SUMMARY

The following summary is qualified in its entirety by the more detailed information included elsewhere in this prospectus. Because this is a summary, it may not contain all of the information that may be important to you. Before making an investment decision, you should carefully read this entire prospectus. Unless otherwise expressly stated herein or the context otherwise requires, all references in this prospectus to 'Leucadia,' 'we,' 'us,' 'our,' 'our company' or 'the company' refer to Leucadia National Corporation, a New York corporation and its direct and indirect subsidiaries and all references to 'notes' refer to the old notes and the registered notes.

THE EXCHANGE OFFER

On November 5, 2003, we issued in a private placement \$25 million aggregate

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

principal amount of our 7% Senior Notes due 2013 and on December 19, 2003, we issued in a private placement \$25 million aggregate principal amount of our 7% Senior Notes due 2013, in each case under an indenture dated November 5, 2003, which we refer to collectively as the 'old notes.' We refer to these private placements as the 'original note offerings.' We entered into registration rights agreements with the initial purchaser of the old notes in which we agreed to deliver to you this prospectus. You are entitled to exchange your old notes in the exchange offer for registered notes with substantially identical terms. Unless you are a broker-dealer or unable to participate in the exchange offer, we believe that the notes to be issued in the exchange offer may be resold by you without compliance with the registration and prospectus delivery requirements of the Securities Act of 1933. You should read the discussions under the headings 'The Exchange Offer' and 'Description of the Registered Notes' for further information regarding the registered notes.

OUR COMPANY

We are a diversified holding company engaged in a variety of businesses, including telecommunications, banking and lending, manufacturing, real estate activities, winery operations, development of a copper mine and property and casualty reinsurance. We concentrate on return on investment and cash flow to build long-term shareholder value, rather than emphasizing volume or market share. Additionally, we continuously evaluate the retention and disposition of our existing operations and investigate possible acquisitions of new businesses in order to maximize shareholder value. In identifying possible acquisitions, we tend to seek assets and companies that are troubled or out of favor and, as a result, are selling substantially below the values we believe to be present.

Our telecommunications operations consist of WilTel Communications Group, Inc. WilTel owns or leases and operates a nationwide inter-city fiber-optic network, extended locally and globally, to provide Internet, data, voice and video services. For information regarding our recent merger with WilTel, including pro forma consolidated financial statements, see our Quarterly Report on Form 10-Q for the quarter ended September 30, 2003 and our Current Report on Form 8-K filed with the Securities and Exchange Commission on November 18, 2003, each of which is incorporated by reference in this prospectus.

Our banking and lending operations have historically consisted of making instalment loans to niche markets primarily funded by customer banking deposits insured by the Federal Deposit Insurance Corporation. However, as a result of increased loss experience and declining profitability in its automobile lending program, the segment's largest program, we stopped originating new automobile loans in September 2001. In 2003, we ceased originating all other lending programs. We are considering our alternatives for our banking and lending operations, which could include selling or liquidating some or all of its loan portfolios, and outsourcing certain functions.

Our manufacturing operations manufacture and market proprietary lightweight plastic netting used for a variety of purposes including, among other things, construction, agriculture, packaging, carpet padding, filtration and consumer products.

Our domestic real estate operations include a mixture of commercial properties, residential land development projects and other unimproved land, all in various stages of development and all available for

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

sale. During 2002, we sold our interest in Compagnie Fonciere FIDEI, our foreign real estate subsidiary, for total proceeds of 70.4 million Euros (\$66.2 million) and recorded an increase to shareholders' equity of \$12.1 million.

Our winery operations consist of Pine Ridge Winery in Napa Valley, California and Archery Summit in the Willamette Valley of Oregon. These wineries primarily produce and sell wines in the luxury segment of the premium table wine market.

Our copper mine development operations consist of our 72.8% interest in MK Gold Company, a publicly traded company listed on the NASD OTC Bulletin Board (Symbol: MKAU).

Our property and casualty reinsurance business is conducted through our common stock interest in Olympus Re Holdings, Ltd., a Bermuda reinsurance company primarily engaged in the property excess, marine and aviation reinsurance business.

RECENT DEVELOPMENTS

On June 5, 2003, we issued in a private placement \$200 million aggregate principal amount of our 7% Senior Notes due 2013 under an indenture dated June 5, 2003. On August 13, 2003, we issued in a private placement \$25 million aggregate principal amount of our 7% Senior Notes due 2013 under an indenture dated August 13, 2003. The terms of the notes issued under the June, August and November indentures are substantially identical. On January 5, 2004, we issued \$200 million aggregate principal amount of registered notes under the November indenture in exchange for the notes issued in June 2003. We are currently offering to exchange the notes issued in August 2003 for registered notes issued under the November indenture. If all holders of notes issued in August 2003 exchange their notes for registered notes pursuant to their exchange offer, there will be \$275 million principal amount of notes outstanding under the November indenture which will comprise a single series. No offer to exchange the notes issued in August 2003 is being made by way of this prospectus.

In November 2003, our approximately 80.1% owned subsidiary, WebLink Wireless, Inc., sold the substantial majority of its operating assets to Metrocall, Inc. in exchange for 500,000 shares of common stock of Metrocall's parent, Metrocall Holdings, Inc., an immediately exercisable warrant to purchase 25,000 shares of common stock of Metrocall Holdings at \$40 per share, and a warrant to purchase up to 100,000 shares of common stock of Metrocall Holdings at \$40 per share, subject to certain vesting criteria. We expect to report a gain of approximately \$10 million on the transaction.

In December 2003, we purchased all of the debt obligations under the senior secured credit facility of ATX Communications, Inc. for \$25 million, and also entered into an amendment to the facility pursuant to which we agreed to refrain from exercising certain of our rights under the facility, subject to various conditions. Our purchase of ATX's senior secured debt was accomplished with the full support of the ATX board of directors and senior management. Concurrently with the purchase of the facility and the execution of the amendment, we entered into a conversion agreement pursuant to which we agreed, upon the satisfaction of various conditions, to convert the senior secured debt of ATX into 100% of the preferred stock, with a liquidation preference of \$25 million, and 100% of the common stock of a reorganized company (which we refer to here as 'Newco'), subject to dilution for a management incentive plan. The agreements with ATX contemplate that a recapitalization of ATX may be implemented through a voluntary Chapter 11 reorganization or, possibly, outside of court. ATX is an integrated communications provider that offers local exchange carrier and

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

inter-exchange carrier telephone, Internet, high-speed data and other communications services to business and residential customers in targeted markets throughout the Mid-Atlantic and Midwest regions of the United States. ATX is a public company traded on the Over-the-Counter Bulletin Board (Symbol: 'COMM.OB').

Our principal executive offices are located at 315 Park Avenue South, New York, New York 10010. Our telephone number is (212) 460-1900.

SUMMARY OF THE TERMS OF THE EXCHANGE OFFER

The exchange offer relates to the exchange of up to \$50 million aggregate principal amount of old notes for an equal aggregate principal amount of registered notes issued under the November indenture. On each of November 5, 2003 and December 19, 2003, we issued and sold \$25 million aggregate principal amount of old notes in a private placement.

The form and terms of the registered notes are substantially the same as the form and terms of the old notes, except that the registered notes have been registered under the Securities Act of 1933 and will not bear legends restricting their transfer. We issued the old notes under an indenture which grants you a number of rights. The registered notes will be issued under the November indenture and you will have the same rights under the November indenture as the holders of the old notes. See 'Description of the Registered Notes.'

Registration Rights Agreements..... You are entitled under the registration rights agreement entered into in connection with the initial offering of your old notes to exchange your old notes for registered notes with substantially identical terms. The exchange offer is intended to satisfy these rights. After the exchange offer is complete, except as set forth in the next paragraph, you will no longer be entitled to any exchange or registration rights with respect to your notes.

Each respective the registration rights agreement requires us to file a registration statement for a continuous offering in accordance with Rule 415 under the Securities Act for your benefit if you would not receive freely tradeable registered notes in the exchange offer or you are ineligible to participate in the exchange offer and indicate that you wish to have your old notes registered under the Securities Act. See 'The Exchange Offer -- Procedures for Tendering.'

The Exchange Offer..... We are offering to exchange \$1,000 principal amount of 7% Senior Notes due 2013 issued under the November indenture, which have been registered under the Securities Act, for each \$1,000 principal amount of old notes.

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

unregistered 7% Senior Notes due 2013 issued under the November indenture. In order to be exchanged, an old note must be properly tendered and accepted. All old notes that are validly tendered and not validly withdrawn will be exchanged.

As of this date, there are \$50 million aggregate principal amount of old notes outstanding.

We will issue the registered notes promptly after the expiration of the exchange offer.

Resales of the Registered Notes.....

We believe that registered notes to be issued in the exchange offer may be offered for resale, resold and otherwise transferred by you without compliance with registration and prospectus delivery provisions of the Securities Act if you meet the following conditions:

- (1) the registered notes are acquired by you in the ordinary course of your business;
- (2) you are not engaging in and do not intend to engage in a distribution of the registered notes;
- (3) you do not have an arrangement or understanding with any person to participate in the distribution of registered notes; and

3

- (4) you are not an affiliate of ours, as that term is defined in Rule 405 under the Securities Act.

Our belief is based on interpretations by the staff of the Commission, as set forth on no-action letters issued to third parties unrelated to us. The staff has not considered this exchange offer in the context of a no-action letter, and we cannot assure you that the staff would make a similar determination with respect to this exchange offer.

If you do not meet the above conditions, you may incur liability under the Securities Act if you transfer a registered note without delivering a prospectus meeting the requirements of the Securities Act. We do not assume or indemnify you against that liability.

Each broker-dealer that is issued registered notes in the exchange offer for its own account in exchange for old notes which were acquired by that broker-dealer as a result of market-making activities or other trading

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

activities must agree to deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the registered notes. A broker-dealer may use this prospectus for an offer to resell to otherwise transfer these registered notes.

Expiration Date..... The exchange offer will expire at 5:00 p.m., New York City time, on Friday, March 5, 2004, unless we decide to extend the exchange offer. We do not intend to extend the exchange offer, although we reserve the right to do so. If we determine to extend the exchange offer, we do not intend to extend it beyond Friday, March 19, 2004.

Conditions to the Exchange Offer..... The only conditions to completing the exchange offer are that the exchange offer not violate applicable law or any applicable interpretation of the staff of the Commission and no injunction, order or decree has been issued which would prohibit, prevent or materially impair our ability to proceed with the exchange offer. See 'The Exchange Offer -- Conditions.'

Procedures for Tendering Old Notes Held in the Form of Book-Entry Interests..... The old notes were issued as global securities in full registered form without coupons. Beneficial interests in the old notes which are held by direct or indirect participants in The Depository Trust Company are shown on, and transfers of the notes can be made only through records maintained in book-entry form by DTC with respect to its participants.

you do not have an arrangement or understanding with any person to participate in the distribution of the registered notes; and

you are not our affiliate.

Procedures for Tendering Certificated Old Notes.....

If you are a holder of book-entry interests in the old notes, you are entitled to receive, in limited circumstances, in exchange for your book-entry interests, certificated notes which are in equal principal amounts to your book-entry interests. See 'Description of the Registered Notes -- Form of Registered Notes.' No certificated notes are issued as outstanding as of the date of this prospectus. If you acquire certificated old notes prior to the expiration of the exchange offer, you must tender your certificated old notes in accordance with the procedures described in this prospectus under the heading 'The Exchange Offer -- Procedures for Tendering -- Certificated Old Notes.'

Special Procedures for Beneficial Owners.....

If you are the beneficial owner of old notes and they are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, and wish to tender your old notes, you should promptly contact the person in whose name your old notes are registered and instruct that person to tender on your behalf. If you wish to tender on your own behalf, you must, prior to completing and executing the letter of transmittal and delivering your old notes, either make appropriate arrangements to register ownership of the old notes in your name or obtain a properly completed bond power from the person in whose name your old notes are registered. The transfer of registered ownership may take considerable time. See 'The Exchange Offer -- Procedures for Tendering -- Procedures Applicable to All Holders.'

Guaranteed Delivery Procedures..... If you wish to tender your old notes and:

- (1) they are not immediately available;
- (2) time will not permit your old notes or other required documents to reach the exchange agent before the expiration of the exchange offer; or

you may tender your old notes in accordance with the guaranteed delivery procedures set forth in 'The Exchange Offer -- Procedures for Tendering -- Guaranteed Delivery Procedures.'

We will return to you any old notes accepted for exchange for any reason without expense to you as promptly as we can after the expiration or termination of the exchange offer.

Exchange Agent..... JPMorgan Chase Bank is serving as the exchange agent in connection with the exchange offer.

Consequences of Failure to Exchange..... If you do not participate in the exchange offer, upon completion of the exchange offer, the liquidity of the market for your old notes could be adversely affected. See 'The Exchange Offer -- Consequences of Failure to Exchange.'

Federal Income Tax Consequences..... The exchange of old notes will not be a taxable event for federal income tax purposes. See 'Federal Income Tax Considerations.'

PURPOSE AND EFFECT

We issued the old notes on November 5, 2003 and December 19, 2003 in private placements to a limited number of qualified institutional buyers. In connection with these issuances, we entered into the indenture and the registration rights agreements. These agreements require that we file a registration statement under the Securities Act with respect to the registered notes to be issued in the exchange offer and, upon the effectiveness of the registration statement, offer to you the opportunity to exchange your old notes for a like principal amount of registered notes. These registered notes will be issued without a restrictive legend and, except as set forth below, may be reoffered and resold by you without registration under the Securities Act. After we complete the exchange offer, our obligations with respect to the registration of the old notes and the registered notes will terminate, except as provided in the last paragraph of this section. A copy of the indenture relating to the notes and the registration rights agreements dated November 5, 2003 and December 19, 2003 have been filed as exhibits to the registration statement of which this prospectus is a part. As a result of the filing and the effectiveness of the registration statement, assuming we complete the exchange offer within 45 days of the date that the registration statement is declared effective, we will not be required to pay any liquidated damages.

Based on an interpretation by the staff of the Commission set forth in no-action letters issued to third parties, if you are not our 'affiliate' within the meaning of Rule 405 under the Securities Act or a broker-dealer referred to in the next paragraph, we believe that registered notes to be issued to you in the exchange offer may be offered for resale, resold and otherwise transferred by you, without compliance with the registration and prospectus delivery provisions of the Securities Act. This interpretation, however, is based on your representation to us that:

- (1) the registered notes to be issued to you in the exchange offer are acquired in the ordinary course of your business;
- (2) you are not engaging in and do not intend to engage in a distribution of the registered notes to be issued to you in the exchange offer; and
- (3) you have no arrangement or understanding with any person to participate in the distribution of the registered notes to be issued to you in the exchange offer.

If you tender your old notes in the exchange offer for the purpose of participating in a distribution of the registered notes to be issued to you in the exchange offer, you cannot rely on this interpretation by the staff of the Commission. Under those circumstances, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction. Each broker-dealer that receives registered notes in the exchange offer for its own account in exchange for old notes that were acquired by the broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of those registered notes. See 'Plan of Distribution.'

If you will not receive freely tradeable registered notes in the exchange offer or are not eligible to participate in the exchange offer, you can elect, by indicating on the letter of transmittal and providing additional necessary information, to have your old notes registered in a 'shelf' registration statement on an appropriate form pursuant to Rule 415 under the Securities Act. If we are obligated to file a shelf registration statement, we will be required to keep the shelf registration statement effective for a period of 180 days from

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

the date the shelf registration statement is declared effective by the Commission or a shorter period that will terminate when all of the old notes covered by the shelf registration statement have been sold pursuant to the shelf registration statement. Other than as set forth in this paragraph, you will not have the right to require us to register your old notes under the Securities Act. See ' -- Procedures for Tendering' below.

CONSEQUENCES OF FAILURE TO EXCHANGE

After we complete the exchange offer, if you have not tendered your old notes, you will not have any further registration rights, except as set forth above. Your old notes will continue to be subject to

11

restrictions on transfer. Therefore, the liquidity of the market for your old notes could be adversely affected upon completion of the exchange offer if you do not participate in the exchange offer.

TERMS OF THE EXCHANGE OFFER

Upon the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal, we will accept any and all old notes validly tendered and not withdrawn prior to 5:00 p.m., New York City time, on the expiration date. We will issue \$1,000 principal amount of registered notes in exchange for each \$1,000 principal amount of old notes accepted in the exchange offer. You may tender some or all of your old notes pursuant to the exchange offer. However, old notes may be tendered only in integral multiples of \$1,000 principal amount.

The form and terms of the registered notes are substantially the same as the form and terms of the old notes, except that the registered notes to be issued in the exchange offer have been registered under the Securities Act and will not bear legends restricting their transfer. The registered notes will be issued pursuant to, and entitled to the benefits of, the indenture. The registered notes issued in connection with this exchange offer and the exchange offers for the notes issued under the June and August indentures, will be deemed one issue of notes under the November indenture.

As of the date of this prospectus, \$50 million aggregate principal amount of old notes were outstanding. This prospectus, together with the letter of transmittal, is being sent to all registered holders and to others believed to have beneficial interests in the old notes. You do not have any appraisal or dissenters' rights in connection with the exchange offer under the Business Corporation Law of the State of New York or the indenture. We intend to conduct the exchange offer in accordance with the applicable requirements of the Exchange Act and the rules and regulations of the Commission promulgated under the Exchange Act.

We will be deemed to have accepted validly tendered outstanding notes when, as, and if we have given oral or written notice of our acceptance to the exchange agent. The exchange agent will act as our agent for the tendering holders for the purpose of receiving the registered notes from us. If we do not accept any tendered notes because of an invalid tender, the occurrence of other events set forth in this prospectus or otherwise, we will return certificates

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

for any unaccepted old notes, without expense, to the tendering holder as promptly as practicable after the expiration date.

You will not be required to pay brokerage commissions or fees or, except as set forth below under ' -- Transfer Taxes,' transfer taxes with respect to the exchange of your old notes in the exchange offer. We will pay all charges and expenses, other than applicable taxes, in connection with the exchange offer. See ' -- Fees and Expenses' below.

EXPIRATION DATE; AMENDMENTS

The exchange offer will expire at 5:00 p.m., New York City time, on Friday, March 5, 2004, unless we determine, in our sole discretion, to extend the exchange offer, in which case, it will expire at the later date and time to which it is extended. We do not intend to extend the exchange offer, although we reserve the right to do so. If we determine to extend the exchange offer, we do not intend to extend it beyond Friday, March 19, 2004. If we extend the exchange offer, we will give oral or written notice of the extension to the exchange agent and give each registered holder notice by means of a press release or other public announcement of any extension prior to 9:00 a.m., New York City time, on the next business day after the scheduled expiration date.

We also reserve the right, in our sole discretion,

- (1) to delay accepting any old notes or, if any of the conditions set forth below under ' -- Conditions' have not been satisfied or waived, to terminate the exchange offer by giving oral or written notice of the delay or termination to the exchange agent, or
- (2) to amend the terms of the exchange offer in any manner, by complying with Rule 14e-1(d) under the Exchange Act to the extent that rule applies.

We acknowledge and undertake to comply with the provisions of Rule 14e-1(c) under the Exchange Act, which requires us to pay the consideration offered, or return the old notes surrendered for exchange,

12

promptly after the termination or withdrawal of the exchange offer. We will notify you as promptly as we can of any extension, termination or amendment.

PROCEDURES FOR TENDERING

Book-Entry Interests

The old notes were issued as global securities in fully registered form without interest coupons. Beneficial interests in the global securities, held by direct or indirect participants in DTC, are shown on, and transfers of these interests are effected only through, records maintained in book-entry form by DTC with respect to its participants.

If you hold your old notes in the form of book-entry interests and you wish to tender your old notes for exchange pursuant to the exchange offer, you must

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

transmit to the exchange agent on or prior to the expiration date either:

- (1) a written or facsimile copy of a properly completed and duly executed letter of transmittal, including all other documents required by the letter of transmittal, to the exchange agent at the address set forth on the cover page of the letter of transmittal; or
- (2) a computer-generated message transmitted by means of DTC's Automated Tender Offer Program system and received by the exchange agent and forming a part of a confirmation of book-entry transfer, in which you acknowledge and agree to be bound by the terms of the letter of transmittal.

In addition, in order to deliver old notes held in the form of book-entry interests:

- (1) a timely confirmation of book-entry transfer of the notes into the exchange agent's account at DTC pursuant to the procedure for book-entry transfers described below under ' -- Book-Entry Transfer' must be received by the exchange agent prior to the expiration date; or
- (2) you must comply with the guaranteed delivery procedures described below.

THE METHOD OF DELIVERY OF OLD NOTES AND THE LETTER OF TRANSMITTAL AND ALL OTHER REQUIRED DOCUMENTS TO THE EXCHANGE AGENT IS AT YOUR ELECTION AND RISK. INSTEAD OF DELIVERY BY MAIL, WE RECOMMEND THAT YOU USE AN OVERNIGHT OR HAND DELIVERY SERVICE. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ASSURE DELIVERY TO THE EXCHANGE AGENT BEFORE THE EXPIRATION DATE. YOU SHOULD NOT SEND THE LETTER OF TRANSMITTAL OR OLD NOTES TO US. YOU MAY REQUEST YOUR BROKER, DEALER, COMMERCIAL BANK, TRUST COMPANY, OR NOMINEE TO EFFECT THE ABOVE TRANSACTIONS FOR YOU.

Certificated Old Notes

Only registered holders of certificated old notes may tender those notes in the exchange offer. If your old notes are certificated notes and you wish to tender those notes for exchange pursuant to the exchange offer, you must transmit to the exchange agent on or prior to the expiration date, a written or facsimile copy of a properly completed and duly executed letter of transmittal, including all other required documents, to the address set forth below under ' -- Exchange Agent.' In addition, in order to validly tender your certificated old notes:

- (1) the certificates representing your old notes must be received by the exchange agent prior to the expiration date; or
- (2) you must comply with the guaranteed delivery procedures described below.

PROCEDURES APPLICABLE TO ALL HOLDERS

If you tender an old note and you do not withdraw the tender prior to the expiration date, you will have made an agreement with us in accordance with the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal.

If your old notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender your notes, you

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

should contact the registered holder promptly and instruct the registered holder to tender on your behalf. If you wish to tender on your own behalf, you must, prior to completing and executing the letter of transmittal and delivering your old notes, either make

13

appropriate arrangements to register ownership of the old notes in your name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take considerable time.

Signatures on a letter of transmittal or a notice of withdrawal must be guaranteed by an eligible institution unless:

- (1) old notes tendered in the exchange offer are tendered either
 - (A) by a registered holder who has not completed the box entitled 'Special Registration Instructions' or 'Special Delivery Instructions' on the letter of transmittal or
 - (B) for the account of an eligible institution; and
- (2) the box entitled 'Special Registration Instructions' on the letter of transmittal has not been completed.

If signatures on a letter of transmittal or a notice of withdrawal are required to be guaranteed, the guarantee must be by a financial institution, which includes most banks, savings and loan associations and brokerage houses, that is a participant in the Securities Transfer Agents Medallion Program, the New York Stock Exchange Medallion Program or the Stock Exchanges Medallion Program.

If the letter of transmittal is signed by a person other than you, your old notes must be endorsed or accompanied by a properly completed bond power and signed by you as your name appears on those old notes.

If the letter of transmittal or any old notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, those persons should so indicate when signing. Unless we waive this requirement, in this instance you must submit with the letter of transmittal proper evidence satisfactory to us of their authority to act on your behalf.

We will determine, in our sole discretion, all questions regarding the validity, form, eligibility, including time of receipt, acceptance and withdrawal of tendered old notes. This determination will be final and binding. We reserve the absolute right to reject any and all old notes not properly tendered or any old notes our acceptance of which would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defects, irregularities or conditions of tender as to particular old notes. Our interpretation of the terms and conditions of the exchange offer, including the instructions in the letter of transmittal, will be final and binding on all parties.

You must cure any defects or irregularities in connection with tenders of

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

your old notes within the time period we will determine unless we waive that defect or irregularity. Although we intend to notify you of defects or irregularities with respect to your tender of old notes, neither we, the exchange agent nor any other person will incur any liability for failure to give this notification. Your tender will not be deemed to have been made and your notes will be returned to you if:

- (1) you improperly tender your old notes;
- (2) you have not cured any defects or irregularities in your tender; and
- (3) we have not waived those defects, irregularities or improper tender.

The exchange agent will return your notes, unless otherwise provided in the letter of transmittal, as soon as practicable following the expiration of the exchange offer.

In addition, we reserve the right in our sole discretion to:

- (1) purchase or make offers for, or offer registered notes for, any old notes that remain outstanding subsequent to the expiration of the exchange offer;
- (2) terminate the exchange offer; and
- (3) to the extent permitted by applicable law, purchase notes in the open market, in privately negotiated transactions or otherwise.

The terms of any of these purchases or offers could differ from the terms of the exchange offer.

14

By tendering, you will represent to us that, among other things:

- (1) the registered notes to be acquired by you in the exchange offer are being acquired in the ordinary course of your business;
- (2) you are not engaging in and do not intend to engage in a distribution of the registered notes to be acquired by you in the exchange offer;
- (3) you do not have an arrangement or understanding with any person to participate in the distribution of the registered notes to be acquired by you in the exchange offer; and
- (4) you are not our 'affiliate,' as defined under Rule 405 of the Securities Act.

In all cases, issuance of registered notes for old notes that are accepted for exchange in the exchange offer will be made only after timely receipt by the

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

exchange agent of certificates for your old notes or a timely book-entry confirmation of your old notes into the exchange agent's account at DTC, a properly completed and duly executed letter of transmittal, or a computer-generated message instead of the letter of transmittal, and all other required documents. If any tendered old notes are not accepted for any reason set forth in the terms and conditions of the exchange offer or if old notes are submitted for a greater principal amount than you desire to exchange, the unaccepted or non-exchanged old notes, or old notes in substitution therefor, will be returned without expense to you. In addition, in the case of old notes, tendered by book-entry transfer into the exchange agent's account at DTC pursuant to the book-entry transfer procedures described below, the non-exchanged old notes will be credited to your account maintained with DTC, as promptly as practicable after the expiration or termination of the exchange offer.

Guaranteed Delivery Procedures

If you desire to tender your old notes and your old notes are not immediately available or one of the situations described in the immediately preceding paragraph occurs, you may tender if:

- (1) you tender through an eligible financial institution;
- (2) on or prior to 5:00 p.m., New York City time, on the expiration date, the exchange agent receives from an eligible institution, a written or facsimile copy of a properly completed and duly executed letter of transmittal and notice of guaranteed delivery, substantially in the form provided by us; and
- (3) the certificates for all certificated old notes, in proper form for transfer, or a book-entry confirmation, and all other documents required by the letter of transmittal, are received by the exchange agent within three New York Stock Exchange trading days after the date of execution of the notice of guaranteed delivery.

The notice of guaranteed delivery may be sent by facsimile transmission, mail or hand delivery. The notice of guaranteed delivery must set forth:

- (1) your name and address;
- (2) the amount of old notes you are tendering; and
- (3) a statement that your tender is being made by the notice of guaranteed delivery and that you guarantee that within three New York Stock Exchange trading days after the execution of the notice of guaranteed delivery, the eligible institution will deliver the following documents to the exchange agent:
 - (A) the certificates for all certificated old notes being tendered, in proper form for transfer or a book-entry confirmation of tender;
 - (B) a written or facsimile copy of the letter of transmittal, or a book-entry confirmation instead of the letter of transmittal; and
 - (C) any other documents required by the letter of transmittal.

BOOK-ENTRY TRANSFER

The exchange agent will establish an account with respect to the book-entry interests at DTC for purposes of the exchange offer promptly after the date of

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

this prospectus. You must deliver your book-entry interest by book-entry transfer to the account maintained by the exchange agent at DTC. Any

15

financial institution that is a participant in DTC's systems may make book-entry delivery of book-entry interests by causing DTC to transfer the book-entry interests into the exchange agent's account at DTC in accordance with DTC's procedures for transfer.

If one of the following situations occur:

- (1) you cannot deliver a book-entry confirmation of book-entry delivery of your book-entry interests into the exchange agent's account at DTC; or
- (2) you cannot deliver all other documents required by the letter of transmittal to the exchange agent prior to the expiration date,

then you must tender your book-entry interests according to the guaranteed delivery procedures discussed above.

WITHDRAWAL RIGHTS

You may withdraw tenders of your old notes at any time prior to 5:00 p.m., New York City time, on the expiration date.

For your withdrawal to be effective, the exchange agent must receive a written or facsimile transmission notice of withdrawal at its address set forth below under ' -- Exchange Agent' prior to 5:00 p.m., New York City time, on the expiration date.

The notice of withdrawal must:

- (1) state your name;
- (2) identify the specific old notes to be withdrawn, including the certificate number or numbers and the principal amount of withdrawn notes;
- (3) be signed by you in the same manner as you signed the letter of transmittal when you tendered your old notes, including any required signature guarantees or be accompanied by documents of transfer sufficient for the exchange agent to register the transfer of the old notes into your name; and
- (4) specify the name in which the old notes are to be registered, if different from yours.

We will determine all questions regarding the validity, form and eligibility, including time of receipt, of withdrawal notices. Our determination will be final and binding on all parties. Any old notes withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any old notes which have been tendered for exchange but which are not

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

exchanged for any reason will be returned to you without cost as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn old notes may be retendered by following one of the procedures described under ' -- Procedures for Tendering' above at any time on or prior to 5:00 p.m., New York City time, on the expiration date.

CONDITIONS

Notwithstanding any other provision of the exchange offer and subject to our obligations under the registration rights agreement, we will not be required to accept for exchange, or to issue registered notes in exchange for, any old notes and may terminate or amend the exchange offer, if at any time before the acceptance of any old notes for exchange any of the following events occur:

- (1) any injunction, order or decree has been issued by any court or any governmental agency that would prohibit, prevent or otherwise materially impair our ability to proceed with the exchange offer; or
- (2) the exchange offer violates any applicable law or any applicable interpretation of the staff of the Commission.

These conditions are for our sole benefit and we may assert them regardless of the circumstances giving rise to them, subject to applicable law. We also may waive in whole or in part at any time and from time to time any particular condition in our sole discretion. If we waive a condition, we may be required in order to comply with applicable securities laws, to extend the expiration date of the exchange offer. Our failure at any time to exercise any of the foregoing rights will not be deemed a waiver of these

16

rights and these rights will be deemed ongoing rights which may be asserted at any time and from time to time.

In addition, we will not accept for exchange any old notes tendered, and no registered notes will be issued in exchange for any of those old notes, if at the time the notes are tendered any stop order is threatened by the Commission or in effect with respect to the registration statement of which this prospectus is a part or the qualification of the indenture under the Trust Indenture Act of 1939.

The exchange offer is not conditioned on any minimum principal amount of old notes being tendered for exchange.

- (b) In January 2003, the FASB issued FASB Interpretation No. 46 ('FIN 46'), which addresses consolidation of variable interest entities, which are entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. FIN 46 is effective immediately to variable interest entities created after January 31, 2003 and to variable interest entities in which an enterprise obtains an interest after that date. In October 2003, the FASB deferred to the fourth quarter of 2003 from the third quarter the implementation date of FIN 46 with respect to variable interest entities in which a variable interest was acquired before February 1, 2003. In December 2003, the FASB issued a revision ('FIN 46R') to FIN 46 to clarify certain provisions and exempt certain entities from its requirements. In addition, FIN 46R deferred to the first quarter of 2004 application of its provisions to certain entities in which a variable interest was acquired prior to February 1, 2003. We are reviewing the impact of the implementation of FIN 46 and FIN 46R, but we do not believe that it will result in a material impact to our capitalization.

- (a) Includes net securities gains (losses) of \$546,000 and \$(26,110,000) for the nine month periods ended September 30, 2003 and 2002, respectively, and \$(37,066,000), \$28,450,000, \$124,964,000, \$16,268,000 and \$(66,159,000) for the years ended December 31, 2002, 2001, 2000, 1999 and 1998, respectively.
- (b) During 2002, the Internal Revenue Service completed the audit of the Company's consolidated federal income tax returns for the years 1996 through 1999, without any material tax payment required from the Company. As a result of this favorable resolution of various federal income tax contingencies, the income tax provision for 2002 reflects a benefit of approximately \$120,000,000.
- (c) For the nine month period ended September 30, 2003 and for the period from the acquisition of WilTel through December 31, 2002, the Company recorded \$52,200,000 and \$13,400,000, respectively, of losses from this investment under the equity method of accounting. The book value of the Company's investment in WilTel was \$288,400,000 at September 30, 2003 and was \$340,600,000 at December 31, 2002.
- (d) For purposes of computing these ratios, earnings represent consolidated pre-tax income (loss) before cumulative effects of changes in accounting principles and equity in undistributed earnings or loss of associated companies accounted for under the equity method of accounting, plus 'fixed charges.' Fixed charges excluding interest on Deposits include interest expense (other than on Deposits),

the portion of net rental expense representative of the interest factor and amortization of debt expense. Fixed charges including interest on Deposits include all interest expense, the portion of net rental expense representative of the interest factor and amortization of debt expense. For the year ended December 31, 2002 in which the ratios indicated a less than one-to-one coverage, the amount of the deficiency was approximately \$8,300,000.

- (e) The pro forma ratio of earnings to fixed charges assumes the acquisition of the WilTel shares not previously owned by the Company as of January 1, 2002. The ratios are presented only for those periods for which we prepared pro forma financial statements. For more information on the pro forma amounts, see the Company's Current Report on Form 8-K filed with the Commission on November 18, 2003. The ratios were computed as described in note (d) above. For the year ended December 31, 2002 in which the ratios indicated a less than one-to-one coverage, the amount of the deficiency was approximately \$506.9 million.
- (f) At September 30, 2003, as a result of the Company implementing FASB No. 150, includes \$98,200,000 relating to the trust preferred securities.

DESCRIPTION OF CERTAIN INDEBTEDNESS AND OTHER OBLIGATIONS

7 3/4% SENIOR NOTES

We currently have outstanding \$100 million aggregate principal amount of 7 3/4% senior notes due 2013. The 7 3/4% senior notes were issued pursuant to an indenture dated as of August 15, 1993, with U.S. Bank (formerly, Continental Bank, National Association), as trustee. The 7 3/4% senior notes are our senior unsecured obligations and rank senior in right of payment to all of our existing and future subordinated indebtedness and pari passu in right of payment with all of our existing and future senior indebtedness, including the notes offered hereby. The terms of the indenture governing the 7 3/4% senior notes are substantially identical to the terms of the indenture governing the notes offered hereby.

7 7/8% SENIOR SUBORDINATED NOTES

We currently have outstanding \$21.7 million aggregate principal amount of 7 7/8% senior subordinated notes due 2006. The 7 7/8% senior subordinated notes were issued pursuant to an indenture dated as of October 21, 1996, with Fleet National Bank, as trustee. The 7 7/8% senior subordinated notes are subordinated to all of our existing and future senior indebtedness, including the notes offered hereby and the 7 3/4% senior notes, and rank pari passu with the 8 1/4% senior subordinated notes. The 7 7/8% senior subordinated notes are not redeemable by us prior to maturity. Upon a change of control, each noteholder

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

will have the right, subject to various conditions and restrictions, to require us to repurchase such holder's 7 7/8% senior subordinated notes at 101% of their principal amount, plus accrued interest.

8 1/4% SENIOR SUBORDINATED NOTES

We currently have outstanding \$19.1 million aggregate principal amount of 8 1/4% senior subordinated notes due 2005. BANK CREDIT FACILITY

In March 2003, we entered into a \$110 million unsecured bank credit facility which bears interest based on the Eurocurrency Rate or the prime rate and matures in 2006. As of the date of this prospectus, no amounts were outstanding under this bank credit facility.

AIRCRAFT FINANCING

During 2001, we borrowed \$53.1 million secured by our corporate aircraft. This debt bears interest based on a floating rate, requires monthly payments of principal and interest and matures in ten years. As of September 30, 2003, \$48.2 million was outstanding and the interest rate was 2.6%. We have entered into an interest rate swap agreement on this financing, which fixed the interest rate at approximately 5.7%.

TRUST PREFERRED SECURITIES

Our wholly-owned subsidiary, Leucadia Capital Trust I (the 'Trust'), currently has outstanding \$98.2 million aggregate liquidation amount of 8.65% trust issued preferred securities. These Company-obligated mandatorily redeemable preferred securities have an effective maturity date of January 15, 2027 and represent undivided beneficial interests in the Trust's assets, which consist solely of our 8.65% Junior Subordinated Deferrable Interest Debentures due 2027. Considered together, our 'back-up undertakings' related to the Trust's preferred securities constitute a full and unconditional guarantee by us of the Trust's obligations under the preferred securities.

DESCRIPTION OF THE REGISTERED NOTES

The registered notes are to be issued under an indenture between the Company and JPMorgan Chase Bank, as trustee, that the Company entered into in connection with the issuance of the old notes (which we refer to in this section as the 'Indenture'). The terms of the registered notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended.

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

This description of notes summarizes certain provisions of the Indenture and the respective registration rights agreement entered into in connection with the issuance of the old notes in November 2003 and December 2003 and makes use of defined terms in the Indenture and the respective registration rights agreements. The following summary does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all of the provisions of the Indenture and the respective registration rights agreements, and terms made a part of the Indenture by reference to the Trust Indenture Act. We urge you to read the Indenture, the relevant registration rights agreement and the Trust Indenture Act because they, and not this description, define your rights as a holder of notes. Copies of the Indenture and the registration rights agreements are available from the Company as described under the heading 'Where You Can Find More Information.'

You can find the definitions of certain terms used in this description of notes throughout this description of notes. As used in this description of notes, references to 'we,' 'us' or 'the Company' mean Leucadia National Corporation (and its successors in accordance with the terms of the Indenture) and not any of its subsidiaries. The old notes, the registered notes previously issued under the Indenture and any other notes issued under the Indenture in the future will be considered collectively to be a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase, and for purposes of this Description of the Registered Notes, all references herein to 'notes' shall be deemed to refer collectively to the old notes, the registered notes previously issued under the Indenture and any registered notes to be issued pursuant to the exchange offer, unless the context otherwise requires.

GENERAL

The notes bear interest from August 15, 2003 at the rate of 7% per annum, payable on February 15 and August 15 in each year to the noteholders of record at the close of business on the February 1 and August 1 immediately preceding such interest payment date, commencing February 15, 2004. The notes will be due on August 15, 2013, will be issued only in denominations of \$1,000 and integral multiples of \$1,000, and will be general unsecured obligations of the Company. The Indenture does not limit the maximum principal amount of notes that the Company may issue thereunder. If all holders of notes issued in August 2003 exchange their notes for registered notes pursuant to the exchange offer for such notes currently in progress, there will be \$275 million aggregate principal amount outstanding under the Indenture which will comprise a single series of notes. The Company may issue Additional Notes from time to time, including the registered notes pursuant to this exchange offer. Any offering of Additional Notes is subject to the covenant described below under the caption ' -- Certain Covenants -- Restriction on Incurrence of Indebtedness by the Company and the Incurrence of Indebtedness and Issuance of Preferred Stock by its Subsidiaries.' The notes and any Additional Notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, security interests, waivers, amendments, redemptions and offers to purchase.

RANKING

The notes are senior unsecured obligations of the Company and rank pari passu with all other unsecured and unsubordinated indebtedness of the Company and prior in right of payment to all subordinated indebtedness of the Company. The notes are effectively subordinated to all existing and future indebtedness of our subsidiaries. Had the notes been issued as of September 30, 2003, they would have been effectively subordinated to approximately \$470 million of indebtedness and other liabilities of our subsidiaries, including trade payables but excluding intercompany obligations (or \$1.7 billion on a pro forma basis

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

assuming we had consolidated WillTel as of September 30, 2003).

23

The notes rank pari passu with the Company's 7% Senior Notes due 2013 issued in August 2003 and the Company's 7 3/4% Senior Notes due 2013. The notes rank senior to the Company's 8 1/4% Senior Subordinated Notes due 2005, the Company's 7 7/8% Senior Subordinated Notes due 2006 and the Company's guarantee of the Trust's 8.65% trust issued preferred securities.

OPTIONAL REDEMPTION

The notes are not redeemable at the option of the Company prior to maturity.

SINKING FUND

The notes are not subject to sinking fund payments.

CERTAIN COVENANTS

The Indenture contains the following covenants:

Restriction on Incurrence of Indebtedness by the Company and on the Incurrence of Indebtedness and Issuance of Preferred Stock by Its Subsidiaries. The Company shall not, and shall not permit any Subsidiary to, create, incur, assume, or guarantee the payment of any Indebtedness, and shall not permit any of its Subsidiaries to issue any Preferred Stock, if, at the time of such event and after giving effect thereto on a pro forma basis, the Company's ratio of Consolidated Debt to Consolidated Tangible Net Worth, as of the most recent date for which consolidated financial statements are available and adjusted for the incurrence of all Indebtedness and the issuance of all Preferred Stock by Subsidiaries (other than Permitted Indebtedness) since that date, would be greater than 1.75 to 1. This restriction shall not preclude the incurrence of Permitted Indebtedness.

'Consolidated Debt' means, on any date, the sum of (i) total Indebtedness of the Company and its Subsidiaries, at such date, determined in accordance with GAAP on a consolidated basis, and (ii) the aggregate liquidation preference of all Preferred Stock of Subsidiaries of the Company, at such date, other than Preferred Stock to the extent held by the Company and its Subsidiaries; provided, that Consolidated Debt shall not include Permitted Indebtedness.

'GAAP' means United States generally accepted accounting principles as in effect on December 31, 1992.

'Indebtedness' of any Person means (i) any liability of such Person (a) for borrowed money, (b) evidenced by a note, debenture or similar instrument (including a Purchase Money Obligation or deferred payment obligation) given in connection with the acquisition of any property or assets (other than inventory or similar property acquired in the ordinary course of business), including securities, (c) for the payment of a Capitalized Lease Obligation of such Person or (d) with respect to the reimbursement of any letter of credit, banker's acceptance or similar credit transaction (other than trade letters of credit issued in the ordinary course of business; provided, that the failure to make prompt reimbursement of any trade letter of credit shall be deemed to be the

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

incurrence of Indebtedness); and (ii) any guarantee by such Person of any liability of others described in clause (i) above or any obligation of such Person with respect to any liability of others described in clause (i) above. Indebtedness shall not include Deposits.

'Permitted Indebtedness' means (i) any Indebtedness of the Company and its Subsidiaries outstanding on June 5, 2003, or any refinancing or replacement thereof; provided, that the aggregate amount of such Indebtedness is not increased, (ii) Acquired Indebtedness, (iii) Preferred Stock of Subsidiaries held by the Company or its Subsidiaries (it being understood that the sale of such Preferred Stock by the Company or such Subsidiary to any Person other than the Company or a Subsidiary of the Company or such Subsidiary no longer being a Subsidiary shall be deemed the issuance of Preferred Stock for purposes of the above test) and (iv) intercompany Indebtedness.

'Acquired Indebtedness' means Indebtedness of a Person either (i) existing at the time such Person becomes a Subsidiary, (ii) assumed in connection with the acquisition of assets of such Person or (iii) any refinancing or replacement by such Person of such Indebtedness; provided, that the aggregate amount of such Indebtedness then outstanding is not increased. Acquired Indebtedness shall not include (x) any such Indebtedness created in anticipation of such Person becoming a Subsidiary (other than a refinancing or

24

replacement of Indebtedness of such Person, which original Indebtedness was not incurred in anticipation of such Person becoming a Subsidiary), or (y) any Indebtedness that is recourse to the Company or any Subsidiary or any of their respective assets, other than to such Person and its Subsidiaries and their respective assets.

Limitation on Funded Debt of Material Subsidiaries. Without limiting the preceding covenant, the Company will not permit any Material Subsidiary to (a) create, incur, assume or suffer to exist any Funded Debt other than (i) Funded Debt secured by a Lien on Principal Property which is permitted under the provision described below under 'Limitations on Liens,' (ii) Funded Debt owed to the Company or any Subsidiary, (iii) Funded Debt of a corporation which is merged with or into the Company or a Material Subsidiary, (iv) Funded Debt in existence on June 5, 2003, (v) Funded Debt created in connection with, or with a view to, compliance by a Material Subsidiary with the requirements of any program adopted by any federal, state or local governmental authority and applicable to such Material Subsidiary and providing financial or tax benefits to such Material Subsidiary which are not available directly to the Company and (vi) Funded Debt that is Acquired Indebtedness; or (b) to guarantee, directly or indirectly through any arrangement that is substantially the equivalent of a guarantee, the payment of any Funded Debt except for (i) guarantees existing on June 5, 2003, (ii) guarantees which, on June 5, 2003, a Material Subsidiary is obligated to give and (iii) guarantees of Funded Debt permitted under clause (a) of this paragraph. Notwithstanding the foregoing, any Material Subsidiary may create, incur, assume or guarantee the payment of Funded Debt in addition to that permitted in this paragraph and extend, renew, substitute or replace, in whole or in part, such Funded Debt, provided that at the time of such creation, incurrence, assumption, guarantee, extension, renewal, substitution or replacement, and after giving effect thereto, the aggregate principal amount of all Funded Debt of Material Subsidiaries does not exceed 15%

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

of Consolidated Tangible Net Worth.

The term 'Consolidated Tangible Net Worth' means, as of any date, the total shareholders' equity of the Company determined in accordance with GAAP less any and all goodwill and other intangible assets reflected on the consolidated balance sheet of the Company as of such date. Deferred policy acquisition costs ('DPAC'), that portion of the value of insurance in force resulting from an acquisition and equivalent to the amount of DPAC of the acquired entity outstanding immediately prior to such acquisition and deferred taxes shall not be deemed goodwill or other intangible assets for purposes of determining Consolidated Tangible Net Worth.

The term 'Funded Debt' means Indebtedness which by its terms matures at, or can be extended or renewed at the option of the obligor to, a date more than twelve months after the date of the creation of such Indebtedness, including, without limitation, outstanding revolving credit loans.

Limitations on Liens. The Company will not, and will not permit any Material Subsidiary to, (a) issue, assume or guarantee any Indebtedness if such Indebtedness is secured by a Lien upon, or (b) directly or indirectly secure any outstanding Indebtedness by a Lien upon, any Principal Property, now owned or hereafter acquired, without effectively providing that the notes shall be secured equally and ratably with such Indebtedness, except that the foregoing restrictions shall not apply to (i) Liens on any Principal Property acquired after June 5, 2003 to secure or provide for the payment of the purchase price or acquisition cost thereof, (ii) Liens on Principal Property acquired after June 5, 2003 existing at the time such Principal Property is acquired, (iii) Liens on any Principal Property acquired from a corporation merged with or into the Company or a Material Subsidiary, (iv) Liens in favor of the Company or any Subsidiary, (v) Liens in existence on any Principal Property on June 5, 2003, (vi) Liens on any Principal Property constituting unimproved real property constructed or improved after June 5, 2003 to secure or provide for the payment or cost of such construction or improvement, (vii) Liens in favor of, or required by, governmental authorities, (viii) pledges or deposits in connection with workers' compensation, unemployment insurance and other social security legislation and deposits securing liability to insurance carriers under insurance or self-insurance arrangements or other pledges or deposits in the ordinary course of the insurance business of a Material Subsidiary of the Company that is a licensed insurance company, including, without limitation, those relating to the insurance or reinsurance operations of such Material Subsidiaries and those relating to the requirements to create 'separate accounts,' (ix) Liens for taxes not yet due or which are being contested in good faith by appropriate proceedings, (x) Liens securing any extension, renewal, substitution or replacement (or successive extensions, renewals, substitutions or

25

replacements) of Indebtedness of the Company or any Material Subsidiary outstanding as of March 31, 1993, and (xi) any extension, renewal, substitution or replacement (or successive extensions, renewals, substitutions or replacements), in whole or in part, of any Lien referred to in the foregoing clauses (i) through (x), inclusive.

Notwithstanding the foregoing, the Company and any Material Subsidiary may,

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

without equally and ratably securing the notes, issue, assume or guarantee secured Indebtedness (which would otherwise be subject to the foregoing Lien restrictions) in an aggregate amount which, together with all other such secured Indebtedness of the Company and its Material Subsidiaries (that is, not including secured Indebtedness of the Company and its Material Subsidiaries permitted pursuant to the preceding paragraph) and the Attributable Debt in respect of Sale and Lease-Back Transactions existing at such time (other than Sale and Lease-Back Transactions permitted in accordance with the first paragraph under the caption 'Limitation on Sale and Lease-Back Transactions' below), does not at the time exceed 15% of the shareholders' equity in the Company and its consolidated Subsidiaries as shown on the audited consolidated balance sheet contained in the latest annual report to shareholders of the Company.

'Lien' means any mortgage, lien, pledge, security interest, conditional sale or other title retention agreement or other security interest or encumbrance of any kind (including any agreement to give any security interest).

The term 'Material Subsidiary' means (i) any Subsidiary of the Company which at December 31, 1992 was a 'significant subsidiary' under Regulation S-X promulgated by the SEC or any successor to such Subsidiary and (ii) any other Subsidiary of the Company; provided that the Company's investments in and advances to such Subsidiary at the date of determination thereof, without giving effect to any write-downs in such investments or advances taken within the prior 12 months, represent 20% or more of the Company's Consolidated Tangible Net Worth as of such time; provided, however, that this clause (ii) shall not include any Subsidiary if, at the time that it became a Subsidiary, the Company contemplated commencing a voluntary case or proceeding under the Bankruptcy Law with respect to such Subsidiary.

The term 'Principal Property' means all property, assets or revenue of the Company and each Material Subsidiary now owned or hereafter acquired and all shares of stock and Indebtedness of any Material Subsidiary now owned or hereafter acquired.

Limitation on Sale and Lease-Back Transactions. Sale and Lease-Back Transactions by the Company or any Material Subsidiary are prohibited unless the proceeds of such sale or transfer are at least equal to the fair value (as determined by the Board of Directors) of the Principal Property to be leased pursuant to such Sale and Lease-Back Transaction and either (i) the Company or such Material Subsidiary could incur a Lien on such Principal Property under the covenant described in 'Limitation on Liens' above, (ii) such Sale and Lease-Back Transactions are between or among the Company and any of its Subsidiaries or between or among Subsidiaries, (iii) the lease is for a period not exceeding three years and the Company or such Material Subsidiary that is a party to such lease intends that its use of such Principal Property will be discontinued on or before the expiration of such period, or (iv) the Company applies, or causes such Material Subsidiary to apply, an amount equal to the fair value (as determined by the Board of Directors) of the Principal Property sold pursuant to such Sale and Lease-Back Transaction to (A) the retirement, within 60 days after the effective date of any such Sale and Lease-Back Transaction, of Funded Debt of the Company or of such Material Subsidiary, or (B) the purchase of other property that will constitute a Principal Property.

Notwithstanding the provisions of the preceding paragraph, the Company or any Material Subsidiary may enter into any Sale and Lease-Back Transaction which would otherwise be subject to the following restrictions, if the amount of Attributable Debt in respect of such Sale and Lease-Back Transaction, together with all secured Indebtedness of the Company and its Material Subsidiaries (other than secured Indebtedness of the Company and Material Subsidiaries permitted under the first paragraph under the caption 'Limitation on Liens' above) and all other Attributable Debt in respect of Sale and Lease-Back

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

Transactions existing at such time (other than Sale and Lease-Back Transactions permitted pursuant to the preceding paragraph), does not at the time exceed 15% of the shareholders' equity in the Company and its consolidated Subsidiaries as shown on the audited consolidated balance sheet contained in the latest annual report to shareholders of the Company.

26

The term 'Attributable Debt' means, as of any particular time, the present value, discounted at a rate per annum equal to the interest rate of the notes, of the rental payments (not including amounts payable by the lessee for maintenance, property taxes and insurance) due during the remaining term of any lease (including any period for which such lease has been extended or may, at the option of the lessor, be extended).

The term 'Sale and Lease-Back Transaction' means the sale or transfer of any Principal Property owned by the Company or any Material Subsidiary with the intention of taking back a lease on such property.

Although the Indenture contains the foregoing restrictions on the ability of the Company and its Subsidiaries to incur Indebtedness, the Company and its Subsidiaries may engage in transactions that, although in compliance with such restrictions, would result in additional leverage, which may adversely affect the noteholders.

REPURCHASE AT OPTION OF HOLDERS UPON A CHANGE OF CONTROL

In the event of any Change of Control, each noteholder shall have the right, at such noteholder's option, to require the Company to purchase all or any portion (in integral multiples of \$1,000) of such noteholder's notes on the date (the 'Change of Control Payment Date') which is 20 business days after the date the Change of Control Notice (as defined below) is mailed (or such later date as is required by applicable law) at 101% of the principal amount (excluding premium) thereof, plus accrued interest to the Change of Control Payment Date: provided that the Company will not be obligated to purchase any of such notes unless noteholders of at least 10% of the notes outstanding at the Change of Control Payment Date (other than notes held by the Company and its Affiliates) shall have tendered their notes for repurchase.

The Company is obligated to send to all noteholders, within five business days after the occurrence of each Change of Control, a notice of the occurrence of such Change of Control (the 'Change of Control Notice'), specifying a date by which a noteholder must notify the Company of such noteholder's intention to exercise the repurchase right and describing the procedure that such noteholder must follow to exercise such right. The Company is required to deliver a copy of such notice to the Trustee and to cause a copy of such notice to be published in a daily newspaper of national circulation. To exercise the repurchase right, the noteholder must deliver, on or before the fifth calendar day prior to the Change of Control Payment Date, written notice (which shall be irrevocable, except as provided below) to the Company (or an agent designated by the Company for such purpose) of the noteholder's exercise of such right, together with (i) the note or notes with respect to which the right is being exercised, duly endorsed for transfer with the form entitled 'Option of Holder to Elect Purchase' on the reverse of the note completed, and (ii) if the Change of Control Payment Date falls between any record date for the payment of interest on the notes and the

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

next succeeding interest payment date, an amount equal to the interest which the noteholder is entitled to receive on such interest payment date. The Company will comply with all applicable Federal and state securities laws, including Rule 14e-1 of the Exchange Act and other applicable tender offer rules, in connection with each Change of Control Notice.

A 'Change of Control' shall be deemed to occur if (i) the Company has any other Indebtedness outstanding (other than Indebtedness under a bank credit agreement or similar bank financing) which provides for a Change of Control (as defined in the instrument governing such Indebtedness) if Ian M. Cumming or Joseph S. Steinberg ceases to beneficially own, in the aggregate, a certain percentage of the outstanding Common Shares, which percentage ownership requirement is in excess of 10%, and a Change of Control (as defined in the instrument governing such Indebtedness) occurs under such Indebtedness or (ii) at any time when the Company does not have any other Indebtedness outstanding of the type referred to in clause (i), Ian M. Cumming or Joseph S. Steinberg, individually or in the aggregate, sells, transfers or otherwise disposes of (a 'Disposition'), after the date hereof, Common Shares so that, after giving effect thereto, the sole beneficial ownership of outstanding Common Shares by Mr. Cumming and/or Mr. Steinberg would, in the aggregate, fall below 10% of the then outstanding Common Shares; provided that no Change of Control shall be deemed to have occurred under clause (ii) if the notes are rated by both Moody's and S&P as Investment Grade both at the time of such Disposition and for a period of 90 days from the date of such Disposition (it being understood that, with respect to the foregoing proviso, a

27

Change of Control shall be deemed to occur on the first date during such 90-day period when the notes are no longer rated as Investment Grade by Moody's and S&P). The term 'Common Shares' shall include any securities issued as dividends or distributions on the Common Shares. For purposes hereof, 'sole beneficial ownership' of Common Shares shall be deemed to include (i) all Common Shares received after June 15, 1992 from Mr. Cumming or Mr. Steinberg by any member of their respective immediate families or by any trust for the benefit of either of them or any member of their respective immediate families (a 'Recipient'), which Common Shares remain held by a Recipient during the lifetime of Mr. Cumming or Mr. Steinberg (unless sold, transferred or disposed of by such Recipient during the lifetime of Mr. Cumming or Mr. Steinberg, as the case may be, in which case such Disposition by such Recipient shall constitute a Disposition by Mr. Cumming or Mr. Steinberg, as the case may be) and (ii) after the death of Mr. Cumming and/or Mr. Steinberg, all Common Shares owned as of the date of death by the decedent, and any Recipient of the decedent, regardless of whether such Recipient continues to own such Common Shares after the date of death. In determining the number of outstanding Common Shares then held by Messrs. Cumming and Steinberg and the total number of outstanding Common Shares, there shall be excluded Common Shares issued by the Company after December 31, 1991, or the conversion into or exchange for, after December 31, 1991, Common Shares or securities convertible into or exchangeable for Common Shares. As calculated pursuant to this provision, Messrs. Cumming and Steinberg beneficially own, in the aggregate, approximately 43% of the Common Shares as of March 31, 2003.

As of the date hereof, the Company does not have any Indebtedness outstanding of the type referred to in clause (i) of the preceding paragraph. There can be no assurance that the Company will have sufficient funds or the

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

financing to satisfy its obligations to repurchase the notes and other Indebtedness that may come due upon a Change of Control. In such case, the Company's failure to purchase tendered notes would constitute an Event of Default under the Indenture.

The holders of majority in principal amount of notes then outstanding may waive compliance by the Company of the repurchase of notes upon a Change of Control. The Company may not waive such provisions. See 'Modification of the Indenture.'

The term 'Investment Grade' is defined as BBB- or higher by S&P or Baa3 or higher by Moody's or the equivalent of such ratings by Moody's or S&P.

TRANSACTIONS WITH AFFILIATES

The Company shall not, and shall not permit any Subsidiary to, directly or indirectly, enter into any transaction or series of related transactions with any Affiliate (other than with the Company or a Wholly-Owned Subsidiary), including, without limitation, any loan, advance or investment or any purchase, sale, lease or exchange of property or the rendering of any service, unless such transaction or series of transactions is in good faith and at arm's-length and on terms which are at least as favorable as those available in a comparable transaction from an unrelated Person. Any such transaction that involves in excess of \$10,000,000 shall be approved by a majority of the Independent Directors on the Board of Directors of the Company; or, in the event that at the time of any such transaction or series of related transactions there are no Independent Directors serving on the Board of Directors of the Company, such transaction or series of related transactions shall be approved by a nationally recognized expert with experience in appraising the terms and conditions of the type of transaction for which approval is required.

SUCCESSOR CORPORATION

The Company may not consolidate with, merge into or transfer all or substantially all of its assets (i.e., 90% or more) to another corporation unless (a) the successor corporation shall be existing under the laws of the United States, any state thereof or the District of Columbia, (b) there shall not be any Default or Event of Default under the Indenture, (c) such successor corporation assumes all of the Obligations of the Company under the notes and the Indenture and (d) after giving effect to such transaction, such successor corporation shall have a Consolidated Net Worth equal to or greater than the Company. Thereafter all such obligations of the Company will terminate.

28

REPORTS TO NOTEHOLDERS

The Company will mail copies of its annual reports and quarterly reports mailed to its shareholders to noteholders. If the Company is not required to furnish annual or quarterly reports to its shareholders, the Company will, upon request, mail to each noteholder, at such noteholder's address as appearing on the note register, audited annual financial statements prepared in accordance with United States generally accepted accounting principles and unaudited condensed quarterly financial statements. Such financial statements shall be accompanied by management's discussion and analysis of the results of operations

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

and financial condition of the Company for the period reported upon in substantially the form required under the rules and regulations of the Commission currently in effect.

THE TRUSTEE

JPMorgan Chase Bank is the Trustee under the Indenture.

The noteholders of a majority in principal amount of all outstanding notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee. The Indenture will provide that, in case an Event of Default shall occur and be continuing, the Trustee will be required to use the degree of care of a prudent person in the conduct of his own affairs in the exercise of its power. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any of the noteholders, unless they shall have offered to the Trustee security and indemnity satisfactory to it.

EVENTS OF DEFAULT AND NOTICE THEREOF

The term 'Event of Default' when used in the Indenture shall mean any one of the following: (i) failure to pay interest for 30 days or principal (including premium, if any); (ii) failure to perform any covenants not described in clause (i) for 30 days after receipt of notice; (iii) the occurrence of a default in the payment when due of principal of, or interest on, or other amounts payable in respect of, any instrument evidencing or securing other Indebtedness of the Company or any Material Subsidiary of the Company in the aggregate principal amount of \$15,000,000 or more; (iv) the occurrence of any other event of default under an instrument evidencing or securing other indebtedness of the Company or any Material Subsidiary of the Company in the aggregate principal amount of \$15,000,000 or more resulting in the acceleration of such indebtedness, which acceleration is not rescinded or annulled pursuant to the terms of such instrument; and (v) certain events of bankruptcy, insolvency or reorganization relating to the Company or any Material Subsidiary of the Company.

The Indenture will provide that the Trustee shall, within 90 days after the occurrence of a default, provide to the noteholders notice of all uncured defaults known to it (the term default to include the events specified above without grace or notice); provided, that, except in the case of default in the payment of principal of, premium, if any, or interest on any of the notes, the Trustee shall be protected in withholding such notice if and so long as a committee of its Trust Officers in good faith determines that the withholding of such notice is in the interests of the noteholders.

In case an Event of Default (other than an Event of Default with respect to the Company specified in clause (v) above) shall have occurred and be continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the notes then outstanding, by notice in writing to the Company and to the Trustee, may declare to be due and payable immediately the outstanding principal amount and accrued interest, premiums, penalties and other amounts in respect of the notes and the Indenture. Such declaration may be annulled and past defaults (except, unless theretofore cured, a default in payment of principal, premium, if any, or interest on the notes) may be waived by the holders of a majority in principal amount of the notes, upon the conditions provided in the Indenture.

If an Event of Default with respect to the Company specified in clause (v) above occurs, all unpaid principal of, premium, if any, and accrued interest on the notes then outstanding shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any

holder of notes.

29

The Indenture will include a covenant that the Company will file annually with the Trustee a statement regarding compliance by the Company with the terms thereof and specifying any defaults of which the signers may have knowledge.

MODIFICATION OF THE INDENTURE

Under the Indenture, the rights and obligations of the Company and the rights of noteholders may be modified by the Company and the Trustee only with the consent of the noteholders holding a majority in principal amount of the notes then outstanding; but no extension of the maturity of any notes, or reduction in the interest rate or premium, if any, or extension of the time of payment of principal of (including premium, if any) or interest on, or any change that adversely affects the right of a noteholder to convert any notes, or any change in the subordination of the notes that is adverse to the noteholders, or any other modification in the terms of payment of the principal of, or premium, if any, or interest on the notes or reduction of the percentage required for modification will be effective against any noteholder without its consent. The holders of a majority in principal amount of notes then outstanding may waive compliance by the Company with certain covenants, including those described under 'Repurchase at Option of Holders Upon a Change of Control.'

SATISFACTION AND DISCHARGE OF INDENTURE

The Indenture will be discharged and cancelled upon payment or redemption of all the notes or upon deposit with the Trustee, within not more than one year prior to the maturity of the notes, of funds sufficient for such payment or redemption.

REGISTRATION RIGHTS; LIQUIDATED DAMAGES

The Company and the initial purchaser of the old notes entered into a registration rights agreement in connection with each of the issuances of old notes in November 2003 and December 2003. Pursuant to each registration rights agreement, the Company agreed, for the benefit of the holders of the notes covered by that registration rights agreement, to file under the Securities Act a registration statement relating to an offer to exchange any and all of the old notes for a like aggregate principal amount of registered notes which are substantially identical to the old notes, except that the registered notes have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for the liquidated damages described below. The registration rights agreement entered into in connection with the issuance of the old notes in December 2003 also provided that the Company may, if not prohibited by applicable law or regulatory interpretation thereof, combine the offer that the Company previously agreed to make pursuant to the registration rights agreement entered into in connection with the issuance of the old notes in November 2003; provided that in such event the terms of the respective registration rights agreement shall continue to apply to the old notes covered by such registration rights agreement, as applicable. The exchange offer is a combined offer as provided for under the December 2003 registration rights agreement.

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

If: (1) prior to the time the exchange offer is completed (A) existing Commission interpretations are changed such that the registered notes received in the exchange offer would not in general be, upon receipt, transferable by holders thereof without restrictions under the Securities Act or (B) the interests of the holders of the notes, taken as a whole, would be materially adversely affected by the consummation of the exchange offer; (2) applicable Commission interpretations would not permit consummation of the exchange offer; (3) the exchange offer has not been completed within 225 days following the issue date of the old notes; or (4) the exchange offer is not available to any holder of the notes, the Company shall, in lieu of (or, in the case of clause (4), in addition to) conducting the exchange offer, file under the Securities Act a 'shelf' registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities.

In the event that:

(a) the Company has not filed the registration statement or shelf registration statement on or before the date on which such registration statement is required to be filed; or

30

(b) such registration statement or shelf registration statement has not become effective or been declared effective by the Commission on or before the date on which such registration statement is required to become or be declared effective; or

(c) the exchange offer has not been completed within 45 days after the initial effective date of the registration statement relating to the exchange offer (if the exchange offer is then required to be made); or

(d) any shelf registration statement is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order suspending the effectiveness of such registration statement without being succeeded within 30 days by an additional registration statement filed and declared effective;

then, in addition to the interest on the notes, liquidated damages shall accrue at an amount per week per \$1,000 principal amount of notes equal to \$0.05 for the first 90 days of the registration default period, increasing by an additional \$0.05 per week per \$1,000 principal amount of notes with respect to each subsequent 90-day period, up to a maximum of \$0.25 per week per \$1,000 principal amount of notes. Liquidated damages shall be paid on the interest payment dates to holders of record for the payment of interest.

Holders of notes will be required to make certain representations to the Company and to deliver information to be used in connection with the shelf registration statement (in each case, as described in the registration rights agreement) and will be required to provide comments on the shelf registration statement within the time periods set forth in the registration rights agreement in order to have their notes included in the shelf registration statement and benefit from the provisions regarding liquidated damages set forth above.

Except in certain limited circumstances, the Global Notes may be

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for notes in certificated form, except in certain limited circumstances. See ' -- Exchange of Interests in Global Notes for Certificated Notes.'

FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of the material U.S. federal income tax considerations relating to the exchange of old notes for registered notes in the exchange offer. It does not contain a complete analysis of all the potential tax considerations relating to the exchange. This summary is limited to holders of old notes who hold the old notes as 'capital assets' (in general, assets held for investment). Special situations, such as the following, are not addressed:

tax consequences to holders who may be subject to special tax treatment, such as tax-exempt entities, dealers in securities or currencies, financial institutions, insurance companies, regulated investment companies, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings or corporations that accumulate earnings to avoid U.S. federal income tax;

tax consequences to persons holding notes as part of a hedging, integrated, constructive sale or conversion transaction or a straddle or other risk reduction transaction;

tax consequences to holders whose 'functional currency' is not the U.S. dollar;

tax consequences to persons who hold notes through a partnership or similar pass-through entity;

alternative minimum tax consequences, if any; or

any state, local or foreign tax consequences.

The discussion below is based upon the provisions of the Internal Revenue Code of 1986, existing and proposed Treasury regulations promulgated thereunder, and rulings, judicial decisions and administrative interpretations thereunder, as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in U.S. federal income tax consequences different from those discussed below.

CONSEQUENCES OF TENDERING NOTES

The exchange of your notes for registered notes in the exchange offer would not constitute an exchange for federal income tax purposes. Accordingly, the exchange of your old notes for registered notes would have no federal income tax consequences to you. For example, there would be no change in your tax basis and your holding period would carry over to the registered notes. In addition, the

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

federal income tax consequences of holding and disposing of your registered notes would also be the same as those applicable to your old notes.

THE PRECEDING DISCUSSION OF CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS IS FOR GENERAL INFORMATION ONLY AND IS NOT TAX ADVICE. ACCORDINGLY, EACH INVESTOR SHOULD CONSULT ITS OWN TAX ADVISOR AS TO PARTICULAR TAX CONSEQUENCES TO IT OF EXCHANGING OLD NOTES FOR REGISTERED NOTES, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, AND OF ANY PROPOSED CHANGES IN APPLICABLE LAWS.

32

PLAN OF DISTRIBUTION

Each broker-dealer that receives registered notes in the exchange offer for its own account must acknowledge that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the notes. We reserve the right in our sole discretion to purchase or make offers for, or to offer registered notes for, any old notes that remain outstanding subsequent to the expiration of the exchange offer pursuant to this prospectus or otherwise and, to the extent permitted by applicable law, purchase old notes in the open market, in privately negotiated transactions or otherwise. This prospectus, as it may be amended or supplemented from time to time, may be used by all persons subject to the prospectus delivery requirements of the Securities Act, including broker-dealers in connection with resales of registered notes received in the exchange offer, where the notes were acquired as a result of market-making activities or other trading activities and may be used by us to purchase any notes outstanding after expiration of the exchange offer. We have agreed that, for a period of 180 days after the expiration of the exchange offer, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with such a resale.

We will not receive any proceeds from any sale of registered notes by broker-dealers. Notes received by broker-dealers in the exchange offer for their own account may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the registered notes or a combination of those methods of resale, at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Such a resale may be made directly to purchases or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from such a broker-dealer and/or the purchasers of any of the registered notes. Any broker-dealer that resells registered notes that were received by it in the exchange offer for its own account as any broker or dealer that participates in a distribution of the notes may be deemed to be an 'underwriter' within the meaning of the Securities Act and any profit on such a resale of the notes and any commissions or concessions received by those persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that, by acknowledging that it will deliver and by delivering a prospectus meeting the requirements of the Securities Act, a broker-dealer will not be deemed to admit that it is an 'underwriter' within the meaning of the Securities Act.

For a period of 180 days after the expiration of the exchange offer, we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests these documents

Edgar Filing: LEUCADIA NATIONAL CORP - Form 424B3

in the letter of transmittal. We have agreed to pay all expenses incident to the exchange offer, including the reasonable fees and expenses of counsel to the initial purchasers of the old notes, other than commissions or concessions of any brokers or dealers, and will indemnify holders of the notes, including any broker-dealers, against certain liabilities, including liabilities under the Securities Act.
