We are excited about our accomplishments in 2003 and look forward to discussing both our accomplishments and our future plans with you. We hope that you can attend the meeting and look forward to seeing you there.

This letter serves as your official notice that we will hold the meeting on May 12, 2004 at the bank's main office location at 112 Haywood Road, Greenville, South Carolina at 4:30 p.m. for the following purposes:

1. To elect four members to the Board of Directors; and

Shareholders owning our common stock at the close of business on April 1, 2004 are entitled to attend and vote at the meeting. A complete list of these shareholders will be available at the company's offices prior to the meeting. Please note, if your shares are held in street name, you will need to obtain a proxy form from the institution that holds your shares in order to vote at our annual meeting.

Please use this opportunity to take part in the affairs of your company by voting on the business to come before this meeting. Even if you plan to attend the meeting, we encourage you to complete and return the enclosed proxy to us as promptly as possible.

By order of the Board of Directors,

/s/ R. Arthur Seaver, Jr.

**Proxy Statement for Annual Meeting of
Shareholders to be Held on May 12, 2004**

Our Board of Directors is soliciting proxies for the 2004 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully.

Voting Information

The Board set April 1, 2004 as the record date for the meeting. Shareholders owning our common stock at the close of business on that date are entitled to vote and to attend the meeting, with each share entitled to one vote. If you are a registered shareholder who wishes to vote at our annual meeting, you may do so by returning your proxy card to us prior to the meeting or by delivering your proxy card in person at the meeting. Street name shareholders who wish to vote at our annual meeting will need to obtain a proxy form from the institution that holds their shares. There were 1,724,994 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock represented at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these materials are being forwarded to you by your broker or nominee, which is considered the *shareholder of record* with respect to those shares. As the *beneficial owner*, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the *shareholder of record* giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

When you sign the proxy card, you appoint R. Arthur Seaver, Jr. and Fred Gilmer, Jr. as your representatives at the meeting. Mr. Seaver and Mr. Gilmer will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Mr. Seaver and Mr. Gilmer will vote your proxy for the election to the board of directors of all nominees listed below under Election of Directors. We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Mr. Seaver and Mr. Gilmer will vote your proxy on such matters in accordance with their judgment.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by signing and delivering another proxy with a later date or by voting in person at the meeting. Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies that brokers do not vote on some proposals but that they do vote on others are referred to as *broker non-votes* with respect to the proposals not voted upon. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. Upon written or oral request, we will promptly deliver a separate copy of our annual report, our annual report on Form 10-KSB, or this proxy statement to our shareholders at a shared address to which a single copy of the document was delivered. Our officers and employees may assist in soliciting proxies but will not receive additional compensation for doing so. We are distributing this proxy statement on or about April 9, 2004.

Proposal No. 1: Election of Directors

The Board of Directors is divided into three classes with staggered terms, so that the terms of only approximately one-third of the Board members expire at each annual meeting. The current terms of the Class II directors will expire at the meeting. The terms of the Class III directors expire at the 2005 Annual Shareholders Meeting. The terms of the Class I directors will expire at the 2006 Annual Shareholders Meeting. Our directors and their classes are:

Class I

Mark A. Cothran
Rudolph G. Johnstone, III, M.D.
Keith J. Marrero
R. Arthur Seaver, Jr.

Class II

Leighton M. Cabbage
David G. Ellison
James B. Orders, III
William B. Sturgis

Class III

Andrew B. Cajka
Anne S. Ellefson
Fred Gilmer, Jr.
Tecumseh Hooper, Jr.

Shareholders will elect four nominees as Class II directors at the meeting to serve a three-year term, expiring at the 2007 Annual Meeting of Shareholders. The directors will be elected by a plurality of the votes cast at the meeting. This means that the four nominees receiving the highest number of votes will be elected.

The board of directors recommends that you elect Leighton M. Cabbage, David G. Ellison, James B. Orders, III and William B. Sturgis as Class II directors.

If you submit a proxy but do not specify how you would like it to be voted, Mr. Seaver and Mr. Gilmer will vote your proxy to elect Messrs Cabbage, Ellison, Orders and Sturgis. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Mr. Seaver and Mr. Gilmer will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

Meetings and Committees of the Board of Directors

During the year ended December 31, 2003, the board of directors of the company held 12 meetings and the board of directors of the bank held 12 meetings. All of the directors of the company and the bank attended at least 75% of the aggregate of such board meetings and the meetings of each committee on which they served, except for Leighton Cabbage.

Although we do not have a formal policy regarding attendance by members of the board of directors at our annual shareholders meetings, directors are encouraged to attend the annual meeting of Greenville First Bancshares, Inc. There were 10 of the 12 directors present at the 2003 annual meeting of shareholders.

Our board of directors has implemented a process for shareholders of the company to send communications to the board. Any shareholder desiring to communicate with the board, or with specific individual directors, may so do by writing to the secretary of the company, at Greenville First Bancshares, Inc., 112 Haywood Road, Greenville, South Carolina 29607. The secretary has been instructed by the board to promptly forward all such communications to the addressees indicated thereon.

The company's board of directors has appointed four committees, including an audit, personnel, nominating, and finance committee. The audit committee is composed of Mr. Cajka, Mr. Hooper, Mrs. Ellefson, Mr. Marrero, Mr. Sturgis, and Mr. Cabbage. Each of these members is considered independent under Rule 4350 of the National Association of Securities Dealers' listing standards. The audit committee met four times in 2003.

None of the current members of the audit committee nor any other member of our board qualifies as an audit committee financial expert as defined under the rules of the Securities and Exchange Commission. As a relatively small public company, it is difficult to identify potential qualified candidates that are willing to serve on our board and otherwise meet our requirements for service. At the present, we do not know if or when we will appoint a new board member that qualifies as an audit committee financial expert.

Although none of the members of our audit committee qualify as financial experts as defined in the SEC rules, each of our audit committee members has made valuable contributions to the company and its shareholders as members of the audit committee. The board has determined

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

that each member is fully qualified to monitor the performance of management, the public disclosures by the company of its financial condition and performance, our internal accounting operations, and our independent auditors.

The audit committee functions are set forth in its charter, which was adopted in September 19, 2000 and filed with the Securities and Exchange Commission on April 15, 2002 as an appendix to our proxy statement. The audit committee has the responsibility of reviewing financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The audit committee is responsible for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts. The audit committee reports its findings to the board of directors.

Other Committees

The personnel committee is composed of Mr. Sturgis, Mr. Cothran, Mr. Cabbage, Dr. Johnstone, Mr. Ellison, Mr. Seaver, and Mr. Marrero. The personnel committee met two times in 2003. The personnel committee has the responsibility of approving the compensation plan for the entire bank and specific compensation for all executive officers. The personnel committee reviews all benefit plans and annually reviews the performance of the chief executive officer.

The finance committee is composed of Mr. Orders, Mr. Cajka, Mr. Cothran, Mrs. Ellefson, Mr. Ellison, Mr. Gilmer, Mr. Hooper, Dr. Johnstone and Mr. Seaver. The finance committee met 12 times in 2003. The

10

finance committee has the responsibility of reviewing the loan policy, investment policy, and the bank's asset/liability structure.

The nominating committee is composed of Mr. Cajka, Ms. Ellefson, and Mr. Hooper. Each of these members is considered independent under Rule 4350 of the National Association of Securities Dealers' listing standards. The nominating committee met once in 2004. The nominating committee recommends nominees for election to the Board. We are currently considering whether to adopt a formal nominating committee charter.

For directors previously elected by shareholders to serve on the Board and whose terms of service are expiring, the nominating committee considers whether to recommend to the Board the nomination of those directors for re-election for another term of service. The nominating committee also considers whether to recommend to the Board the nomination of persons to serve as directors whose nominations have been recommended by shareholders.

Any shareholder may recommend the nomination of any person to serve on the Board. Our bylaws require a shareholder to submit the name of the person to the secretary of the Company in writing no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, no more than seven days after notice of the special meeting is given to shareholders. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The nominating committee considers a number of factors in determining whether to recommend to the Board the nomination of any person for election as a director. While no single factor is determinative, the following factors are considered by the nominating committee in considering any potential nominee:

- o educational background, work experience, business acumen,
- o ability to grasp business and financial concepts, knowledge or experience related to banking or financial services,
- o previous service on boards (particularly of public companies),
- o willingness and ability to devote time and energy to the duties of a director,

- o a desire and ability to help enhance shareholder value,
- o reputation in the community,
- o character,
- o whether the nominee has any history of criminal convictions or violation of SEC rules,
- o actual or potential conflicts of interest, and
- o any other factor that the nominating committee considers relevant to a person's potential service on the Board of Directors.

The Board of Directors also considers the foregoing criteria in determining whether to nominate any person for election by the shareholders.

In determining whether to nominate any person for election by the shareholders, the Board assesses the appropriate size of the Board of Directors, consistent with the bylaws of the Company, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director recommended by the nominating committee.

Candidates may come to the attention of the nominating committee or Board through a variety of sources including, but not limited to, current members of the Board, shareholders, or other persons. The nominating committee and Board of Directors consider properly submitted recommendations by shareholders who are not directors, officers, or employees of the Company on the same basis as candidates recommended by any other person.

The Company does not pay a third party to assist in identifying and evaluating candidates.

Report of the Audit Committee of the Board

The report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the company specifically incorporates the information contained in the report by reference, and shall not be deemed filed under such acts.

The audit committee reviewed and discussed with management the audited financial statements. The audit committee discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61. The audit committee received from the independent auditors the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent auditors the independent auditor's independence from the company and its management. In reliance on the reviews and discussions referred to above, the audit committee recommended to our board of directors that the audited financial statements be included in our Annual Report on SEC Form 10-KSB for the fiscal year ended December 31, 2003 for filing with the SEC.

The report of the audit committee is included herein at the direction of its members Mr. Cajka, Mr. Hooper, Mrs. Ellefson, Mr. Marrero, Mr. Sturgis, and Mr. Cabbage.

A representative of Elliott Davis, LLC will be present at the annual meeting and will be available to respond to appropriate questions and will have the opportunity to make a statement if he or she desires to do so. The audit committee is in the process of evaluating various audit firms to recommend to the board of directors for the fiscal year ended December 31, 2004. The following table shows the fees that we paid for services performed in fiscal years ended December 31, 2003 and 2002:

Certain Relationships and Related Transactions Interests of Management and Others in Certain Transactions

We enter into banking and other transactions in the ordinary course of business with our directors and officers of the company and the bank and their affiliates. It is our policy that these transactions be on substantially the same terms (including price, or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties. We do not expect these transactions to involve more than the normal risk of collectibility nor present other unfavorable features to us. Loans to individual directors and officers must also comply with our bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of the loan application. We intend for all of our transactions with our affiliates to be on terms no less favorable to us than could be obtained from an unaffiliated third party and to be approved by a majority of disinterested directors.

We leased our bank's main facility from Halton Properties, LLC for a term of 20 years beginning in 2001. The lease requires us to make a \$28,489 monthly payment for the next year. Mark A. Cothran, one of our directors, is a 50% owner of Halton Properties, LLC. We have conducted two separate appraisals of the lease and the property and believe that the terms of the proposed lease are on substantially the same terms as those prevailing at the time for comparable transactions with unrelated parties.

The Bank also has a land lease with Mr. Cothran, a director, on property to be used for a future branch site, with monthly payments of \$4,804. The Bank is of the opinion that the lease payments represent market costs that could have been obtained in similar arms length transactions.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

As required by Section 16(a) of the Securities Exchange Act of 1934, our directors, and executive officers and certain other individuals are required to report periodically their ownership of our common stock and any changes in ownership to the SEC. Based on a review of Forms 3, 4, and 5 and any representations made to us, it appears that all such reports for these persons were filed in a timely fashion during 2003.

13

Code of Ethics

We expect all of our employees to conduct themselves honestly and ethically, particularly in handling actual and apparent conflicts of interest and providing full, accurate, and timely disclosure to the public. Although we have not adopted a formal code of ethics that applies to our senior executive officers, we are developing a code that we expect will be approved by our board of directors in the near future.

Shareholder Proposals for the 2005 Annual Meeting of Shareholders

If shareholders wish a proposal to be included in our proxy statement and form of proxy relating to the 2005 annual meeting, they must deliver a written copy of their proposal to our principal executive offices no later than December 10, 2004. To ensure prompt receipt by the company, the proposal should be sent certified mail, return receipt requested. Proposals must comply with our bylaws relating to shareholder proposals in order to be included in our proxy materials.

It is our policy that any shareholder proposal to be made at an annual meeting, but which is not requested to be included in the our proxy materials, must be delivered to the secretary of the company between 30 and 60 days prior to the annual meeting; provided, however, that if less than 31 days notice of the meeting is given to shareholders, the notice must be delivered within 10 days following the day on which notice of the meeting was mailed to shareholders.
