Aetna made the following communication to brokers:

To our valued partners:

As you may have seen in the news, CVS Health, the largest pharmacy health care provider in the U.S., has agreed to acquire Aetna. This has no immediate effect on the products your clients have purchased or the products you are selling today.

We are very excited about this combination. CVS Health and Aetna are joining to become the trusted front door to health care. Nearly 70 percent of the U.S. population lives within three miles of a CVS Health retail store and nearly five million Americans visit CVS Health every day. We will use CVS Health's 9,700 retail locations to establish entirely new community health hubs dedicated to improving consumer wellbeing and answering questions about health, prescription drugs and health care benefits.

Q&A for callers and clients

Q: Will I see any changes now in the Medicare products and services I get from Aetna because of this acquisition?

A: No. Your 2017 and 2018 benefits will not change as a result of the proposed acquisition. Currently, CVS Health and Aetna remain separate companies. Over time, when we combine our companies, we expect to offer new services and plans that build on our combined capabilities. We will inform our customers and members well in advance of any changes so you have the information you need to choose a product that best meets your needs.

Q: Do I now have to fill all my prescriptions at a CVS pharmacy?

A: No. Your benefits and pharmacy network are not changing at this time. You can continue filling your prescriptions as you do today.

Q: What will happen to the Aetna brand?

A: CVS Health has committed to maintaining the Aetna brand in the marketplace in recognition of the exceptional value Aetna provides to the people we serve. At the completion of the proposed transaction, Aetna will operate as a separate business unit of CVS Health. It is business as usual at Aetna.

Q: Will I still call the same phone number(s) for customer service?

A: Yes, the numbers will remain the same.

Q: Can I still see my doctor?

A: Yes. Your benefits, network, in-network pharmacy locations, and formularies are not changing as a result of the recent announcement.

Q: Will my 2017 or 2018 plan be cancelled? Are my premiums changing?

A: No. Nothing is changing. At any time, if Aetna members have questions about their benefits, they should call the Customer Service number shown on their member ID card. They can also access plan information at www.AetnaMedicare.com.

As a reminder, under the rules of the Centers for Medicare and Medicaid Services (CMS), members' benefits and premiums remain the same for the entire year, January 1-December 31. (All Medicare Advantage and Prescription Drug Plans are filed with CMS on an annual basis). Each plan's Summary of Benefits explains that under CMS rules, year to year, plan benefits are subject to change. Any changes to the Medicare member's plan benefits is communicated in the Annual Notice of Change /Explanation of Coverage (ANOC/EOC) that Aetna sends to members not later than September 30.

Q: Will my plan be replaced with a CVS plan? Does this mean I'm getting a new CVS ID card?

A: No. The transaction is expected to close in the second half of 2018 and CVS Health has committed to maintaining the Aetna brand in the marketplace in recognition of the exceptional value we provide to the people we serve. Please continue to use your Aetna member ID card.
