**Item 14**

**Dealing by Directors**  
**Companies Act 1985 Sections 324/329**

We hereby inform you that on 24 March 2005 the following Director of AstraZeneca PLC was granted an option under the AstraZeneca Share Option Plan. The option is exercisable over the Company's American Depositary Shares (ADS). One ADS equals one Ordinary Share.

| Name of Director | Number of ADSs over which option is granted | Exercise price per share | Period when exercisable | Total number of ADSs under option |
|------------------|---|--------------------------|-------------------------|-----------------------------------|
| D R Brennan      | 110,987                                     | US\$40.35                | 24.3.08-23.3.15         | 440,643                           |

The option will become exercisable on 24 March 2008 subject to certain performance conditions. The conditions, which will not be subject to any retesting, are that the earnings per share of the Company must increase by the increase in the UK Retail Prices Index plus 5% per annum on average over three years, and that no significant unforeseen event has taken place which, in the reasonable opinion of the Remuneration Committee, has resulted in major reputational damage to AstraZeneca, and the circumstances of which are exceptional enough to justify the option not vesting and becoming exercisable. Failure to satisfy either or both of these conditions will result in the lapse of the option in its entirety.

**Item 16**

**Dealing by Directors**  
**Companies Act 1985 Sections 324/329**

We hereby inform you that the interest of David R. Brennan, a Director of the Company, in the American Depository Shares (ADSs) of AstraZeneca PLC has changed as detailed below. One ADS equals one Ordinary Share.

On 24 March 2005, Mr Brennan was granted a target award of 27,877 ADSs under the terms of the AstraZeneca US Executive Performance Share Plan (established in 2000) at an award price of US\$40.35 per ADS. The vesting date for this target award is 24 March 2008. The number of ADSs to which Mr Brennan may become unconditionally entitled on the vesting date will be determined by reference to AstraZeneca's Total Shareholder Return compared to that of other companies in the Pharmaceutical Human Resources Association (PHRA) over the three year performance period.

On 28 March 2005, Mr Brennan became unconditionally entitled to a final award of 18,925 ADSs on the partial vesting of an original target award of 25,233 ADSs, which were awarded to him in March 2002 under the terms of the AstraZeneca US Executive Performance Share Plan. Mr Brennan has ceased to have an interest in the 6,308 ADSs of the original target award that did not vest. The closing price of AstraZeneca ADSs on 28 March 2005 was US\$39.62.

On 28 March 2005, Mr Brennan purchased, on his own account, a notional interest in a further 11,358 ADSs to be held in the AstraZeneca US Executive Deferral Plan, a unitised stock fund established in 2000, in which Mr Brennan, in common with other participating US executives, is deemed to have a notional interest in ADSs calculated by reference to the fund value and the closing price of AstraZeneca ADSs. Following this purchase, Mr Brennan has a notional interest in 57,511 ADSs in the AstraZeneca US Executive Deferral Plan as at 28 March 2005 based on that day's closing price of US\$39.62.

In total, Mr Brennan now has an interest in 172,364 AstraZeneca ADSs, including the notional interest in ADSs in the AstraZeneca US Executive Deferral Plan referred to above.
