planning and organizational ability;
- . decision-making;
- . resourtricmees;management;
- . communication and team relations; and

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

The Bonus column of the Summary Compensation Table on page 22 contains the annual incentives earned for Fiscal 2001 for each of the Named Executive Officers.

- .. Long-term Incentive Compensation: On August 20, 1998, the Committee recommended to the full Board that it amend and restate the Key Employee Stock Plan. The amendments included changing the name to the ONEOK, Inc. Long-Term Incentive Plan (the "LTI Plan"), increasing the number of shares subject to the LTI Plan, modifying the definition of certain terms governing the granting of stock incentives, and providing for payment of non-employee director compensation in the form of stock awards. The shareholders approved that amendment to the LTI Plan on January 21, 1999. On February 15, 2001, the Committee recommended to the full Board that it amend and restate the Plan to increase the shares available for issuance. That amended and restated Plan was approved by the shareholders on May 17, 2001, and will remain in effect until all shares authorized to be issued as stock incentives have been granted or until the Board terminates the LTI Plan. Also on May 17, 2001, the shareholders approved a two-for-one stock split, effective June 11, 2001, which had the effect of doubling the number of shares available for issuance from the Plan and the outstanding options granted.

The purpose of the LTI Plan is to provide incentives to enable the Company to attract, retain, and reward certain employees and to give such employees an interest parallel to the interests of the Company's shareholders. The LTI Plan is administered by the Committee, and the Committee reviews and recommends to the full Board of Directors, after recommendation of the CEO, all long-term incentive awards. The Committee is authorized to make all decisions and interpretations required to administer and execute the LTI Plan. Participation in the LTI Plan is limited to certain employees of ONEOK, Inc. who are in a position to contribute significantly to the growth and profitability of the Company, its divisions, and subsidiaries.

The LTI Plan authorizes the Committee to grant stock incentives to eligible employees in a variety of forms including: (1) Incentive Stock Options, (2) Non-Statutory Stock Options, (3) Restricted Stock Awards, and (4) Performance Awards. In 1995, 1996, 1997 and 1998, these awards were granted as non-statutory stock options. From 1999 forward these awards were granted as non-statutory stock options and/or restricted stock. In determining the number of stock options and/or restricted stock awarded, the Committee reviewed a survey detailing the 50/th/ percentile of grant values of long-term incentives in the general industry, and it also considered the participant's past performance. The table below details the grants that have been made from the LTI Plan and the balance remaining available for grant as of December 31, 2001:

- ** Restricted stock does not have an expiration date. These shares are restricted and vest in full after a three-year period from the date of grant. The holders of restricted stock have voting rights for these shares and the shares earn dividends.
- *** This out-of-cycle grant was made to Mr. John W. Gibson upon his employment with ONEOK.

Due to the transition to a December 31/st/ fiscal year end, no options or restricted stock were granted in Fiscal 2000 other than the grant detailed above for Mr. Gibson.

Stock Options have an exercise price equal to the fair market value of common stock on the date of grant. The options granted in 1995, 1996, 1997, and in January of 1998 are exercisable beginning one year from the date of grant. In 1998 the Committee modified the Non-Statutory Stock Option Agreement to allow stock options granted under that Agreement to become exercisable beginning one year after the date of grant in four equal annual installments.

Stock Options may include a restoration feature, by which options are granted to replace shares that are surrendered by participants as full or partial payment to the Company of the purchase price of shares being acquired through the exercise of the stock option or shares that are surrendered to satisfy the tax obligations incident to the exercise of an option. Each restored option shall have an option price equal to the fair market value of the Common Stock on the date of grant of the restored option and shall expire on the stated expiration date of the original option.

The LTI Plan does not allow for the repricing of stock options.

Chief Executive Officer Compensation: This Committee meets annually to review the Board of Directors' evaluation of the Chief Executive Officer's ("CEO") performance. The Committee uses this performance evaluation, the surveys previously mentioned, and the C.A. Turner Utility Report on financial and stock performance in considering the CEO's compensation. When reviewing the surveys and financial data, the Committee factors in that ONEOK's CEO also serves the Company as Chairman of the Board. Categories in which performance is evaluated include: (1) leadership, (2) strategic planning, (3) financial issues, (4) management and operations, (5) human resources, and (6) communications.

. Annual Cash Compensation: The Committee recommended, and the Board of

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

Directors approved, a base salary amount of \$700,000. Mr. Kyle received a retroactive salary increase of \$82,531, which was earned in Fiscal 2000 but paid in Fiscal 2001.

Annual incentive compensation for Mr. Kyle is based on attainment of annual performance goals for the Company, and on Mr. Kyle's individual objectives and performance as reviewed by the Committee. Based on these criteria, Mr. Kyle was awarded \$0.00 representing 0% of his compensation that related to the Company's performance during the 2001 fiscal year.

- . Long-term Incentive Compensation: On January 18, 2001, Mr. Kyle received a non-statutory stock option grant of 40,000 shares of stock at a purchase price of \$44.6250 per share. This grant will become first exercisable on January 18, 2002, as to 10,000 shares, and the remaining portion of the grant will vest equally over the next three years. Also, on January 18, 2001, Mr. Kyle was granted 17,600 shares of restricted stock that will vest in full on January 18, 2004.

The grants made to Mr. Kyle on January 18, 2001 (and all grants issued to employees from the ONEOK, Inc. Long-Term Incentive Plan) were impacted by the 2-for-1 stock split approved by shareholders at the May 17, 2001, Annual Meeting and effective June 11, 2001. After the split, the 01/18/01 grant for Mr. Kyle resulted in a non-statutory stock option for 80,000 shares of stock at a purchase price of \$22.3125, and a restricted stock award for 35,200 shares of stock.

Internal Revenue Service Limitations on Deductibility of Executive Compensation: In structuring the Company's compensation plans, the Committee takes into consideration Section 162(m) of the Internal Revenue Code (which disallows the deduction of compensation in excess of \$1,000,000 except for certain payments based upon performance goals) and other factors the Committee deems appropriate. As a result, some of the compensation under the Company's compensation plans may not be deductible under Section 162(m).

Compensation Committee Interlock and Insider Participation: There are none.

Notes to option grant table:

- /1/ No Stock Appreciation Rights ("SARs") were granted in Fiscal 2001.
- /2/ All option grants itemized reflect the impact of the shareholder approved two-for-one stock split effective June 11, 2001. ONEOK, Inc. options are granted at the Fair Market Value of ONEOK stock on the date of grant. The options vest in four-equal annual installments, commencing one year from the date of grant. Each option has a 10-year term. Although no restored options were granted to the Named Executive Officers during Fiscal 2001, the stock option agreements provide that an additional option may be granted if, and when, the optionee exercises all or part of

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

an option using common stock to pay the purchase price of the option or to satisfy tax obligations incident to the exercise of the option. The restored option will be exercisable for the number of shares tendered to pay the option price or to satisfy any tax obligation, and will be exercisable at any time after the expiration of a period of six (6) months following the date of grant (or at any other time as determined by ONEOK) and will expire on the expiration date of the original grant. Each restored option is awarded with an exercise price equal to the fair market value of a share of ONEOK, Inc., common stock on the date of the grant.

- /3/ These amounts represent assumed rates of appreciation only and are not intended to forecast future appreciation of the common stock price. Actual gains, if any, on stock option exercises depend on the future performance of the common stock and overall market conditions. There can be no assurances that the potential values reflected in this table will be achieved.
- /4/ Currently ONEOK Texas Resources, Inc. owns approximately 11.3% of Magnum Hunter Resources, Inc. Due to Magnum Hunter's merger with Prize Energy Corp., which was completed on March 15, 2002, ONEOK Texas Resources, Inc.'s ownership was reduced from approximately 22.0% to approximately 11.3% with one director represented on the Board. The table below reflects the options granted to Messrs. Kyle and Kneale as officers of ONEOK serving as Directors of Magnum Hunter. Notes to the pension benefits table:

- /1/ The Retirement Plan for Employees of ONEOK, Inc. and Subsidiaries is a tax-qualified, defined-benefit pension plan under both the Internal Revenue Code of 1986, as amended, and the Employee Retirement Income Security Act of 1974, as amended. Benefits become vested and non-forfeitable after completion of five years of continuous employment. A vested participant receives the retirement benefit at retirement age under the Retirement Plan, unless an early retirement benefit is elected under the Plan, in which case the retirement benefit is actuarially reduced for early commencement. Benefits are calculated at retirement date based on a participant's credited service, limited to a maximum of 35 years, and final average earnings. Credited years of service under these plans for the Named Executive Officers as of December 31, 2001 are as follows: D. L. Kyle, 27 years and 6 months; J. C. Kneale, 20 years and 8 months; J. W. Gibson, 1 year and 7 months; J. A. Gaberino, Jr., 3 years and 11 months; and E. N. Dubay, 5 years and 8 months.
- /2/ For purposes of the above table, the annual Social Security Covered Compensation benefit (\$39,444) was used in the excess benefit calculation.
- /3/ Under the Internal Revenue Code, the annual compensation of each employee to be taken into account under the Retirement Plan for 2001 cannot exceed \$150,000, as adjusted for increases in the cost of living for plan years beginning after December 31, 1993. The maximum amount for 2001, as adjusted, is \$170,000.
- /4/ Amounts are estimates only and would be subject to adjustment based on rules and regulations applicable to the method of distribution and survivor benefit options selected by the retiree. The Retirement Plan provides that retirement benefits would be actuarially reduced for retirement prior to age 65.
- /5/ The compensation covered by the Retirement Plan benefit formula is the basic salary paid to an employee within the employee's final average earnings. The final average earnings means the employee's highest

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

earnings during any sixty consecutive months during the last 120 months of employment. For any employee named or shown in the Summary compensation table who retires with vested benefits under the Plan, the compensation shown as "salary" in the Summary compensation table could be considered covered compensation in determining benefits, except that the Plan benefit formula takes into account only a fixed percentage of final average earnings which is uniformly applied to all employees. The amount of covered compensation that may be considered in calculating retirement benefits is also subject to limitations in the Internal Revenue Code of 1986, as amended, applicable to the Plan.

ONEOK, Inc. Supplemental Executive Retirement Plan

The following table sets forth the estimated benefits payable upon retirement at age 65 to a covered participant under the ONEOK, Inc. Supplemental Executive Retirement Plan ("SERP"). The estimates assume that a covered participant is fully vested. The amounts shown would be reduced for commencement prior to age 60. SERP benefits are offset by benefits payable under the Retirement Plan.

\$500,000	\$250,000	\$280,000	\$294,250	\$308,500

The SERP covers certain elected or appointed officers of ONEOK, and certain other employees in a select group of management and highly compensated employees of ONEOK. Participants are selected by the CEO, or in the case of the CEO, by the Board of Directors.

Benefits payable to participating employees under the SERP are based upon a specified percentage (reduced for early retirement) of the highest 36 consecutive months' compensation of the employee's last 60 months of service.

The SERP will, in any case, pay a benefit equal to the benefit which would be payable to the participant under the Retirement Plan if the limitations imposed by the Internal Revenue Code Sections 401(a)(17) and 415(b) were not applicable, less the benefit payable under the Retirement Plan with such limitations. Benefits under the SERP are paid coincidentally with the payment of benefits under the Retirement Plan or as the administrative committee may determine. SERP benefits are offset by benefits payable under the Retirement Plan.

ONEOK provides for funding of this benefit through a trust arrangement commonly referred to as a Rabbi Trust.

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

The Board of Directors may amend or terminate the SERP at any time; however, benefits to current participants may not be reduced.

Change in control and termination agreements

During 2001, ONEOK, Inc. amended its termination agreements with each of its named executive officers to standardize the change in control provisions with ONEOK's other documents. Each of the termination agreements has a three-year term, but will be extended automatically in one-year increments after expiration of the initial three-year term unless ONEOK provides notice to the officer at least 90 days before the January 1 preceding the initial termination date of the agreement that it does not wish to extend the term.

Under the termination agreements, severance payments and benefits are payable if there is a change in control of ONEOK and the officer's employment is terminated without "just cause" or for "good reason" at any time during the three years after the change in control, or for Mr. Kyle, for any reason by the executive within twelve months of the change in control. In general, these severance benefits include:

- .. a lump sum payment in an amount equal to three times the officer's then current annual compensation, plus a prorated portion of the officer's short-term incentive compensation;
- .. accelerated vesting of retirement and other benefits under ONEOK's SERP;
- .. continuation of welfare benefits for thirty-six (36) months;
- .. for Mr. Kyle, gross up payments to cover any excise taxes due if any portion of his severance payments constitute excess parachute payments; and
- .. for each of the other named executive officers, severance payments will be reduced if the net after-tax benefit to such named executive officer exceeds the net after-tax benefit if such reduction were not made. ONEOK will make gross up payments to such officers only if the severance payments, as reduced, constitute excess parachute payments.

Calculated using base salary and bonus levels during 2001, and assuming a December 31, 2001, change in control and termination date, payments under the termination agreements (excluding any gross up payments) with ONEOK's named executive officers would have been: D. L. Kyle, \$6,864,888; J. C. Kneale, \$2,847,044; J. W. Gibson, \$2,212,710; J. A. Gaberino, Jr., \$1,837,685; and E. N. Dubay, \$1,849,243.

Under each termination agreement, a change in control will occur upon:

- .. The acquisition by any "person" of beneficial ownership of 20% or more of the outstanding voting securities of ONEOK, except (1) voting securities acquired in a "non-control acquisition," including an employee benefit plan maintained by ONEOK or one if its direct or indirect majority-owned subsidiaries or affiliates (a "related person"); (2) ONEOK or a related person; or (3) voting securities acquired by any person in a "non-control transaction" (defined below);
- .. A change in the composition of ONEOK's board of directors as of 02/15/01 and any additional directors approved by a vote of at least two-thirds of the incumbent board, after which the incumbent directors (or their designees) no longer constitute at least a majority of the members of the board of directors of ONEOK or any parent corporation that results from a merger;
- .. The consummation of a merger, consolidation or reorganization with or

Edgar Filing: ONEOK INC /NEW/ - Form DEF 14A

into ONEOK or in which securities of ONEOK are issued (a "merger"), except mergers that are a non-control transaction. A "non-control transaction" occurs when (1) immediately after the merger, ONEOK's stockholders beneficially own at least 50% of the outstanding voting securities of the surviving entity or its parent; as long as no other third party beneficially owns 50% of the outstanding voting securities of the surviving corporation; (2) ONEOK's incumbent directors before the merger constitute at least a majority of the board of the surviving entity or its parent; and (3) no person, other than (a) ONEOK or its related persons, (b) an employee benefit plan maintained by ONEOK or its related persons, or (c) any person who, immediately before the merger, owned 30% or more of ONEOK's outstanding voting securities, has beneficial ownership of 30% or more of the outstanding voting securities of the surviving entity or its parent;

- .. A complete liquidation or dissolution of ONEOK; or
- .. The sale or other disposition of all or substantially all of ONEOK's assets to any person, except (1) transfers to a related person; (2) transfers under conditions that would constitute a non-control transaction, with the disposition of assets being regarded as a merger for this purpose; and (3) the distribution to ONEOK's stockholders of the stock of a related person or any other assets.

-28-

Special Exceptions. Acquisitions of ONEOK voting securities over the 20% threshold by any person will not trigger a change in control if:

- .. the acquisition occurs as a result of the acquisition of voting securities by ONEOK that reduces the total number of shares then outstanding and increases the proportional number of shares beneficially owned by each shareholder (e.g., a stock buyback program);
- .. within five business days after a change in control would have occurred, the shareholder who has acquired 20% or more of ONEOK's voting securities divests itself of sufficient shares to fall below 20%; or
- .. after a person discovers or is notified by ONEOK that its acquisition of shares would have triggered a change in control, the person notifies the board of directors that it acquired the shares inadvertently, and within two business days after such notification, the person divests itself of a sufficient number of shares to fall below 20%.

Western Resources Exceptions. A change in control will not occur if:

- .. Western Resources and/or its affiliates (the "shareholder group") acquire beneficial ownership of 15% or more of ONEOK's voting securities under the terms of the Shareholder Agreement, until the earlier of (a) the termination of the Shareholder Agreement or (b) the successful consummation of a Buyout Tender Offer as defined in Section 3.6(b) of the Shareholder Agreement; or
- .. the equity securities of ONEOK owned by the shareholder group are restructured with the approval of a majority of the members of ONEOK's existing board (excluding nominees of Western Resources).
