PURSUANT TO SECTION 14(f) OF THE SECURITIES EXCHANGE ACT OF 1934
AND RULE 14f-1 THEREUNDER

May 10, 2005

INTRODUCTION

This Information Statement is required by Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Rule 14f-1 promulgated thereunder. Section 14(f) of the Exchange Act requires the mailing of this Information Statement to the stockholders of Cenuco, Inc., a Delaware corporation (Cenuco), not less than ten (10) days prior to a contemplated change in a majority of its directors otherwise than at a meeting of Cenuco s stockholders. This Information Statement is being furnished on or about May 10, 2005 to all of the holders of record as of the close of business on May 4, 2005 (the Record Date) of the common stock, par value \$.001 per share (the Cenuco Common Stock), of Cenuco. Please read this Information Statement carefully. It describes the terms of the proposed transactions between Cenuco and Hermes Acquisition Company I LLC, a Delaware limited liability company (Hermes), and the effect thereof on Cenuco and its stockholders and contains biographical and other information concerning the directors of Cenuco after the consummation of the proposed transactions who are not currently serving Cenuco. The Board of Directors of Cenuco and Hermes currently contemplate that the transaction effecting the change in the majority of the directors will occur on or about May 23, 2005. However, because of the various conditions precedent to closing (see the subsection captioned Conditions to Closing of the section Information Regarding Merger Transaction elsewhere in this Information Statement), the closing may occur on a later date.

NO VOTE OR OTHER ACTION OF CENUCO S STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT. NO PROXIES OR CONSENTS ARE BEING SOLICITED AND YOU ARE REQUESTED NOT TO SEND TO CENUCO A PROXY OR CONSENT.

INFORMATION REGARDING THE MERGER TRANSACTION

Merger

As previously reported, on March 16, 2005, Cenuco, Hermes Holding Company, Inc., a Delaware corporation and a wholly owned subsidiary of Cenuco (Merger Sub), and Hermes entered into a Merger Agreement dated such date (the Original Merger Agreement). As previously reported the Original Merger Agreement was amended on May 10, 2005 (the Original Merger Agreement as so amended, the Merger Agreement). Pursuant to the Merger

Table of Contents

Agreement, Merger Sub will be merged (the Merger) with and into Hermes, which shall be the surviving company. After Cenuco stockholder approval is obtained of an amendment to Cenuco s charter subsequent to the closing of the Merger (the Closing), Cenuco will change its name to Lander Co., Inc. or such other name as may be recommended by the then Board of Directors of Cenuco. A copy of the Merger Agreement, without certain exhibits and schedules, was filed as an exhibit to Cenuco s Current Report on Form 8-K filed on May 10, 2005 with the Securities and Exchange Commission (the Commission). A stockholder of Cenuco may request a copy of the Merger Agreement by request to the Secretary of Cenuco at the address shown in the heading to this Information Statement.

Hermes is a Delaware limited liability company organized in 2003. Hermes, through its subsidiaries, Lander Co., Inc. and Lander Co. Canada Limited (collectively, Lander), and its affiliated company Hermes Real Estate I LLC, is a manufacturer, marketer and distributor of value brand health and beauty products. Lander also produces private label health and beauty products for certain major retailers. Lander owns and operates two manufacturing and distribution facilities, one in Binghamton, New York and the other in Toronto, Canada.

The owners of shares of Cenuco Common Stock do not have any right to an appraisal of the value of their shares in connection with the Merger.

Effect on Shares

If the Merger is consummated pursuant to the Merger Agreement, the issued and outstanding membership interests of Hermes (the Hermes Membership Interests) shall be converted into the right to receive shares of a to-be-designated Series A Junior Participating Preferred Stock, par value \$.001 per share, of Cenuco (the Series A Preferred Stock) in such a manner that the shares of Cenuco to be held by the pre-Merger holders of the Cenuco Common Stock will equal 35% of the issued and outstanding voting power of the Cenuco capital stock. In addition, in the Merger the Hermes Membership Interests will be converted into the contingent right to receive, in the aggregate, 1.857 shares of the Cenuco Common Stock for each share of Cenuco Common Stock that is issued after the date that the Series A Preferred Stock is converted into Cenuco Common Stock pursuant to currently outstanding options or warrants to acquire Cenuco Common Stock (the Additional Shares).

The shares of Series A Preferred Stock to be issued to the holders of the Hermes Membership Interests will represent 65% of the voting power of issued and outstanding shares of Cenuco capital stock. In addition, when converted into shares of the Cenuco Common Stock, the number of shares of Cenuco Common Stock to be issued will represent 65% of the issued and outstanding shares of Cenuco Common Stock following such conversion. Holders of shares of Series A Preferred Stock will vote together as one class on all matters submitted to a vote of Cenuco stockholders.

The Merger Agreement provides that promptly after the effective time of the Merger, Cenuco will hold a meeting of stockholders to consider and vote upon resolutions authorizing the issuance of shares of Cenuco Common Stock upon conversion of the Series A Preferred Stock and an amendment to Cenuco s charter increasing the authorized number of shares of Cenuco

Table of Contents

Common Stock. Holders of shares of Series A Preferred Stock will not have the right to vote on any matters relating primarily to the Merger Agreement, including approval of those resolutions.

There are currently issued and outstanding 13,750,556 shares of Cenuco Common Stock and no shares of Cenuco Preferred Stock. In addition, a total of 2,786,712 shares of Cenuco Common Stock were reserved for issuance pursuant to stock option plans and stock option agreements and warrants of Cenuco. Such stock option plans, stock option agreements and warrants will continue in effect after the Merger without any change to their respective terms except that as a result of the Merger, all outstanding options to purchase shares of Cenuco Common Stock will immediately vest and become exercisable.

In consideration for introducing Cenuco to Hermes, Cenuco and Hermes have agreed to pay Tuyen Do, a former director of Cenuco, an aggregate success fee of \$375,000 and 500,000 warrants to purchase shares of Cenuco Common Stock, at an exercise price of \$6.00 per share, which will be immediately exercisable and will expire after five years, within ten business days after the Closing. The success fee, if any, will be the sole compensation for Mr. Do's services in connection with the Merger. If the Merger is not completed for any reason, Mr. Do will not be owed any fees. Cenuco and Hermes also agreed to indemnify Mr. Do from any and all losses, damages or claims incurred in connection with the Merger.

The rights of the pre-Merger holders of Cenuco Common Stock will be materially affected by the Merger in the following two ways:

Their voting percentage will be substantially reduced from 100% to 35%.

So long as any shares of the Series A Preferred Stock shall be outstanding, the Cenuco Common Stock shall be junior to the Series A Preferred Stock (see below the subsection captioned "Series A Preferred Stock").

Directors and Officers

Pursuant to the Merger Agreement, three of the four directors of Cenuco, and each of the directors and officers of Merger Sub, shall resign at the Closing. The three directors of Cenuco who will resign at the Closing are Steven M. Bettinger, Andrew Lockwood and Jack Phelan. Robert Picow, currently a Cenuco director, shall continue to serve as a director. Following the Closing, Mr. Picow, will appoint three new directors, Joseph A. Falsetti, Kenneth D. Taylor and Edward J. Doyle, all of whom are designees of Hermes, to fill the newly created vacancies. The four directors will then appoint a fifth director, Francis Ziegler, to the Board. Steven M. Bettinger, the current Chief Executive Officer and President of Cenuco, Jordan Serlin, the current Chief Operating Officer of Cenuco and Adam Wasserman, the current Chief Financial Officer of Cenuco, shall resign their positions at the Closing. Following the Closing, Mr. Bettinger will serve as Vice President of Corporate Development and Investor Relations of Cenuco and Messrs. Picow, Serlin and Wasserman will become officers of a newly created Wireless Data Products and Technology Division of Cenuco. Joseph A. Falsetti will be appointed the new President and Chief Executive Officer, Brian J. Geiger will be appointed the new Chief Financial Officer, William B. Acheson will be appointed the new Vice President of Global Sales and Franco Pettinato will be appointed the new Senior Vice President of

Table of Contents

Operations. For information relating to these new directors-to-be and the officers-to-be, see the section Information Relating to Directors and Executive Officers elsewhere in this Information Statement.

The current executive officers and managers of Hermes shall continue to serve as the executive officers and managers of Hermes after the Closing.

Closing

Pursuant to the Merger Agreement, the following will occur at or prior to the Closing:

The Certificate of Designation, Rights and Preferences to the Amended and Restated Certificate of Incorporation, as amended, of Cenuco (the Certificate of Designation), creating the Series A Preferred Stock, shall be filed with the Secretary of State of the State of Delaware; otherwise the Amended and Restated Certificate of Incorporation, as amended, and Bylaws of Cenuco shall continue in full force and effect;

Hermes will execute and file a certificate of merger with the Secretary of State of the State of Delaware and the Merger will become effective upon such filing (the Effective Time); and

The certificate of formation and limited liability company agreement of Hermes shall continue in full force and effect.

Effect on Financial Statements

If the Merger is consummated, for accounting purposes, Hermes will be deemed to be the acquirer in a reverse transaction and consequently the transaction will be treated as a recapitalization of Hermes. Hermes financial statements will become the historical financial statements of the post-Merger entity. Because Hermes has a fiscal year that ends on the last day of February, as compared with Cenuco s fiscal year that ends on June 30, Cenuco intends to amend its Bylaws after the Effective Time to change its fiscal year to the last day of February or to the 52 or 53-week period ending on the Saturday nearest to January 31 of the following calendar year, effective with the Effective Time.

Series A Preferred Stock

A copy of the Certificate of Designation as proposed to be filed was filed as an exhibit to Cenuco s Current Report on Form 8-K filed on May 10, 2005. A stockholder of Cenuco may request a copy of the Certificate of Designation by request to the Secretary of Cenuco at the address shown in the heading of this Information Statement. The key terms of the Series A Preferred Stock are as follows:

Dividends. The Board of Directors may, in its discretion, declare a quarterly, cumulative cash dividend at a rate of \$0.001 per quarter. In addition, holders of shares of Series A Preferred Stock will be paid any dividends that would be payable to such holders if the shares had been converted into shares of Common

Table of Contents

Stock at the time of the record date for any dividends payable to holders of shares of Cenuco Common Stock.

Conversion. Each share of Series A Preferred Stock shall mandatorily convert into a number of shares of Cenuco Common Stock determined in accordance with a conversion ratio of 10,000 (the Conversion Ratio) upon the authorization of Cenuco s holders of Common Stock (without the vote of holders of Series A Preferred Stock) to (a) an amendment to Cenuco s Amended and Restated Certificate of Incorporation, as amended, increasing the authorized shares of the Cenuco Common Stock to such number as, at a minimum, would permit the conversion of all the shares of the Series A Preferred Stock and any other shares of Cenuco Common Stock that may be issued in connection with the Merger and (b) the issuance of the shares of Cenuco Common Stock upon conversion of all of the shares of the Series A Preferred Stock (collectively, the Voting Proposals).

The Merger Agreement obligates the Board of Directors of Cenuco, as soon as practicable after the Effective Time, to call a meeting of Cenuco stockholders to consider and vote upon the Voting Proposals. Steven Bettinger, Cenuco s President and Chief Executive Officer, a member of its board of directors and the beneficial owner of 3,817,767 shares of Cenuco Common Stock (representing approximately 27.8% of Cenuco s outstanding shares of Common Stock) has entered into a voting agreement with Hermes that provides, among other things, that he will vote his shares of Cenuco Common Stock in favor of the Voting Proposals. In addition, certain other stockholders of Cenuco, owning an aggregate of 3,402,887 shares of Cenuco Common Stock (representing approximately 24.7% of the outstanding shares of Cenuco Common Stock) have agreed to vote their shares in favor of the Voting Proposals. Because the Cenuco stockholders who have agreed to vote their shares in favor of the Voting Proposals hold approximately 52.5% of the outstanding shares of Cenuco Common Stock, their vote in favor of the Voting Proposals will be sufficient to approve the Voting Proposals without the vote of any other Cenuco stockholder if no additional shares of Cenuco Common Stock are issued prior to the record date for the stockholder meeting.

The Conversion Ratio set forth above assumes that no existing options or warrants are exercised prior to the date of conversion of the Series A Preferred Stock into Cenuco Common Stock. Any such exercise would result in an adjustment in the Conversion Ratio and the number of shares of Cenuco Common Stock issuable upon conversion to retain the 65% ratio. The Conversion Ratio and the shares of Cenuco Common Stock issuable upon conversion are also subject to adjustment upon the occurrence of stock splits, stock dividends or similar events. The holders are also protected in the event of a subsequent merger or consolidation of Cenuco where it is not the survivor or a sale of substantially all of Cenuco s assets.

No Fractional Shares. No fractional shares of the Cenuco Common Stock shall be issued, whether upon conversion of the Series A Preferred Stock or the

Table of Contents

distribution of the Additional Shares to the current holders of Hermes Membership Interests. Instead, the holder will be paid the fair market value of what would have been a fractional share of Cenuco Common Stock.

Rank. Shares of the Series A Preferred Stock shall rank prior to shares of Cenuco Common Stock with respect to the distribution of assets upon the liquidation, dissolution or winding up of Cenuco, whether voluntary or involuntary.

Liquidation Preference. Upon the liquidation, dissolution or winding up of Cenuco, the holders of the Series A Preferred Stock shall be entitled to a preferential payment of \$1,000 and would then share with the holders of Cenuco Common Stock (on an as converted basis) in any amount in excess of \$.10 per share payable to holders of Cenuco Common Stock.

Voting. (a) the holders of Series A Preferred Stock vote, as a single class with the holders of the Cenuco Common Stock, on all matters submitted to a vote of, or the consent of, the holders of the Cenuco Common Stock, each holder of shares of the Series A Preferred Stock to have that number of votes equal to the number of shares of Cenuco Common Stock as to which such shares of the Series A Preferred Stock would be converted upon a mandatory conversion and (b) the holders of Series A Preferred Stock vote as a separate class on any matter that would have an adverse effect on their shares. The holders of Series A Preferred Stock will not have the right to vote on any matters relating primarily to the Merger Agreement, including approval of the issuance of shares of Cenuco Common Stock upon conversion of the Series A Preferred Stock and an amendment to Cenuco's charter increasing the authorized number of shares of Cenuco Common Stock.

Conditions to Closing

The closing of the transactions contemplated by the Merger Agreement will occur upon the occurrence of certain events and the fulfillment by the parties thereto of certain conditions, unless waived, including, without limitation:

Cenuco having cash and cash equivalents on hand of approximately \$6 million, subject to no liens;

termination of the employment agreement between Steven Bettinger and Cenuco and the execution of a new employment agreement providing that Mr. Bettinger will serve as Vice President of Corporate Development and Investor Relations post-Merger for a term of at least three (3) years with an annual salary of \$250,000;

the absence of any events that could reasonably be expected to have a material adverse effect on either party; and

Table of Contents

Cenuco having received a fairness opinion from a recognized appraisal firm confirming that the Merger is fair to the holders of Cenuco Common Stock from a financial point of view.

Termination

The Merger Agreement may be terminated as follows:

by mutual written consent of the parties;

by either party if the closing has not occurred by June 30, 2005; *provided* neither party may terminate the Merger Agreement if the Closing has not occurred as a result of such party's willful failure to perform any of its obligations under the Merger Agreement;

by either party upon a material breach of any representation, warranty, covenant or agreement of the other party or if any representation or warranty of the other party becomes untrue due to events or circumstances that cause or could reasonably be expected to result in a material adverse effect on such party;

by either party if any law or regulation is enacted that makes the consummation of the transactions contemplated by the Merger Agreement illegal or otherwise prohibited or if any order or decree is entered enjoining either party from consummating the transactions contemplated by the Merger Agreement; or

by Hermes, if Hermes has reasonably determined in good faith that any reports filed by Cenuco with the Commission contain an untrue statement of a material fact or omit to state a material fact.

Either party may:

extend the time for the performance of any of the obligations or other acts by the other party;

waive any inaccuracies in the representations and warranties of the other party contained in the Merger Agreement or in any document delivered by the other party pursuant hereto; and

waive compliance with any of the agreements or conditions of the other party contained in the Merger Agreement.

The Merger Agreement provides that Cenuco will pay to Hermes a termination fee in the amount of \$500,000 in the event Hermes terminates the Merger Agreement because of Cenuco's material breach of the Merger Agreement or if Hermes determines that any reports filed by Cenuco with the Commission contain an untrue statement of a material fact or omit a material fact. Any such termination fee must be paid to Hermes within ten days after the termination date.

The Merger Agreement provides, in the event Cenuco terminates the Merger Agreement because of Hermes material breach of the Merger Agreement, that Hermes will pay or reimburse Cenuco for all reasonable, necessary and documented fees and expenses incurred by

Table of Contents

Cenuco in connection with the Merger Agreement and the transactions contemplated thereby, and in connection with the negotiation, preparation, execution, delivery and performance of the Merger Agreement, including legal, accounting, consulting and other professional fees. Any such expenses must be paid to Cenuco within ten days after presentation to Hermes of appropriate documentation.

Compliance with Section 16(a) of the Exchange Act

Based solely on a review of Forms 3 and 4 furnished to Cenuco under Rule 16a-3 promulgated under the Exchange Act, with respect to the fiscal year ending June 30, 2004, Cenuco is not aware of any director or executive officer of Cenuco who failed to file on a timely basis, as disclosed in such forms, reports required by Section 16(a) of the Exchange Act during the fiscal year of Cenuco ending June 30, 2004.

Code of Ethics

The Board of Directors of Cenuco has adopted a Code of Ethics that applies to all of Cenuco's employees, officers and directors, including Cenuco's Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and Controller. The Code of Ethics is located on Cenuco's web site at <http://www.cenuco.com> under Investor Relations.

Board Committees

The sole standing committee of Cenuco's Board of Directors is the audit committee, consisting of Jack Phelan and Andrew Lockwood, each of whom is independent as defined and required by the rules of the American Stock Exchange. Cenuco's Board of Directors has determined that Jack Phelan is also an audit committee financial expert as defined by Item 401(h) of Regulation S-K promulgated by the Commission.

The audit committee generally has responsibility for appointing, overseeing, and determining the compensation of Cenuco's independent auditor, reviewing the plan and scope of the auditor's audit, reviewing Cenuco's audit and control functions, approving all permitted non-audit services provided by Cenuco's independent auditor, and reporting to Cenuco's full Board

of Directors regarding all of the foregoing. The audit committee meets with the independent auditor and its management in connection with its review and approval of (i) the unaudited financial statements for inclusion in Cenuco's quarterly reports on Form 10-QSB and (ii) the annual audited financial statements for inclusion in Cenuco's Annual Report on Form 10-KSB. Additionally, the audit committee provides the Board of Directors with such additional information and materials as it may deem necessary to make the Board of Directors aware of significant financial matters that require its attention. The audit committee's goals and responsibilities are set forth in an audit committee charter, a copy of which is attached to the proxy statement for the annual meeting of stockholders held on January 27, 2005 and filed with the Commission on December 27, 2004.

Cenuco does not have a compensation committee or a nominating committee. Decisions concerning executive officer compensation for fiscal year 2004 were made by the full Board of Directors. Mr. Bettinger is the only director who is also an officer.

Cenuco does not have a nominating committee because the Board of Directors believes that as a small business issuer, it is not necessary for Cenuco to have a separate nominating committee. Rather, the full Board of Directors participates in the consideration of director nominees. At this time the Board of Directors does not have a policy with regard to the consideration of any director candidates recommended by stockholders because historically Cenuco has not received recommendations from its stockholders and the costs of establishing and maintaining procedures for the consideration of stockholder nominations would be overly burdensome.

In making its nominations, the Board of Directors identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove individuals, the Board of Directors will consider issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board of Directors considers, among other things, an individual's business experience, industry experience, financial background and experiences. The Board of Directors uses multiple sources for identifying and evaluating nominees for Directors including referrals from current directors and input from third party executive search firms.

Until the new directors take office, no decision has been made as to restaffing the audit committee or adding a nominating committee or a compensation committee.

While Cenuco has been successful in attracting and retaining qualified personnel, Cenuco believes that its future success will depend in part on its continued ability to attract and retain highly qualified personnel. Cenuco pays wages and salaries that Cenuco believes are competitive. Cenuco also believes that equity ownership is an important factor in its ability to attract and retain skilled personnel. In 2000, Cenuco adopted the 2000 Option Plan, as amended (the Plan). The purpose of the Plan is to further Cenuco's interests, and its subsidiaries' and stockholders' interests, by providing incentives in the form of stock options to key employees, consultants, directors and others who contribute materially to Cenuco's success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in Cenuco, thus enhancing their personal interest in Cenuco's continued success and progress. The Plan also assists Cenuco and its subsidiaries in attracting and retaining key employees and directors. The Plan is administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plan, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the Cenuco Common Stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plan. The number of shares of Cenuco Common Stock that may be issued upon the exercise of options granted under the Plan is 3,000,000. As of June 30, 2004, options to purchase a total of 1,361,000 shares had been granted pursuant to the Plan, all of which are outstanding and 702,667 of which are exercisable. If the Merger is consummated, all such options remain outstanding without any change in the terms thereof, except that as a result of the Merger, all outstanding options will immediately vest and become exercisable.
