Edgar Filing: STANLEY WORKS - Form 8-K

New Britain, Connecticut, February 9, 2004 ... The Stanley Works (NYSE: SWK) announced today that Donald R. McIlnay, 53, has been named President - Tools Group. Mr. McIlnay's appointment and Mr. DeAngelo's resignation are effective Friday, April 2, 2004. This will provide sufficient time to ensure a smooth transition.

Mr. McIlnay was most recently President of Stanley Door Systems, a \$320 million business. From 1999 through mid 2003 Don led the company's \$1.2 billion consumer sales channel as President, Consumer Sales Americas. Under his leadership the company achieved major successes with its largest customers through successful category management initiatives, near-neighbor market opportunities, improved in-store service and more aggressive programs at the point-of-sale.

John D. Opie, Interim Chairman, commented: "Don McIlnay is an industry and channel veteran. For almost thirty years he has demonstrated a track record of success. His broad business and operating management experience make him an ideal choice to lead our Tools Group through an expected period of growth."
