Section 8 - Other Events

Item 8.01 Other Events.

On November 21, 2006, the staff of the Delaware Public Service Commission (PSC), Division of the Public Advocate and intervenors signed a settlement agreement with Artesian Water Company, Inc. (Artesian Water) regarding Artesian Water's May 9, 2006 rate request. The settlement agreement, which is subject to final approval by the PSC, provides for a two-step increase in water rates totaling a 14.0% increase, or \$6.0 million on an annualized basis. An initial increase of 11.1%, or \$4.8 million on an annualized basis, will be placed into effect following approval of the settlement agreement by the PSC. An additional 2.9%, or \$1.2 million on an annualized basis, may be placed into effect in the event Artesian Resources Corporation completes an equity issuance prior to the next rate increase filed by Artesian Water. Artesian Water's application filed in May 2006 with the PSC requested a rate increase to generate an additional 23%, or \$9.9 million, in water sales revenue on an annualized basis. This request was primarily due to Artesian Water's significant investment in infrastructure, as well as an approximately 92% increase in purchased power expense due to the deregulation of the electric industry in Delaware in May 2006.
