Item 2. Acquisition or Disposition of Assets.

On March 19, 2002, InterCept, Inc. entered into a definitive Asset Purchase Agreement for its wholly owned subsidiary, InterCept Billing Company, LLC (now named Internet Billing Company, LLC), to acquire substantially all of the assets of Internet Billing Company, Ltd., a Florida limited partnership ("iBill") and several subsidiaries and affiliated companies of iBill, subject to regulatory approval. iBill, which is based in Ft. Lauderdale, provides secure transaction services that enable Web merchants to accept and process real-time payments for goods and services purchased over the Internet. iBill also manages all back-office functions including reporting, tracking, customer service and sales transactions. Its service is powered by proprietary technology that integrates online payment processing, fraud control, affiliate management and financial reporting and tracking. Effective as of March 29, 2002, InterCept

received early termination of the waiting period with respect to the Hart-Scott-Rodino application filed in connection with the transaction.

On April 9, 2002, InterCept closed the transaction contemplated by the Asset Purchase Agreement. InterCept paid \$112 million in cash and is obligated to pay additional quarterly earnout payments for a period of six quarters ending December 31, 2003, contingent upon whether the acquired business achieves certain financial targets. InterCept has an option to buy out the remaining earnout obligation at any time by paying \$8 million per remaining quarter. InterCept used cash on hand, proceeds from its line of credit with First Union National Bank, and proceeds from a CD secured loan from The Bankers Bank, Atlanta, Georgia, to pay the purchase price. A portion of the cash paid will be held in escrow for a period of time after the closing.

The amount of the consideration was determined based upon arm's length negotiations. InterCept will account for the transaction under the purchase method and treat the transaction as an asset acquisition for tax purposes.
