Item 1. Security and Issuer

The class of equity securities to which this amended and restated Schedule 13 D relates is the Class D Shares, nominal value PS. 10 per share (the “Class D Shares”), of YPF Sociedad Anónima, an Argentine corporation (the “Issuer” or the “Company”). The principal executive offices of the Issuer are located at Avenida Pte. R. Sáenz Peña 777, C1035AAC Ciudad Autónoma de Buenos Aires, Argentina.

Item 2. Identity and Background

The name of the person filing this amended and restated Schedule 13D is Repsol YPF, S.A., a Spanish corporation (“Repsol”).

The address of the principal office of Repsol is Paseo de la Castellana, 278—280, 28046 Madrid, Spain. The name, business address, present principal occupation or employment and citizenship of each director and executive officer of Repsol is set forth on Schedule A.

Repsol is an integrated oil and gas company engaged in all aspects of the petroleum business, including exploration, development and production of crude oil and natural gas, transportation of petroleum products, LPG and natural gas, petroleum refining, petrochemical production and marketing of petroleum products, petroleum derivatives, petrochemicals, LPG and natural gas.

On January 20, 1999, Repsol acquired 52,914,700 Class A Shares (14.99% of the capital stock) of the Issuer which were converted to Class D Shares. Additionally, on April 30, 1999, Repsol announced a tender offer to purchase all outstanding Classes A, B, C and D Shares of the Issuer at a price of U.S.\$ 44.78 per share (the “Offer”). Pursuant to the Offer, on June 23, 1999, Repsol acquired an additional 82.47% of the outstanding capital stock of the Issuer. Since June 1999, Repsol acquired additional shares of YPF in other transactions and, as of December 31, 2001, Repsol owns 99.04% of the Issuer’s outstanding capital stock.

On December 21, 2007, Repsol entered into an agreement pursuant to which Petersen Energía, S.A., a Spanish corporation (“Petersen Energía”), has agreed to enter into a share purchase agreement to purchase shares of the Issuer’s outstanding capital stock from Repsol in the manner described in Item 4 below. Petersen Energía is a part of the Petersen Group, which is a group of companies with broad experience in Argentine regulated markets that is owned directly or indirectly by the Eskenazi Family (the “Petersen Group”). Petersen Energía’s principal activity is investing in, managing, and administering securities, financial instruments, bonds, and/or shares.

During the last five years, none of Repsol and, to the best of Repsol’s knowledge, the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject, to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

This amended and restated Schedule 13D relates to an agreement by Repsol to sell shares of the Issuer as described in Item 4 below and Repsol is not purchasing any shares of the Issuer.

Item 4. Purpose of Transaction

On December 21, 2007, Repsol entered into an agreement (the “Agreement”) with Petersen Energía pursuant to which (i) Repsol will sell to Petersen Energía, and Petersen Energía shall purchase from Repsol, shares of the Issuer

representing 14.9% of the capital stock of the Issuer for U.S.\$2.235 billion no later than February 15, 2008 (the “Transaction”) pursuant to a share purchase agreement and (ii) simultaneous with execution of the share purchase agreement to be entered into by the parties, Repsol will grant a company of the Petersen Group an option to purchase (the “Option”) from Repsol up to an additional 10.1% of the outstanding capital stock of the Issuer on financial terms that are equivalent to the terms of the Transaction within four years after the consummation of the Transaction.

Repsol has agreed that Petersen Energía shall have a role in the Board of Directors and management of the Issuer. The composition of the Issuer's Board of Directors will be governed essentially by the principle of proportional representation of Repsol's and Petersen Energía's interests in the capital stock of the Issuer, with Repsol retaining the right to appoint the majority of members of the Board of Directors of the Issuer for so long as it holds the majority of the Issuer's capital stock.

Repsol and Petersen Energía have also agreed that upon consummation of the Transaction Mr. Antonio Brufau will remain the Chairman of the Board of Directors of the Issuer, Mr. Sebastián Eskenazi will serve as Vice Chairman and Chief Executive Officer of the Issuer, Mr. Antonio Gomis, a representative designated by Repsol, will serve as the Issuer's Chief Operating Officer and Mr. Enrique Eskenazi will serve as Vice Chairman of the Issuer.

In addition, the agreements by which the Transaction will be effected will grant Petersen Energía customary protections for minority shareholders, which will include a requirement that certain decisions of Issuer's shareholders and Board of Directors will require consensus of both Repsol and Petersen Energía.

In addition, Repsol and Petersen Energía have agreed that after the consummation of the Transaction, Repsol may engage in a public stock offering of approximately 20% of the Issuer's outstanding capital stock.

The foregoing summary of the Agreement contained in this Item 4 is qualified in its entirety by reference to the Agreement attached as Exhibit 99.1 hereto and incorporated by reference herein.

Except as set forth in this amended and restated Schedule 13D and in connection with the Agreement described above, Repsol does not have any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) As described in Item 2 above, Repsol has previously acquired and, for the purpose of Rule 13d-3 promulgated under the Exchange Act, beneficially owns 389,548,900 Class D Shares, representing approximately 99.04% of the Issuer's outstanding capital stock.

Except as set forth in this Item 5(a), none of Repsol, and, to the best of its knowledge, any persons named in Schedule A hereto owns beneficially any shares of the Issuer.

(b) Repsol has sole power to vote and to dispose of 389,548,900 Class D Shares.

(c) Except as described in this amended and restated Schedule 13D, during the past sixty days there has been no other transaction in the shares of the Issuer effected by Repsol or, to the knowledge of Repsol, any person named in Schedule A.

(d) Inapplicable.

(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except for the Agreement described above and the matters contemplated thereby, to the best knowledge of Repsol, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between Repsol and/or the

persons enumerated in Schedule A, and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
